

My Life 531

Chapter 531: Chinese or Western style? (9)

Nian Xiaomu, you would never have thought that there was someone who looked so much like you in this world.

Wen Yadaï recalled that she had previously told Nian Xiaomu that Master Han's true love was Xiao Liuliu's biological mother.

Nian Xiaomu must have seen the drawing by now.

With the appearance of a woman who looked so much like her and claimed to be Xiao Liuliu's mother, surely Nian Xiaomu would be feeling very flustered now!

As long as Nian Xiaomu believed that Master Han only liked her because he was using her as a replacement, she would definitely not be able to get married to him happily!

When Wen Yadaï thought of this, she could hardly suppress her delight!

Then, she walked to the side of the road and hailed a taxi to follow behind them.

In the Yu villa.

Yu Yuehan had returned to the villa once he got the news.

Surrounding him was a team of bodyguards who were concealed.

Very quickly, a car stopped at the entrance.

Nian Xiaomu got out first and pulled the other car door open as she tried to calm the woman down and said, "Don't get agitated. We have reached the villa. You will see Master Han soon. Give Xiao Liuliu to me..."

"This is my daughter. I'm not giving her to anyone!" The woman hugged Xiao Liuliu even more tightly and then started acting like a mother to Xiao Liuliu. She coaxed, "Don't be afraid, Xiao Liuliu. Mommy is here for you. You don't need to be afraid with Mommy here..."

"..."

Worried that the woman might act up suddenly, Nian Xiaomu could only grit her teeth and hold back her frustrations.

She could only continue letting the woman carry Xiao Liuliu.

The bodyguard next to Nian Xiaomu slid behind her and whispered, "We just received news that this woman's name is Xiao Wei."

Nian Xiaomu narrowed her eyes, but did not respond.

Following behind Xiao Wei, Nian Xiaomu planned to call out her name when she least expected it and snatch Xiao Liuliu back when she was caught off guard.

The two of them reached the door.

Xiao Wei had never seen such a huge villa before. Her eyes popped wide open...

The time was right now!

Nian Xiaomu prepared to call out the woman's name, but another voice spoke out even faster than her!

"Xiao Wei!"

Everyone was stunned, including Nian Xiaomu.

Before she could react and rush forward, Xiao Wei had already turned around and noticed her.

Nian Xiaomu gritted her teeth in silent frustration and stayed still.

Then, she turned and saw Wen Yadaï, who had appeared all of a sudden.

Wen Yadaï alighted from the taxi and ran forward with a look of panic. When she saw Yu Yuehan walk out of the villa, she quickly acted alarmed to see him.

"Xiao Wei, I've told you many times that I will contact Master Han. Why did you come here by yourself..." Wen Yadaï called out.

"Stay away from me!"

Xiao Wei's emotions had been stabilized, but she suddenly became agitated when she she saw Wen Yadaï.

Carrying Xiao Liuliu in her arms, she retreated a few steps as she cautiously looked back at the surrounding people, not allowing anyone to come near her.

No one dared to make a move since Xiao Liuliu was still a hostage taken by Xiao Wei.

Yu Yuehan's regal appearance immediately suppressed the tension.

Sweeping a glance at the person in front of him, Yu Yuehan spoke out coolly and said, "Let her come in first."

In an instant, Yu Yuehan took control over the situation with his calm voice and clear instructions.

Once they entered the Yu Family villa, they would be in his territory.

At that point, he would have enough time to sort out who Xiao Wei was and what her motives were.

When Xiao Wei heard that she could enter the Yu Family villa, she secretly turned toward Wen Yadaï in alarm.

Chapter 532: Oriental or Western (10)

She only followed him and entered when she saw that Wen Yadaï had nodded her head.

The fact that Xiao Wei had Xiao Liuliu with her was equivalent to having a trump card.

Yu Yuehan definitely would not do anything to her before he had confirmed her identity.

If she was indeed Xiao Liuliu's biological mother, Xiao Liuliu would surely hate Yu Yuehan if he hurt her in front of Xiao Liuliu!

Xiao Wei felt assured when she thought of this.

She followed Yu Yuehan and entered the Yu Family villa.

There was a delegation in the courtyard.

Yu Yuehan was standing at the forefront. As he paused in his steps, he stood with folded arms and turned around gradually.

With that formidable aura of his, one who had not seen the aspects of society before would surely have their legs turn wobbly at once.

Xiao Wei steadied her state of mind with difficulty and hugged Xiao Liuliu tightly.

She leaned her head forward into Xiao Liuliu and kissed her delicate little face incessantly, displaying deep kinship between both mother and daughter.

"Xiao Liuliu, don't be afraid. I am your Mommy..."

Nian Xiaomu nearly lost her cool due to Xiao Wei's pretentious expression.

However, she needed to endure it. Before she got ahold of Xiao Wei's motive, she could not say anything in case Xiao Wei became agitated and was driven to desperate action, leaving Xiao Liuliu in an even more dangerous situation.

She could only play by the cards and see what exact motive Xiao Wei had...

"Young Master Han." Wen Yadao couldn't help it and went forward immediately when she saw Yu Yuehan. "I was initially planning on bringing her here to meet you. However, I didn't expect that her emotions would become so agitated or that she would run off alone the moment she heard that she would be meeting you."

"..."

"I only learned that she had actually went to the kindergarten and snatched Xiao Liuliu away after I rushed there. It's all my fault. I wish that I could have stopped her." As Wen Yadao said that, she tried her best to squeeze out two teardrops and displayed a regretful look.

After she paused in her words, she continued and said, "However, she is Xiao Liuliu's biological mother after all. If we were to separate them forcefully now that both mother and daughter have finally been reunited, I am afraid that Xiao Liuliu would be... A biological mother would still be better than a stepmother!"

As she said that, she turned around intentionally and took a glance at Nian Xiaomu.

Wen Yadao truly felt at ease when she saw Nian Xiaomu's ghastly pale face!

When Yu Yuehan heard that, he narrowed his eyes and cast a cold glance at Wen Yadao.

No one could guess his thoughts since his expression remained unchanged right from the start.

Raising his eyebrows, he looked at Xiao Wei and stated, “You said that you are Xiao Liuliu’s mother. Evidence.”

Xiao Wei seemed to be waiting for him to ask her this question. Reaching into her pocket, she dug out a certificate and threw it on the floor.

Then, she resumed hugging Xiao Liuliu tightly and retreated backward.

She did not dare to go a single step closer to Yu Yuehan.

The assistant was very quick to head forward. As he picked up the report and scanned it, the look in his eyes changed.

He took the report and walked to Yu Yuehan, saying, “It’s a DNA test report.”

The results of the test showed that they had a mother and daughter relationship!

Yu Yuehan scanned the report; his expression seemed very calm, and one wasn’t able to see if he believed it or not.

“What do you want?”

One must have had a motive for doing so many things.

It did not matter if this woman was Xiao Liuliu’s biological mother or not; she had spent so much effort to snatch Xiao Liuliu away and even presented this report to him. As such, it was impossible that she had merely wanted to let him know that she was Xiao Liuliu’s biological mother.

He would know how to deal with Xiao Wei after he knew what her motive was.

When Xiao Wei heard what Yu Yuehan said, she assumed that he believed her, and a delighted look appeared on her face.

Just when she was about to say that she wanted money, she suddenly thought of what Wen Yadao had instructed. Even though the words were already in her mouth, she changed them and said, “I don’t want anything—I only want my daughter!”

“...”

“I only sent Xiao Liuliu to you because I was compelled by the circumstances back then. Now, I regret it, and I just want my daughter back!”

Chapter 533: The truth! I am the biological mother! (1)

“Dream on!” Yu Yuehan said without any hesitation.

He didn’t believe that the woman before him was Xiao Liuliu’s biological mother; even if she was, he would never allow her to take Xiao Liuliu away from him!

Yu Yuehan took a step forward. With his distinguished aura, he seemed like the ruler of the entire world.

“Do you think that you can take Xiao Liuliu away from me with just a DNA report?”

“...”

Xiao Wei retreated a step back in fear when she heard what he said.

When Wen Yadaï sought her out to put on this act, Wen Yadaï had not told her that the person that they were about to swindle had such a distinguished status.

If she had known earlier that Yu Yuehan was the target, she would not have dared to come even if she were given tons of money.

However, it was impossible to stop halfway now.

If the act failed, Yu Yuehan surely would not let her off when he discovered that someone had pretended to be his daughter’s mother. Forget about Wen Yadaï giving her even a single cent!

She needed money, tons of money.

She needed to escape to a faraway place before the plot was exposed!

Xiao Wei swallowed her saliva forcefully.

“It’s fine if you don’t want to give my daughter back to me. Give me a sum of money then. After all, Xiao Liuliu is my biological daughter. I took such great pains to give birth to her, so I ought to be recognized for my efforts. I’ll leave immediately for a faraway place as long as you give me 20 million yuan and will never appear in front of you again!”

Wen Yadaï had wanted Xiao Wei to ask for 10 million yuan. However, that 10 million yuan was meant for Wen Yadaï herself.

What about her share?

Since Xiao Wei had already made it to this stage, she braced herself and decided to just ask for more.

This tiny sum of money wasn’t significant to the Yu Family anyway.

“I know that you are about to get married to another woman and that you would surely not want people to know that Xiao Liuliu’s biological mother had come looking for you. As long as you give me this sum of money, I can assure you that I will not tell anyone about this!”

Xiao Wei looked at Yu Yuehan anxiously as she said this.

Since he was so rich, he would certainly agree to solve a problem by simply spending a little money, right?

The corners of Yu Yuehan’s lips curved up when he met her eager gaze.

One could clearly feel a hint of chill when they saw the light smirk on his curled lips.

“What can a DNA report prove? For reports like this, I can have as many as I want. Do you think that you can dig out 20 million yuan from me by simply bringing over a useless piece of paper?”

“...”

“If you want money, sure. Stay in the Yu Family villa and wait until I verify that the DNA report you have brought is authentic. I’ll definitely pay you after that.”

When Yu Yuehan was done talking, he turned around and gestured for the assistant to send the DNA report for verification.

Xiao Wei panicked the moment the assistant took the report.

“Stay right there! Don’t you try to cheat me! You’re trying to stall for time. You don’t want to give me money in the first place, right?”

“...”

As Xiao Wei reached out swiftly to take out her cell phone, her facial expression turned malevolent, and she threatened, “I can’t even wait for a minute. Either you give me the money right away or I’ll make a call to the reporters now and tell them that I’m Xiao Liuliu’s mother!”

“You are about to get married soon—if the reporters suddenly learn about what happened between you and me, it would only result in others thinking that you had forsaken me after using me. As for Xiao Liuliu, how would she face the rumors and slander as she grew up? It’s only 20 million yuan. This amount is basically nothing to you.”

“...” Yu Yuehan lifted his hand up and gestured for his assistant to stop when he saw that she was really going to make the phone call.

He didn’t care about other things, but he could not allow Xiao Liuliu’s life to have a single stain.

Even though he did not believe this woman, he had not been able to find Xiao Liuliu’s biological mother. What if she really was...

As Yu Yuehan collected his gaze, the ray of light behind his eyes grew grim.

Chapter 534: The truth! I am the biological mother! (2)

“Master Han, I feel that Xiao Wei is very pitiful. She has been without her daughter for so many years and is only asking for a bit of compensation now. Why don’t you just give it to her, Master Han? She will not hurt Xiao Liuliu. Plus, you will not be bothered by her in the future.”

Seeing that the look on Yu Yuehan’s face had changed, Wen Yadao thought that it was a good time to egg him on.

It was a well-known fact that Yu Yuehan loved his daughter dearly.

He would not think twice about spending some money on his daughter.

Wen Yadao knew this well and had devised this plan to use Xiao Wei to extort money from him.

“I only want money. As long as you give me the money, I promise I will not say anything in the future!” Xiao Wei responded quickly to Wen Yadao’s words, acting as if she would leave immediately the moment she got the money.

However, this only made her appear more suspicious.

If Yu Yuehan were to give the money to her, he would surely be unable to track her down in the future after she stepped out of the Yu Family villa.

They could not let her leave just like this!

A light flickered across Yu Yuehan's face.

His main concern was Xiao Liuliu's feelings. If he used force on this woman and she turned out to be Xiao Liuliu's biological mother, then Xiao Liuliu would witness her own mother getting hurt...

Clenching his fists by the sides of his body, Yu Yuehan did not instruct his bodyguards to take any action.

Just as he was hesitating over what to do, Nian Xiaomu, who had been standing next to him silently, suddenly stepped forward.

Taking the DNA report from the assistant's hand, she took a glance at it before throwing it on the floor.

With a domineering voice, she asked, "Do you think you can just demand money from my fiancé with this? Isn't your IQ too low?"

Wen Yadaï: "...!!"

Xiao Wei: "...!!"

Ignoring their stunned expressions, Nian Xiaomu crossed her arms and approached Xiao Wei.

She did not go right up to her, but maintained a safe distance between Xiao Wei and herself. Then, eyeing her up and down, Nian Xiaomu asked, "Xiao Wei, if you are Xiao Liuliu's biological mother, then let me ask you this: When and where did you give birth to her?"

"..."

Taken aback by the sudden question, Xiao Wei quickly recalled Wen Yadaï's instructions on answering according to the script.

"Three years ago in, in a hospital."

"Which hospital? Be specific! Giving birth is such a big matter. Surely you haven't forgotten which hospital it was." Nian Xiaomu stopped in her tracks and lifted her head slightly.

Exuding the aura of a queen, Xiao Wei was intimidated into answering her question even though she could have chosen to keep silent. As she frantically tried to recall what Wen Yadaï had instructed her to say, she realized that Wen Yadaï had not provided this detail.

Just as she was about to come up with a fib, Nian Xiaomu asked, "Was it the Fourth Hospital?"

"Yes! It was the Fourth Hospital!" Xiao Wei nodded in agreement with Nian Xiaomu's words, but was immediately stunned at herself.

There was no such hospital in City H...

Nian Xiaomu had tricked her!

Xiao Wei hurriedly corrected herself, "I heard you incorrectly. It was the First Hospital. I gave birth to Xiao Liuliu at the First Hospital! You can check for yourself if you don't believe me!"

"I'll take what you say as the truth for now. Did you know that Xiao Liuliu's blood type is different from Master Han's? Since she shares the same blood type as you, could you tell me what your blood type is?" Nian Xiaomu lifted her chin and fixed her sharp gaze on Xiao Wei.

"..." Xiao Wei did not know how to react and turned to look at Wen Yadao in shock.

She wasn't Xiao Liuliu's biological mother. What if her blood type turned out to be different than Xiao Liuliu's...

Chapter 535: The truth! I am the biological mother! (3)

"Seems like your blood type is not A." Nian Xiaomu raised her eyebrow when she noticed that Xiao Wei turned to check with Wen Yadao whenever she was asked a question.

It was obvious that Wen Yadao had a part to play in the drama today!

Xiao Wei did not know how to answer the question, but perked up when she thought that Nian Xiaomu had accidentally revealed Xiao Liuliu's blood type!

"My blood type is A! Same as Xiao Liuliu!

Hearing this, Yu Yuehan's eyes narrowed!

Xiao Liuliu's blood type wasn't A. It was B!

Although Nian Xiaomu had tricked Xiao Wei, it was true that Xiao Liuliu's blood type was not the same as his. Xiao Liuliu's blood type was the same as her mother's.

If Xiao Wei's blood type was A, then she couldn't be Xiao Liuliu's mother!

Nian Xiaomu had not noticed Yu Yuehan's expression. Seeing that Xiao Wei was still trying to bluff her way through, Nian Xiaomu narrowed her eyes as she looked at her.

"If you still insist that you are Xiao Liuliu's mother, then let me ask you how you got pregnant with Xiao Liuliu. Surely you did not impregnate yourself on your own? Do you think you are a hermaphrodite?"

Seeing that Xiao Wei was at a loss for words after hearing her question, Nian Xiaomu tossed a "hmph" at her.

Even she did not know how she had conceived Xiao Liuliu. There was no way this impostor would have an answer!

"I... I was drunk... I don't remember how it happened. I only know that after that night, I was pregnant with Xiao Liuliu... Then, after Xiao Liuliu was born, although I wanted to raise her on my own, I could not bear to let her suffer with me, so... so I found a chance to send her to the Yu Corporation..."

Xiao Wei continued to make mistakes when she was bombarded with questions by Nian Xiaomu.

Unable to use any of the scripted answers, Xiao Wei started to panic and sound incoherent.

“Nonsense!” Stepping forward, Nian Xiaomu pointed at Xiao Wei’s flustered face. “When you saw Yu Yuehan at the door, the look on your face was odd. You’ve obviously never met him before! That was why you looked so awestruck. You’ve definitely never slept with him before!”

Nian Xiaomu’s direct rebuttal stunned everyone, especially Wen Yadai.

She did not think that Nian Xiaomu could stay so rational after seeing Xiao Wei.

Even more unthinkable was how Nian Xiaomu could react so calmly after hearing that her fiance had slept with another woman before.

Wouldn’t a normal woman be heartbroken by this twist of events and demand a reasonable explanation from Yu Yuehan?

The best outcome from this would be them breaking up—that would make her efforts worthwhile!

However, what was happening right now?

Not only did Nian Xiaomu stay steadfast in her trust in Yu Yuehan, she was driving Xiao Wei into a corner.

Xiao Wei was an impostor. She could not handle the questioning from Nian Xiaomu.

In a sudden state of panic, Xiao Wei gritted her teeth and hollered at Nian Xiaomu, “I am Xiao Liuliu’s biological mother whether you believe it or not. What proof do you have that I’m not? You’re obviously jealous of me...”

“Damn it! I’m the one jealous of your low IQ and thick skin?!” Seeing that Xiao Wei was so bold and still clinging to her lies, Nian Xiaomu was so infuriated that she almost spat at Xiao Wei.

“Very well. You want proof right?”

Nian Xiaomu lifted her head slightly and swept a glance at everyone throughout the room. Then, staring straight back at Xiao Wei, she enunciated every word slowly and clearly while stating, “I am the proof. I am Xiao Liuliu’s biological mother!”

Chapter 536: The truth! I am the biological mother! (4)

That sentence by Nian Xiaomu was powerful and resonating!

Let alone just Wen Yadai and Xiao Wei, even Yu Yuehan, who was standing behind Nian Xiaomu, was stunned..

He lifted his head and looked at her in disbelief...

Just when everyone was rocked by this explosive news and standing uniformly in a daze, Nian Xiaomu moved!

She had been leaning toward Xiao Wei intentionally when she was speaking just now.

She made use of their argument and moved closer to her.

Xiao Wei was in shock at this moment. Narrowing her eyes, Nian Xiaomu lunged forward without a second thought. Reaching out, she grabbed ahold of Xiao Liuliu and snatched her away from Xiao Wei's embrace!

Everything happened at the speed of lightning, and no one had the time to react yet.

At the instant that Nian Xiaomu hugged Xiao Liuliu, Yu Yuehan snapped back to his senses swiftly. Diving forward, he protected the mother-daughter duo and held them in his embrace.

Just when Xiao Wei was about to reach forward and snatch the child away, Yu Yuehan turned around. Sending his foot into her stomach, he sent her flying right away!

She fell down on the floor and couldn't get up no matter what.

No one had expected the sudden changes that happened in front them.

Nian Xiaomu couldn't be bothered about anything else. With Xiao Liuliu in her arms, she squatted down and felt her tiny body from head to toe anxiously while asking, "Tell Mommy, were you hurt anywhere?"

Seeing that Xiao Liuliu wasn't hurt and had only suffered from shock, she pulled her lovingly into her embrace and refused to let go.

"It's fine, it's fine, Xiao Liuliu. Don't be afraid, Mommy is here!"

"Wah, wah..." Xiao Liuliu seemed to have returned to her senses only after she heard Nian Xiaomu's voice, and she bawled loudly from the shock.

The squishy figure nestled herself in Nian Xiaomu's embrace and hugged her tightly with her tiny arms.

It seemed that she had been truly scared!

When Yu Yuehan heard Xiao Liuliu's cries, his facial expression instantly turned ice cold.

A horrifying presence that could not be put into words enveloped him.

Just like an asura from hell, he made his way toward Wen Yadao and Xiao Wei, who was lying on the ground.

Wen Yadao only wanted a sum of money. At the same time, she took the chance to attack Nian Xiaomu with the issue concerning Xiao Liuliu's biological mother.

It would feel like a lump in the throat for Nian Xiaomu even if she got together with Yu Yuehan!

She had never expected things to turn out like this...

She didn't obtain a single cent and was even exposed on the spot...

"Young Master Han, listen to me—I was deceived by this sl*t Xiao Wei as well. I had nothing to do with this matter. I came here to find you because I really thought that she was Xiao Liuliu's biological mother!"

As Wen Yadao stared at Yu Yuehan's chilly-looking face, she retreated backward fearfully.

She grasped the hem of her dress with both hands and tried her utmost best to explain.

“I really didn’t know that she was an imposter. Young Master Han, trust me, I really had nothing to do with this...”

“...” Having received a kick, Xiao Wei was still lying on the ground at this point in time and was in so much pain that she couldn’t move.

When she heard that Wen Yadai had actually pushed all the blame upon her, the face that had a slight resemblance to Nian Xiaomu’s face instantly became furious.

With gritted teeth, she stood up and grabbed Yu Yuehan’s pants.

“No, it wasn’t me... She was the one who found me. She gave me money and wanted me to pretend to be the mother of your daughter... Aside from that, she was also the one who coached me to head to the kindergarten to kidnap your daughter. She said that you would definitely pay if Xiao Liulu was in my hands...” Xiao Wei strained every nerve and blurted out everything that she knew, sentence by sentence.

Wen Yadai’s face suddenly turned ghastly pale when she heard this.

Just when she wanted to say something else, she heard a series of hurried footsteps coming from behind.

Stunned, she turned around and saw that a few police officers had already appeared in front of her.

“Miss Wen Yadai, we suspect that you were involved in a paid kidnapping case. We are now inviting you to the police station to assist in our investigation!”

Chapter 537: The truth! I am the biological mother! (5)

“You do not have to say anything, but in the event that you do say anything, anything you say will be used as evidence in court.”

“...”

Never had Wen Yadai expected that the police would have such high efficiency or that they would actually be so quick to investigate her.

She hadn’t gotten the money yet.

She didn’t have the time to make a run for it.

No, she was still so young. She could not go to jail...

As Wen Yadai stared at the people before her and continued retreating backward, the color on her face bled away bit by bit...

When she regained her composure, she suddenly turned around and took off!

However, her speed was definitely not comparable to the police; she was pinned to the ground after she had taken merely two steps away.

She waged a final struggle in her sorry state.

“It wasn’t me—you guys must be mistaken. What kidnapping case? It has nothing to do with me, nothing to do with me... Young Master Han, save me. You said that you wouldn’t simply watch as I perish. They will surely believe you as long as you tell them that I am not the one...”

Dirt covered Wen Yadaï’s body. In addition, because she had struggled just now, her face was also stained with mud, and her entire body was covered in soil.

However, she was still concerned about Yu Yuehan being indebted to her because she had once saved his life.

With all her might, she reached her hands out toward him... and crawled in his direction!

However, Yu Yuehan only took a cold glance at her. There wasn’t a single bit of warmth in his eyes.

She released her grip gradually.

Bit by bit, the rays of light within her eyes died out...

She watched helplessly as she was about to be brought away by the police.

“Wait!” Yu Yuehan’s indifferent voice sounded suddenly.

Just like a drowning person who was holding onto her last live-saving straw, Wen Yadaï looked at him with eyes full of hope when she heard his voice.

She watched as he strolled toward her.

She felt a swarm of joy filling her heart...

He still cared about her after all!

They had grown up together, and she even saved his life once; he wouldn’t simply watch as she got arrested.

He was here to save her!

Wen Yadaï cried tears of joy. However, at the very next second, she saw that he had stopped in his tracks a meter away from her.

He took a glance at her and eventually looked at the police officers who were subduing Wen Yadaï.

“Apart from the paid kidnapping case, I would also like to press charges against Wen Yadaï for instigating the abduction of my daughter and attempting to blackmail me!”

Everyone need to be responsible for all the things that they have done.

He took into account the fact that he was indebted to Wen Yadaï for once saving his life and had already let her off once.

However, she was impenitent, and her shortcomings had instead become more overt.

And now, it was time for her to bear the consequences of all her misdeeds!

“...”

The smile on Wen Yadai’s face froze immediately when she heard what he had said.

For a long while, she stared at Yu Yuehan in shock with her mouth widely agape.

Paying for a kidnapping, instigating another kidnapping, and attempted blackmail...

Every one of those charges was a felony.

There would be a minimum sentence of 20 years if the criminal charges were proven.

This lifetime of hers was over...

Wen Yadai’s body went limp as she sat paralyzed on the ground.

Just like Xiao Wei, she was carried out of the Yu Family villa.

The most severe legal punishments would await them!

After Wen Yadai and Xiao Wei were brought away, the chaotic courtyard suddenly fell quiet.

Yu Yuehan seemed to have thought of something as he turned around and shifted his gaze over to Nian Xiaomu, who was standing at the entrance.

An orange ray of light covered her slender body under the sunset. It was just like a miniature sun exuding warmth.

At this moment, she totally wasn’t concerned about whatever had become of Wen Yadai.

She only placed all her focus on hugging Xiao Liuliu as she coaxed her gently.

With one hand tucked in his pocket, Yu Yuehan strolled toward her. Just when he got near the pair of them, he heard her mutter softly, “Xiao Liuliu, don’t be afraid, Mommy is here. With Mommy around, I will accompany you forever and protect you just like how I did now...”

Chapter 538: The truth! I am the biological mother! (6)

What Nian Xiaomu said to Xiao Wei suddenly popped up in Yu Yuehan’s mind.

Nian Xiaomu had said that she was Xiao Liuliu’s biological mother...

Yu Yuehan’s eyes flickered as he walked over to Nian Xiaomu.

Just when he was about to call out to her, he saw her carry Xiao Liuliu into the living room and place her down on the sofa before heading into the kitchen.

Then, Nian Xiaomu poured a glass of warm water and slowly fed Xiao Liuliu small spoonfuls of it. When Xiao Liuliu had finished drinking the water, Nian Xiaomu took piece of tissue paper and cleaned her mouth...

Xiao Liuliu was very obedient throughout it all.

With Nian Xiaomu comforting her, Xiao Liuliu very quickly broke into a smile. Turning toward Nian Xiaomu, Xiao Liuliu puckered her lips and gave her a kiss before pouncing into her arms...

The interactions between this mother and daughter warmed the hearts of the people watching them.

As Nian Xiaomu coaxed Xiao Liuliu, she heard footsteps behind her and instinctively turned around to check.

Seeing Yu Yuehan walk in from outside, it suddenly struck her that she had a big problem to deal with!

Even with Xiao Liuliu in her arms, Nian Xiaomu's body stiffened.

It had been an emergency just now, so for the sake of Xiao Liuliu's safety, Nian Xiaomu had not thought too deeply.

She had very naturally told the truth.

Now that Wen Yada and Xiao Wei had gotten their just desserts, she guessed that she also would come to no good in the end...

Nian Xiaomu swallowed her saliva nervously.

She could not see the expression on Yu Yuehan's face against the light. She could only make out his regal silhouette as he approached her.

Every step he took was extremely slow, and it felt like he was stomping on her heart...

The setting sun shone on Yu Yuehan's back and lit up his face with an orange glow.

He looked mysterious, holy, elegant... and exceptionally intimidating!

It could be her guilty conscience acting up when she saw that Yu Yuehan was getting closer to her, but Nian Xiaomu's immediate impulse was to run away.

While she could escape, she could not leave her precious Xiao Liuliu behind to run for her life...

Straightening her back, she stood in front of Xiao Liuliu and faced Yu Yuehan.

Yu Yuehan lifted his arm...

Nian Xiaomu froze!

What was he going to do?

Was he going to beat her up because he was incensed by the truth of her being the one who had secretly conceived his child?!

Frightened out of her skin, Nian Xiaomu fell backward onto the sofa. It was only a moment ago that she had courageously stood in front of Xiao Liuliu. Now, however, she was curled up into a ball while hiding behind Xiao Liuliu.

With Xiao Liuliu in front of her protecting her, she cried out at Yu Yuehan, “Yu Yuehan, I need to tell you this...”

Before she could finish speaking, Yu Yuehan’s hand rested on her head.

Then, stroking her hair dotingly, he said, “You were very smart and reacted very fast just now. Not only did it fool Wen Yadai and Xiao Wei, I almost fell for it too.”

He was complimenting her.

“...”

What kind of situation was this?

Surely he did not think that she had made up a story to trick Wen Yadai and Xiao Wei?

So he wasn’t going to hit her because he knew the truth now?

She had mustered up her courage to tell him the truth, yet he thought that she had used it as a tactic to take down Xiao Wei...

Nian Xiaomu’s lips quivered as she wondered whether she should laugh or cry at this situation.

Reaching out to grab Yu Yuehan’s arm, she took a deep breath as she looked at him with an earnest expression on her face.

“Yu Yuehan, I’m serious. I’m really Xiao Liuliu’s mother!”

As soon as Nian Xiaomu finished speaking, she nervously shut her eyes.

Although she wanted to get her confession over and done with, she was scared of what might become of her after this!

Chapter 539: The truth! I am the biological mother! (7)

She had originally assumed that Yu Yuehan would know that she wasn’t kidding and that she was not simply reacting in a quick-witted manner when he heard that declaration of hers just now. Instead, she was expressing the truth during a desperate situation.

However, he didn’t say anything even after she had waited for a while.

She lost her cool and opened her eyes to look at him.

When she caught the loving smile beneath his eyes, she was instantly stunned!

Could he have gone dumb because of all the anger?

He knew that she was the woman who had covertly given birth to his daughter, but he actually wasn't angry and didn't fly into a rage. Instead, he smiled...

He was smiling in such a handsome and charming manner.

Nian Xiaomu released the grip on his hand and was so afraid that she wanted to retreat backward. The next thing she knew, he opened his mouth slowly and said, "Yeah, you are right, you are Xiao Liuliu's mother."

"..."

"A stepmother is considered a mother as well. Furthermore, you are Xiao Liuliu's favorite stepmother."

Nian Xiaomu: "..."

He might have some misunderstandings about her!

Nian Xiaomu was agitated by his mocking tone; she instantly placed her hands on her hips and bellowed at him with a hundred percent effort while yelling, "You are the stepmother instead! I am talking about biological mother! I am Xiao Liuliu's biological mother! Biological mother, do you understand that?!"

Not only did Yu Yuehan not appease her when he saw that she was hopping mad, he carried Xiao Liuliu away instead.

He adopted a posture that indicated that he wouldn't want Nian Xiaomu to hurt his daughter if Nian Xiaomu had gone crazy.

Nian Xiaomu was so pissed that she nearly fainted...

"Yu Yuehan, what do you mean by this? Are you doubting my character and implying that I look like a stepmother? Or are you trying to say that I have treated Xiao Liuliu like how a stepmother would treat her stepchildren? You better make it clear now!" Nian Xiaomu jumped up from the sofa and lunged toward him.

With Xiao Liuliu in his arms, Yu Yuehan swerved out of the way and easily avoided her.

Then, he hugged Xiao Liuliu tightly and walked upstairs.

"Xiao Liuliu, did you see that? This is called flying into a rage out of humiliation. Let daddy tell you this, you need to stay further away from her when something like this happens in the future."

"Yu Yuehan..."

Nian Xiaomu was about to explode in fury!

Did he think that it was easy for her to say the truth out loud?

AHHHH!

He actually did not believe her.

It was fine if he didn't, but what did he mean by sending a contemptuous glance at her?

He didn't believe that she could give birth to such an adorable daughter?

He didn't even think of this: If it were not for her good genes, would this iceberg have managed to produce such a gentle and obedient daughter?

He could only produce icebergs if not for her!

She was so pissed! She was so pissed!

Nian Xiaomu had imagined all the possible scenarios after her confession, but she absolutely had not thought that it would turn out like this...

She stomped her feet and howled at Yu Yuehan's back, which was about to disappear at the corner of the staircase.

"Watch out, Yu Yuehan! You will regret this one day!"

Nian Xiaomu paced back and forth around the living room. The more she thought about it, the more angry she felt.

In the end, she couldn't battle her anger and ran upstairs.

Just when she was about charge in and give Yu Yuehan a beating to release her anger, she saw the deeply sleeping Xiao Liuliu lying in his arms when she reached the bedroom.

Nian Xiaomu held back her erupting rage instantly.

As she walked to him silently, she made a slight gesture and took Xiao Liuliu from him gently. Then, she placed Xiao Liuliu's soft and squishy body onto the bed.

Xiao Liuliu flipped her body over the moment she came into contact with the big and comfortable bed.

She looked just like a furry little hamster from the way her tiny face was pasted against the pillow and the way her little butt was sticking out.

She fell asleep in less than a minute while maintaining this exact type of posture.

I don't think my sleeping posture is as bad...

All of a sudden, Nian Xiaomu started to submerge herself in self-doubt as she stood by the side of the bed and stared at the squishy little figure on the bed.

She turned around and took at Yu Yuehan, who was beside her.

Chapter 540: The truth! I am the biological mother! (8)

She suddenly felt an ominous premonition when she saw that the sides of his lips had curled into an ambiguous smile.

He had already patted her head before she could react.

"You have a great sense of self-knowledge—That's an improvement."

Nian Xiaomu: "...!!"

Would there still be time for her to back out of the marriage?

She didn't want this fiance anymore! Those who want him can take him!

"However, Xiao Liuliu's sleeping posture indeed resembles you upon closer examination," he said unconcernedly.

When Nian Xiaomu heard this, her nerves tightened as she lifted her head up to look at him.

Had he finally realized it?

Was he finally willing to listen to her and believe that Xiao Liuliu and her were mother and daughter?

"But my daughter is more adorable than you are."

Nian Xiaomu: "...!!"

Young Master Han, perhaps you would be better off if you were single.

Do you want to know what someone who turned single in just a second looks like? You can bring a mirror to your face and take a look at it!

Nian Xiaomu glared at him and walked away.

She needed to have a moment of silence to herself right now—Nobody should talk to her!

Nian Xiaomu walked out of the master bedroom in a huff. Just when she was about to head downstairs, her gaze suddenly shifted itself to the Queen's Ring on her ring finger. All of a sudden, she seemed to have thought of something, and the expression in her eyes changed slightly.

She entered the room again immediately after. Reaching out, she grabbed Yu Yuehan's arm and hauled him outside.

"Follow me!"

"..."

Of course, Yu Yuehan couldn't bear to let her sulk alone. As he was originally about to come out and coax her, he didn't resist it when she pulled him along and walked off.

He strolled casually behind her.

A surprised look flashed past his eyes when he saw that she had pulled him into the study.

By the next second, she had already released her grip on him. Walking to the front of his study desk, he pulled his chair out and sat down.

Then, she straightened her back; her lovable and charming little face sank as she adopted a serious expression.

She let out a deep bellow and ordered, "Stand properly first and show me a standard military posture!"

"..."

“Yu Yuehan, what’s the most important thing between couples? Trust! Do you know what trust is? It is the fact that it doesn’t matter if you have done anything wrong to me in the past, but as long as you have done anything of that sort, you must be willing to admit to your mistakes bravely and put things right!”

“...”

“I am not kidding with you, I am being very serious here. As such, I am giving you a chance to be honest with me. Think through very carefully—do you have anything that requires any explanation to me?!”

Nian Xiaomu slapped the table twice as she said that.

She totally had the stance of a disciplinary mistress!

Standing before her was Yu Yuehan, the student who had made a mistake.

She was giving him a chance to do some self-reflection now.

If he could face his mistakes frankly, perhaps she could consider forgiving him. Otherwise...

Haha! She would have to serve him with the lash!

When Yu Yuehan saw her serious look, he raised his eyebrows and asked in coordination, “Is this an act to vindicate oneself before marriage?”

“I guess it’s considered as one. It’ll be dependent on your attitude. If I discover that you lied to me...”
Even though Nian Xiaomu did not complete her sentence, her gaze had said it all.

If he did not answer properly, he might not have a fiancée even before the engagement party was held.

“What do you want to know?” Yu Yuehan walked to her; he ignored the formidable aura that she had clearly forced upon herself and picked her up directly from the chair.

He sat down first, then placed her on his thigh.

As he wrapped both his arms around her waist, he propped his chin against her shoulder and spoke seductively.

“You are only looking into my past now when I am already yours?”

Nian Xiaomu: “...!!”

Flirting with her just after a disagreement!

Young Master Han, have your cheeks left your body when you said that?

“Don’t think of using your charms to bluff your way out! Let me ask you, were you lying to me when you mentioned that I was your only woman previously?”
