

### Chapter 891: Can't Restrain It Anymore!

The tiny, cuddly ball lying on the sofa was rudely taken aback from the sounds that the two of them made when they suddenly stood up.

As she loosened her grip, she widened her already huge eyes and looked behind at her Daddy and Mommy.

Nian Xiaomu hurriedly picked up the slip of paper on the ground and passed it to Yu Yuehan. One by one, she watched as he wrapped the slips of paper onto the kaleidoscope.

"No, the spacing between them is not correct!" As Yu Yuehan made his first attempt, the pictures that he had seen in the kaleidoscope flashed past his mind once again.

"The spacing between the numbers shown in the kaleidoscope was the same, and I am guessing that they are of a 2cm spacing from each other. Copy the numbers on the slips of paper down again, this time leaving a spacing of 2cm between every number!"

Nian Xiaomu quickly regained her thoughts when Yu Yuehan spoke up.

Grabbing a paper and pen, she wrote down the numbers again.

Then, she passed the slip of paper with the numbers with the correct spacing back to him.

Yu Yuehan wrapped the slips of paper onto the kaleidoscope again. This time around, he started the wrapping on the custom-made golden thread at the edge of the kaleidoscope.

The moment the slip of paper was fully wrapped onto the kaleidoscope and aligned with the position of the golden thread, six completely different numbers appeared instantly!

"We solved it!"

Nian Xiaomu let out an excited scream and jumped into Yu Yuehan's embrace. As she hugged onto his neck, she lifted her head and planted a kiss onto his handsome face.

The result was an exceptionally loud, "smack".

Yu Yuehan seemed to be more satisfied with this kiss of hers, than solving the password. He couldn't help it and his lips lovingly curled upward.

Bending his fingers, he stroked the bridge of her nose lightly and said, "Naughty."

"I am not naughty at all. We can head to the Tan family's ancestral residence tomorrow and take a look at what Bengbeng has left behind for me. I have a strong feeling that Tan Bengbeng had placed this kaleidoscope in the most obvious spot in the entire apartment because she had bet on the fact that I would head over to her apartment building. She had deliberately left this kaleidoscope as a hint for me!"

The joyous feeling in Nian Xiaomu's heart could be heard in her words.

Yu Yuehan narrowed his eyes slightly and his eyes had turned a little darker. "Are you saying that Tan Bengbeng knew that something would happen to her?"

"I am not sure about this, but I have a constant feeling that Tan Bengbeng has got a lot of hidden secrets. It seemed that she had been wanting to tell me about them, but at the same time, she was hesitating over something as well... Even though I don't know if my speculations are right, the good thing is that we have already solved the password. Once we get to City N and successfully open up the main entrance of the Tan family's ancestral residence with this password, our every doubt will be answered!"

The moment Nian Xiaomu thought of Tan Bengbeng, she pursed her lips lightly and her expression turned grim.

The two of them continued to analyze other possible uses that the password might hold. However, the face of the soft and squishy figure sitting beside them on the sofa had already turned red as she had in her urine all this time.

Her legs were sandwiched together and she was lying on the sofa with her hands clutching onto her tummy.

After lying down there for a long time, she jumped around the edges of the sofa when she saw that no one was bothered about her...

She pouted her tiny lips aggrievedly and said, "Mommi, Xiao Liuliu can't hold it in anymore..."

"..."

"..."

The two of them quickly realized and turned around to look at Xiao Liuliu, whose tiny face had already turned purple from holding her urine for so long and was currently walking around in circles. Taking advantage of his long limbs, Yu Yuehan lifted his little princess up into his arms.

Just when he was about to take her to the washroom, a warm stream of fluid dripped down his chest...

Drop by drop, it landed on the ground.

As the soft and squishy figure lay sprawled on his shoulders, he could still subtly hear her heave a sigh of relief and mutter, "Xiao Liuliu is about to die from holding it in..."

After she finished peeing, she even rubbed her head on his shoulders to show her comfort.

However, she knew that she had done something wrong as she puckered up her lips and planted a kiss on his face. "Daddi, Xiao Liuliu loves you the most!"

"..."

## **Chapter 892: Precious Gem**

In the master bedroom.

Nian Xiaomu lay on the bed with Xiao Liuliu beside her. The little girl had fallen asleep again after emptying her bladder.

Nian Xiaomu held on to the kaleidoscope and continued to study it.

When, from the corner of her eyes, she saw Yu Yuehan stepping out of the bathroom, she lowered her head and sniffed herself. A few seconds later, he returned back to the bathroom again and showered one more time.

She had lost count of the number of times he had showered as he went in and out of the bathroom.

Nian Xiaomu couldn't help it and yawned. Then, she reminded him.

"Yu Yuehan, it's getting very late. I will switch off the lights if you are not going to sleep soon."

"..."

Yu Yuehan, who was just about to return to the bathroom, paused when he heard her voice and stared in her direction with his dark eyes.

He was a huge hygiene freak and was only immune toward Nian Xiaomu.

Even though he had already taken lots of showers after Xiao Liuliu peed on him, he still felt that there was a lingering odor on his body.

"What's there to be disgusted with since she's your biological daughter? It's just a puddle of pee. Not like she pooped on your body..."

Yu Yuehan's expression changed in an instant, even before Nian Xiaomu had finished her sentence.

It was as if a lump of feces had really appeared on his body.

With a darkened face, he walked to the side of the bed and drew her into his embrace. Gnashing his teeth, he said, "Are you doing it on purpose?"

"I was saying the truth. Look at our Xiao Liuliu, her entire body was stained with her own pee as well. Take a sniff at her, doesn't she still smell great? She smells like a fragrant little kid, so much that I have the urge to plant two kisses on her!"

As Nian Xiaomu spoke, she shifted her body over to the side so that Yu Yuehan could see Xiao Liuliu, who was sleeping beside her.

Xiao Liuliu was sound asleep; she seemed to have dreamed of eating something tasty as she smacked her lips happily.

Her tiny face was indescribably delicate and adorable, looked no different from Yu Yuehan.

Yu Yuehan's eyes softened.

As he approached her, he lowered his head and kissed her tiny face before nodding his head in approval.

"My daughter resembles me and smells nice all over."

"..."

What had happened to his dignity?

Wasn't he the one who had nearly shaved a layer of his skin off just because of a puddle of pee?

"Nian Xiaomu, why is Xiao Liuli sleeping here?" With the formidable love of a father, Yu Yuehan overcame the scarring that he had developed after getting peed on and was quick to focus on another question.

When Nian Xiaomu heard this, a crafty look flashed past her eyes and she let out a shriek as well.

"Yes! Why did Xiao Liuli run into our room? Your reaction earlier on must have scared her, I was afraid that she might be scared in her heart and so I carried her into the room to coax her to sleep. My pitiful precious gem, I hope that she's not going to be scarred by a childhood memory of some sort!"

"..."

He seemed to be the one who was scarred in the heart.

Seeing that Yu Yuehan was about to reach out and lift Xiao Liuli up, Nian Xiaomu was quick to stop him and said, "Xiao Liuli has finally fallen asleep and she will definitely not have a good sleep tonight if you wake her up now. Could you bear to do that to her?"

"NO, I couldn't bear to do it." Yu Yuehan replied.

At the same time, he released his grip and stood still at the side of the bed.

When she saw his reaction, Nian Xiaomu immediately heaved a sigh of relief.

She had already started to be secretly delighted in her heart and was silently praising herself for being quick-witted.

However, Yu Yuehan added a sentence at the very next moment.

"And so, let's sleep in another room so as to not disturb Xiao Liuli's sleep."

"...!"

Yu Yuehan did not change rooms in the end. Instead, the family of three slept together in comfort with Nian Xiaomu and Xiao Liuli in his arms.

After having a good night's rest, they got ready to set off to City N the next morning.

Just as he had finished packing up, he received the assistant's call.

"Young Master Han, I have managed to find the account number that had transferred the money into Guizi's bank account. It is from the Zheng Corporation!"

### **Chapter 893: Triggered with Jealousy**

Yu Yuehan was wearing his coat when he heard what the assistant said. Stopping his actions, he reached out to pull Nian Xiaomu back and spoke in a deep voice, "Where is it from again?"

“The Zheng Corporation! I didn’t believe in at the start either and I told the bank to check it one more time. I am certain that it is from the Zheng Corporation!”

Yu Yuehan’s eyes narrowed and a dangerous ray of light flashed passed through them.

If he had remembered it correctly, Zheng Yan was the one who had told them the address of the Tan family’s ancestral residence.

And now, the bank account, which had been used to bribe Guizi into tailing Tan Bengbeng and hurting Nian Xiaomu, actually belonged to the Zheng Corporation...

Few people were aware of their journey to City N, and Zheng Yan happened to be one of the few who knew about it.

Zheng Yan would be the only one who was aware of their whereabouts unless someone was constantly monitoring the Tan family’s ancestral residence!

“Check on Zheng Yan’s whereabouts right now!” Yu Yuehan spoke suddenly.

“What’s happened? Aren’t we heading to the Tan family’s ancestral residence? Why do you want to look for Zheng Yan?” Nian Xiaomu turned around and stared at him with a confused gaze after he pulled her back.

Yu Yuehan hung up the call and told her the information that the assistant had obtained.

Nian Xiaomu was dumbfounded.

She was speechless for a moment.

If Guizi was related to Zheng Yan in some way, this meant that Zheng Yan was the one who had plotted everything that had happened in City N and lured them over...

“But what is Zheng Yan’s motive for doing this? She doesn’t seem like a bad person.” Nian Xiaomu replied doubtfully.

However, Zheng Yan did not stick to the same pattern for everything that she did.

Even though Nian Xiaomu could feel her dangerous vibe after having some contact with her, she could also feel that she was someone who valued relationships greatly.

The “unscrupulous” reputation that she was known for in the business industry should be misunderstandings that the public had of her.

Yu Yuehan narrowed his eyes and opened his thin lips.

“I knew Zheng Yan before you did. Indeed, she is someone who plays mind games but those are actually just harmless little acts; I don’t think she would do something that would cause serious harm to others. However, for our safety, we should clarify things with her before we decide whether we should continue our journey to City N.”

—

In a bar at the corner of the city.

The LED board outside the bars lit up after the sky darkened.

Deafening music could clearly be heard the moment one approached the road where the bars were.

After the assistant parked the car at the roadside, he turned around and reported, "Zheng Yan has just returned from the Zheng Family. After she got off the plane, she came to the bar right away and did not even head back to the hotel. She has been sitting alone in a daze in the bar for a few hours already, and she is still inside right now."

Yu Yuehan had already gotten out of the car when the assistant finished speaking.

He held onto Nian Xiaomu's hand and strode into the bar.

It was evident that the bar was operating on a very large scale.

The huge LED board was hanging at the most eye-catching spot of the street. At the entrance, a doorman pulled open the glass door whenever customers arrived.

Loud music sounded.

Brilliant colors shone from the dazzling lights.

Yu Yuehan's well-sculpted figure could very clearly be seen as the lights landed on his elegant face.

The moment they walked into the bar, the good looking pair attracted the attention of many others.

As Nian Xiaomu did not patronize bars frequently, she turned her head and studied the place in curiosity the moment she walked inside. At that moment, she spotted a handsome lad who was mixing the drinks at the bar counter, a huge hand covered her eyes.

Yu Yuehan reminded her coldly, "Nian Xiaomu, we are here to look for someone."

"I am searching!" Nian Xiaomu grabbed his hand and explained herself guiltily.

Yu Yuehan raised his eyebrows and said, "Are you thinking of adding the handsome young man to your collection while searching?"

"..."

He was triggered with jealousy when she was merely taking an extra glance at a handsome lad.

Yu Yuehan pulled Nian Xiaomu along with him and they soon found Zheng Yan, who was drinking alone in the corner of a booth seat.

#### **Chapter 894: He Can't Get a Single Dime!**

She was wearing a sexy mini dress. Even though she only had light makeup on, her outstanding facial features seemed to be extremely seductive.

With that alluring figure of hers, she appeared to be exceptionally stunning even if she was simply leaning against the armrest of the sofa...

She was seated in the corner of the bar and many men, sitting a few tables away from her, eyed her covetously. It was as if they wanted to head over and flirt with her, but at the same time, it seemed as though they would only do so after she got drunk...

A row of empty beer bottles was already neatly aligned in front of Zheng Yan.

A natural tint of rosy red color seeped through her tipsy looking face.

It seemed as though she would be drunk if she continued drinking.

When Yu Yuehan and Nian Xiaomu walked to her, she held up her beer glass and sent the contents into her mouth.

She gulped down the glass of beer in one go. Then, she slammed the glass down and cursed, "Asshole!"

"Jerk!"

"You're the useless one!"

She cursed in a rage all of a sudden.

After she had finished cursing, she reached out for the beer bottle again to pour more beer for herself.

When Yu Yuehan's assistant saw this, he shouted, "Vice-President Zheng!"

"Vice-President? No such thing here, there are only pretty girls and fine alcohol here. Do you want a glass?" Zheng Yan replied to the assistant when she heard his voice but continued to keep her head lowered.

When she lifted her head up and saw the three of them standing in a row right before her, she was so stunned that she leaned back.

Her eyes widened in shock.

"Why did you guys come here? And why aren't you speaking, are you guys performing a magic show of some sort?" The moment Zheng Yan finished speaking, she reached out and grabbed Nian Xiaomu. Then, she pulled her to her side and placed an alcoholic drink in front of her.

"You guys came at the right time. I am in a foul mood now, join me for a drink."

As she spoke, she placed another two glasses in front of Yu Yuehan and his assistant.

She filled the three glasses with beer before they could speak.

"Don't say anything, finish the beer first. Otherwise, I will not chat with you guys!" Zheng Yan was indeed a little drunk. She leaned her soft and wobbly body against Nian Xiaomu the moment she sat down beside her.

She even hung her arm around her shoulders and muttered to herself.

"You smell so great, it's no wonder that Young Master Han likes you. It feels so soothing just simply inhaling the fragrance on your body..."

"..."

As Nian Xiaomu took in Zheng Yan's current behavior, she suddenly remembered the time when Yu Yuehan mentioned that she fancies women.

Shuddering all over, she tried to calm herself down and asked, "Why are you drinking in the bar alone?"

Zheng Yan seemed to have recalled a painful spot in her heart when she heard this.

She lifted her head up swiftly.

"What else? My useless brother p\*ssed me off... As his sister, I wouldn't even bother vying with him if he had worked hard..."

"Why did I work so hard? Who was I doing it for? If not for my efforts in keeping the company together, the idiot would have long tarnished the reputation of the Zheng Family!"

"I am his biological sister, and yet he has spread rumors about me to the public. Forget it if he said that I am an unscrupulous person, but he even claimed that I have slept, slept with my clients just to clinch a business deal... Xiao Mumu, tell me. Why did I leave all the family properties to such a jerk?"

"What's wrong with a daughter? A daughter is a member of the Zheng Family as well. I want to let that asshole know that if his sister had not pitied him, he would never be able to get a single dime!"

"..."

Zheng Yan was fuming as she picked up a glass of beer again and gulped it down in one shot.

After taking some time to complain to Nian Xiaomu, she let out a burp.

"Why am I telling you this, you must be so sick of hearing it... Oh yes, why are you guys here?"

### **Chapter 895: Being Cuckoed Openly!**

Nian Xiaomu was caught by her question.

Whatever Zheng Yan said seemed to be her drunken gibberish, but it also seemed to be her heartfelt words.

And so, the reason she did not have a good reputation in the business industry wasn't that she was unscrupulous—it was because she had a useless younger brother.

Nian Xiaomu had already detected something amiss in the beginning, when she heard that Zheng Yan had gotten the negotiation rights for the collaboration with the Yu Corporation because she had signed a military order prior to the meeting.

From the looks of it now, it seemed like Zheng Yan's backstabbing brother was the reason the information had been disclosed in advance.

He had actually disregarded the family's business just to fulfill his selfish desires.

It was no wonder that Zheng Yan was so p\*ssed off...

And now, it seemed that not only was Zheng Yan not a bad person, but she was also a pitiful person.

Just when Nian Xiaomu was pondering on how she could put the question in a more subtle manner, Yu Yuehan opened his mouth and spoke with a chilly voice.

“We have found the man who had tailed Tan Bengbeng and hurt Nian Xiaomu at the airport. Guizi had already admitted that you were the one who had instructed him to complete those tasks.”

What a scheming move!

Nian Xiaomu gave Yu Yuehan a thumbs up silently in her heart when she heard what he had said.

As long as Zheng Yan had got a hint of a guilty conscience, she would panic when she heard his words.

Nian Xiaomu turned around and looked at her.

However, Zheng Yan swiftly stood up from her seat and said, “Instructed him, my foot! If I really did hire a hitman, I would not kill people like Tan Bengbeng nor Nian Xiaomu. The first person I would kill would be the stupid ass jerk in my house to appease myself!”

“...”

“...”

“Where is that Guizi guy? Tell him to accuse me in front of me. I would definitely pluck his nonsensical babbling tongue out!” Zheng Yan seemed to be really drunk as she was far more emotional than usual.

Also, she spoke in an exceptionally domineering tone.

However, it did not seem as if she was kidding.

She hiccuped when she noticed Yu Yuehan’s darkened face. Then, she seemed to have returned back to her state of being rational as she leaned toward him and asked, “Were all the things that you said earlier on true?”

With an expressionless face, Yu Yuehan replied in a chilly tone, “The bank account that had transferred the bribery funds to Guizi was from the Zheng Corporation. You were the only one who was aware that we were heading to City N that day...”

Zheng Yan seemed to have realized the seriousness of the matter even before Yu Yuehan could finish his words.

She straightened her body suddenly.

“Wait a minute... I had told you guys to visit the Tan family’s ancestral residence with kind intentions, so I refuse to be the scapegoat for this matter. As for the bank account, I can provide you with all the bank account numbers that are owned by the Zheng Corporation, if you don’t believe me. If you can match the sum of money to any of the account numbers, we can follow it up by discussing and clarifying everything!”

Zheng Yan was not a fool.

She had come to City H to discuss a collaboration with the Yu Corporation.

If the man who had been paid to tail Tan Bengbeng and hurt Nian Xiaomu really had got nothing to do with the Zheng Family, not only would she fail in clinching the collaboration, she would also get caught up in a feud.

How could she return back to the Zheng Family if that was the case?

Zheng Yan turned sober in an instant. By this time, she could no longer be bothered with her useless brother, as she pulled them by the arm and walked out directly.

Just when they reached the lobby lounge, a young girl, who was decked out in a sexy spaghetti top and hot pants, suddenly blocked their way.

She stared at Yu Yuehan with a burning gaze.

“Can I treat you to a drink, handsome man?”

No one had expected this to happen.

Many people around them whistled and started to heckle along as well.

Before Nian Xiaomu could realize what was happening, Zheng Yan had already reached out and hooked onto her neck.

“This is too much, this is too much! Don’t you see that there are two top-grade beauties standing beside Young Master Han? And you actually have the guts to snatch him away?”

Zheng Yan stamped her feet.

“Nian Xiaomu, why are you frozen there? That woman is inviting your boyfriend to bed her!”

### **Chapter 896: I Will Show You!**

Nian Xiaomu’s neck was being strangled by Zheng Yan. She struggled to turn her head and joked.

“Why are you so agitated? One would have thought that he was your boyfriend.”

Zheng Yan answered. “What do you understand? It is okay if I lose to you, you are pretty and intelligent. Most importantly, you were faster than me. You gave birth to a child for him. However, after so many years of being around Young Master Han, if I lost to a random girl in a bar, I would start to doubt my life.”

She made sense.

“Upon seeing that you praised me so much, I will show you how to deal with little girls like this!” Said Nian Xiaomu.

“No problem!” Zheng Yan answered without hesitation.

The two of them stuck together and started whispering. Yu Yuehan, who was stopped by the girl, stared at the person in front of him.

He placed his hands in his pockets.

Just by standing there, the cold aura was strong enough for people to run.

The young girl standing in front of him shook the wine cup in her hand.

There was fear in her eyes.

However, she was also attracted by his charisma. She flicked her hair, posed in her most alluring position and waited for his reply.

Yu Yuehan was about to ask her to get lost.

Before he could open his mouth, there was a hand on his arm.

He turned to look.

It was Nian Xiaomu.

She said in a honeyed voice. "Hubby, who is this? If you are busy, I will go back first."

The "hubby" was pleasing.

When Nian Xiaomu spoke, she moved forward too.

Her delicate features and gracious aura was showcased in front of the young girl.

Furthermore, she didn't look as though she was angry.

She looked as if she would let Yu Yuehan go generously.

After she spoke, she let go of Yu Yuehan and was about to leave.

The people around them were all taken aback.

They looked at Yu Yuehan with envious and jealousy.

It was as if they were reprimanding him for being a playboy when he already had such a pretty wife at home.

If it was them, they would treasure her.

Yu Yuehan came back to his senses and immediately grabbed her. He frowned and asked, "Where are you going?"

"I thought you wanted to drink? I will wait for you at home." Nian Xiaomu stood up on tiptoe and kissed him on the cheek. There was a flash of slyness in her eyes.

When she was about to back off, she purposely blew at Yu Yuehan's ears.

Yu Yuehan's gaze fell.

Although he had hugged her to sleep last night, Xiao Liulu was there. He couldn't do anything.

After being tempted, he had no mood to drink.

Even if he was going to drink, it would be drinking with her after they got back!

Yu Yuehan quickly said, "Let's go."

"What?" Nian Xiaomu acted as though she was shocked and glanced at the young girl. "But, she has just offered you a drink. You have not drunk yet, that's not so good."

Nian Xiaomu was disgusted by her own honeyed voice.

Normally, she would have dragged Yu Yuehan away in jealousy.

He was her man, she couldn't bear for others to even look at him.

However, when this girl tried to seduce Yu Yuehan, she would look timid to just pull Yu Yuehan away.

She had to get Yu Yuehan to leave with her willingly.

### **Chapter 897: It Is Very Pleasant to Hear!**

Upon hearing that Yu Yuehan was about to leave, the young girl spoke up.

"Why are you in such a rush to leave? There are many fun things to play in this bar, why not let me take you there to try some? I guarantee that you will be satisfied!"

As the young girl spoke, she moved closer and closer towards Yu Yuehan. She was wearing a minimal amount of clothes.

She looked at Nian Xiaomu challengingly.

"Sister, you look a bit underdressed coming to a bar like this!"

"..."

Nian Xiaomu looked down.

She was wearing a white t-shirt with jeans and a white pair of converse.

Her hair was tied into a ponytail. It was a very youthful outfit.

Her outstanding features, made her look like a university student. It was hard to tell that she had a three-year-old daughter.

Compared to the young girl's clothes, her outfit was too conservative.

She was being mocked already.

Nian Xiaomu was not angry. In fact, she said smilingly, "However, my husband likes me and there is nothing I can do about it."

Her casual tone made it extra annoying.

"You..." The young girl was triggered. She turned back to look at Yu Yuehan and tried even harder to seduce him.

Nonetheless, Yu Yuehan's gaze was always on Nian Xiaomu.

His gaze was so deep that no one could read it.

His mind was filled with the “Husband” that she had addressed him as just now.

It was so pleasant to hear!

Yu Yuehan’s gaze flickered. If by now he couldn’t tell that Nian Xiaomu had done it on purpose, he would be a fool.

It was rare for her to be jealous in this way. If he did not cooperate, he was afraid that it may be harder for her to move back to the Yu Family villa.

“Hubby, I am leaving.” Nian Xiaomu got ready to leave when she saw that he did not speak.

However, she did not take her hand away from him. She didn’t even move a step.

A few seconds later, when she saw that Yu Yuehan did not give a reaction. She repeated herself.

“I am really going to leave!”

There was a sense of anxiety in her voice.

It was as if he didn’t stop her, he was about to lose his wife.

“We can go together.” Yu Yuehan replied.

Nian Xiaomu was overjoyed.

She pointed at the young girl purposely. “She is so young and pretty. Furthermore, she is dressed so sexily to seduce you, if you don’t drink with her, it’s not very kind.”

“What? Who are you talking about?” Yu Yuehan asked in confusion.

Then, he turned around and looked. It was like other than Nian Xiaomu, he couldn’t see any other women.

His devotion made the women in the surrounding envious.

They were so envious that they wanted to replace Nian Xiaomu immediately.

They watched him hold Nian Xiaomu’s hand and walk out of the bar.

Zheng Yan was behind them. When they left the bar, she held onto the wall and was laughing non-stop.

“You guys are so dramatic. You guys want me to die from laughing so that you can inherit my assets right? Haha...”

“When I came out, I saw the young girl was so angry that she looked like she wanted to bang her head against the wall...”

“Since you guys are so good at acting, why don’t you join the entertainment industry instead. You guys would excel there!”

“...”

While Zheng Yan was rambling, Nian Xiaomu and Yu Yuehan stopped in their tracks.

They turned back to look at her.

Zheng Yan was shocked and took a step back.

“I am just joking. Don’t look like as if you want to kill me.”

### **Chapter 898: Surprised! An Unexpected Finding**

“Where are the accounts stored in Zheng Corporation?” Nian Xiaomu asked.

Tan Bengbeng had been missing for too long. She was getting really anxious.

At first, they thought that if they got the password to Tan Family’s ancestral home, they would find Tan Bengbeng.

After doing so much, they were back in square one.

If this incident had nothing to do with the Zheng Family, they had to find the mastermind behind this quickly!

“In the City N, the headquarters of Zheng Corporation.” Zheng Yan answered quickly.

She didn’t look as though she was lying.

Upon hearing this, both Nian Xiaomu and Yu Yuehan’s faces looked concerned.

The scenes of what happened in City N were still replaying before their eyes.

If they went to City N again, before figuring out what was happening, they may not be so lucky this time.

“Actually, it is not that you guys have to go City N. As long as you guys can figure out when Guizi received the transaction or ask him to give me the bank number. I can ask the accountant to check the accounts!” Zheng Yan suggested.

That was a viable solution.

They returned to the Yu Family villa.

In the study room, both Zheng Yan and Guizi were there.

After a day of questioning, Guizi was listless. He did not give any reaction when he saw Zheng Yan.

When Zheng Yan saw him, she was agitated.

“Is this the guy that wronged me? If the end results show that it has nothing to do with Zheng Corporation, I will peel his skin off!”

Her fierce tone scared Guizi so much that he hid behind the assistant. He started shouting that it had got nothing to do with him. It was the investigation results from the bank.

Zheng Yan did not bother to rebut him. She took the account number and sent it to an accountant in the Zheng Corporation.

In large companies, every transaction was recorded.

Guizi was able to provide an accurate timing for the transaction. Yu Yuehan checked the account number and soon, the accountant in the Zheng Corporation found the transaction.

“The day that Guizi received the money, there was indeed a sum of money being transferred out of the company...”

The study room fell silent.

Everyone’s faces changed.

Zheng Yan’s phone was on loudspeaker. Upon hearing this, she was about to say that it was impossible. Then, the accountant added.

“The money was transferred from us, but it was not to Guizi. It says here that it was transferred to a company of the Mo Family...”

The Mo Family and the Zheng Family were good friends.

They are not as close now, but the Zheng Family was brought to success by Mo Family. The industries they were in were similar too.

Hence, in recent years, they still had some long term partnerships together.

What the accountant mentioned was the funds for the partnership.

“Are you saying that although the money was transferred out of Zheng Corporation’s account, it was the Mo Family who asked for the transfer?” Zheng Yan narrowed her eyes.

She was startled.

After figuring out the entire issue, Zheng Yan did not dare to speak.

“Why is the Mo Family involved in this?” Nian Xiaomu turned and asked Yu Yuehan.

Although she was not familiar with the Mo Family, she had heard quite a bit about them from Yu Yuehan and Zheng Yan.

They felt like a low-key family.

Why were they involved in this?

Zheng Yan put her phone down and asked seriously, “Did either of you offend someone in the Mo Family?”

**Chapter 899: Messing with Hades!**

Nian Xiaomu had not known Zheng Yan for long. From the few times that they interacted, she could feel that Zheng Yan was a causal and bold person.

But now, when they mentioned the Mo Family, her expression changed.

It was awe.

Then it became apprehension.

There was even fear.

It was as if they had offended the Mo Family, it was like offending Hades.

Nian Xiaomu was taken aback.

Zheng Yan walked in front of her and held her by her shoulders. "Nian Xiaomu, I am not joking. Think about it. Did you come into contact with anyone from the Mo Family? Did you do anything to offend them?"

"... I really don't remember!" Nian Xiaomu pushed Zheng Yan's hand away and replied with a frown.

"Even if I did offend them unknowingly, I can just clear up the misunderstanding."

"The Mo Family is not as simple as you think!" Zheng Yan glanced at her and turned to walk to the window.

The moon was bright outside.

The moon was hanging on top of the branches and all that was left was a crescent.

The moonlight spilled down on Zheng Yan and there was a gentle glow.

She hesitated for a few seconds before turning around.

She crossed her arms nervously.

"The Mo Family is like their surname. They have been around for centuries, what everyone sees now is just the tip of the iceberg. Legend has it that the ancestors of the Mo Family were part of the royal family. They were unwilling to participate in the fight to the throne and hid themselves. That's how they survived so many centuries. In the Mo Family, all the direct descendants in the family are born with a gift. It is an extraordinary ability that was given to them at birth."

Compared to a normal family, the Mo Family has too many secrets hidden from the outside world.

Furthermore, people in the Mo Family have always been very low key.

The understanding that the outside world has of the Mo Family is that they have a huge family business.

Obviously, Zheng Yan knew more.

"The Mo Family is not just an ordinary family. They have influences that you cannot imagine..." Zheng Yan was halfway through her sentence when she stopped to look at Guizi.

The assistant understood and took Guizi out of the study room.

Zheng Yan walked to Yu Yuehan and Nian Xiaomu.

She lowered her voice.

“I overheard this when I was passing my dad’s office. He told my mum that the Zheng Family and the Zheng Corporation are here to guard the Mo Family. As long as the head of the Mo Family gives an order, the entire Zheng Family has to return to them!”

Zheng Yan pressed her lips together and her voice sounded apprehensive.

She always knew that the Mo Family had helped the Zheng Family to attain success.

She never expected that the Zheng Family was part of the Mo Family...

And their job was to protect the Mo Family!

“I don’t know how many families are like the Zheng Family, meant to protect Mo Family. I only know that anyone who offends the Mo Family does not have a good ending. If this really concerns the Mo Family, I advise you guys to not act rashly!”

Zheng Yan spoke her part and left quickly.

In the study room, the atmosphere was depressing.

Zheng Yan’s words were beyond Nian Xiaomu’s understanding.

She sat down on a chair, crossed her legs and started mumbling, “They have gifts that are hidden from the world. The way she describes them makes me scared. The main point is that they seem to want me dead...”

Nian Xiaomu raised her head and blinked.

“Seriously. The way Zheng Yan described the Mo Family makes me want to go there for a visit. I wonder if the people from the Mo Family look the same as us? What kind of “gifts” is she referring to? Does my photographic memory count?”

### **Chapter 900: Shy? Embarrassed?**

Yu Yuehan looked at her.

He did not answer her question.

The scenario of when he first met her flashed past his mind.

Her uniqueness was more than just a photographic memory...

The queen-like aura subconsciously emitted by her was so strong that even he could not ignore it.

Yu Yuehan walked to the chair and placed his hand on her head. He cupped the back of her head and pulled her towards his chest.

A faint fragrance could be smelt from her as he closed his eyes.

A bold guess flashed pass his mind...

“Do you really want to meet the Mo Family?” Yu Yuehan asked.

He felt her nodding her head and she mumbled, “Although I don’t understand how I have offended the Mo Family. But, from the current situation, it seems if we want to find out what happened, we have to approach the Mo Family.”

She paused for a moment and looked up.

Her eyes were gleaming.

It was like a leopard looking at its prey. She asked him, “Aren’t you curious about the Mo Family?”

She was dead curious.

“Yeah.” He answered calmly and staring into the distance, pondering upon something.

She realized that he wasn’t concentrating and tugged the corner of his shirt. “What does yeah mean?”

Yu Yuehan looked at her and said, “I am a bit curious.”

*Because of you .*

Yu Yuehan did not finish the sentence.

That night, when they were sleeping, he didn’t stop.

He tired her out till she fell asleep in his arms, then he hugged her tightly.

The next day, the assistant collected all the information he could on the Mo Family and sent it to the Yu Family villa.

Neither Yu Yuehan and Nian Xiaomu went o to the office. They sat in the study room and in front of them lay all the information.

After a few hours, Nian Xiaomu’s eyes were tired.

She snuggled against Yu Yuehan and grumbled, “There is too much information to read. It will take a year to finish reading all of it. When can we pay the Mo Family a visit? Can’t we just find them directly?”

“It is best to know your enemy well.” Yu Yuehan held the information, patted her on the head and continued reading.

Upon seeing Nian Xiaomu acting so listlessly. He added, “Besides, there is another purpose to reading all of this information.”

“What?” Nian Xiaomu looked up.

“To keep you alive.” It was rare for Yu Yuehan to treat an opponent so seriously. He said, “I take risks. But when it comes to you, I will not take any.”

“...”

That also meant that anything to do with her, he would not take any chances.

She was touched.

Nian Xiaomu looked stunned.

She was listless a moment ago, now, her eyes were gleaming like diamonds.

It was blinking gorgeously.

She stared at Yu Yuehan and the more she looked the more handsome he got.

Then, she started to blush. She covered her face and whined, "Ahhh, why do you say such things out of the blue. I am so shy and embarrassed now!"

"???"

*Shy?*

*Embarrassed?*

*For someone who's aspiration is to have handsome kept men, there would be such a reaction?*

*It must be a joke.*

Yu Yuehan's lips curled as he hugged her tightly. The next second, the assistant came in to report.

"Young Master Han, it has just been confirmed that for the business conference next week, the Mo Family will be attending!"
