

My Life 501

Chapter 501: Proposal! (9)

After the kiss ended.

Yu Yuehan drew her into his embrace and allowed her to sit on his thigh.

Just like a pair of Siamese twins, both of them hugged each other tightly.

Nian Xiaomu reached out and stroked the Queen's Ring on her ring finger incessantly. Covering her mouth, she snickered.

Ah! Ah! Ah!

He had really proposed to her!

He had used a ring that cost 100 million and had gotten down on one knee!

As Nian Xiaomu lifted her fingers up and stared at the ring that exuded a captivating brilliance under the moonlight, she stroked the ruby on it with her fingers over and over again.

The more she looked at it, the more she loved it!

After that, she seemed to have thought of something as she lowered her head and took a glance at the work attire she was wearing. All of a sudden, she hammered on Yu Yuehan's chest.

She grumbled unhappily and asked, "Why didn't you remind me to wear nicer clothes since you were going to propose to me?"

"..."

"Oh my! My clothes are so ugly—how could they match up to such a gorgeous ring? Furthermore, I washed my face in the afternoon and didn't even put any makeup on..." Nian Xiaomu's expression turned even uglier as she reached out to touch her face.

From the corner of her eye, she noticed that there was a red dot flickering on a nearby surveillance camera.

She suddenly thought of something.

Turning around, she leaned against Yu Yuehan's chest and asked carefully, "Did you possibly arrange for a cameraman as well?"

When she saw Yu Yuehan nodding his head, her heart immediately sank to the bottom of a pit.

"That's it. The only thing that was on my mind was how touched I felt. I forgot that I need to look pretty even while crying. I think my snot and tears flowed into my mouth together... No, no, this time doesn't count!"

With a whoosh, Nian Xiaomu removed the ring and stuffed it into Yu Yuehan's chest.

“There’s no need for fireworks. You can just hold the ring, kneel down, and propose to me again! I promise that I will find a good angle before I cry this time around, and I will definitely cry like a weeping beauty—it’ll definitely be touching and also filled with deep love...”

Yu Yuehan: “...!!”

Could anyone tell him what was happening?

Wasn’t it correct to just prepare a romantic proposal?

Why was the ring returned back to him when the proposal was a success?

The reason for the returned ring was actually because she was worried that the video wasn’t shot nicely...

As Yu Yuehan lowered his head and looked at the ring in his hand, he knitted his eyebrows and said, “Nian Xiaomu, it’s fine like this.”

It was really fine.

She could take on any style with that unique aura of hers.

Even if she was wearing just an ordinary shirt, she could still work with it and stand out from the masses.

However, Nian Xiaomu seemed to have been possessed...

“I didn’t even have lipstick on just now! What will happen to my goddess-like image when we play the proposal footage at the wedding banquet?”

“I remember being too agitated when I was crying just now and snot really flowed out. What if it was played in high definition...”

“And, and, I actually did not hesitate for a single second when you proposed to me just now!”

Yu Yuehan: “...!!”

Was there a problem with that as well?

He thought that it was very good, very fantastic!

If she dared to hesitate for more than three seconds, he would straightaway throw her down the foot of the mountain!

As Nian Xiaomu grabbed his arm, she looked at him helplessly and stuck out a finger carefully.

“Let’s do it one more time, alright?”

Yu Yuehan: “...!!”

“Yu Yuehan, you don’t even want to propose one more time. I am sure that you don’t love me anymore!” Nian Xiaomu started to act rascally since it didn’t work when she acted in a spoiled manner.

“You’re a born beauty. Don’t give up on believing that. A goddess must be confident in her qualities and aura.” Yu Yuehan tried to talk some sense in her.

“Pooh! Why didn’t you wear a t-shirt with flip-flops to propose to me then? You are dressed up so dashing, and it makes me look so unsightly...” Nian Xiaomu sniffed and put on a look that made her seem like she was about to cry after suffering a great grievance.

Chapter 502: Proposal! (10)

Yu Yuehan’s dark eyes flickered. Hugging her tightly, he said, “No matter how you look, you must believe that you are the prettiest in my heart.”

“Really?” Nian Xiaomu was skeptical.

“Yeah, someone will retouch the video if the footage doesn’t look good, so don’t worry.”

“You just said that you only love my interesting character, but now, you are starting to be mindful about my appearance again!”

“That’s not important. The most important thing is that you will surely be the prettiest bride-to-be (TLC. Is the banquet after the wedding ceremony? If so, wouldn’t she already be a newlywed?) in the entire ballroom when we play the proposal video during our wedding banquet...” Yu Yuehan had to take great pains before he managed to coax her and put on the ring on her again.

When he saw that Nian Xiaomu was still struggling with her thoughts, he cleared his throat and said with a deep voice, “Nian Xiaomu, have you ever heard that someone’s fiancée had broken off the engagement because she overdid her acting?”

“...”

Nian Xiaomu was startled. As she stared at the handsome face that resembled a perfectly drawn painting, she lowered her head and took a glance at the ring that he was about to put on her finger.

Without a second word, she grabbed his hand and pushed the ring all the way on her finger.

After that, she jumped into his embrace and said with all smiles, “My dear, I was only joking with you just now. Were you surprised? Were you shocked?”

Yu Yuehan: “...!!”

It was an enchanting night.

As Yu Yuehan hugged Nian Xiaomu in his embrace, he cut up the heart-shaped steak in front of him into smaller cubes and sent them to her mouth one piece at a time.

Nian Xiaomu had exhausted her body after crying and laughing the entire night.

Leaning against his chest obediently, she stroked the ring on her ring finger as she ate the steak—she couldn’t be satisfied no matter how long she looked at it.

With an aching heart, Nian Xiaomu lifted her head up and asked, “Did you leave early and return late these last few days because you were planning this?”

“Yeah, I had more plans initially, but I was afraid that a particular someone would weep in front of me if she didn’t receive the ring after so long. As such, I brought it forward.” As Yu Yuehan said that, he sent a small piece of steak into her mouth.

With the steak in her mouth, Nian Xiaomu muttered vaguely, “That person surely could not be me. This goddess is a very reserved person. I am not in a hurry to get married. If not for your sincerity, I wouldn’t have agreed to marry you.”

She had originally assumed that she would hear Yu Yuehan’s rebuttal after she finished her sentence.

If not, maybe he would also tease her a little.

However, after waiting for a while, all he did was simply send the last piece of steak on the plate into her mouth.

Then, he reached out to the other plate and continued to cut the steak for her.

“Eat more.”

Nian Xiaomu: “...”

All of a sudden, she felt a little touched—it was really very important to find a man who pampers you, one who is truly good to you! She must have accumulated good karma in her previous life!

“Since you’re full, it’s my turn to eat.”

His tone had obviously turned high-pitched at the last word, “eat.”

Nian Xiaomu: “...”

The moving emotions just now must have been her hallucination!

She must have done evil instead of accumulating good karma in her previous life!

After Nian Xiaomu had her meal, a certain impatient man held her in a princess carry and took huge strides toward the bedroom in the manor before she even had the time to admire the night view.

“I’ve had too much just now. I want to go to the bathroom!” Just when Nian Xiaomu wanted to run away, he captured her and pinned her against the wall.

He used his lips to keep her silent.

When she finally caught her breath, she opened her mouth hurriedly and said, “Really, I can’t hold it in any longer!”

“There’s a bathroom in the room.” Yu Yuehan sealed her lips again.

He walked forward and kissed her along the way.

He headed forward impatiently when he saw that the room was close at hand. Just when he was about to kick the room door open, a series of footsteps sounded from the stairway!

They were at his private manor now; he had already passed down instructions to seal the place to prevent anyone from disturbing them.

Why was someone here at this point in time?

Chapter 503: The Yu couple is here, year after year (1)

“Someone is here!” Nian Xiaomu seemed to have seen her savior as she quickly peeped out from his embrace.

She happily looked out.

Shortly after, she saw Matriarch Yu, who entered with a majestic air.

The moment Matriarch Yu saw them, she opened her mouth happily and said, “You rascal, how could you hide such a joyful matter from me! Luckily, I was smart enough to have arranged for someone to follow you. This is how I managed to catch up!”

As Matriarch Yu said that, she reached out and pulled Nian Xiaomu out of Yu Yuehan’s embrace.

She patted Nian Xiaomu’s hand excitedly.

“Grandma knew that you had great affinity with the Yu Family from the very first time I saw you. Indeed, I was right!”

“Grandma...” Yu Yuehan wanted to say something, but Matriarch Yu totally ignored him.

She continued to tug at Nian Xiaomu and praised her incessantly.

After she was done complimenting Nian Xiaomu, she started to instruct the person beside her to bring over the item that she had prepared.

Then, she put that pair of dragon and phoenix bracelets on Nian Xiaomu’s wrists.

“It looks so nice, so nice. Grandma is happier than anyone else to see that the both of you have finally decided to settle down. This young brat has finally managed to lure... to make you his!”

“Xiao Mumu, you don’t know about this, but Yuehan has had a weird temper ever since he was young. He did not like to play with kids his age and was always in his room. I was so worried that my grandson would grow up to be a fool, but who knew that his character would change completely the moment he met you? He actually learned about tricks on how to get a girl...”

“Ahem!” Yu Yuehan anxiously reminded Matriarch Yu when he realized that his grandma was about to expose his old secrets the moment she got happy.

When Matriarch Yu heard that, she shot him a glance from the corner of her eye and continued to speak with smiling eyes.

“Don’t be afraid, Xiao Mumu is one of us now!”

Yu Yuehan: “...”

Grandma, when you’re exposing me, please be reminded that I am one of your own as well.

I am your grandson, closely related by blood!

“If Grandma didn’t see it with my own eyes just now, I wouldn’t believe that my iceberg-like grandson would have done such a romantic thing. Oh my, I am now a little embarrassed to praise him!”

At such a ripe old age, Matriarch Yu had seen everything.

However, she was still extremely moved the moment she thought of that scene from before.

As she gripped Nian Xiaomu’s hand tightly, the tone of her voice turned serious, and she continued, “Even though this foolish grandson of mine is short spoken, Grandma could see that he’s really into you—he wishes that he could give you the best of everything!”

“...” As Nian Xiaomu turned around and looked at Yu Yuehan, her heart skipped a beat when she met his dark, affectionate-looking gaze.

All of a sudden, a sentence flashed past her mind: I had rejected everyone’s good graces just to wait for your indeterminable arrival...

She was that indeterminable arrival to Yu Yuehan.

It was the same for her as well.

In this lifetime of hers, it was probably her greatest blessing to be able to meet him, love him, and stay with him.

Nian Xiaomu’s heart twitched slightly. Moving her lips, she mouthed three words silently to him: I love you!

“...” Yu Yuehan’s eyes narrowed as a dangerous ray of light flickered in his eyes.

It seemed like he wanted to tear her apart and swallow her whole with that gaze of his.

However, his grandma wasn’t done speaking yet...

“It’s good that you have proposed! Getting married will be the next step, so it’s time to plan for the wedding after the proposal!” Laugh lines filled the corners of Matriarch Yu’s eyes; the more she thought about it, the happier she was.

“Grandma hopes that the both of you will remain as such and give birth to a few more great-grandchildren for me. In that case, I’d be able to smile even in my sleep...”

“Grandma!” Yu Yuehan couldn’t take it anymore. As he walked up, he reached out and clasped Nian Xiaomu’s shoulders.

Following what Matriarch Yu had mentioned, he continued by saying, “Time to rest. It’s getting late. Otherwise, your great-granddaughter will not be able to meet you.”

Chapter 504: The Yu couple is here, year after year (2)

Matriarch Yu: “...!!”

Nian Xiaomu: “...!!”

Nian Xiaomu was about to seek help from Matriarch Yu when she felt a warning pinch on her waist.

Almost jumping out of her skin, she did not dare to say a single word!

She could only look toward Matriarch Yu with a pleading expression to take her away...

“Well, it’s getting late, and the two of you should go to bed soon!” As Matriarch Yu spoke, she took a glance at Nian Xiaomu’s stomach and could not resist adding, “Yuehan, you need to take it easy in case my great-grandson or great-granddaughter is in there!”

Sensing that she was going to be sold away soon, Nian Xiaomu decided that she had to stand up for herself. However, Yu Yuehan pressed her body against himself and pushed the bedroom door open.

“Grandma, if there’s anything else, let’s continue tomorrow!”

At the thought of another great-grandchild potentially being on the way for the Yu Family, Matriarch Yu could not stop grinning to herself. However, when she saw that Yu Yuehan was about to close the door, she recalled something important and called out, “Wait...”

Bang!!

Instead, Yu Yuehan swiftly slammed the door shut!

Pressing Nian Xiaomu against the door, he lowered his head to give her a peck on the lips. His soulful eyes were filled with an alluring glow as he lifted her chin and whispered, “Nian Xiaomu, you heard what Grandma said. We should work harder.”

“I, I want to take a bath!” Nian Xiaomu shivered all over.

Her legs had turned jelly from the thought that she was about to be sucked dry by someone.

“Is that so?” The sides of Yu Yuehan’s eyes (TLC. Sounds like it should be mouth?) curled upward as he looked back at her. Taking a step back nonchalantly, he took off his tie and coat.

Then, he stepped forward again and placed his hands by Nian Xiaomu’s sides. Lowering his eyes, he commented, “I don’t mind taking a bath together. After all, we haven’t done it in the bathroom yet...”

“I don’t want to hear it! I don’t want to hear it! Jerk!” Nian Xiaomu covered her ears and glared at Yu Yuehan.

The corners of his lips curled upward as he slid his long fingers over the tip of her nose and teased, “I meant to say that we haven’t taken a bath in the bathroom together before. Nian Xiaomu, what were you thinking?”

Nian Xiaomu: “...!!”

When she thought about what might happen in the bathroom, Nian Xiaomu immediately dropped the idea of using the “bath” escape plan.

Pushing Yu Yuehan to the side, Nian Xiaomu turned and walked toward the balcony.

As she drew the curtains open, moonbeams shone into the room, setting off an alluring glow.

Nian Xiaomu took a deep breath and wanted to tell Yu Yuehan that “they should enjoy the moonlight and communicate in a pure and in-depth manner,” but before she could say a word, he hugged her from behind and scooped her up into his arms.

Taking large strides back into the room, he placed her on the bed, and showered her with passionate kisses.

He was not going to let her stall for time any longer.

“Something seems to be moving on the bed...” Nian Xiaomu called out anxiously when she felt that something was amiss and tried to push Yu Yuehan away.

“Stop struggling, Nian Xiaomu. You can’t run away!” Assuming that Nian Xiaomu was making up excuses, Yu Yuehan ignored her words and reached out to take off her clothes.

Just when one button was undone, he saw that there was actually a lump of something crawling under the covers...

It moved rather quickly too and stopped at the pillows in the blink of an eye.

His whole body stiffened!

When he recalled that Matriarch Yu had been outside the door, a thought struck him, and he felt an ominous sense of doom...

A light flickered past his face, and he lifted Nian Xiaomu off the bed. Reaching out to one side of the covers, Yu Yuehan lifted it up with a forceful yank!

Chapter 505: The Yu couple is here, year after year (3)

Drenched in perspiration, a soft and cuddly little figure laid under the blanket.

The next second, she lunged toward him with curved eyes that were filled with joy.

“Daddi!”

“...”

“Xiao Liuliu wants to sleep with Pretty Mommy too!”

“...”

The face of a particular someone immediately turned as dark as the bottom of a pot!

The sweet moment that belonged to the two of them turned into a warm gathering for three in an instant.

As Nian Xiaomu carried Xiao Liuliu, she wrung a warm towel and wiped the perspiration off of Xiao Liuliu’s face gently.

Nian Xiaomu was about to go to bed together with Xiao Liuliu.

With crossed arms, Yu Yuehan leaned against the bed headboard and said with an indignant look, "Nian Xiaomu, we can actually bring her over to sleep with Grandma."

Nian Xiaomu: "..."

"Grandma is getting on age, and Xiao Liuliu will be afraid of the cold if she sleeps alone," Nian Xiaomu replied.

Yu Yuehan: "..."

She refused to listen to him.

Nian Xiaomu wiped Xiao Liuliu's tiny arms and legs after she was done wiping her face.

When Nian Xiaomu looked at how the tiny figure was sitting in front of her obediently, she couldn't help but to imagine how adorable Xiao Liuliu must have been when she was a newborn.

When she was a year old.

When she was two years old.

The more she thought of it, the more she wanted to be kind and nice to her.

After she was done cleaning Xiao Liuliu up, she hugged her and laid on the bed, allowing Xiao Liuliu to nestle in her arms.

She hummed a lullaby for her... and completely forgot about Yu Yuehan...

Instead, Xiao Liuliu, who was already in a sleepy daze, thought of him all of a sudden. As she flipped her tiny body around, she called out in a babyish voice, "Daddi."

The man with a face that was as dark as charcoal and who was still leaning against the bed headboard just now stood up immediately when he heard her voice.

He strolled over to the other side of the bed and laid down, saying, "Daddy is here."

When he saw that Xiao Liuliu had happily continued sleeping, he directed a chilly glance at Nian Xiaomu and said, "Nian Xiaomu, even my daughter has a conscience compared to you!"

Nian Xiaomu: "..."

Hadn't he wanted to leave this daughter, who had such a great conscience, with Grandma?

Hmph!

Nian Xiaomu ignored him and continued to cradle Xiao Liuliu in her sleep.

Soon after, Xiao Liuliu fell asleep happily with the two of them by her side.

Nian Xiaomu had broken into a sweat because she had been challenging her wits and bravery to contend with Yu Yuehan just now. As she was lying down at this point in time, her body felt sticky, and she couldn't sleep.

She got out of bed quietly when she saw that both father and daughter had fallen asleep.

She grabbed a bathrobe and headed to the bathroom.

She closed the door and started to fill the bathtub with water.

After a while, she seemed to hear some rustling from the room.

Subconsciously, she reached out and turned off the tap. However, she couldn't hear anything after she pricked up her ears for a few seconds.

She assumed that her nerves had become sensitive because of the extremely silent night.

Pouting her lips, she continued to fill the bathtub with water.

She waited for the bathtub to fill up before sitting inside gleefully and having a bubble bath.

She couldn't help it and started to sing some songs, "Left three rounds, right three rounds, wipe a little here, wipe a little there. It feels so good to be bathing..."

Just when she was bathing in high spirits, the lights in the bathroom suddenly went out!

Nian Xiaomu was stunned. Before she had time to react to this, she heard the door open.

A long figure slipped in silently from outside.

He was leaning against the wall of the bathroom.

Just when she was about to shriek out loud, he opened his mouth slowly and said, "You can scream if you are not afraid of waking Xiao Liuli up."

"..." The moment Nian Xiaomu thought of her cutiepie, she covered her already agape mouth.

Her eyes grew wide as she stared at the man before her.

Wasn't he asleep?

As Nian Xiaomu snapped back to her senses, she reached out hurriedly to retrieve her towel. However, she couldn't find anything after she felt the railing and searched around.

The bathrobe that she had brought in just now had vanished without a trace as well!

"That's perfect. I haven't bathed today either. We can do it together."

Chapter 506: The Yu couple is here, year after year (4)

"..."

As Nian Xiaomu watched Yu Yuehan start to undress himself, a chill went down her spine!

She would be foolish to believe that all he wanted was to take a bath.

Frightened out of her skin, Nian Xiaomu leaped out of the bathtub and prepared to make a run for it.

However, Yu Yuehan was standing right at the door.

If she were to run, that would be as good as throwing herself at him...

Yu Yuehan scooped her up without a word, and before she could even let out a scream, she was placed back into the bathtub and completely devoured...

—

The next day.

Yu Yuehan woke up to find that the person next to him was gone.

There was only an angry note about leaving the house that was left on the bedside...

Yu Yuehan's lips curled upward as he crushed the paper into a ball and tossed it right into the garbage bin.

Xiao Liuliu had also just woken up, so he carried her out to look for Nian Xiaomu.

After looking everywhere in the garden, she was still nowhere to be found.

"Master Han, we checked with the security guard at the foot of the hill. He said that Miss Nian left early in the morning and instructed him not to inform you. He did not dare to stop Miss Nian, so..." The assistant broke into a cold sweat as he spoke.

It was only the second day, yet Yu Yuehan had been left behind by his fiancée.

It hasn't been easy for their young master.

The assistant thought that Yu Yuehan was going to fly into a rage, but after a while, not only did his young master not get angry, he even broke into a smile!

It was a devilish grin that had a tinge of indulgence in it.

"Let her be. It's good for her to take a breather outside as long as she comes home to sleep."

Assistant: "..."

On the other end.

After being tormented for an entire night, Nian Xiaomu felt as if her bones were all broken.

She was aching so badly that she could not sleep at all. In a fit of anger, she grabbed her bag and left.

At first, she had only wanted to initiate a protest to get Yu Yuehan to agree to sleeping in separate rooms for a few days. However, after leaving the villa, she recalled there was an urgent matter for her to attend to.

After hailing a taxi, she headed directly to the hospital that Tan Bengbeng worked at.

Just as Nian Xiaomu reached the entrance of her office, Tan Bengbeng was walking her patient out and instructing, "Take two tablets three times a day and remember not to stay up late at night."

Nian Xiaomu stood by the side and waited until Tan Bengbeng was done.

Then, she stepped forward and gave her a hug from behind!

At first, Nian Xiaomu thought that Tan Bengbeng would get a big scare, but there was not a hint of surprise on her face.

Instead, Tan Bengbeng snickered and asked, “Did you think I did not see you standing by the corner and eavesdropping on my conversation? Well, I’m free right now. Come on in.”

Pushing the door open as she spoke, the two of them walked into the office.

The pristine office was filled with the smell of disinfectant.

Although Tan Bengbeng was young, her qualifications and capabilities were considered top-notch in this hospital.

She was born into a family of doctors and had naturally grown up being surrounded by medical specimens.

While other children were playing with sad (TLC), she was already dissecting animals in the lab...

She had always been cold and aloof, and did not enjoy talking.

It was only with Nian Xiaomu that Tan Bengbeng would talk to for a bit, but most other times, she would focus on her research work.

Nian Xiaomu followed behind Tan Bengbeng and entered the office. Pouring a glass of water for herself, she took a sip first before launching into a tirade.

“I’ve really misjudged Yu Yuehan’s character! Aloof hunk? Top gentleman? He’s actually a sexual pervert!”

“...”

“Now, I’m even beginning to suspect that I might have forgotten what truly happened that night when I had a bit too much to drink. Did I pounce on him or did he take advantage of me when I was drunk? In the end, he still made me take responsibility for it!”

Chapter 507: The Yu couple is here, year after year (5)

“Hold on.” With a slightly stunned face, Tan Bengbeng interrupted her and asked, “Did you bed Young Master Han forcefully during your first sexual experience with him just because you had a drop too much to drink?”

“Yeah, you know that I’ll turn... turn into a love struck fool very easily when I have alcohol... I couldn’t resist Yu Yuehan with that face of his—I had wanted to strike when I saw him at typical times, so when I got the chance, I had to... You know...”

Nian Xiaomu muttered her way through and finally completed that single sentence with much difficulty.

Tan Bengbeng pulled a chair out and sat in front of her.

She shook her head intensely.

“I believe that you would bed him when you’re drunk! However, from what I know, Young Master Han’s self defense skills are far stronger than all of his bodyguards combined—you could only bed him if he laid still and allowed you to do so.”

“...” Nian Xiaomu’s mouth was slightly agape as she looked at Tan Bengbeng with an extremely astonished expression.

It was as if she couldn’t believe what she had just heard.

And so, she had fallen into Yu Yuehan’s trap again?

“Did you come over here suddenly just to tell me about who had bedded the other party?” A rare blush appeared on Tan Bengbeng’s chilly-looking face.

Even though she was just slightly older than Nian Xiaomu, she was totally clueless when it came to relationships.

She had seen too much of the opposite sex in the operating room. As such, it seemed that in her life, she had also lost the concept of the different genders.

Usually, she would be the confident one who would raise such a topic to others.

She was seemingly embarrassed by it when Nian Xiaomu suddenly flashed her affections publicly while talking about this topic...

“Of course not!” When Nian Xiaomu heard what Tan Bengbeng said, she extended her left hand out immediately. As she dangled her finger with the ring on, she smiled until her eyebrows arched and announced, “Yu Yuehan has proposed to me, and I said yes.”

“...”

Startled by her words, Tan Bengbeng’s face froze for a moment.

It was as if she had not expected that the two of them would be progressing so quickly.

Young Master Han did not lust after women, and very few women could catch his attention.

Rumor had it that Young Master Han only loved his company and not the beautiful ladies.

He was most likely gay.

Nobody would have ever thought that Nian Xiaomu would take him down so easily.

As Tan Bengbeng returned to her senses, she forced out a smile and said, “Seeing that you have gotten yourself a partner, I also feel assured. However, being in a wealthy family isn’t an easy feat. I remember that you were picked on by the young aunt of Young Master Han, so you must be careful.”

“Why would I be afraid of her? With Yu Yuehan around, he will not allow anyone to bully me.” As Nian Xiaomu stroked the ring on her finger, an exceptionally sweet smile exuded from within her eyes.

With that personality of hers, she wouldn’t allow herself to be at a disadvantage even if Yu Yuehan wasn’t around.

After she was done talking about the joyous matters, Nian Xiaomu's face sank as she instantly switched to talking about the main topic.

"Actually, I am here today to ask about the maternity test that you were doing for me and Xiao Liuliu. Are there any results yet?"

She had been delaying this matter and did not dare to break the news to Yu Yuehan.

First of all, she was afraid that he would get angry. Secondly, she was afraid that the results of the maternity test would turn out different from their speculations.

She had taken a few strands of Xiao Liuliu's hair immediately after she got back the other time and sent it to Tan Bengbeng.

This was to allow her to do one more test on it.

The results should be ready by now, right?

Nian Xiaomu suddenly became very nervous when she thought of this.

"The results are ready." As Tan Bengbeng opened a drawer, she took out a document that was placed inside and passed it to Nian Xiaomu.

When she saw that Nian Xiaomu was grabbing the report with both her hands, but did not dare to look at it, she couldn't help it and told her, "The results are the same as the DNA test that you retrieved the previous time. Yu Liuliu is your biological daughter."

"..."

Nian Xiaomu lifted her head up with a whoosh and stared at Tan Bengbeng with an agitated look.

Aware that she was nervous, Tan Bengbeng did not keep her in suspense and repeated her words again, "You have found your daughter. She is Yu Liuliu."

Chapter 508: The Yu couple is here, year after year (6)

You have found your daughter. She is Yu Liuliu.

You have found your daughter. She is Yu Liuliu.

You have found your daughter...

These words echoed beside Nian Xiaomu's ears incessantly.

After a long while, she finally opened her mouth and asked, "Is this true?"

"It's true. I specifically tested it one more time to prevent any chances of error and also compared the results of both reports. I can tell you for sure that Yu Liuliu is your daughter."

Tan Bengbeng walked forward and passed the report to her.

Reaching out, she patted Nian Xiaomu's shoulders and reminded her, "I feel that what you should be worried about now is how to tell Young Master Han that you are the mother of his child."

Nian Xiaomu: "..."

Previously, she could still find excuses for herself when the results were not confirmed.

It would be so awkward if she was wrong. As such, she wanted to wait until it was 100 percent confirmed.

But now, Tan Bengbeng had told her so explicitly that Xiao Liuliu was her daughter.

Nian Xiaomu swallowed hard, and her entire body had turned stiff from all the nervousness.

Just when she wanted to say something, Tan Bengbeng spoke up first and interrupted her, "I can't give any opinions on matters that concern relationships. However, you should know that you cannot hide this matter for life since you have already agreed to Young Master Han's proposal."

"..."

She was aware of all the principles, but she was still terrified.

Forget it! It did not matter if she hid it or revealed it. The earlier she died, the earlier she could reincarnate!

Nian Xiaomu reached out to take the report and stuffed it in her bag.

With a ghastly pale face, she stood up and walked toward the exit.

Just when she wanted to reach out and open the door, she suddenly heard Tan Bengbeng ask, "Xiao Mumu, is he really nice to you? I mean Young Master Han."

"..."

Nian Xiaomu was struggling with how she should explain everything to Yu Yuehan. When she heard what Tan Bengbeng said, she stared blankly for a few seconds before she nodded her head.

Just when she was about to ask her the reason for this question, Tan Bengbeng waved goodbye to her.

"I am relieved if that's the case. Hurry and return home."

Nian Xiaomu left the hospital alone.

She did not hail a cab.

All by herself, she followed the road and moved forward.

The winter wind felt very chilly on her face.

Her muddled thoughts gradually became distinct.

Actually, she knew better than anyone else that she would have to tell Yu Yuehan that she was Xiao Liuliu's biological mother sooner or later.

If it were in the past, she would still be apprehensive.

However, her apprehensions had been greatly dispelled after what had happened last night.

Yu Yuehan had really fallen in love with her.

It was the same for her as well.

As long as two people had enough trust in each other, there would be no problems that they could not face together!

As Nian Xiaomu prepared herself mentally, she dug out her cell phone from her bag and dialed his number.

However, she hung up the call just when the call went through.

“AHHHH! I am so nervous!”

What happened to not being afraid and just charging through?!

In the end, she was so petrified that she disconnected the call before he could answer the phone.

She thought to herself, *Nian Xiaomu, get your sh*t together! That's your man that you're talking about! You were acting like a tyrant by riding on him yesterday night—what's there to be afraid of now?*

Beep beep!! Her cell phone suddenly rang.

Nian Xiaomu was so shocked that she nearly threw her cell phone away.

When she snapped back to her senses and realized that Yu Yuehan's name was on the caller ID, she picked it up in a flurry.

“What's up?” A hint of lovingness lurked in his deep and sexy voice.

Nian Xiaomu was struck with a guilty conscience for some unknown reason. While in this nervous state, she ended up babbling, “I am not someone who will take advantage of others. Since you treated me to a meal yesterday, I'll treat you to one in return today!”

A gleam of hope flashed in her eyes the moment she blurted out these words.

Yes!

Treat him to a meal first.

Then, she would tell him that she was Xiao Liuliu's biological mother after she was done appeasing him!

After Nian Xiaomu was set on her idea, she told him the address of a restaurant and hung up the call at lightning speed.

To accommodate to Yu Yuehan's status, Nian Xiaomu dug out her entire life savings and picked a high class restaurant.

Before the agreed upon time, she flagged down a cab and headed to the restaurant in advance.

In an attempt to copy Yu Yuehan, she instructed the restaurant to help her plan a surprise.

“Miss, did you prepare a gift for your boyfriend?” the waiter asked.

When Nian Xiaomu heard that, she was taken aback and shook her head.

She had decided to treat Yu Yuehan to a meal at the very last minute. Why would she have thought about buying gifts?

Furthermore, Yu Yuehan did not lack anything.

As a result, off the top of her head, she couldn't think of a gift to give him.

“In that case, do you know what he usually likes?” the waiter asked again.

“...”

He loved to put on a chilly look, be by himself, and ignore everyone else.

However, this did not count toward something he fancied.

“Or rather, what does he like to eat?” The waiter's expression had started to change.

“...”

Yu Yuehan wasn't picky with his food. If she were to think of something that he loved to eat...

Nian Xiaomu thought of it from another perspective. If someone were to ask Yu Yuehan the same question, his reply would surely be: Eating Nian Xiaomu!

Nian Xiaomu quivered!

Goosebumps popped up over her entire body, and she shook her head rapidly.

She did not know.

She did not know anything.

The waiter's expression turned odd; he seemed to be suspecting if that person was her boyfriend.

Nian Xiaomu rubbed her nose awkwardly.

She really couldn't be blamed for that. If someone were to be blamed, it would be Yu Yuehan's fault for being fond of weird things.

They had been in a relationship for such a long period of time, but other than heading out for a movie date with him once, most of their interactions were done in bed...

How would she know what he preferred from this method of interaction?!

“Umm, you don't need to worry about what he's fond of. What can your restaurant prepare? What I mean is, can you also do things like roses or chocolates?!” Nian Xiaomu was at the end of her rope; desperate times call for desperate measures, and a drowning man would clutch at any straw.

She didn't care whether the gifts were suitable for a girl or a guy... as long as they were gifts.

It's the thought that counts.

If Yu Yuehan disliked the gifts, then great—she could take them back and enjoy them herself!

“...” The waiter was obviously too stunned to reply.

He had only heard of gifting roses and chocolates to girlfriends and had never heard of gifting them to boyfriends. For a moment, he thought that he was the one who had heard it incorrectly.

He hesitated for a few seconds before he suggested, “Actually, you can consider ordering a set meal for couples if you're not sure about what to prepare. The dishes in the set meal are all very exquisite, and most of them are molded into heart shapes to have a better feeling of love in the air.”

The waiter paused before adding on, “The recommended drinks would be our specially concocted cocktail. There's one that's fantastic for couples, and it's called ‘Giving All My Life To You.’ When the both of you are drinking later on, you can tell him about how the name of the drink came about—It'll serve as a special kind of confession as well.”

“Okay, okay, I want this one!” As Nian Xiaomu said that, she swiftly took a pen and noted down everything that the waiter had mentioned.

After giving it some thought, she instructed the waiter to get her an empty white plate as well as some warm chocolate sauce.

Her hands trembled from all the nervousness when she took the items from him.

She had never ever pursued a guy in her life.

She had never thought of surprising anyone either.

As she held the chocolate sauce in her hand, she penned down her confession word by word on the white plate.

Her heart started to beat faster and faster as she continued her actions...

All of a sudden, a thought came into her mind. Was he this nervous when he had been preparing those surprises for her the other time?

Chapter 510: The Yu couple is here, year after year (8)

She had no prior experience, but he had no prior experience either.

When he was preparing her gift the other time, did he ask the people around him incessantly to guess what she would fancy as well?

Was he also looking forward to seeing her reaction?

The only difference between the two of them might be that his gifts were more impressive, but for hers...

As Nian Xiaomu lowered her head, she took a glance at the confession that she had penned down on the plate and smiled until her eyebrows curved.

She was being original with her idea!

Thoughts!

They were free!

After Nian Xiaomu passed the plate of words to the service staff, she asked for a glass of water. As she held onto the glass, she sat on the chair nervously and waited.

She watched as the time ticked by.

It was getting closer and closer to their agreed time...

At six o'clock sharp.

Yu Yuehan's distinguished figure appeared at the entrance of the restaurant.

The long design of Yu Yuehan's coat elongated his tall and slender body while one of his hands remained tucked in his pocket.

He was almost the focus of everyone present as he scanned the restaurant with his flirtatious eyes.

Even the receptionist lady nearly went cross-eyed when she saw him.

He seemed to be inquiring about something and took a long time to make his way over.

Nian Xiaomu became impatient as she watched on. As she stood up from her seat hurriedly, she waved toward him and said, "I am over here!"

Yu Yuehan lifted his eyes slightly. Without any hesitation, his gaze landed on her exact position. However, he still did not make his way over.

Instead, he parked himself at the reception area.

After waiting for a long while, so long that Nian Xiaomu almost could not take it anymore, a waiter carried a bouquet of flowers and walked toward him.

He passed the bouquet to Yu Yuehan respectfully.

It was only then that Yu Yuehan took the bouquet in satisfaction and strolled toward her.

He passed the bouquet of flowers to her and asked, "Do you like them?"

"... I like them." As Nian Xiaomu took the flowers from him, her mind that had taken a painfully long time to calm down started to act up again.

When she saw that he was about to remove his coat, she reached out hurriedly and said, "Let me help you!"

As she said that, she reached out and peeled the coat off of Yu Yuehan. Then, she passed it to the service staff.

Following which, she helped him pull a chair out and said, “You can sit. Hurry and sit!”

“...”

“You rushed all the way here—are you thirsty? Let me pour a cup of water for you.” After Nian Xiaomu poured him a cup of plain water, she called the service staff over again and ordered some drinks for him.

“It’s okay. Plain water is fine.” As Yu Yuehan opened his mouth lightly, he scanned his gaze past her anxiety-stricken face.

A hint of suspicion showed in his gaze.

“Are you feeling hot then? Let me fan you...” After Nian Xiaomu finished speaking, she suddenly recalled that it was currently winter. The restaurant had already turned on the heating—Why would he be feeling hot?

She had really turned silly from all the nervousness!

She met his probing gaze the moment she lifted her head up.

His thin lips moved slightly, and he said, “Nian Xiaomu, you look like you have done something unfaithful to me from that look of yours.”

Nian Xiaomu: “...!!”

“I, I did not! How could I do something unfaithful to you? I just feel that you were too nice to me, and I have got nothing to repay you with. As such, I followed your example and am treating you to a meal as well in order to surprise you.”

“If I’ve done something unfaithful to you just by doing this, then didn’t you do something unfaithful to me the previous time as well?”

“I was trying to appease you. Forget it if you aren’t happy about it, but you actually suspect me...”

As Nian Xiaomu continued to blabber on, she suddenly realized that he had risen from his seat.

He strolled toward her. Placing his hands on the back of her chair, he lowered his gaze and looked at her.

The two of them were so close together that she could see his long and curly eyelashes.

Just when she was about to ask him what was going on, he opened his mouth slowly and asked, “Did you know that you tend to speak a lot when you have a guilty conscience?”
