

Chapter 6

the next morning

Elsa:*wakes up getting ready for school then walks down stairs and sees Ariel in the kitchen *Good morning

Ariel:morning dear Mr. Frost is in the living room

Elsa:*nods and walks there seeing him struggle with his tie*

Anna:do you want me to do it sir? ~*smiles looking at him*

Elsa:*looking at them then looks down and sighs as she goes to walk away holding her heart *

Jack:*notices Elsa and smirk*no thanks *turns to you*princess I need your help with my tie~

Elsa:*stops walking away as she blushes hearing him, then walks to him*of course sir.. *starts tieing his tie as she looks at his lips and she bites her *

Jack:*chuckles and when Anna leaves he looks at her *did you do it~

Elsa:*blushes more looking at him as she knows he is asking about touching herself* n-no sir.... *finishes with the tie*i couldn't...

Jack:you'll like it *chuckles*come on I'm driving you both to school*walks out*

Anna and Elsa follow him and get in the car , about 15 minutes later they arrive at the school and again everyone looks at them

Anna:*smiles*thank you sir *goes out of the car *

Elsa:have a nice day sir*smiles and walks out following Anna ignoring everyone staring at them*

Jack:*smiles*you to princess*chuckles and drives o *

Astrid:*runs to them*anna!? You're saying there with Elsa now?!

Anna:yep~*chuckles*its amazing over there *smiles*I mean Jack is amazing

Merida:*giggles*i see you like Jack but you should back o ~

Anna:why ?does he have a wife? *laughs*

Merida:no but he sure as hell has one princess*smirks at Elsa*

Elsa:*blushes and chuckles*stop it guys even I don't know why he's calling me that... *blushing*

Astrid:*laughs*because he likes you dummy! *chuckles*duhhh!!

the bell rings

Elsa:no he doesn't*quickly walks away while blushing and going in class blushing*

few classes pass and it's lunch time as she's sitting down thinking

Elsa's thoughts

A er we did our "thing" last night you know Jack rubbing my butt then.... when I tried touching myself I even though he will do it but no the fucking phone had to interrupt... The next morning I for ready for school and I went down stairs then saw he was struggling with his tie but guess what... yes you guessed right Anna came in... I know she's my sister and I know she likes him but... I want him more I can't believe I'm saying this.... he litterly saves me from eveything he makes me feel safe loved... He makes me belive... anyways I turned to walk away and he called my name well called me princess and asked me to do it... of course I did it and I was blushing like hell so he decided to make me blush more by asking me if I touched myself ... god he is driving me crazy so I just told him no he gave me a smirk then drove us to school

Hans:*walks to her and sits down next to her*what does he have that I don't

Elsa:what?.... *looks at him confused and annoyed*

Hans:what does that idiot...what was his name ahh Jack, what does he have that I don't?

Elsa: Stop fucking bothering me with all your bullshit... *rolls her eyes *get lost I told you I don't like you and I will never ever be with you

Hans:do you want me to kill him? *smirks looking at her*

Elsa:you can't *chuckles*he is too rich and you are toooo stupid if you want to go in jail for nothing*laughs*

Merida:*walks over there and sits down*what do you want dick head

Elsa:he said he will kill Jack if I don't go and don't be with him

Merida:you seriously thought you can even hurt Jack Frost~

Hans:j-jack f-frost he is Jack Frost!? *gulps*shit...

Elsa:what is it ~ scared much*chuckles*

Hans:*stands up*fucking hell I'm staying away from you*runs away*

they all laugh

Astrid:do you want to go out clubbing girls? Tonight at 10

Merida:fine with me

Elsa:I'll ask Jack then I'll call you and tell you *smiles*

Astrid:*smiles*great*they all eat their lunch*

a er all the classes a car arrives and a man walks out opening the door for Elsa and Anna

?? : good evening

Anna:thank you *smiles and goes inside*

Elsa:may I ask you where Mr. Frost is? *gets in a bit sad*

?? : he has work he's in a meeting miss, that's why he asked me to come*gets in and drives o *

Elsa:ohh okay *sighs a bit and looks out of the window thinking*

*at home *

..... **To be continued**.....
