

The National Goddess Reborn 139-144

Chapter 139 She's the Commander-in-Chief! (4)

When the group of third-year students saw her, they all gathered around her.

"Ahhh! Sister Yue, where have you been for the past two months! You don't know how much I missed you!"

"Go to hell! You just want to copy Sister Yue's winter vacation homework, right..." "Do you dare to say that you don't have such thoughts?"

A group of people rushed over crazily.

Nian Yue raised her eyebrows and took out a stack of neatly arranged papers from the drawer.

However, when they saw that not a single word was written on it, the group of people who were excited just now instantly looked like they had lost their parents.

"Sister Yue, why didn't you do your work?"

Every year, No.1 Middle School's winter vacation homework was very sick. They included questions from the Imperial Capital, but there were no answers online.

Therefore, the first thing they thought of was to quickly find Nian Yue to copy the answers for the test papers...

"Oh..."

Nian Yue leaned against the wall slowly, looking a little tired.

“I forgot...”

The group of people was speechless.

Nian Yue leaned against the wall indifferently. In the end, she casually took out a test paper, took a pen and answered a few multiple choice questions.

Then, she passed it to Lin Nan. “It shouldn’t be wrong.”

When the group of lackeys saw her filling in the papers, they were so excited that they almost cried!

“How could this be wrong? This was the standard answer!”

Nian Yue rubbed her brows and did not take these brats’ compliments to heart.

The results for the end of the semester were out. Nian Yue took a look at the rankings and did not pay much attention. The last class was self-study. Duan Yu knocked on the blackboard. “There’s a parent-teacher meeting on Friday. Try to come as often as you can.”

Nian Yue lay on the table, feeling sleepy. She had heard a little of Duan Yu’s words. Duan Yu returned to the office and flipped through Nian Yue’s parent’s contact list. It was blank.

Duan Yu rubbed her temples when she thought of the reason behind Nian Yue’s fallout with the Nian Family.

Duan Yu rubbed her eyes and seemed to have thought of something. In the end, she called Lin Fan. “Hello, Teacher Lin...”

In the principal’s office, Principal Wang had just finished his meeting. He was holding a stack of papers in his hand, with Nian Yue’s name written on the edge.

“Is there a parents’ meeting on Friday?” Principal Wang looked at the papers for a long time and asked.

“Yes,” the secretary replied.

Principal Wang sighed. “Give me Young Master Jiang’s contact details.”

Nian Yue was still a little sleepy when school was over. She had taken the plane at dawn the day before and came to school as soon as she left the airport. Because school was over, most of the students in the class had already left. Nian Yue opened her eyes in a daze.

There was a hint of coldness on her jade-like face. Her slender and fair fingers rubbed her temples. Nian Yue leaned against the wall, her expression unclear. She scratched her head in frustration. A group of people flashed across her mind, but she didn’t manage to make the last call.

She was used to doing whatever she wanted. Couldn’t she be her own parent?

The parents’ meeting was in full swing. As this batch of students was already in their third year of high school and had less than three months before the college entrance examination, the parent-teacher conference was very important. On Friday, Nian Yue was surprisingly late. As the weather was gradually warming up, Nian Yue changed back into her school uniform. She had one hand in her pocket and looked nonchalant.

The classroom was already filled with people, most of whom were parents.

Nian Yue sat alone in the last row without looking at the other side.

Because of her health, Madam Wang had yet to arrive. Wang Zhizhi sat in the front row and turned around to speak to Nian Yue, “Yue Yue, are you the only one today?”

Chapter 140 Her Guardians (1)

In the past, Nian Chaoyu and Wang Meihua would come to the parent-teacher meeting. However, they had gone over to Class B, to attend the parent-teacher meeting for Nian Yan.

Although Nian Yue had cut off her relationship with the Nian Family, she was still a member of the Nian Family. Would Nian Chaoyu go through the motions?

“Yes.” Nian Yue leaned against the wall and looked nonchalant. She was holding her phone with one hand and typing something. She was using a surveillance camera. From the outside, the screen was pitch black.

When Nian Chaoyu received Old Master Nian’s call, his face was still a little dark.

“Chaoyu, today is the parent-teacher meeting of No.1 Middle School. Have you gone over?” Old Master Nian’s voice was a little stern.

“No.” Nian Chaoyu’s expression was a little dark. “She has already broken away from the Nian Family...”
“You...”

Old Master Nian was so angry that his vision went dark and he almost fainted. “You bastard! How did you live for more than forty years? If you had not been so partial to Wang Meihua and Nian Yan all these years, would Yue Yue have moved out and left the Nian Family?” Nian Chaoyu’s face darkened. “No matter what, I’m still her father...”

“Have you done your duty as a father all these years? You left her in the countryside for so many years without caring about her! What kind of place is that? You have to thank the heavens that Yue Yue wasn’t led astray!”

Old Master Nian was furious. “Hurry up and pack up for Yue Yue’s parent-teacher meeting! If you don’t go today, I will give Yue Yue the inheritance rights in advance!”

“Dad, are you threatening me?!”

Nian Chaoyu was furious. He had taken over the Nian Corporation for more than twenty years and had worked conscientiously for it to reach its current status.

But Old Master Nian wanted to give all his inheritance rights to Nian Yue just like that?

Then what were all his years of conscientiousness for?!

“If you think this is a threat, then so be it!” Old Master Nian sighed heavily and did not want to continue pestering him on this issue.

It was only when he hung up the phone that Old Master Nian sighed heavily.

“Chaoyu, when will you understand my good intentions...”

Did you think that that person’s daughter was something that belonged in the pool?

He only hoped that Nian Yue would mature faster. He would not be able to protect her for long...

The parent-teacher meeting was about to start. When Duan Yu came over, she saw Nian Yue leaning against the wall alone. She seemed to find it noisy and had earphones in her ears.

The parent-teacher meeting had not started when Jiang Jincheng and Fu Xiuyuan came to the school.

The man in the black coat looked a little devilish as he stood there. This man seemed to have his own glow. No matter where he went, he would attract everyone’s attention.

The noisy classroom instantly fell silent when they noticed him.

Fu Xiuyuan glanced at the last row and there was some warmth in his eyes before walking into the classroom.

Nian Yue was still analyzing the data sent by Yin Han. When she saw him, her face was expressionless. "Thank you."

Duan Yu had called Jiang Jincheng, and it was expected that this man would come.

Fu Xiuyuan sat beside Nian Yue. There was a smile on his devilish face, but he hid it well. When some parents saw Fu Xiuyuan enter, their faces were filled with excitement. They stood up to greet Fu Xiuyuan!

The Fu family...

That man from the Fu family... If they got close to him, it would be akin to getting close to the capital...

They were all the parents of Class A's students. Everyone would recognize Fu Xiuyuan! Those parents were already eager to try, but due to Fu Xiuyuan's powerful aura, no one dared to go forward.

The class was silent. Just as everyone thought that the parents' meeting was about to start, the classroom door was pushed open from the outside again!

A man in a white suit pushed open the door and entered!

Jiang Jincheng had his hands in his pockets and a flashy smile on his face. "Nian Yue, you'll be going too far if you don't address me as your brother at the parent-teacher meeting!"

Unlike Fu Xiuyuan, he exuded a gentle aura that made the other girls in the class blush.

Some girls even stole a few glances at him. "I forgot," Nian Yue replied casually.

Chapter 141 Her Guardians (2)

Jiang Jincheng was dumbfounded. "I don't believe you."

Fu Xiuyuan glanced at him. This glance was filled with warning, but Jiang Jincheng pretended not to see it and sat next to Nian Yue. "Sister, you didn't embarrass me during the last finals, did you?"

"No."

Nian Yue glanced at him and kept her phone. She chewed on her gum. "Are you very free these few days in the capital?"

"Not bad..."

Jiang Jincheng's words had a hidden meaning, but even if he had a hundred guts, he wouldn't dare to say that the two of them had come back from the Imperial Capital just because of Nian Yue's parent-teacher meeting.

Nian Yue did not say anything. There was a call on her phone, and it was a long string of numbers. Nian Yue took a glance and casually hung up.

Lin Nan, who was standing at the side, was so shocked that he could not close his mouth.

"Why is Young Master Jiang here?"

He didn't know Fu Xiuyuan's identity, but he knew Jiang Jincheng!

The person that everyone in Jiang City wanted to collaborate with! Why didn't he know that Jiang Jincheng was coming over for Nian Yue's parent-teacher meeting?!

"He was just passing by," Nian Yue replied casually

Lin Nan did not believe her.

If Jiang Jincheng was really that free, why did he turn up for his parent-teacher meeting?!

The bell rang. Duan Yu had already asked the study committee member to issue the answer sheet for the last exam. Jiang Jincheng casually took Nian Yue's answer sheet. "Not bad, sister. You scored full marks..."

"It's normal." Nian Yue glanced at him.

However, he casually took the Chinese Literature examination questions card. When he saw the essay behind him, the corners of his lips twitched. "You must have memorized the essay..." There were less than 300 words written. There was only the beginning and not the end.

e

w

e

Nian Yue dragged her chin as if she found him noisy. "Yes."

"But to be honest, Sister Nian, your handwriting is really good..."

His own cursive script had been the cause of beatings from Old Master Jiang in the past and he had trained at home for more than ten

years.

"Thank you."

She happily accepted Jiang Jincheng's praise. She too had trained her writing for more than ten years.

Nian Chaoyu was at the school gate. His face was so dark that it could squeeze out water.

Nian Yue actually dared to hang up on him?!

If not for Old Master Nian's threats and promises, would he have been willing to come over?!

Hearing the bell, Nian Chaoyu called again. Duan Yu was still summarizing her examinations last year. Nian Yue saw the call on her phone and glanced at it. She still wore her earphones and went out the back door. She felt a little cold and impatient. She walked to the corridor and asked, "What's the matter?"

"You mean I can't even call you if I have nothing on?!" Nian Chaoyu was already furious when he saw that she had finally answered the call.

"You're really forgetful..." Nian Yue sneered.

She was talking about her leaving the Nian Family.

Nian Chaoyu's face turned ashen from her words. "Come and pick me up at the door. I'll hold the parent-teacher meeting for you..."

Back then, when Nian Yan held the parent-teacher meeting, the teachers of Class B had come to pick him up personally. Unlike today, he did not even know Nian Yue's class, let alone the form teacher's contact details!

"No need." Nian Yue raised her eyebrows and hung up. Nian Chaoyu was so angry that his face turned ashen. When he called again, the call could not be connected.

Tas

However, with Old Master Nian's threats, Nian Chaoyu's face darkened and he decided to go to Principal Wang's office.

After blocking Nian Chaoyu on her phone, Nian Yue slowly returned to her class.

Duan Yu was still talking about the importance of the college entrance examination. She did not even look up and simply started a game.

When the parent-teacher meeting finally ended, Nian Yue was going to send Jiang Jincheng and Fu Xiuyuan off but encountered Nian Chaoyu with Principal Wang.

When Nian Chaoyu saw Nian Yue, his expression darkened. However, when he saw the person beside her, his expression froze.

Jiang Jincheng and the man beside him...

"Young Master Fu..."

When Principal Wang saw the two of them, he walked over first with a respectful expression.

"Young Master Jiang..."

"Uncle Wang, do you have time now?" Fu Xiuyuan raised his eyebrows.

"Yes, of course." Principal Wang was flattered.

Standing in front of him was Fu Xiuyuan, someone whom even Jiang Jincheng had to support.

Although he didn't know Fu Xiuyuan's real identity, he was definitely at the top of the Imperial Capital's hierarchy.

Principal Wang brought Fu Xiuyuan back to the office. Jiang Jincheng followed beside Nian Yue. Nian Yue had one hand in her pocket and looked a little casual. "What's the matter?"

Her voice was light and her tone was not considered good.

Chapter 142 Her Guardians (3)

She was already showing the greatest mercy to Nian Chaoyu by not killing a father who wanted her life.

When Nian Chaoyu saw Jiang Jincheng, he thought of the man who almost killed him the other time.

He could not utter a single word of the words he had thought of. "I..."

"Are you here to hold a parent-teacher meeting for Sister Nian?" Jiang Jincheng crossed his arms and said, "I thought you forgot what day it is today?" "No, no." Nian Chaoyu smiled apologetically. "Yue Yue, Daddy has let you down in the past. Do you have time now? I have something to tell

you..."

"Tell me now." Nian Yue raised her eyebrows.

"I..."

Nian Chaoyu was about to flare up, but when he thought of Nian Yue's personality and Jiang Jincheng's presence, he couldn't go overboard. At the thought of this, Nian Chaoyu suppressed his anger and said, "Yue Yue, your grandma misses you. She wants to see when you have the time to go back."

“I understand.”

Nian Yue answered casually, her expression unclear.

Before Nian Chaoyu could say anything, she had already left.

The Host had followed Grandma Nian around the countryside for more than ten years. Grandma Nian was the one who raised her. After Nian Yue came to this world, she had little contact with her.

Principal Wang brought Fu Xiuyuan to the principal’s office and asked respectfully, “Young Master Fu, you are...”

“Change the contact list for Nian Yue’s parents to mine.”

Nian Yue had already broken away from the Nian Family. She was still underage and the school could not find Nian Yue’s parents even if they wanted to. “Are you... her guardian?” Principal Wang thought for a moment and continued asking.

“No.” Fu Xiuyuan raised his eyebrows. “Is there a problem?”

“No.”

Principal Wang hurriedly nodded. In the contact list, he changed Nian Yue’s contact details to Fu Xiuyuan.

However, her relationship with him was indicated as ‘cousin’..

Fu Xiuyuan and Jiang Jincheng seemed to be very busy. After the parent-teacher meeting, they had already returned to the capital. However, Nian Yue could clearly feel that Fu Xiuyuan’s complexion was much better than the previous time.

Her phone rang again. It was Yin Han. "Miss Nian, I've given you the data. When do you have the time to come over?"

He had given Nian Yue the list of the first group of people to use the virtual system. They were all the best in the team.

"Three days." Nian Yue raised her eyebrows. "I'll take half a year. Give me the highest command."

"You...!"

When Yin Han heard her condition, his expression was a little ugly.

Initially, they thought that it was already unprecedented for Nian Yue to ask for the data. They did not expect her to actually want to train them personally!

He knew that Nian Yue's various indicators were not bad, but the team was filled with men. She was a young lady, so others were not convinced at all!

"General Yin, if you have the ability, you wouldn't have come looking for me." Nian Yue sneered. "20% is more than fair."

The last sentence was a blatant insult. When he sent Nian Yue the data, he did not see the exaggeration in her words. He thought that Nian Yue was just putting on an act.

However, now that she had pointed it out clearly, Yin Han felt like he had been slapped in the face!

Nian Yue had already hung up. Yin Han rubbed his temples, feeling a headache coming on.

They urgently needed to establish a special group to complete the special matters instructed by the higher-ups. Not to mention that starting from this year, both Blood Wolf and Mo Yi had already begun their activities.

What he needed now was to quickly establish a special team that could compete with everyone within a short period of time.

Nian Yue was undoubtedly the best choice. However, she was ambivalent and seemed to have a ruthless personality.

Finally, he came to the conclusion that he had to take a gamble no matter what.

Thinking of this, hope appeared in Yin Han's eyes.

He immediately called his staff, "Li Yi, assemble at the base within a day!"

After Li Yi received the call, he immediately saluted. "Yes!"

Nian Yue leaned back in her seat, looking a little bored. Her slender and fair fingers were holding onto her phone, and the computer screen in front of her was emitting a faint blue light.

It was the surveillance footage of the base.

The man in black pressed Wang Yang to the ground and beat him up. The person who had always been called the Fist King in the underground boxing ring could not resist at all. However, the unwillingness to admit defeat in his eyes was still there.

Chapter 143 Her Guardians (4)

"You're not convinced? Then come and fight me again!" Li Yi sneered.

Li Yi's face was filled with dissatisfaction towards a person who had appeared out of nowhere in the special task force.

They were originally a group of people testing the virtual system and were all the best in the team.

Wang Yang was specially transferred over by Yin Han, but who knew that a boxing champion would be sent in halfway.

Li Yi felt that he was just a useless piece of trash!

“Fine!”

Wang Yang was so angry that his face turned ashen. He wanted to get up from the ground, but because he had been hit too hard, he could not get up even after struggling a few times. “Admit it! You’re trash!” Li Yi sneered. The others around him all laughed, their voices full of disdain!

“Damn!”

Wang Yang punched the ground angrily again. His hand was bleeding, but he did not care.

The group of people looked bored and left unhurriedly.

Wang Yang took a long time to get up from the ground. He sat on the ground and looked at his reflection under the moonlight.

He had to trust Nian Yue.

She would definitely come.

The next day, Nian Yue applied for leave from Duan Yu and took a car back to Jiang County.

She did not have the time to go back during the winter break because of filming. Grandma Nian had called her a few times.

Jiang County was a small county city in Jiang City. The Host had been abandoned in the countryside for more than ten years and Grandma Nian had been taking care of her.

Grandma Nian was cooking at home. When she saw Nian Yue coming back, the joy on her face was about to overflow. "Yue Yue, you're back?" "Yes." Nian Yue had one hand in her pocket as she followed Grandma Nian into the kitchen. She casually took the potato peeler from the side.

Grandma Nian was very happy to see her and her face was so happy that she could not stop smiling. "You didn't come back for the new year. You've lost weight, but you've grown taller..."

wn

When Nian Yue left, she was only 1.6 meters tall. In just half a year, she had already reached 1.7 meters. "I'm busier in school," Nian Yue replied casually. She had started peeling the potato in her hand. "Your father..."

Grandma Nian had just started when she seemed to have thought of something and immediately changed the topic, "Let's not talk about him..."

She was not exactly passionate or fond of Nian Chaoyu, but she doted on Nian Yue from the bottom of her heart. Otherwise, she would not have ever cared about her results.

The corners of Nian Yue's lips twitched as she finally finished peeling the potato in her hand. The potato that was originally the size of a palm was eventually peeled to the size of an egg. However, Grandma Nian was grinning from ear to ear. "Our Yue Yue is so good at peeling..." Nian Yue did not bring much for her when she returned. After the two of them finished their meal, Nian Yue accompanied Grandma Nian to shop at the supermarket.

Under the leadership of the new county head, Jiang County had been developing well. There were already several large chains in the city. Nian Yue followed Grandma Nian into the supermarket and bought some daily necessities. Then, she went to the front desk to settle the bill.

The two of them walked to the door and Nian Yue called for a car online. While she was waiting for the car, she suddenly heard a frightened voice not far away. "They've snatched her! They've snatched her!"

A man in his thirties ran past her. He was carrying a child in his arms and a woman in her twenties was chasing after him.

Someone was already calling the police. Nian Yue narrowed her eyes and casually placed the groceries on the ground. "Wait for me."

She walked towards the direction that the person had run off to.

Nian Yue was very fast. Others would only see her walking as usual with a frequency that was no different from ordinary people.

But if you looked carefully, you would notice that she had reached ten meters away in the blink of an eye.

Chapter 144 Competition (1)

The man ran until there was no one else around before panting heavily.

The child was in his arms, crying until his face was red. He was still holding on tightly.

He took his phone and called the other party. "I've done what you asked..."

Before he could finish speaking, he felt a pain on his wrist. The phone had already fallen to the ground with a plop, and the screen had been smashed into pieces! "Who is it?"

The man's face darkened and his body tensed.

The aloof girl had already stood opposite him. She had one hand in her pocket and her face was filled with indifference.

Seeing that it was a young lady, the person heaved a sigh of relief and threatened fiercely, "I advise you not to be a busybody! Otherwise, I will make you suffer..." "Give him to me," Nian Yue said coldly, her eyes showing some impatience. "To you?"

The person sneered. "I'm afraid you're delusional!"

Almost as soon as he finished speaking, a few people had already come out of the van behind him. "Young lady, we've been waiting for you for a long time..." Nian Yue raised her eyebrows slightly, impatience written all over her face. "Looking for me?"

She had just returned to Jiang County when she encountered this matter. She did not believe that it was a coincidence.

"Of course!"

The leader's expression was cold and a vicious glint flashed across his eyes. "Come with us!"

Nian Yue glanced at the child in his arms. Her face was red and her eyes were tightly shut. "Sure. Give me the child first." Nian Yue raised her eyebrows. The person sneered. "You have no right to negotiate with me."

Nian Yue raised her eyebrows and a cold glint flashed across her eyes. Then, she crossed her arms and followed the few of them into the

van.

The leader had been carrying the child and was sitting in the front passenger seat.

Nian Yue sat in the back seat with her back straight.

The car had only driven for a few minutes, but she was already sitting there sleepily. Seeing that she was about to fall asleep with her head lowered, the leader sneered, "Little girl! Looks like I can subdue you after all..."

"Alright, hurry up and bring her over," the man in the front passenger seat said impatiently.

The car drove on the gentle road for about twenty minutes before stopping.

The few of them got out of the car and called the person on the other end of the line a few times. "I've already brought her here..."

"Alright..."

The person nodded and bowed to the phone. After hanging up the call, he stared at Nian Yue lecherously. "What did they say?"

"Let us take turns. Remember to record it later..."

That person took off his clothes and pounced towards Nian Yue.

However, before he could pounce over, he felt a pain in his lower abdomen and he had already been kicked out by her!

The girl who appeared to have fainted earlier had already woken up. Her cold eyes were filled with clarity. With one hand in her pocket, she slowly got out of the car.

"Looks like quite a number of people are courting death." Nian Yue sneered and stretched her muscles.

"Boss, are you alright..."

“Boss...”

When the others saw that person being kicked to the ground, they hurriedly helped him up.

“Kill her! The higher-ups said that we should do whatever we can! The worse the better!” The person’s face turned pale from anger.

Then, he took out the weapon that he had prepared beforehand and rushed towards Nian Yue.

But five minutes later, the group of people were beaten to the ground by her. When the leader saw that the situation was not right, he wanted to run. Nian Yue sneered and casually took the ashtray beside her hand and threw it at him.

The ashtray hit his knee and his legs went weak as he fell to the ground!

Nian Yue was still chewing on a piece of grass and she walked over slowly with one hand in her pocket.

The person only felt a shadow envelop his vision and the camera in his hand had already been taken away.

Nian Yue took it over and sneered in disdain when she saw the photos. “Not bad.”

Then, she deleted all the photos before standing up slowly. “You must have put in a lot of effort, right?”

“You...”

The person was beaten up quite badly by her. Before he could finish speaking, he felt his vision go dark and he fainted.

Nian Yue carried the child back from the car and returned him to the woman. She narrowed her eyes when she saw the grateful look on the woman’s face.

Grandma Nian, who was standing at the side, looked at her and chuckled. “Our Yue Yue is getting more and more amazing. She didn’t lose out this time...”
