

Chapter 40

Elsa: *when she hears the doctor walk out and speak she instantly stands up and walks to him* i-im his girlfriend... *looks at him worried as she's shaking thinking she will lose him* will he be okay?... Is he okay?....

Doctor: *smiles looking at her* Mr. Frost is alright, we successfully took out the bullets they didn't do any damage but he did lose a lot of blood but it's not serious so you can rest assured *smiles*

Elsa: *smiles as she takes a deep breathe in relief and jumps happily* yes! Thank you God! *starts crying*

Anna: *walks in in the same time* elsa... What happened is her okay?!

Elsa: *smiles looking st her crying* yes Anna he's okay! He will be okay! *hugs her tight but doesn't touch her because her hands are bloody then looks at the doctor again* can we see him please?

Doctor: he will be moved in a normal room in about 20 minutes, how about you go home clean up then come back here?

Elsa: no I don't want to leave---

Anna: *interupts her* Elsa you look like a mess... I'll come with you, we will get cleaned then come here as fast as we can besides you need to speak with the o icers about Derek...

Elsa: *sighs then nods* alright... Let's go and hurry up *instantly walks out to the car with Anna following*

they first go at Derek's house and break in taking her clothes back again for 10 minutes then they go to Jack's house and clean up for 30 minutes

Elsa: *runs down stairs* come on Anna!! He was moves like 20 minutes ago!

Anna: *runs down stairs as well* alright alright! Let's go! *laughs running outside to the car with Elsa following her*

at the hospital

Elsa: *runs in and goes to a nurse* what room is Jack I mean Mr. Frost in?!

Nurse: *stumbles back a bit then chuckles* room 27 miss...

Elsa: thanks *smiles and runs through the halls looking for the room then sees it and walks inside *

Jack: *laying on the bed still asleep*

Elsa: *sighs and smiles walking to him sitting next to him* thank you for not leaving me... *leans and kisses his face everywhere* im sorry about everything

Anna: *walks inside as well* dang you're fast *looks at him as she smiles* hey Jack *sits next to him on the other side as she goes to kiss his cheek*

Elsa: *widens her eyes then pulls her back* ohhh nahhhh you don't...

Anna: *widens her eyes then chuckles* right *smiles as she holds his hand* im glad you're alright...

Jack: *hears them both but he still can't wake up*

few hours later

Elsa: *walking around the room* he should've woken up by now... Is something wrong? Is he okay? Do I need to call the doctor?... *starts panicking*

Anna: *sitting on the chair* elsa you need to calm down... He will wake u0 just give him time, he was shot 3 times

Elsa: I know he was... And it's because of me.. if something happens to him I will kill myself you hear me I will do it---

Jack: *interupts her* no you will not *smiles as he looks at her weakly*

Elsa: *widens her eyes and freezes in place then looks at him* jack... JACK!! You're awake! *runs to him sitting again next to him hugging him tight*

Jack: *widens his eyes and gasps* woah... Elsa aghhhh! *wines in pain as he chuckles* slow down you know Im hurt right?

Elsa: omg..! Im so sorry! *moves o him as she tears up and smiles* youre awake youre speaking...

Jack: *smiles* damn right I am *chuckles looking at them both* how are you two..

Anna: don't worry about us... We're better now that we know you're alright..

Jack: I told you im not leaving just yet *chuckles as he reaches out for Elsa*

Elsa: *sits next to him and holds his hand kissing it gently* are you sure you're okay? Does it hurt? Where does it hurt? Are you hungry? Should I call the doctor? *worried*

Jack: princess.... Im alright I really am *smiles squeezing her hand* buuut I might be a bit hungry~

Elsa: *widens her eyes* i knew it! *chuckles then walks out going to the cafeteria opposite the hospital buying some food for him*

when she comes back she sees the bed is empty and there's no one there
