

## Chapter 41

Elsa:\*walks in seeing no one is there\*jack... Jack! \*starts panicking as she walks out and starts looking around the hall and rooms\*jack where are you! \*breathing heavily then sees a nurse and runs to her\*have you seen Jack Frost is he alright?

Nurse:\*widens her eyes stumbling back a bit then she smiles\* calm down Jack Frost went to the rest room there was a girl with him

Elsa:\*sighs in relief knowing that's anna as she smiles\* thanks... \*returns to his room\*

\*10 minutes later jack and anna walk in\*

Anna: careful... \*holding him\*

Jack: I'm okay I can walk\*chuckles and winches a bit then he sees Elsa\* hey princess

Elsa:\*smiles more and runs to him hugging him gently but tightly\* I thought something happened...

Jack:\*sighs as he slowly hugs her back\*nothing will happen to me don't worry \*kisses her head\*but I'm still hungry

Elsa:\*widens her eyes\* right! \*helps him lay down then she takes the plate with pancakes\* can I feed you? \*does the puppy dog eyes \*

Jack: \*staring at her\* princess my hand is fine I can-----\*sighs\*alright alright....

Elsa: yes!! \*chuckles as she starts feeding him\* are they good?

Jack: mhmmm they're the best\*closes his eyes enjoying the taste licking his lip\*mmm~ delicious\*smiles\*

Elsa:\*has her eyes widen as she blushes staring st his lips then looks away thinking dirty stu as she whispers\*more delicious than me? \*widens her eyes more and blushes madly\* i-i-!! ----

Jack:\*interrupts her\* that's a no~ a big no\*chuckles\* you are much more delicious\*winks at her\*much much more princess

Elsa:\*blushes more as she looks away smiling as she nods\*

Anna:\*laughs watching them\* I missed you guys~\*smiles\* you know you two being together it's the cutest thing ~

Elsa: you can quit it now Anna \*rolls her eyes in embarrassment as she's still blushing and feeding him\*

\*a er he eats everything\*

Nurse:\*walks in\*sorry if I'm interrupting anything but it's time for the bandage change Jack\*smiles\*

Jack: already\*chuckles\*alright whatever you say nurse Ruby, let's get this over with \*pulls down the cover revealing his 2 bandages on his abs and 1 bandage on his shoulder\*

Nurse/ Ruby: don't call me "nurse Ruby" just Ruby will be fine \*walks to him sitting down taking out new bandages\*

Anna:\*looks confused of how they know each other and before she says anything Elsa reacts first\*

Elsa:\*sitting next to jack on the other side as she's jealous and curious also\* how do you two know each other?

Jack: when my mother was sick we had a nurse come over and you know just to check on her and that nurse is Ruby \*chuckles\* we were close and then Ruby had to move to another hospital another city and we got cut o but now apparently she's back

Nurse/Ruby: yeah I came back like 3 days ago and I gotta say I'm not surprised that you got shot I mean you were a crazy guy and you still are\*laughs as she slowly takes o the bandages as they're with blood and so is his wound\* tell me if it hurts

Jack: you know it won't but alright\*chuckles leaning his head back\*but be gentle anyways

Nurse/Ruby: you know I'm always gentle~\*chuckles as she's starts cleaning his wounds with some alcohol practically staring at his torso\*

Elsa:\*sits back watching her evey move as she folds her arms in jealousy as she glups clenching her fists\*

Anna:\*notices and chuckles a bit\*lets go get some co ee Elsa\*stands her up then leaves with Elsa\*

\*down stairs at the cafeteria\*

Elsa: what the hell was that about?!

Anna: Elsa you were going to explode I'm sure the whose hospital can sense all that jealousy coming out of you!

Elsa: I am jealous and you made if worse! You pulled me out and le them both alone in there! Did you see how she was touching him!!?

Anna:\*takes their co ee\*calm down! Jack loves you and he wouldn't let her go over board! She's a nurse god dammit!

Elsa:\*sighs and sits down\*im staying calm only because I trust Jack\*takes her co ee and takes a sip\*

\*10 minutes later\*

Elsa:\*rolls her eyes\*i waited enough\*walks up to his room then walks in right when Ruby finishes the last bandage\*jack are you alright?

Jack:\*nods and smiles looking at Elsa\* yep perfectly fine princess

Nurse/Ruby: there you go you're all done\*stands up and smiles as she looks at you\*make sure he falls asleep and if there's any sign of pain you call me alright?

Elsa: you got it \*fake smiles walking to Jack kissing his forehead\*

\*Ruby leaves and Anna walks in\*

Elsa: did she touch you? Are you okay? Does it hurt? Why we're you so close to her? Did you two had a "thing"?

Anna: don't mind her please... \*sighs\* we both know how jealous she gets \*laughs\*

..... **To be continued**.....
