

My Life 541

Chapter 541: The truth! I am the biological mother! (9)

“No.” Yu Yuehan’s answer was crisp and clear-cut.

His expression was earnest, and it did not seem like he was hiding anything or telling a lie.

However, Nian Xiaomu simply could not believe him.

Flipping out of his embrace, she mounted herself on Yu Yuehan’s lap and hugged his neck with her arms. Puffing up her cheeks, she said, “I’ll give you one more chance. Tell me honestly, did you have an ex-girlfriend or a crush before?”

“...”

Yu Yuehan’s eyes darkened. He did not pay attention to what Nian Xiaomu had said, but kept his gaze fixed on their positions. The Adam’s apple on his throat moved, and he thought, *Damn it!*

He did not know that his self-control was so weak.

Nian Xiaomu had only tossed and turned in his arms for a short while, but all he wanted to do now was press her onto his study desk and give her some loving!

Yu Yuehan was not one to shortchange himself. His body was more honest than his reason.

Lowering his head, he planted a kiss on her lips.

Then, before he could give Nian Xiaomu a deep kiss, she reached out to block his lips with her hand.

“You’re not to touch me unless we clarify this matter first,” threatened Nian Xiaomu. “If I don’t get a satisfactory answer, then we will sleep in separate rooms. Anyway, Xiao Liuliu had a bad scare today, so she needs me to sleep with her...”

“Ah!” Yu Yuehan suddenly cried out in an exaggerated voice. Then, looking back at Nian Xiaomu’s bewildered face, he grabbed her hand and placed it on his chest.

“Nian Xiaomu, I had a bad scare just now too. I do not dare to sleep by myself.”

Nian Xiaomu: “...”

The person in front of her could not be the real Yu Yuehan.

Sensing that he would not admit the truth to her, Nian Xiaomu decided she should not beat around the bush anymore.

She pointed to the bottom drawer on his work desk, pouted, and asked, “What did you put inside?”

“...” As Yu Yuehan followed her line of sight, his lips curled upward.

“Xiao Liuliu’s photographs. What did you think they are?”

“Besides Xiao Liuliu’s photographs?” Nian Xiaomu tugged at his collar as she prompted him to think carefully.

“There’s something else?” Yu Yuehan coolly raised his eyebrows as he answered with a question.

He looked even more perplexed than Nian Xiaomu.

Suddenly, Nian Xiaomu did not feel angry anymore.

Wasn’t it strange for him to ask her what was in his drawer?

“A drawing.” Nian Xiaomu hinted to him.

Seeing that there was still no reaction from Yu Yuehan, Nian Xiaomu began to lose her nerve. “Yu Yuehan, quit acting like you don’t know. Even Wen Yadai knows about the drawing. Don’t tell me you haven’t seen it!”

As Nian Xiaomu spoke, she pulled the drawer open and took out the drawing that had given her so much grief over the past few days.

“See for yourself!”

He better have a good explanation for this!

“...”

Throwing a glance at her, Yu Yuehan’s gaze then fell onto the desk. He picked up and unrolled the paper with his long slender fingers.

When he saw the drawing, he furrowed his eyebrows.

Seeing his reaction, Nian Xiaomu’s heart sank.

“See! You still dared to deny it earlier. Now there’s proof and you’re speechless right? Tell me honestly what your relationship is with the woman in the drawing. Do you like me because of her? Do you think that we look alike? No way, I am definitely prettier than her!”

Whenever Nian Xiaomu got anxious, she would start blabbering incessantly.

In the end, when she saw that Yu Yuehan was ignoring her, she pursed her lips as her eyes welled up with tears.

“Indeed it’s true that men’s sweet nothings are all lies. It was only yesterday when you told me that I was your only one. In no time at all, you suddenly have a first love. Was she unforgettable? Is she a fragment of your past or a lingering memory that you cannot let go...”

Chapter 542: The truth! I am the biological mother! (10)

Nian Xiaomu’s mouth was suddenly covered.

With a look of contempt, Yu Yuehan threw a glance at her and asked indifferently, “I didn’t even say anything, so why are you crying?”

When Nian Xiaomu heard that, she tugged on his hands and retorted, “Even if you don’t say anything, wasn’t your conflicted expression enough to show the seriousness of the issue? You have just proposed to me, but I would be turning into a wife who was about to be abandoned by her husband before I could even catch a glimpse of my wedding dress. The worst thing is that I can’t even take a close look at my love rival—Is there anyone who is in such a sorry plight like I am?”

As she said this, she reached out and wiped the nonexistent tears away from the corners of her eyes.

Yu Yuehan tapped on her forehead and asked, “Nian Xiaomu, were you too immersed in your acting?”

“What do you know!” Nian Xiaomu slapped his hand away.

Immersed in acting? That was an absolute humiliation—oh please, she was a born actor.

“And so, what is your relationship with this woman?” Nian Xiaomu wasn’t an easy target to fool. Since her act of invading his privacy had been exposed, she must get to the root of this question today.

This was just in case someone mentioned the topic of being a substitute to her again.

When Yu Yuehan heard what she said, he took another look at that sketch. After that, he opened his mouth faintly and said, “I don’t know her.”

“...” Nian Xiaomu stared blankly.

She was really dumbfounded.

She had thought of all sorts of answers, including the positive and negative ones.

However, she had never thought that he would straightaway tell her that he didn’t know the girl in the drawing!

“You’re speaking nonsense! Why did you keep her portrait if you don’t know her?” Nian Xiaomu stared at him with a doubtful gaze immediately.

She wanted so badly to see through his entire body and look into his heart to see if he was lying to her.

The next second, Yu Yuehan pressed her into his embrace.

Just when she wanted to move, his huge hand had already placed itself on her head; for some unknown reason, his deep voice carried a tinge of sexiness in it...

“You’re the only one I need. The rest are all unnecessary.”

“...”

Ah! Ah! Ah!

Why did he suddenly tell her words of love? That’s against the rules!

As Nian Xiaomu leaned against his chest, her entire body had turned wobbly and her willpower had softened as well—She was already considering if she should give up on extorting a confession.

As she laid in his embrace, she grumbled softly, “I don’t know how Wen Yadaï managed to discover that you kept a drawing of a woman in your study. She had specially told me that this woman was Xiao

Liuliu's mother and that you only liked me because I resembled her. I was upset for a very long time because of this."

"I didn't believe what she said originally, but you didn't give me the Queen's Ring after you bought it the other time. Also, it just so happens that the woman in the drawing was wearing the Queen's Ring. This was why I misunderstood..." Nian Xiaomu's voice turned softer as she spoke. She seemed to feel embarrassed and buried her face in his chest.

"..."

As Yu Yuehan hugged her tightly, he raised his eyebrows and looked at the drawing.

He truly did not have any impression of it.

He didn't even remember that he had such a drawing in his study room.

"It must have been a coincidence regarding the ring."

The Queen's Ring had more than 100 years of history.

There was definitely more than one owner of this ring.

It wasn't a surprise that someone had sketched it in a drawing.

As Yu Yuehan ran his long fingers through her silk-like hair and played with it, the rays of light that seeped past the gaps in her hair landed on that sketch.

Yu Yuehan stared at the drawing. All of a sudden, something flashed past his mind.

"It's her!"

"What?" Nian Xiaomu heard his voice and lifted her head up in a daze.

Very quickly, she snapped back to her senses and sat up swiftly.

"Have you remembered who the woman in the painting is?"

Chapter 543: High energy ahead, he had discovered it! (1)

As Yu Yuehan picked up the drawing from the table again and took another look at it, his gaze landed on Nian Xiaomu's nervous looking face. He placed the sketch down gently once more.

"She might just be a crazy female suitor."

Nian Xiaomu: "???"

"I was considered a rookie in the business industry because I had only taken over the Yu Corporation for a few years. At that time, I attended a business conference in another city and met this very strange girl one night..."

Yu Yuehan seemed to have thought of something and frowned.

He did not mentioned anything much about that girl and simply skated over that topic. Then, he pinched Nian Xiaomu's face.

"After a few things happened, she requested a tiny favor from me and even said that she wanted to give me presents. Afterward, I received a letter the next day when I returned to City H, and this drawing was in the letter.

He had merely taken it as a prank from a young lady and had forgotten about this matter after he casually placed the sketch in his desk drawer.

He wouldn't have thought of this incident if she hadn't asked about it today.

"Then, did the both of you still contact each other after the conference ended?" Nian Xiaomu asked with curiosity.

"Are you jealous?" When Yu Yuehan heard what she said, he cushioned the back of her head with both of his hands as he lowered his gaze and looked at her. Copying the cocky look that she usually put on, he opened his thin lips lightly and said, "Nian Xiaomu, your fiance is a heartthrob. Jealousy would be like a sea of water flooding you if you become jealous over such a matter."

Nian Xiaomu: "..."

Bloody thick-skinned!

Nian Xiaomu: "Did you really not have any ex-girlfriends?"

Yu Yuehan: "No."

Nian Xiaomu: "Was there any goddess that you had held a torch for?"

"..." Yu Yuehan cast a glance at her and did not speak.

Nian Xiaomu panicked instantly!

Strangling his neck with both of her hands, she threatened him viciously and said, "Make yourself clear!"

"Yes, I once did." Even though she was strangling Yu Yuehan's neck, his facial expression remained calm. As he stared at her with a burning gaze, he spoke with a pause after every word and continued, "But I've managed to make her mine, and she has become the mother of my daughter now."

Nian Xiaomu: "...!!"

It's over, it's over! The iceberg had changed.

He had changed to become more and more... irresistible!

Yu Yuehan struck while the iron was still hot. Seeing that she was touched, he pressed her against the desk and said, "Nian Xiaomu, it's getting late. You can sleep now."

After he finished his sentence, he used his lips to keep her silent.

He decided to appease the little white rabbit first before eating her up, bit by bit...

It was rare that Nian Xiaomu was exceptionally obedient today.

She even took the initiative and clung onto his neck, hoping to get more of him...

The temperature in the study room soared.

Yu Yuehan's big hands slid up and down her waist; his fingertips seemed to carry a wave of electric current as he caressed her bare back. Nian Xiaomu shivered all over instantly!

She tightened her grip on his shoulder.

Her fingernails were on the verge of piercing into his flesh.

Yu Yuehan stared at her blushing face with satisfaction; he loved her aroused and flirtatious self so much that he couldn't bear to part with it.

He was about to undo the buttons on her blouse with his long fingers. At that moment, when he had just made contact with her chest, Nian Xiaomu suddenly held his hand. In an instant, all the dainty and charming looks that she had put on just now disappeared without a trace.

Cheekiness was the only thing that remained in her pair of animated eyes.

When she met his lustful gaze, she patted his handsome face with her tiny hands and said, "I suddenly remembered that my period is here today. And so... you know."

Yu Yuehan: "...!!!"

He was dumbfounded. Tilting her head, Nian Xiaomu squirmed out from his armpit and sprinted away.

She thought of something when she reached the entrance and paused in her steps.

Turning around, she glanced back at the dazed looking man who was seated in the chair and left some words for him.

"I'll be carrying Xiao Liuliu out. Take it easy tonight. Having too long of a cold shower or stuff like that might leave you with the flu!"

Chapter 544: High energy ahead, he had discovered it! (2)

Nian Xiaomu cuddled with Xiao Liuliu in her arms and slept until daybreak.

On the other side, there was an abandoned man who tossed and turned through the night, but could not fall asleep.

The sky was still dark when he sat up and turned to check the alarm clock next to his bed.

Damn it, why was it only 1 AM?

Without her by his side, time seemed to have stopped.

Tossing the blanket to the side, Yu Yuehan put on his slippers and walked toward the counter of the bar.

Then, he opened the wine cupboard and poured a glass of red wine for himself.

After finishing it in one shot, he poured another glass of wine.

One person, one bottle of wine, one crescent in the sky.

By the time he was done, an hour had passed.

He finally felt a bit tipsy and went back to bed to sleep.

However, after a long while, he still couldn't fall asleep.

Without someone in his arms, it just didn't feel right...

He had been living on his own for so many years and thought he had been used to it.

Now, his habits had changed so quickly in the short time that she had been with him...

He had never experienced such a sense of loss. It felt like there was a missing piece in his heart.

However, when he thought of how she had smugly made her escape today, his lips curled upward.

Forget it. Since she was so pleased with herself, he would let her be.

He would get her back tomorrow.

Yu Yuehan shut his eyes and willed himself to fall asleep.

After a while, he woke up again.

The look on his face was exceptionally dark and sinister due to a poor night of sleep.

His whole presence gave off strong signals to others to keep clear of him.

When he turned to look out the window, he saw that the sky had lit up.

Outside the window, the winter sun was shining warmly, melting the snow on the tree branches.

It was very good weather, but his mood was extremely bad.

After holding it in for a whole night, he could not hold it in anymore.

He put on a jacket and headed downstairs to drag the person who had run away last night back to his room to have some proper sleeping time with him.

As soon as he reached the living room, he saw his assistant hurriedly walking in from outside.

Once his assistant saw him, he quickly stepped forward.

"What's the outcome?" asked Yu Yuehan as he stopped in his tracks for a short moment. Then, he walked over to the living room and sat down on the sofa.

The assistant answered, "Just like we expected, the DNA report that Xiao Wei showed us was fabricated. She is totally unrelated to Little Miss. Wen Yadai had paid her to pretend to be Xiao Liuliu's biological mother so that she could extort money from you."

The assistant paused and continued, "On top of the kidnapping and extortion, the investigation also revealed one more case. Remember Zhang Qi, the B-grade celebrity whose contract got terminated

after she clashed with Miss Nian at an event? Wen Yadaï had transferred money into her account as well. It seems like the Zhang Qi incident had everything to do with Wen Yadaï.”

One by one, Wen Yadaï’s crimes were uncovered.

Yu Yuehan’s tolerance for her misdeeds had reached its limit.

“Leave it to the police to handle it. Let the court decide what jail sentence she will get. If more evidence is required, get the lawyer to submit it.”

“Yes, Young Master!” The assistant bowed respectfully. When he thought of something else, he added, “Since Xiao Wei isn’t the mother of Little Miss, should we continue to look into this matter?”

“...”

Yu Yuehan did not speak for a few seconds.

The words that Nian Xiaomu had said the day before flashed past his mind.

How wonderful it would be if she was really his daughter’s biological mother and hadn’t told a lie to save Xiao Liuliu.

Narrowing his eyes, he answered, “Continue to investigate!”

The assistant left quickly.

Yu Yuehan sat in the living room for a while before walking over to Xiao Liuliu’s room.

Pushing the door open, he planned to wake up the mother and daughter pair.

Chapter 545: High energy ahead, he had discovered it! (3)

He had originally thought that he would see the scene of the sound asleep duo hugging each other when he entered the room.

However, he realized that no one was inside when he entered the room.

Where had they gone to?

Could Nian Xiaomu have brought his little princess along with her and left the house...

Yu Yuehan collected his gaze. Turning around, he walked out of Xiao Liuliu’s room and walked toward Nian Xiaomu’s room.

When Yu Yuehan reached the entrance of the room, he instantly recalled the incident of a particular someone who had gotten drunk for the very first time. She was tugging at him at the entrance while showering him with hugs and kisses...

It was merely a night of not seeing her, yet he was already going crazy from missing her.

He pushed the room door open without any hesitation and entered.

It was cold and chilly in the room.

He reached out and turned on the lights. However, not a single person was in sight even after he had searched the room once.

It was early in the morning, so where had she gone?

She even brought Xiao Liuliu along with her...

Yu Yuehan took a step forward and headed out. Just when he was about to call for the butler, he noticed a diary on her study table from the corner of his eye. Something seemed to have flashed past his mind as he paused in his steps.

He still remembered the first time when he inadvertently saw her diary.

At that time, he was greatly vigilant toward her because he had just obtained information about her background.

He was touched because her diary was filled with concern for Xiao Liuliu.

He had not expected that she was still continuing to write in her diary even after so long.

Walking forward, Yu Yuehan picked up the diary on the study table and flipped open to the first page.

His gaze turned gentle as he stared at Nian Xiaomu's delicate handwriting in the diary.

When a person had someone in his heart, it turned out that he would unknowingly have the urge to take a second glance at the things that belonged to that someone.

Did she still write in her diary after the two of them entered in a relationship with each other?

Would her current diary entries consist of only Xiao Liuliu, just like the past? Or would he be in the picture as well?

When Yu Yuehan thought of this, his gaze turned eager; he pulled the chair out and flipped through her diary with his long fingers.

He was smart to have skipped the earlier entries and started to flip straight from the very last page.

The first sentence that came into view was one that was written with heavy strokes...

"I am bloody angry! Bloody bloody angry! Yu Yuehan, you are the stepmother, your entire family are stepmothers!"

His fingers froze when he recalled the little tiff between them that had happened yesterday.

He coughed lightly.

He must dote on his own woman.

Surely, she still loved him and was just throwing her temper.

She must have praised him in the previous entries.

Yu Yuehan returned to his calm state again when he thought of this.

No matter what, the proposal that he had prepared was a very romantic one that left her utterly touched. She must have hidden alone and cried buckets when she was writing about it in her diary, right?

Yu Yuehan's eyes flickered, and he flipped to the front.

He impatiently flipped to the diary entry that was dated to the day of the proposal.

"Two-faced guy! He only remembered to dress himself up and even specially styled his hair. Yet, he actually did not remind me to dress up in a nicer dress! He must be jealous of my beauty... AHHH! Why did I not hold back at that time? I actually cried in such a horrendously ugly manner, which is so intemperate of me! Where did my goddess-like image go? Where did my goddess-like image go? I have forsaken my whole life the moment I saw Yu Yuehan, it's all his fault! Yes, all his fault!"

Yu Yuehan: "...!!"

Since she wasn't touched by the proposal, she must have been touched when he took her to a movie the other time. After all, she jumped into his embrace and said that he was the only person she liked. Right?

Yu Yuehan was unwilling to give up and continued to flip to the front.

He flipped to an entry from when they were both in a relationship with each other.

He was finally at ease when he read the first sentence...

"I am filled with bliss from the date with my boyfriend, I must record this down! However, I really shouldn't ask so much from the iceberg. It's already very good that we get to go on dates, I shouldn't hope for any romantic actions..."

Chapter 546: High energy ahead, he had discovered it! (4)

"Sigh, next time, when I see a woman's boyfriend gifting her roses, I shall just silently imagine that person to be him in my heart..."

The more Yu Yuehan read the later entries, the more amiss he felt.

Why did the later entries turn out to be so heart wrenching when she was still recording her blissfulness in the earlier ones...?

All he wanted to do now was to bring her before him and tell her properly that she had actually missed something. It was all because she had dozed off during the movie that day!

Yu Yuehan grasped the diary in his hands tightly.

He continued flipping to the front.

He didn't believe that he hadn't once touched her heart.

During the day of his confession, didn't she feel that the 52 rose lights on a ground full of snow was a romantic act?

Yu Yuehan kept on flipping forward. However, he did not see a diary entry about the confession even after he had flipped through the very last page.

And so, in her eyes, his confession was so bad that it wasn't even qualified to be in her diary?

His face darkened bit by bit.

Now, he only wanted to bring her over to give her a good beating!

Yu Yuehan threw the diary onto the table. Just when he was about to get up, he suddenly noticed that an envelope had dropped out of her diary.

Stunned, he reached out and picked up the envelope.

Just when he was about to put it back, he realized that a DNA test report was inside.

He paused in his actions and squinted his eyes.

After hesitating for a second, he opened up the envelope in his hands. His pupils shrank when he clearly read the contents inside!

Instantly, he grasped the report in his hands tightly!

Nian Xiaomu, Yu Liuliu... Mother and daughter relationship.

Mother and daughter relationship.

"Did you realize that Xiao Liuliu actually resembles me greatly?"

"You really don't feel that Xiao Liuliu's character resembles mine? Everyone says that she's just like a photocopy of me..."

"I am the evidence. I am Xiao Liuliu's biological mother!"

Her earlier attempts at sounding him out.

The words that she had said to Xiao Wei.

All of these incidents spilled into his mind in an instant.

As Yu Yuehan's fingers tightened suddenly, bluish veins popped out from the back of his hand as he crushed the DNA report!

—

In the kitchen.

Nian Xiaomu entered with Xiao Liuliu in her arms. After she placed her on the counter, she washed a tomato clean, then cut it in half and fed it to her first.

Following which, she took out a plate and cut the other half into smaller pieces before plating it properly.

Then, she took two more tomatoes out and cut them up.

“The tomatoes are ready, but we need eggs as well.” As Nian Xiaomu muttered under her breath, she headed to the refrigerator and took out the eggs.

The butler had stayed beside her the whole time and worriedly said, “Miss Nian, you can tell the chef what you want to eat. He can make it for you.”

He had heard of Nian Xiaomu’s cooking skills even if he had not seen it himself.

It was said that she had nearly burned down the entire lounge when she prepared a meal in the Young Master’s lounge for the very first time.

Even though she had such cooking skills, she wasn’t afraid and wanted to cook. However, the butler was already so terrified that he was trembling with fear.

He was the head butler of the entire villa; if the kitchen was burned down, his job might be at stake!

“No need, no need. I might not know how to cook other things, but I still know how to cook some noodles. Butler, you can rest assured!” As Nian Xiaomu said that, she picked up a tiny piece of tomato from the bowl and stuffed it into her mouth.

She imagined the scenario later on when Yu Yuehan saw that she had personally prepared breakfast for him right after he had woken up from his sleep...

She felt a punch of energy the moment she thought of his surprised expression.

Furthermore, she had prepared this bowl of noodles with Xiao Liuliu; he would be feeling extra sweet when he ate it.

It was time for him to take a look at her skills! She would let him know what the exact definition of romantic was...

Nian Xiaomu instructed the butler to get busy with his own work. Along with Xiao Liuliu, she did a little dance and continued to prepare the ingredients while humming a happy tune.

Chapter 547: High energy ahead, he had discovered it! (5)

When she looked at the clock and realized that it was about time that he woke up, she turned on the stove decisively and started to cook the noodles.

“Pretty Mom, so so hungry...” Xiao Liuliu had finished nibbling on half of a tomato. As she took in a whiff of the fragrance that came from the noodles, she held her stomach and started to cry piteously for food.

“Wait for a while longer—it’ll be ready soon!” Nian Xiaomu had put in all the other ingredients and only added in the noodles last.

She boiled the contents again.

Successfully accomplished!

Even though the freshly cooked noodles were not as exquisite as the creation of a famed chef, it should taste alright.

She turned off the heat.

After Nian Xiaomu brought out two big bowls and one small bowl, she split the noodles and started to scoop them into the bowls.

Since she couldn't bear to let Xiao Liulu go hungry, she carried her in her arms first and brought her noodles out.

"Careful, it's hot. Eat it slowly," Nian Xiaomu reminded her. She only returned to the kitchen with ease after she saw that Xiao Liulu had come forward obediently; she was not in a hurry to eat and was blowing on the noodles with her pouty lips.

She scooped out the remaining noodles that were meant for herself and Yu Yuehan.

As she removed the apron, she turned around and asked the butler who was standing by the side, "Where's Yu Yuehan?"

He should have been up by this time.

Furthermore, he should be searching around the entire villa for her when he realized that she wasn't around.

Nian Xiaomu was initially worried that he would arrive here before she was done with her cooking.

It did not cross her mind that she would not see him...

"Young Master is in your room," the butler replied respectfully.

"..." Nian Xiaomu's natural instincts told her to go and look for him when she heard that he went to her room.

Just when she was about to call out for him, Yu Yuehan's figure appeared at the entrance of the dining room.

With his strapping figure, he still looked extremely good even though he was merely wearing a sleeping robe.

He stood there, stared at her with a fixated gaze, and continued to stand there without moving even after a long while.

Nian Xiaomu assumed he already knew that she was the one who had prepared the breakfast for today. Straightening her body, she stood there to receive his staring gaze.

She felt even more gleeful when she caught the surprise behind his eyes.

Praise her! Don't stand on ceremony! Just praise her with all your might!

Yup, she was talented, good-looking, and had all the skills and virtue.

She was a good wife domestically and socially—she could fight the mistress and could also look after children.

Where could he find such a marvelous woman like her nowadays?

He was definitely lucky to have picked her up!

Nian Xiaomu waited for a long while; she was thinking that he should have gotten over the surprise, so why didn't he come forward and give her a hug?

Even if he did not want to give her a morning kiss, he should at least take into account that she had woken up early in the morning to cook noodles for him and praise her verbally.

He was standing still over there. What did he mean by that?

Was he too shocked by her actions or was he just overly delighted?

He didn't even react when Xiao Liuliu shouted for him.

He must be so overjoyed that he had zoned out!

"Ahem!" Nian Xiaomu cleared her throat. As she raised her eyebrows, she said, "Umm, you don't need to be too touched over this. I didn't cook it just for you—Xiao Liuliu wanted to eat it, so I made another bowl while I was at it. It was done without extra effort..."

"Shouldn't you explain this DNA report to me first?" Yu Yuehan opened his lips coldly and interrupted her.

As he met her startled gaze, he gradually raised up the maternity test report that was on the verge of destruction.

Nian Xiaomu: "...!"

The atmosphere in the dining room turned heavy instantly.

It seemed like the eve of a heavy storm as the pressure dropped to its lowest, bit by bit.

Nian Xiaomu didn't know how the report that she had placed in her diary had ended up in his hands.

After she stood in a daze for a few seconds, she lifted her head up suddenly and said, "You peeked at my diary! Yu Yuehan, that's private!"

"You had covertly given birth to my daughter. Is this considered part of your privacy as well?"

Chapter 548: High energy ahead, he had discovered it! (6)

"..."

He knew everything.

Nian Xiaomu pursed her lips nervously when she met his furious gaze. Just when she was about to say something, he instructed the butler to take Xiao Liuliu away.

Shortly after, only the two of them were now in the dining room.

With the DNA test report in hand, he strolled over to her. With a pause after every word, he asked, "Is this report real?"

“...”

Nian Xiaomu bit her lip nervously and did not speak.

Her silence meant that she was admitting it.

She cast a careful glance at Yu Yuehan. He was carrying a strange aura all over. From his reaction, she totally could not guess if he was furious that she was the mother of his daughter or if he was furious that she had hidden this fact from him...

“Nian Xiaomu, answer my question!” he bellowed suddenly when he saw that she did not speak.

Nian Xiaomu was immediately aggrieved when she heard that.

Lifting her head up, her eyes widened as the both of them entered a staring competition with each other.

“Why are you being so fierce? So what if you have a bad temper!”

“...” Yu Yuehan originally had a bellyful of fire in him, but all of a sudden, he couldn’t erupt in flames after he heard her yell.

The next second, she pulled a chair out and sat down heavily.

She crossed her legs.

“Yes, all that you have seen is real! The DNA test report is real. It is fact that I am Xiao Liuliu’s biological mother! Fight me then!”

“...” He was slightly taken aback by her righteous and self-confident attitude.

“I had told you about it long ago, but you yourself didn’t believe me. I even wanted you to take a good look at the both of us to see if me and Xiao Liuliu really resembled each other. What did you say in the end? You said that Xiao Liuliu was more adorable than I was and even mocked me by saying that I wouldn’t be able to give birth to such an adorable daughter like Xiao Liuliu!”

Nian Xiaomu gritted her teeth in anger when she recalled his ridicule from that time.

“I even told you yesterday that I was Xiao Liuliu’s biological mother. Ultimately, you didn’t believe it no matter what and insisted that I was simply reacting in a quick-witted manner. I told you about it a few times, but you even scolded me and said that I was a stepmother!”

Nian Xiaomu continued to reprove him.

Indeed, an audience would feel heartbroken, whereas the ones who heard about this would shed tears. The more she spoke, the more pitiful she felt.

She glared fiercely at Yu Yuehan with red-rimmed eyes.

“...”

Yu Yuehan didn’t have a chance to say anything because of her tirade.

Then, he watched as she stood up from the chair and walked to him. Reaching out, she poked his chest.

“Now that you know that I am the biological mother of your daughter, what are you planning to do? Will you beat me or strangle me to death? Come on, I am not afraid of you!”

With knitted eyebrows, Yu Yuehan grabbed her hand and held it in his palm.

His temper had vanished in an instant when he saw her utterly aggrieved look.

“Nian Xiaomu, the guilty party files the suit. That’s what you’re doing now.”

It had instead now become his fault when she had been the one to keep it from him for so long.

As Yu Yuehan pulled her hand to his mouth, he opened up his lips and took a bite.

It had never crossed Nian Xiaomu’s mind that Yu Yuehan would suddenly take such an action, and she cried out loud instantly, “Ouch!”

The next second, he pressed her into his embrace.

His grip on her was very strong.

He pressed against the back of her head forcefully; it was as if he was planning to suffocate her in his chest.

In a low voice that was slightly hoarse, he opened his mouth slowly and asked, “Nian Xiaomu, is it true?”

“...”

“Is Xiao Liuliu really our daughter?” As Yu Yuehan lowered his gaze, he buried his head into her long hair and took in the natural fragrance of her body.

“...” Did he bite her just now because he suspected that he was dreaming?

Jerk!

Why did he bite her instead of biting himself if he suspected that he was dreaming!

It was so bloody painful!

Nian Xiaomu cursed him in her heart. However, when she remembered that she was the one who had hidden the truth from him first, she nodded her head guiltily and said, “Even though I am very surprised as well, it seems to be true.”

Chapter 549: High energy ahead, he had discovered it! (7)

She had a child all of a sudden. Plus, he was actually the father of the child...

Yu Yuehan loosened his grip on her and grabbed her shoulders with both hands. Just when he was about to say something, a series of rushed footsteps sounded from the living room along with the butler’s anxious voice.

“Don’t worry Matriarch, Little Miss is fine...”

“Young Master is... Young Master is talking to Miss Nian in the dining room. Please remain here Matriarch...”

It seemed that the butler wanted to stop the anxious Matriarch Yu, but failed to do so in the end.

She had already appeared at the entrance of the dining room in the blink of an eye.

Matriarch Yu was stunned when she saw the two of them standing in the dining room, and there was an unconcealable look of worry on her face. Walking up swiftly, she picked up her walking stick and slammed it hard against Yu Yuehan’s back.

Yu Yuehan groaned silently from the sudden action!

However, his back remained straight, and he did not resist against it.

Instead, Nian Xiaomu was the one who felt sorry for him. She blocked her body in front of him in a haste and asked anxiously, “What happened, Grandma?”

Why did she hit him the moment she arrived?

Furthermore, she had never seen Matriarch Yu in such an angry state.

She was usually filled with affection and was an interesting person, just like an old imp.

Even though she did actually beat Yu Yuehan sometimes, it was all in good fun and she didn’t really have the heart to hit him.

However, it was different today; that hit just now was full of force, and it seemed that she was really furious.

“Xiao Mumu, don’t stop me. I must deal with this young brat today and stand up for my little sweetheart!”

Nian Xiaomu: “...”

Xiao Liuliu? What happened to her?

Wasn’t she fine?

“Don’t you all try to hide it from me. I already know about everything from yesterday. It’s all this young brat’s fault. I don’t know what sin he committed previously to have given birth to my little sweetheart before being abandoned by the child’s mother. He made my little sweetheart motherless ever since she was young, and now... and now, he even caused so much trouble! If my little sweetheart was scarred by any childhood memory or some sort, I will never let him off!”

As Matriarch Yu said that, she lifted her walking stick up and prepared to give Yu Yuehan another beating.

Nian Xiaomu stopped her hurriedly and said, “Grandma, Grandma, calm down a little. I can testify for this matter. Yu Yuehan really had nothing to do with it. Wen Yadao was the one who had played dirty tricks—She was also the one who had asked that woman, Xiao Wei, to impersonate Xiao Liuliu’s mother!”

“... Really?” Matriarch Yu paused in her actions and cast a doubtful glance at Nian Xiaomu.

She only placed her walking stick down when she saw that Nian Xiaomu had nodded her head swiftly.

“Grandma, did you not have breakfast yet since you are here at such an early hour? I’ll ask the kitchen to prepare food for you now...” Nian Xiaomu helped Matriarch Yu to her seat after she noticed that she wasn’t that angry anymore.

However, Matriarch Yu sprang up again the moment she sat down.

She glanced at Yu Yuehan with a thoughtful gaze.

“Was Yadaï really the one who had done all these bad things?”

After all, she had watched her grow up from a little girl. At the beginning, Matriarch Yu was even thinking of match-making Yu Yuehan and her together.

Now that Wen Yadaï had turned into such a person, Matriarch Yu was still unable to immediately accept it.

Even though she had heard of it while she was on the way here, she couldn’t help but sigh in her heart when it was now verified...

When Yu Yuehan heard what she had said, he endured the pain from his spine and replied as he walked to her, “There was damning evidence of the crime—Wen Yadaï will not be able to disclaim her deeds.”

Matriarch Yu suddenly quieted down when she heard that.

Her expression also looked a little complex, and she seemed to be worrying about something.

All of a sudden, she lifted her head up and said, “She has done so many bad things. Was she sentenced already? Will it really cost her her life...”

Chapter 550: High energy ahead, he had discovered it! (8)

“No, but the sentences will run concurrently. Even if she doesn’t spend the second half of her lifetime locked up behind bars, she will serve at least 20 years in jail,” Yu Yuehan answered Matriarch Yu.

Hearing that Wen Yadaï would not be sentenced to death, Matriarch Yu heaved a sigh of relief.

“As long as she doesn’t die, it doesn’t matter how long the sentence is...” Then, before she finished speaking, she suddenly bit her tongue when she thought about Nian Xiaomu, who was sitting beside her.

Matriarch Yu took Nian Xiaomu’s hand in her own and started to comfort her.

“Actually, Yu Yuehan owes you a lot. You are such a fine girl, but marrying into the Yu Family will make you a stepmother to Xiao Liuliu. You also had to put up with so much harassment all this time. Grandma knows it has been hard on you!”

“...”

“Xiao Mumu, Grandma knows that you are good child. Although Xiao Liuliu isn’t your biological daughter, you have always treated her as your own. Don’t worry because there won’t be a next time! Xiao Liuliu has only one mother and that’s you. Even if her biological mother appears in the future, I will not allow her to step into our Yu Family! The only granddaughter-in-law that I want is you!”

The more Matriarch Yu spoke, the more she felt aggrieved for Nian Xiaomu and wanted to be good to her.

Matriarch Yu continued to admonish Xiao Liuliu’s mother, and it sounded like she would chase Xiao Liuliu’s mother out with a broom if she appeared in front of them now!

As she listened to Matriarch Yu’s bashing, Nian Xiaomu froze with discomfort and looked toward Yu Yuehan to plead with him for help.

She wanted him to stop Grandma and help her tell Grandma that she was Xiao Liuliu’s biological mother...

However, Yu Yuehan coolly threw a look back at her that said: You deal with the problem that you have caused.

Nian Xiaomu: “...!!”

“Xiao Mumu, what’s wrong? Why do you look so pale? Grandma knows that you feel upset. Say it out and don’t bottle it up!”

Seeing that beads of perspiration had formed on Nian Xiaomu’s forehead, Matriarch Yu felt her heart ache for Nian Xiaomu as she wiped off the perspiration.

Nian Xiaomu quickly grabbed her hand and said, “Well, Grandma, actually Xiao Liuliu’s mother...”

“I know, I know. No matter how magnanimous a woman may be, she will surely feel bothered by the fact that the man she loves had a child with another woman. Grandma has been through it. I can understand how you feel!”

“No, Grandma. Listen to me...”

“You should listen to me. At Grandma’s age, I’ve been through all sorts of storms and turbulence in life. When two people decide to be together, it’s impossible not to have any conflicts at all. If you find someone who dotes and loves you wholeheartedly, you should cherish that person.”

Matriarch Yu was overcome with emotions as she spoke.

“If only you had appeared earlier. Perhaps Xiao Liuliu would have been your daughter with Yuehan. Oh, this is fate!”

“...”

Nian Xiaomu covered her face with her hands upon hearing Matriarch Yu’s words.

She had appeared early enough.

In fact, she had appeared too early, and now, it was difficult to explain that she was Xiao Liuliu's mother...

Nian Xiaomu mustered her courage as she lifted up her head and said earnestly to Matriarch Yu, "Grandma, actually I'm Xiao Liuliu's biological mother!"

"..."

Startled, Matriarch Yu took a serious look at Nian Xiaomu, then turned around to look at Yu Yuehan.

Yu Yuehan wanted to speak up, but Matriarch Yu suddenly reached out to hug Nian Xiaomu and patted her head as she said, "My silly Mumu. Grandma knows that you're unhappy, but you cannot fool yourself this way!"

Nian Xiaomu: "...!!"

Yu Yuehan: "...!!"
