## Chapter 108 The Truth is Revealed

Nian Chaoyu's head hurt when Doctor Wang said the word 'Rose'.

Even if he did not want to admit what happened back then, he had to since someone had brought it out!

"Shut up!" Nian Yue sneered. She still had that indifferent expression and her attitude was slow.

However, the bright fruit knife in her hand warned Wang Meihua of imminent danger.

After interacting with Nian Yue a few times, Wang Meihua knew very well that Nian Yue was someone who would not waste her breath if she could use force.

"Doctor Wang was the chief surgeon from back then." Nian Yue said slowly, "He colluded with Wang Meihua and was deliberately neglectful with my mother when she was giving birth, causing her to bleed profusely and die on the spot. What right does such a woman have to stay in the Nian Family?"

"You're talking nonsense!" Wang Meihua screamed. "You were the one who colluded to hurt me. I didn't do this!"

Nian Yue dug her ears indifferently. With one hand in her pocket, she looked unrestrained.

However, the fruit knife in her hand was thrown straight at Wang Meihua!

The moment Wang Meihua saw her attack, she immediately ran away! "Nian Yue is trying to kill me!"

Because Wang Meihua ran too quickly, she stumbled and fell flat on her face!

The fruit knife was thrown in front of her eyes. As it was too fast, it brushed past her face and left a long trail of blood!

“Officer Lu?” Nian Yue raised her eyebrows. She still had that cynical attitude, but her voice was already mixed with some coldness. The officer coughed dryly. This was the first time he had seen someone torture trash so happily. He was so engrossed that he forgot what he was here for.

Thinking of this, Officer Lu coughed and said to the person behind him, “Take her away!”

“What right do you have to do this! I’m innocent...”

At this moment, Wang Meihua no longer looked like a rich lady. She was dragged away like a dead dog.

When Lin Nan and Wang Zhizhi saw this scene today, they were so shocked that they could not close their mouths.

The others at the scene had already started discussing. They all knew that there were some dirty things going on in these wealthy families, but it was still rare to see someone who hired a murderer to kill a third party to get ahead.

Father Chen and Mother Chen’s faces were already extremely black.

“Let’s go!”

They had thought that since Chen Yiran had slept with Nian Yan, the Chen family would not be not an irresponsible family.

But now, they would never allow their son to marry the daughter of a murderer!

“Auntie!”

Seeing that the Chen Family was about to leave, Nian Yan hurriedly pulled Mother Chen back. Mother Chen looked to be in her thirties. She had taken good care of herself.

“Yan Yan, after what happened in the Nian Family, you can forget about your engagement with Yiran. You’re still young.” Mother Chen did not say it harshly, but it made Nian Yan’s face turn pale instantly.

Mother Chen had always liked her. Even after that incident, on the account that she was carrying the flesh and blood of the Chen family, Mother Chen had never spoken harshly to her.

Would she be unable to marry into the Chen family because of what had happened today?!

Nian Yan’s face was pale. She turned around to look for Chen Yiran, only to realize that the man beside her had already walked towards Nian Yue.

Chen Yiran had not seen Nian Yue for almost two months. He had been busy with the engagement for the past two months.

He realized that Nian Yue had changed completely after she returned from the Li Family’s banquet.

Even though she looked extremely aloof, he actually found her pretty!

Even if this girl had once beaten him up!

“Hey, where are you going?” Lin Nan was guarding against him. When he saw Chen Yiran coming over, he stopped him without thinking

“Move aside!” Chen Yiran’s face was ashen.

“Give way my ass!” Lin Nan spat out the gum in his mouth and moved his wrist. “If you want to reach Sister Yue, you will need to get past

me...”

It happened that he had been training with Nian Yue for a period of time. Now that Chen Yiran had come knocking on his door, it would be a waste if he did not beat him

up!

“Move aside!” Chen Yiran was furious. He reached out to push Lin Nan.

In the end, he was kicked to the ground by Lin Nan.

The two of them started fighting. Nian Yue was used to such situations. Lin Nan had been with her for so long and had been beaten up quite a number of times. She was not worried that he would lose out in a fight with Chen Yiran.

With the Chen family gone, the group of guests naturally had no intention of staying. All of them bade farewell. In the blink of an eye, only a few people were left in the hall.

Nian Yue flipped over and jumped off the stage. Her actions were clean and efficient, and she even looked a little dashing.

When Nian Chaoyu saw her, he was furious. “You unfilial child!”

He hated Nian Yue to death now, but since he could not beat her, he could only use his mouth.

“A life for a life. Wang Meihua should have known that this day would come the moment she hired someone to kill.” Nian Yue had one hand in her pocket and her face was as cold as ever. “On the other hand, do you feel guilty for marrying such a mistress and throwing your own daughter into the countryside for so many

years?”

She didn't believe that Wang Meihua had not done something to Li Shu. And Nian Chaoyu was wrong to have married Wang Meihua despite knowing that it was her doing.

Her tone was indifferent, as if she was talking about something extremely normal. However, her eyes were extremely cold. Nian Chaoyu's face darkened and he almost fainted. All these years, he had thought of Li Shu. However, when he recalled what Li Shu had done back then, he was furious and thought that she deserved to die. Now that Nian Yue was questioning him like this, he felt even worse.

When Nian Yue saw his expression, the corners of her lips curled up into a mocking smile. She casually took her coat, put it on, and left. She did not believe that Nian Chaoyu would regret his actions. She just did not want him to be happy. Lin Nan and Chen Yiran had already fought. To be precise, Lin Nan had beaten Chen Yiran up. After all, he had been tortured by Nian Yue for two months. Lin Nan was no longer a weak fighter. Chen Yiran looked bedraggled after being beaten up.

Nian Yue did not even look at him as she walked past him. "Let's go."

Her tone was cold as if she had forgotten about Chen Yiran.

"Next time, stay away from Sister Yue..." Lin Nan warned coldly. "Stop hankering after her..."

Was his Sister Yue someone who could be desired by such a jerk?!

### **Chapter 109 A Dog That did not Remember the Fight (1)**

Nian Yan had just walked out of the banquet hall when she thought of what Mother Chen had said just now. The hatred in her eyes intensified!

What right did Nian Yue have to hurt her leg and live in such limelight!

At the thought of this, Nian Yan took a deep drag of her cigarette. She was not an obedient girl to begin with. In order to gain Nian Chaoyu's favor, she pretended to be well-mannered. After finishing her cigarette, Nian Yan took a deep breath. When she saw that someone in the dark had given her an OK

sign, a look of determination appeared on Nian Yan's face! At the same time, an aloof girl was walking out. The banquet had just ended and there were not many people at the door. Nian Yue looked a little impatient when she felt a shadow approaching.

It seemed like Nian Yan had not learned her lesson. Even now, she was still plotting to kill her.

At the thought of this, Nian Yue went to the garage to get her car. When the car came out of the underground garage, Nian Yue smiled when she saw Nian Yan, who was dressed like a pure white flower. She suddenly sped up the

car!

An ear-piercing braking sound rang out. Nian Yan suddenly raised her head and saw the aloof girl speeding over in a black Audi!

When she saw the unruly and evil glint in Nian Yue's eyes, Nian Yan's heart jumped to her throat!

"Nian Yue!"

Nian Yan screamed in fear. What was she trying to do?! Did she want to kill her?!

The black Audi whistled over without slowing down at all. Nian Yan was so scared that her face turned pale and her legs went weak. At that moment, she had actually forgotten to escape!

She thought of the last time Nian Yue ruthlessly shot at her leg!

At that time, Nian Yue really wanted her life!

An ear-piercing screech rang out as the black Audi made a beautiful turn and the car stopped.

The car door opened and Nian Yue walked out, looking cold and elegant.

When Nian Yan heard the sound of the brakes, she hurriedly opened her eyes. When she saw Nian Yue, she almost wanted to slap her without thinking. "Nian Yue!"

She almost died under Nian Yue's wheels today!

Suddenly, her wrist was grabbed by someone. Nian Yue's eyes turned slightly cold and she exerted a little force on her hand. "Has anyone told you that you look like an animal..."

"What?" Nian Yan's face changed in pain, but Nian Yue had no intention of letting go. "A dog." She would remember her meals and not her fights.

Nian Yue loosened her grip slightly and Nian Yan took a few steps back out of habit. Her face was filled with ruthlessness. "What are you waiting for? Hurry up and attack!"

In any case, she had already reached this stage. She was not afraid of anything else!

With one hand in her pocket, Nian Yue looked up slightly. Her slender fingers were holding onto her phone as she looked at the few men walking out from the dark. Her eyebrows were raised slightly and there was a hint of evil in her eyes.

"Your people?"

She turned around and asked Nian Yan. "Kill her. I have everything you want..." Nian Yan said angrily.

When those men heard her promises, they all pounced towards Nian Yue!

Everyone was holding knives in their hands. It seemed like their purpose today was to kill her!

The moment everyone sprung over, Nian Yue had already dodged to the side. Then, she swept her leg and beat everyone to the ground! One could smell the strong smell of blood in the air.

Nian Yue slowly walked to the man closest to her and stepped on his arm!

Then, she exerted a little force with her toes and kicked the dagger in the man's hand. She raised her head slightly and the dagger was already in her hand.

Nian Yan was dumbfounded by her series of actions.

How could she have settled so many people by herself?!

Not far away, there was the sound of police sirens. Chief Jiang got out of the car and smelled the strong stench of blood in the air. His face was dark.

He had just received a report that there had been a fight.

How was this an ordinary fight? If he had come a step later, someone would have died here!

"Police!"

Director Jiang came over aggressively with a group of people. He was furious.

"Uncle Jiang..."

When she saw Chief Jiang, Nian Yan hurriedly ran over with a panicked expression. "Uncle Jiang..."

"Why are you here?" Director Jiang's expression softened when he saw her.

**Chapter 110 A Dog That did not Remember the Fight (2)**

He had some ties with Nian Chaoyu and knew his eldest daughter. "She bought murderers." Nian Yue walked over slowly. She was still holding a dagger in her hand. She was wearing a white shirt, and because it was stained with blood, it looked like it had bloomed with red plums. "Nonsense!"

Nian Yan immediately started crying. "I was just chatting with Yue Yue when this group of people rushed over and wanted our lives. I was obedient in school and I don't know who Yue Yue had offended..."

Her words made her seem like an innocent angel and completely absolved herself from this matter.

Nian Yue dug her ears and walked over with one hand in her pocket.

"Miss Nian."

Director Jiang looked at her respectfully.

Nian Yue walked up to Nian Yan and stood in front of her. She was half a head taller than Nian Yan and when she walked up to her, Nian Yan felt a sense of oppression coming from her entire body.

The cold girl opened her thin lips and her eyes were filled with scorn. "Do I still need to dig out the evidence?"

"Is there a problem?" Nian Yue raised her eyebrows and looked at Director Jiang.

"No." Director Jiang smiled bitterly. "Shall I get someone to send you back?"

"It's not necessary."

Nian Yue curled her lips and pointed her index finger at Nian Yan. "Lock her up until she is obedient!"

“Nian Yue, how dare you?!”

When Nian Yan heard this, she was so angry that she almost jumped up. “I am the eldest daughter of the Nian Family! You were clearly the one who made the mistake...”

“Noisy!” Nian Yue sneered and casually threw a black recording pen over. Chief Jiang raised his hand to take it.

He pressed the play button.

“Nian Yue will come out from the east gate today. The few of you should set up an ambush. I’ll get someone to turn off the surveillance cameras.”

It was Nian Yan’s voice.

“Alright! 50% deposit, don’t forget!” It was a young man’s voice.

Director Jiang did not continue listening to the rest of the conversation. However, these few simple words clearly revealed Nian Yan’s crime of hiring someone to kill!

“Impossible! Nian Yue framed me!”

When Nian Yan heard her own voice from the recording and her face turned pale. “I didn’t do this!”

“Bring her away.” Director Jiang rubbed his temples, feeling a headache coming on.

Which wealthy family didn’t have any dirty deeds?

However, this was the first time he had seen someone like Nian Yan.

“Nian Yue...”

Chen Yiran called her. Now that he was finally engaged to Nian Yan, he did not feel any joy at all. He was forced to be made a cuckold.

“What’s the matter?” Nian Yue raised her eyebrows.

Chen Yiran opened his mouth, but he did not know what to say.

“Yiran, Yan Yan was found guilty of bribing someone to kill her. Come with me...” Nian Chaoyu was still on the phone as he rushed out of the banquet hall.

Due to the fact that he had run too fast, his neat suit was filled with creases. He did not look like someone from upper-class society at all.

Chen Yiran did not say anything else and hurriedly followed.

The evidence against Nian Yan and Wang Meihua was conclusive. As long as Nian Yue did not pursue the matter, Nian Yan could be acquitted.

However, Nian Chaoyu could not contact Nian Yue at all.

Nian Chaoyu sat in the empty living room. There was only a bowl and a pair of chopsticks on the table. The boundless loneliness seemed to drown him.

When he and Li Shu had just gotten married, their family of three was so happy.

Li Shu had a gentle and generous personality and would put him at the center of everything. Nian Yu did not talk much, but he was extremely sensible.

When Li Shu was pregnant with Nian Yue, Nian Yu would often look up and ask him if his mother was carrying a sister. However, when Yue Yue was born and Li Shu died from a major hemorrhage on the operating table, he only felt disgust when Nian Yue was carried out by the doctor.

This was not his child...

At that time, he even wanted to strangle Nian Yue.

Nian Yue was thrown into the countryside in the end.

Chen Yiran busied himself for a few days and realized that he could not ignore it. The more time he spent with Nian Yan, the more he realized that his mind was filled with Nian Yue.

Although that face was cold, he had to admit that he was tempted.

He liked Nian Yue...

Chen Yiran could not suppress his thoughts anymore. He drove straight to Nian Yue's estate.

He had specially gotten someone to check on Nian Yue's address. Therefore, it was not hard to locate her home.

When he reached the entrance of the estate, he didn't know what to say. He just wanted to see her.

Chen Yiran raised his hand and knocked on the door.

The door opened with a click. Chen Yiran was a little nervous. "Nian Yue..."

"Who are you?"

Jiang Jincheng opened the door and sized him up with undisguised disdain.

“How did you...”

Chen Yiran’s expression cracked when he did not see the person he had expected.

This was Nian Yue’s address, but why did he see Jiang Jincheng here?! “Are you here to look for that girl Nian Yue?” Jiang Jincheng suddenly thought of something and said, “But aren’t you engaged to that Nian something... Eldest Mistress?”

Chen Yiran’s expression darkened.

Someone had uploaded the news of Nian Yan messing around outside onto the internet. A while ago, the internet was filled with photos of Miss Nian.

It took him a lot of effort to manage the controversy. He had become the joke of the upper-class society. He had yet to get married and his fiancée had already made him a cuckold. “Oh? I forgot that you’re not the only one...” Jiang Jincheng continued to stab at his wound.

Chapter 111 Why Didn’t You Continue? (1)

Chen Yiran’s expression turned uglier when he heard Jiang Jincheng’s mocking words. However, Jiang Jincheng was right. He had no words with which to retort.

The door was opened again and a man in black came out. This was the man who had gone to No.1 Middle School to look for Nian Yue!

Chen Yiran suddenly thought of something and looked at Fu Xiuyuan with hostility. However, when he met the man’s deep and dark eyes, Chen Yiran subconsciously shivered.

If it were other men who were only slightly better than him, Chen Yiran would not feel anything. He would even look down on them. However, this man would attract everyone's attention just by standing there.

This man was outstanding and dazzling... Standing here, he would only feel inferior.

Chen Yiran's face turned pale. He didn't dare to say anything else and left in a hurry.

"This brat seems to be here to look for Nian Yue..." Jiang Jincheng watched the commotion and said, "Other than being small, this child doesn't have good eyesight at all."

"Have you been very free these two days?" Fu Xiuyuan glanced at him. This glance was very cold, so cold that it felt like a knife was scraping across his face.

"I'm not very free..."

Jiang Jincheng touched his nose. "When are you going back?"

"It depends on my mood."

He threw out those words coldly.

– Inside the police station –

This was the third day after Nian Yan was locked in. Her face was pale and the cell was pitch black.

Nian Yan gritted her teeth. She should wait a little bit more. Her father would definitely save her!

A deputy police officer looked at the tightly shut door and asked curiously, "Is that the eldest daughter of the Nian Family? Are you sure she's alright after being locked in for so long?"

Not only was Nian Yan the eldest daughter of the Nian Family, she was also the daughter-in-law of the Chen Family.

The door of the police station was opened again and a man in black walked in. There was an extreme coldness on him, and there was even a hint of gloominess in his eyes.

The two police officers obviously did not know him. They were about to stop him, but when they saw Jiang Jincheng behind him, their expressions changed.

“Where’s Miss Nian?” Jiang Jincheng raised his eyebrows.

“Here... I’ll bring you there...” The lead officer was the first to react and was about to lead the way.

Nian Yan gripped her palms tightly, her nails digging out a long trail of blood on the wall. Her father would definitely save her. After an unknown period of time, the door was pushed open from outside. The man in black had a cold expression and his eyes were as deep as ink.

His aura was so cold that it made one shiver.

“You...”

When Nian Yan saw who it was, she looked a little shocked. “Did Daddy ask you to bail me out? I knew he wouldn’t leave me alone!”

Nian Yan’s face was drowned in pleasant surprise. “I’ve long had enough of this place! It was that bitch Nian Yue who did this to me!”

At the mention of Nian Yue, Nian Yan gritted her teeth in hatred!

If not for Nian Yue, she would not have suffered such injustice for no reason!

“Nian Yue?” Fu Xiuyuan chewed on this word carefully. There seemed to be a hint of warmth between his eyebrows, but it was too fast, and in the blink of an eye, it was replaced by indifference.

“Yes, it’s Nian Yue. A little bitch from the countryside...” Nian Yan was scolding excitedly when she felt a cold gaze sweep over her. She felt a chill run down her spine.

She choked on her words.

“Go ahead. Why aren’t you continuing?” Fu Xiuyuan smiled, but it was a very cold smile.

Especially that pair of eyes. They emitted a cold aura from head to toe, making one shiver uncontrollably.

Even the temperature had dropped noticeably.

## **Chapter 112 Why Didn’t You Continue? (2)**

“Young Master Jiang...” She rushed over in a hurry and there was already a layer of cold sweat on her forehead. When she unintentionally looked up and saw the man in black, she felt her legs go weak and almost knelt down!

“Young... Young Master Fu...”

She practically shouted out this name while trembling!

“What are you waiting for?” His face darkened.

“I think you’re mistaken about something...”

The corners of the man's lips curled up slightly. His calm face actually had a hint of bloodlust.

"What is her crime?"

The man's aura was a little strong as he stuttered, "Hiring a murderer..."

"Then, who did she buy and who is she locked up with now!" The cold man only curled his lips coldly. "What are you waiting for?! Bring over the group of people who were locked in together a few days ago..." He shouted at the other two!

"I don't want to!"

Nian Yan's scalp turned numb as she looked at the group of hooligans who were sent in. When she came back to her senses, she wanted to run, but she was grabbed by someone and stopped inside.

"Let me out! I didn't hire anyone to kill!" Nian Yan's face turned pale.

Although these hooligans could not do anything to her, she would inevitably be beaten up!

She was still pregnant and didn't want anything untoward to happen!

Unfortunately, her words were kept inside. The aloof man did not even frown from the start to the end.

"Tsk, tsk, tsk..."

After Jiang Jincheng saw this series of methods, he clicked his tongue without any reservation. He felt a little sorry for Nian Yan.

It was one thing for her to run into Nian Yue, but now that Fu Xiuyuan had personally made a move, her future days would probably not be easy either!

The next day, when Nian Yue came back from a weight-bearing run, she looked up and saw a cold man. She had just finished her run and was panting a little.

There was still a layer of sweat on her forehead and she was wearing a thin jacket.

When she saw Fu Xiuyuan, she raised her eyebrows slightly and wiped the sweat off her forehead before walking over unhurriedly. "Did you help in regard to Nian Yan?"

"Mm." Fu Xiuyuan nodded. His expression was a little unclear, but his deep black eyes were looking at her without blinking. "Do you have something to ask me?" Nian Yue raised her eyebrows.

The man in front of her had a decisive personality and rarely spoke. This was the first time he had looked at her like this.

"Are you hurt?" Fu Xiuyuan looked up.

"Not really..." Nian Yue shrugged. "They're just a few hooligans."

She did not care.

The next few days passed peacefully. Finally, it was time for the results of the third monthly exam to be announced.

The moment he received the paper, Old Sun almost cried from joy.

Lin Nan ran in from outside, his face full of surprise. "Sister Yue! Have you seen it? You scored 80 points in Chinese this time!"

Nobody could blame him for making a big deal out of it. It was because the previous two exams were too difficult.

“Oh, she hasn’t passed yet.” The aloof girl’s eyes were still a little casual and she looked expressionless.

“The teacher actually gave you 20 points for your essay...” Lin Nan held the paper and almost cried from joy. “You only wrote 200 words...”

Nian Yue was too lazy. She would normally write at most a line for an essay. But she reached 200 words for the first time.

When the teacher who modified the paper saw her name, it was as though his son had just grown up!

“Yes, it’s troublesome.” Nian Yue raised her eyes, looking a little impatient.

She had written her 200-word essay very casually. The examiner had given her 20 points, mostly because she had written well. “Let me see Sister Yue’s essay...” “I want to see it too...”

When the other students saw Lin Nan take the paper, they rushed to look at it.

However, when everyone received the paper and saw the contents, their faces froze. “Sister Yue, did you write the essay you memorized?”

“Yes.” Nian Yue rubbed her temples, her voice still a little lazy.

“What do you know? This is called applying what you learn!” Lin Nan took the test paper. “Sister Yue, next time, memorize more and write more. Maybe the teacher can give you more points...”

“That’s right, Sister Yue. You’ve memorized the entire article. You are ten points from meeting the passing mark...”

### Chapter 113 Why Didn't You Continue? (3)

"No need." Nian Yue shook her head. If it weren't for Old Sun constantly nagging at her ears, she wouldn't even be willing to write these two hundred words.

When class was finally over, Old Sun picked up a stack of books and walked over. He placed them on Nian Yue's seat and said, "Nian Yue, I still have a few full marks essays here. You don't have to memorize them all. Remember to take a look at them when you have the time. I don't have high requirements. In the next final exam, just remember to write a hundred words more..."

The teacher would give her 30 marks for the three hundred words.

Old Sun's only wish now was for a big boss like Nian Yue to pass the Chinese Literature examination.

He did not ask for anything else.

Nian Yue looked at the thick stack of documents that Old Sun had brought over and her brows furrowed deeper and deeper. Then, she placed the book under the table to stabilize it.

After class ended on the second day, Nian Yue was holding a cup of milk tea. The call was from Lu Yong. "Miss Nian, I found what you were looking for..."

"Address." Nian Yue curled her lips and walked out with one hand in her pocket.

The students of Class A were already used to her frequent disappearances in class.

Instead of saying that they were worried about Nian Yue's safety, it would be more accurate to say that the group of people who met Nian Yue had to be worried about their own safety.

When Nian Yue left the school gate, she saw the black jeep parked at the school gate. Lu Yong got out of the car and passed the car keys to her. "I'll go with you. That place is too dangerous..."

Ever since he was sent back to the Imperial Capital by Fu Xiuyuan to be trained again, Lu Yong had been increasingly respectful to Nian

Yue.

“No need.” Nian Yue took the car keys. “I’ll inform you if there’s any danger.”

Before Lu Yong could say anything, Nian Yue had already gotten into the car. She stepped on the accelerator fiercely, and the car made a beautiful turn, leaving only the exhaust of the car on the ground.

Seeing that the car was getting further and further away, Lu Yong wiped the cold sweat off his forehead. Miss Nian’s temper was indeed fiery.

Fortunately, this car belonged to Young Master Fu. Otherwise, no matter how many cars he had, they would not be enough for Nian Yue to drive in such a manner!

Nian Yue narrowed her eyes as she looked at the black building in front of her. She parked the car in the car park and walked forward with her car keys.

In front of them was a splendid building. This was a famous business street in Jiang City. No one would have expected that it was the largest black market in Jiang City. This was Nian Yue’s first time coming to such a place, and the guard was a little unfamiliar with her.

The aloof girl had one hand in her pocket and looked a little fierce. She was wearing a black windbreaker, which accentuated her slender figure.

“Why? Can’t I go in?” Nian Yue raised her eyebrows. She looked cold and valiant. She was wearing a pair of military boots.

The waiter was shocked by her aura. He reacted and made an inviting gesture. “Please come in.”

The underground boxing ring was divided into two levels. The first level was an ordinary boxing match, which was usually where ordinary people competed.

The second level was the place to practice the death match. Compared to the first level, the second level was clearly more popular.

The moment Nian Yue stepped into the second floor, the shouts below shook the sky!

The surrounding crowd shouted until their throats were hoarse. There was an unparalleled fanaticism on their faces!

“Ba Yi! All the best!”

“Ba Yi! Kill him! Kill him!”

“Ba Yi...”

There were two people competing in the boxing ring. Every one of them had a tag on them. Nian Yue crossed her arms and glanced at the man called Ba Yi.

The man looked to be in his thirties. He was muscular and his face was filled with ruthlessness!

Opposite him was a young man in his thirties. The man took his time and waved his fist at him!

“Who do you think will win today? Ba Yi or the Fist King of Xi Ri?!” someone asked.

“Needless to say, it must be Ba Yi! He has already won several rounds!” Someone was indignant.

“Fist King, I bet on Fist King!”

“Ba Yi, I bet on Ba Yi!”

...

The two parties argued non-stop and started the bet.

Nian Yue glanced at the court and casually took a stack of cash and placed her bet on Fist King.
