

The National Goddess Reborn

Chapter 16: Sky-high Price

Yang Kun was extremely satisfied with her attitude. This young lady looked young, but her composure was extraordinarily calm.

Ordinary people would want to curry favor with him as soon as they knew his identity, but this little girl in front of him was neither servile nor overbearing. She was someone who could keep her cool.

“How much can my jade fetch?” Nian Yue asked.

“How much did Manager Zhang quote you?” Yang Kun asked Manager Zhang with his hands behind his back.

“10 million.”

“10 million?” Yang Kun almost jumped up when he heard this number. Without thinking, he slapped Manager Zhang’s head. “You prodigal! Who asked you to set the price!”

Manager Zhang was stunned by his slap. “Are you saying that the price is too high... but I think this jade is worth that much...”

“Bullshit!”

Yang Kun was so angry that his face and neck turned red. He immediately cursed, “That piece of jade is far from that price! You can’t just set a price just because it’s small!”

Manager Zhang never expected Yang Kun to hit him because of this.

However, in his eyes, 10 million dollars was already his limit. Could there be a higher pricing?

“Then how much do you think this jade is worth?” Manager Zhang looked at Yang Kun expectantly.

“Little girl, how much do you think this jade is worth?” Yang Kun turned around and asked Nian Yue.

Nian Yue did not beat around the bush. "Since you were invited by Manager Zhang, it goes without saying that you will be the one to set the price."

"Little girl, do you trust me that much?" Yang Kun raised his eyebrows and asked her.

This jade was extremely expensive. It was not a small matter if one were to add more digits to the price. But Nian Yue actually gave him the right to set the price?

"Since Mr. Yang is the founder of Gan Kun Hall, he is not foolish enough to cheat a young lady over a little bit of money." Nian Yue smiled.

Yang Kun laughed out loud and said, "Since Miss Nian trusts me so much, I shall make an offer."

"Please."

"50 million." Yang Kun stretched out five fingers.

"50 million?" When Manager Zhang heard this number, he gaped his mouth so widely that it could fit an egg.

Was this jade really worth that much?

"Isn't this quite a lot?" Nian Yue raised her eyebrows. She only knew that this stone was valuable, but she did not expect it to be appraised so highly.

"This is the first time I've met someone who said that I offered too high a price." Yang Kun was amused by her reaction.

"Mr Yang, isn't this price a little too high?" Manager Zhang wiped the cold sweat on his forehead and ran over to ask again with uncertainty.

Since he was able to become the manager, he had some knowledge about jade.

"Listen to me. Take this jade for 50 million!"

He had yet to misjudge anything in his career.

After setting the price, Manager Zhang brought Nian Yue to make up the remaining 40 million.

Yang Kun was very fond of Nian Yue. He repeatedly told her that the next time she came across a stone with such good quality, she could look for him.

He even forcefully gave Nian Yue his contact details.

Nian Yue nodded and exchanged contact information with him via WeChat, which was an app used in this era for exchange and transfers. Although she did not use it often, Nian Yue knew that it would definitely be useful in the future.

Nian Yue left Gan Kun Hall and went to the nearest internet cafe.

After paying, Nian Yue found a spot and turned on her computer. She went straight to the stock exchange center, registered an account and threw all the money in.

The 50 million dollar transaction instantly blew up the forum.

“What the heck, what kind of big boss is this? He just opened his account and he’s already spent so much money!”

“I don’t think this is a big shot. It must be a wastrel. Who dares to spend so much of his own money?!”

“This person must be crazy!”

...

The equity trading center’s forum exploded in an instant. Nian Yue took a few casual glances. As she did not find the information she wanted, she turned off the computer and left.

At the thought that there were still two lessons left in school, Nian Yue carried her school bag and returned to school.

She was not a good student and did not care about the school rules. She only returned to school because she felt bored and could not be bothered to return to the Nian family home.

The next two classes were mathematics. Nian Yue didn’t find it interesting and just laid on the table to sleep.

When she woke up, the classroom was empty.

Nian Yue yawned and rubbed her temples with her slender fingers. Her eyes regained their usual coldness. Then, she stood up and carried her bag home.

The campus was already pitch black, with only a few students walking together. When Nian Yue reached the corner of the stairs, she inadvertently heard sounds coming from inside.

She was about to walk over when she heard something. A cold glint flashed past her eyes and she entered the stairwell.

At this moment, in the stairwell

Lin Nan, who had his hair dyed grey, was beaten black and blue. He lay on the ground, panting. The others had dyed their hair yellow and were dressed sloppily. One look and you could tell they were hoodlums.

Jiang City No. 1 Middle School was an elite school and was located in the most prosperous central area of the city. In addition, the school's security was strict, so outsiders could not enter.

She didn't know what was going on, but it seemed these hooligans had actually swaggered in.

Lin Nan lay on the ground and wiped the blood from the corner of his mouth. The unwillingness to admit defeat in his eyes was still there. "This time, I fell into your hands. I admit defeat! But let me warn you : Don't let me meet you next time! Otherwise, I'll beat you up every time I see you!"

His buddies who usually hung out with him had gone out early this time, causing him to fall behind. He did not expect that these little brats would actually have an opportunity to reach him!

The lead of the group laughed instead. He walked over in two or three steps and stepped on Lin Nan's face. "Pfft! Don't be so shameless! I heard you're the school bully of No.1 Middle School. You didn't expect this day to come, did you?"

These students were all high school students and usually did not get along with Lin Nan. Now that they finally had the chance, it went without saying that they would settle the old and new scores together!

They took the chance when Lin Nan was alone to block him at the staircase.

"Brother Wang, don't waste your breath on him. Hurry up and let us vent our anger!" Someone at the side couldn't hold it in any longer and was getting ready to beat Lin Nan up.

"This place is so narrow. Can you use it?" A young girl's disinterested voice sounded behind them.

The few hooligans shuddered and turned around instinctively. They saw a young girl in a sky-blue school uniform leaning against the corner of the wall. She had one hand in her pocket and the other holding her bag. The collar of her school uniform was slightly open and she looked nonchalant.

They wondered how much she had seen.

“Nian Yue?” Even Lin Nan was shocked when he saw Nian Yue. He quickly signaled her with his eyes to leave.

“Nian Yue?”

The leader seemed to have heard something interesting. They looked at one another and saw the affirmation they wanted.

Chapter 17: Send Him to the infirmary

“That’s right.” Nian Yue leaned against the wall, her slender fingers holding the phone as she spun it around. “This place is so small, you guys can’t use it...”

The leader clearly misunderstood her words. He looked at her face with a greedy expression.

To be fair, Nian Yue was the most beautiful girl he had ever seen.

Furthermore, they had already received orders to look for trouble with Nian Yue. While they had not even gone to look for her, it seemed as though she had come knocking on their door.

“What’s so small about this space? Come here and let me see how small it is...” The blonde’s lewd words lingered on her body.

“Nian Yue...”

Lin Nan stood up from the ground with difficulty. “If you dare to touch her, I will not let you off!”

He thought that Nian Yue was just a young lady and was definitely no match for those hooligans! Although they were not likely to do real physical harm to her, she would definitely be taken advantage of!

“Lin Nan, save yourself first!” The blonde leader laughed arrogantly.

Since school was over, they were not worried that someone would come down the stairs.

Seeing that the hooligans were getting closer and closer to Nian Yue, Lin Nan shouted angrily, “Hurry up and leave! Nian Yue!”

As a boy, it was fine for him to suffer some superficial wounds.

But it was different for Nian Yue!

“It’s too late to leave now!” The blonde walked up to Nian Yue with ill intentions and reached out to grab her collar!

However, before he could touch Nian Yue, he heard a cracking sound. The girl had already quickly reached out and grabbed his wrist. With a forceful tug, she broke it!

Her speed was fast and ruthless. The blonde did not even have time to react before he felt his vision turn dark. His head had already been pressed to the ground by Nian Yue!

The other two boys who came with him were also stunned by the scene before them!

“Boss, are you alright...”

The two hooligans hurriedly went to pull him back but he had already been beaten black and blue, and there was blood all over the ground.

“Boss, you’re bleeding...”

“You’re bleeding...”

...

They were stunned. The blonde felt dizzy and felt his face burn. He reached out to touch it and saw a patch of red on his hand!

“Blood... it’s bleeding...”

The blond leader felt a burning pain on his face. His vision went dark and he almost fainted.

Flustered, the other two men hurriedly pulled him up and dragged him out. Just as they helped the blonde up from the ground, they felt a shadow envelop them. “Again?”

The hooligan who heard it felt a chill down his spine.

“No, no, no!”

Almost without thinking, the two hooligans ran as fast as they could, pulling their leader along. They knew that if they were to come again, their lives would be lost here!

“Give me your hand.” Nian Yue bent down and walked to Lin Nan, directly extending her hand.

Lin Nan did not waste any time. He grabbed her hand to pull himself up from the ground.

“Can you walk?” Nian Yue glanced at him.

Lin Nan’s injuries were not light. When the hooligans attacked him, they specifically targeted places that could not be seen, causing him to feel pain all over his body.

“Sure...”

Before Lin Nan could finish speaking, Nian Yue had already grabbed his wrist and exerted force. Lin Nan’s face turned pale from the pain and he bit his lips tightly.

“Move your arm.” Nian Yue released him.

Lin Nan moved the arm that Nian Yue had grabbed earlier. “You fixed it?”

His arm had already been dislocated while he was arguing with those people and Nian Yue seemed to have maneuvered it into position.

“Yes.” Nian Yue nodded and sized him up with her cold eyes. “Just in case, it’s better for you to go to the infirmary.”

Those hooligans had not been easy to deal with. Lin Nan looked fine on the outside, but he could have sustained internal injuries.

“Okay.” Lin Nan stood up. “Thank you for what you did just now...”

He had thought that the transfer student was just another pretty face.

However, her actions just now clearly told him that things were not as simple as he had thought.

Lin Nan wanted to stand up to go to the infirmary himself, but after taking two steps, he realized that his feet hurt immensely, and his whole body felt like it was falling apart.

His phone had already been smashed during the argument earlier on. He couldn’t even call those brothers over even if he wanted to.

“Let’s go.” Nian Yue suddenly walked over and grabbed his arm.

“Thank you.”

Lin Nan grimaced in pain and tried his best not to exert his weight on Nian Yue.

This little girl looked like she weighed at most eighty to ninety pounds and could not withstand his physique.

“Lin Nan, this is the eighth time you’ve been here this month, right?” The doctor in the infirmary looked like a young man in his twenties. He wore a pair of gold-rimmed glasses.

Lin Nan turned his face away, not responding to his teasing.

The doctor only smiled. When he saw Nian Yue, surprise flashed across his face. “Is this young lady a student from another school?”

He had been in No.1 Middle School for more than a year. There was no reason for him to have seen such a beautiful girl. and yet have no impression of her at all.

“No, she just transferred here,” Lin Nan replied.

Turning around to look at Nian Yue, he saw that she had already taken off her school uniform. With one hand in her pocket, her uniform hung loosely on her shoulders.

“I’ll get going first.” Nian Yue nodded at Lin Nan and turned to leave.

After leaving the infirmary, Nian Yue narrowed her eyes and stretched her body.

Normally, she would be able to lift Lin Nan with one hand.

But today, she had only supported him for a few minutes before she started panting.

Compared to her past self, this body was far more inferior.

It looked like she needed to come up with a new fitness plan to improve her physical fitness.

*

After the last game, Wang Zhizhi packed her bag and left the classroom.

Several students who were playing games with her were waiting for her at the bottom of the school building. When they saw her coming out, they surrounded her.

“Zhizhi, you were really amazing today! I take my hat off to you!”

“Did you know? You were promoted to second place in the entire server today!”

These few people often teamed up with Wang Zhizhi to play games. Although Wang Zhizhi was the leader, their standards were always just above average.

They never knew that she had actually progressed to the point of clearing all the levels!

“Of course.”

“Yes! I think you can lead us in this year’s competition!” The group of people were filled with lofty sentiments.

Wang Zhizhi was proud to receive compliments but clarified, “I was not the one doing the operation today.”

“What?”

The group of people who were excited just now were confused when they heard this.

“Who was that then?”

“Nian Yue,” Wang Zhizhi answered.

“Nian Yue?” Someone was puzzled. “Did you mispronounce the name? It should be Nian Yan, the eldest daughter of the Nian family. I didn’t expect her to be so good at gaming!”

Someone asked.

Upon hearing his words, everyone nodded in agreement.

“Yes, it should be Nian Yan, right? The eldest daughter of the Nian family, the school belle of our school! I didn’t expect her to be so down-to-earth despite looking otherworldly...”

...

Nian Yan was the eldest daughter of the Nian Family. At the same time, she was also an influential figure in Jiang City No.1 Middle School. Apart from being the campus belle, she was also a top student who was guaranteed a place at the Imperial University. It was said that she was going to perform on the piano in school next week.

If Nian Yan was the one who took five minutes to clear the stage, it would make sense!

They knew it. Who else would have the ability to do so?

“It wasn’t Nian Yan...”

Wang Zhizhi shook her head, pride flashing in her eyes. “It was Nian Yue.”

“Nian Yue?”

A look of doubt flashed across someone’s eyes. “Are you talking about the Second Mistress that the Nian Family just brought back? I heard that she’s a good-for-nothing idiot who stalks the school prince every day?!”

“Was it really her? Oh my god, she’s so stupid! How can she do it?”

“That’s right, Wang Zhizhi. Don’t tell me you’re speaking up for her after receiving benefits from her!”

...

When the group of students mentioned Nian Yue, their eyes were filled with disdain.

Everyone knew that the second daughter of the Nian family was always following Chen Yiran around. She was like a sticky candy that could not be shaken off.

“How is that possible?” Wang Zhizhi shook her head. “I don’t even know Nian Yan...”

Even though Wang Zhizhi was so certain, the group still did not believe her.

“Zhizhi, since you said it’s Nian Yue, then let her lead us in another fight when she has the time...”

“Exactly. Why don’t you set a time for her?”

...

“I’ll try my best!” Wang Zhizhi nodded. Other people might not know about Nian Yue, but she had clearly seen Nian Yue holding her phone and looking down to operate it.

Such speed and technique could not have been achieved without a few years of experience in eSports. However, when she thought about Nian Yue’s cold personality and the fact that a deal was the reason behind why she helped the last time, she was uncertain if Nian Yue would help.

She was worried.

*

By the time Nian Yue reached home, it was already dark. After having some dinner, Nian Yue carried her school bag upstairs. Halfway up the stairs, she casually asked Nanny Liu, “Nanny Liu, is there a gym on the third floor?”

“Yes, Miss, do you want to work out?” Mother Liu was packing her things when she thought of how Nian Yue looked so skinny and small. It was as if a gust of wind could blow her away. It would do her well to work out.

“Yes.” Nian Yue nodded.

“There is a lot of fitness equipment on the third floor, but they were all bought by Young Master from overseas...”

Nanny Liu was a little hesitant. Although Nian Yu had been away for the past few years, no one dared to touch anything on the third floor.

“Alright, I understand.” Nian Yue nodded and went upstairs.

After throwing her bag onto the study table, Nian Yue opened the wardrobe. It was filled with pink princess dresses, making her frown.

Finally, she found a piece of white sportswear at the end of the closet and put it on. Grandma had bought this for her when she was living in the countryside.

The gym was at the end of the corridor. Nian Yue pushed open the door. It was very clean. From the treadmill to the barbell, the fitness equipment was very complete.

The gym equipment had English labels and instructions. Nian Yue frowned. In the post-apocalyptic world, language had been unified. While English was not popular anymore, she had fortunately encountered the language in ancient books.

After training her strength, Nian Yue ran for ten minutes and did some simple stretching exercises. This body was too weak. When she was teaching those hooligans a lesson today, she already felt weak. It looked like she needed to come up with a detailed exercise plan.

Regardless of the era, the strong were respected. Before she reached the height she wanted, the only thing she could do was to improve her physical fitness. Only when her body became stronger could she become undefeatable.

For the next few days, besides going to the gym, Nian Yue would usually go to class.

Although a lot of knowledge in this era was easy to understand, No.1 Middle School was still a famous school in Jiang City. Listening to the lectures wouldn't make her too bored.

Finally, it was Friday and the students had to take the monthly exam.

After the first lesson ended, the students of Grade 12 Class 1 entered the examination hall. As the monthly examination was usually divided according to the ranking of the

examination, she was assigned to the last examination hall since she had not taken any exams at this school.

The students in the last examination hall were usually at the bottom of the cohort. There were only a few of them when it was time for the examination.

Nian Yue took a few glances at the Chinese Literature examination questions for the first round. She casually wrote down her name and laid on the table to sleep.

Yesterday, her supernatural power returned quite a bit. She meditated until midnight before sleeping.

Initially, the invigilator did not have much hope for the examinees in this class. He only cast a few more glances at Nian Yue.

She had heard that Nian Yue was the second daughter of the Nian Family. She had joined No. 1 Middle School after school started. She was indeed an ignorant and incompetent second-generation heir who could not be compared to her sister, Nian Yan.

Nian Yue only opened her eyes when the bell rang. She leaned against the chair indifferently and glanced at the paper. Then, she picked up her pen and filled in a few multiple choice questions.

The invigilator had already arrived in front of her and saw that her paper was blank except for her name.

A look of disdain flashed across the invigilator's eyes as he accepted her paper.

Nian Yue yawned indifferently. The students behind her had also just woken up. When they saw that Nian Yue's test paper was blank, they gave her a thumbs up and said, "Student, when did you transfer here? You're awesome!"

Everyone knew how strict No.1 Middle School was. Even the hedonistic offspring of rich parents were not bold enough to hand in blank papers! However, the girl in front of them could not care less from the start to the end. She was even a little arrogant.

The second round was Mathematics. Nian Yue narrowed her eyes when she saw the papers being handed out. Her slender and fair fingers spun the pen as she looked at the papers carefully from the beginning to the end. Only then did she lower her head to write her answers.

The students behind her thought that she had thought things through and decided to be sensible. However, half an hour later, when they saw that she had filled up the papers, they were about to ask her for an answer when they saw that Nian Yue had already stood up.

“Teacher, can I hand in the papers in advance?”

The invigilator took her paper and flipped through it for three minutes before nodding.

“Sure.”

She had been staring at Nian Yue just now. She had thought that the student who had handed in the blank paper for the last Chinese Literature exam was just messing around. However, she had done her paper seriously for half an hour.

Most importantly, she had taken a look at Nian Yue’s answers earlier. Nian Yue had solved them easily!

Nian Yue could not be bothered to look at the invigilator’s expression. With one hand in her pocket, she walked to the door and carried her bag down the stairs.

It had been a week since she’d thrown the money into the stock market. It was time to take it back.

There was an internet cafe near No.1 Middle School. Nian Yue paid and found a seat by the window.

She entered her password to her account. The money she had invested back then had already increased by several times!

50 million had become 500 million!

Chapter 19: What is so Great About Hitting a Woman?

The stock market forum was already in an uproar. There were countless posts discussing the person behind this mysterious account.

“This guy is too awesome! From 50 million to 500 million in a week!”

“That’s right, even the number was newly registered! Could it be that some big boss had come to practise using an alternate account?”

...

“Now that you mention it, I remember now. Two years ago, there was also a mysterious person who invested tens of thousands of dollars and earned a few hundred million dollars. In the end, he disappeared! Could this person be him?”

“Yes, yes, yes. Now that you mention it, I remember too. Could it be that the investment genius from back then had returned?”

There were all kinds of guesses. Nian Yue lost interest after two minutes.

She slowly transferred the money into her bank account and invested a few million dollars on a stock. She then turned off her computer and returned to school to continue her exam.

The English and Science papers were held in the afternoon. Nian Yue did not return to the Nian family home after the examination. Instead, she went to the mall.

The bubble sleeve princess dresses in the wardrobe were really off-putting to her, especially since most of them were worn by Nian Yan.

She was obsessed with cleanliness and wearing the school uniform for a week was her limit.

She entered a sports clothing store. When the two shop assistants saw Nian Yue enter, they did not even give her a glance since she was in her school uniform.

Only a shop assistant who looked to be in her twenties walked forward and introduced herself to Nian Yue. “Hello, how can I help you?”

“I don’t need assistance; I’ll just take a look around.”

Nian Yue’s voice was cold. The shop assistant was stunned by her aura and could not react.

By the time she came back to her senses, Nian Yue had already picked out the clothes to pay the bill.

The cashier helped her wrap her clothes. “Hello, there’s a total of 1200 dollars. Do you want to use your card or WeChat?”

“I’ll use my card.”

Nian Yue took out her bank card and swiped it on the POS machine.

From the time she entered the store to the time she swiped her card, the entire process took less than five minutes.

Her series of actions stunned the staff. To think a girl could be so swift in shopping for clothes.

Nian Yue, of course, did not know what they were thinking. She was used to being independent for many years. Furthermore, with her status as the female commander, she only paid attention to speed and efficiency. The process was not important.

However, Nian Yue only remembered that she had left her phone at the shop halfway through.

As a supernatural being, she didn't have the habit of carrying her phone with her.

Nian Yue spent another five minutes walking back. When she returned to the shop, the female shop assistant who had approached her earlier had already walked up to her.

"Hello, did you come back for your phone?"

"Yes." Nian Yue nodded.

"Please wait a moment, I put it in the drawer for you just now." The shop assistant smiled and explained to Nian Yue, "Please wait for a few minutes, I will go and get it for you."

When customers left their things in the store, most employees would put them upstairs and wait for the customers to come and collect them.

"Alright, thank you." Nian Yue nodded.

In less than three minutes, the shop assistant had already come down with her phone. Just as Nian Yue was about to walk over, she saw someone rushing over and grabbing the phone from the female shop assistant's hand, before throwing it onto the ground!

"You little b*tch! You always think that I don't earn enough money, but now you've found yourself a rich man, right?! You've even gotten such a good phone!"

The saleswoman's eyes darkened from the slap. Before she could react, the man had already kicked her calf!

The female shop assistant lost her balance and fell to the ground!

The man rode on top of her and slapped her.

He was still spewing vulgarities. "I knew you dumped me to find a rich man. I don't believe I can't kill a little whore like you..."

When the other customers in the restaurant heard the argument, they all gathered around. None of them were willing to help.

"Why is Zhao Limei's boyfriend here again? This is the third time this month..."

“Who knows? The manager already said the previous time that if he makes trouble again, he will fire her too...”

“She has such a tough life. It wasn’t easy for her to support her siblings through college. She thought that she was going to get married, but her boyfriend became addicted to gambling and owed a lot of money...”

“In my opinion, our manager has been kind. If it were anyone else, she would have been asked to leave a long time ago...”

...

The employees were discussing fervently, but none of them were willing to help.

Zhao Limei was beaten black and blue by the man, who was on top of her and she could not retaliate at all.

“Wang Wei! If you have a bone to pick, we can settle it outside. Don’t make a scene here!”

Zhao Limei did not forget that it was working hours.

“Do you feel embarrassed now? Why didn’t you think that this day would come when you dumped me?!” Wang Wei cursed, but he was getting more and more ruthless.

“It’s you who is ignorant and incompetent...” Zhao Limei’s eyes were red.

Wang Wei was getting more and more ruthless with each attack. Every time, he would slap her in the face...

It was all because of this woman!

If she had not wanted to break up with him, he would not have taken out a loan to do business and lost everything!

Everything was this woman’s fault! If it were not for her, he wouldn’t have ended up like this!

No matter where he went, he would be mocked by others. He even had to run from debt collectors!

Wang Wei was furious. He grabbed the phone that was thrown and was about to slap Zhao Limei again!

However, just as he raised his hand, his wrist was suddenly grabbed by someone!

“Who dares to ruin my...”

Wang Wei cursed angrily. When he turned his head and saw those dispassionate eyes, he couldn't help but shiver!

So frigid!

The girl was slender and her fingers were white. She did not seem to have used much strength, but Wang Wei could not move!

Wang Wei struggled for a while before realizing that he could not break free. When he saw that Nian Yue was a young lady, he became bold again. “Who are you? Don't be a busybody. If you provoke me, I will beat you up too!”

With this appearance, it was obvious that he was a fiend. If it had been a frail young lady by the side, she would have been frightened to tears!

However, the girl in front of him only tightened her grip. Nian Yue sneered, “What's so great about hitting a woman?”

Wang Wei was angered by her retort and wanted to pounce on Nian Yue. “Don't be a busybody... Ah!”

Before he could pounce, he felt a sudden force pulling him up from behind and slamming him onto the ground!

The fall was not light. Wang Wei felt his back hurting and he could not get up!

“This cell phone costs 20,000 dollars...”

Nian Yue shook the phone that was smashed by him. “How are you paying for it?”

Her tone was indifferent, but the coldness in her eyes made one shudder.

Chapter 20: She has the Black Card

Wang Wei did not expect her to ask for money. He refused to bend. “Who are you trying to blackmail?! How can a stupid phone cost 20,000 dollars?”

“That girl's phone must be the latest model of PG...”

"I think so. She's wearing No. 1 Middle School's uniform. I heard that the students there are either rich or noble..."

"Her backpack seems to be LY's latest model. One costs more than 60,000 dollars..."

...

The crowd was chattering non-stop. Wang Wei accidentally saw the symbol on Nian Yue's shoes. They had to cost thousands of dollars.

Although the three people from the Nian Family were unkind to the Host, they had done a lot of things on the surface.

The bag Nian Yue was carrying was indeed LY's new style. However, Nian Yan had forced it onto the Host.

"We'll know when the police arrive whether it's worth 20,000 dollars or not." Nian Yue's lips twitched and the coldness in her eyes remained.

No matter how stupid Wang Wei was, he knew that Nian Yue was not joking.

He was already in debt, and it would be even harder for him to escape when the police arrived.

Wang Wei crawled up from the ground and ran away.

Before he left, he threatened harshly, "Just you wait!"

The crowd that had been watching dispersed reluctantly.

Nian Yue walked over and helped Zhao Limei up.

Zhao Limei endured the pain and stood up from the ground. She looked apologetic. "I'm sorry. You lost 20,000 dollars because of me. Give me your contact details and bank account number..."

Even though Nian Yue would not miss the 20,000 dollars, Zhao Limei knew very well that money did not come from nowhere.

Nian Yue's cell phone was broken because of her, so she naturally had to bear the responsibility of paying for it.

Nian Yue took the label from her bag and wrote down her contact details. "You can return it when you have money!"

She did not tell Zhao Limei not to return it, nor did she ask her to return it immediately.

“Thank you for just now...” Zhao Limei took the paper and kept it carefully.

“You’re welcome,” Nian Yue said as she glanced at her with her cold eyes. “You’d better go to the hospital to check on your injury.”

Wang Wei was a big man and he did not hold back just now.

On leaving the mall, Nian Yue realized that it was already dark outside.

There were many people at this hour and it was not easy to hail a taxi.

Nian Yue took out her cell phone and played a game. Her ride hadn’t arrived yet.

The girl frowned and her eyes were filled with impatience.

At that moment, a black Maybach stopped in front of her. Nian Yue did not even raise her head.

She started another round of the game. Her actions were so fast that the opponent did not even have time to react before he was killed.

Lin Nan got out of the car and walked up to her. “Nian Yue, are you going back? Shall I send you back?”

For some reason, ever since Nian Yue helped him teach those hooligans a lesson last time, he would regard her with respect whenever he saw Nian Yue.

“Thank you.” Nian Yue turned off her phone. She had already cleared the game. She smiled and did not stand on ceremony with him.

It was not easy to wait for a car in this place. Since Lin Nan was here, she was happy to take up the offer.

As the car drove along the gentle road, Lin Nan glanced at the young girl through the rearview mirror. Nian Yue had been expressionless from the start to the end. At this moment, her eyes were slightly narrowed, and no one knew what she was thinking.

The car drove on the smooth road for twenty minutes before Lin Nan arrived at the entrance of a club. “I need to get something. I might need to trouble you to wait for me for five minutes.”

“Yeah.”

Nian Yue nodded and opened the door at the passenger seat to get some fresh air.

She waited for five minutes but did not see Lin Nan coming out. Nian Yue frowned slightly and waited for a while more. After twenty minutes, Lin Nan was still nowhere to be seen.

It took him so long to get something?

Her long years in the army had imbued in her a strict sense of time. Nian Yue decided to stop waiting and entered the club.

The security guard at the entrance saw that she was a young lady wearing a school uniform and stopped her.

“Hello, Miss. Please show me your membership card.”

This was a famous club in Jiang City. People who could come here were either rich or noble.

A membership card was almost a lifetime’s worth of expenses for ordinary people.

Nian Yue’s brows furrowed imperceptibly. In the end, she took out her phone and slowly swiped it a few times before passing it to the security officer.

When the security guard saw what was on the screen, he immediately became extremely respectful. He held the phone with both hands and passed it to Nian Yue respectfully. “This way please.”

The security guard wiped the sweat off his forehead when he saw the girl disappear from his sight.

“That girl just now looks unfamiliar. Why are you so respectful to her?” The other security guards were confused.

“She’s holding a black card...”

“You mean... the club only has three black cards...” Another security guard gulped with difficulty.

Ever since the club was established, it had only issued three black cards. However, the owners of these three black cards were mysterious and unpredictable. No one knew who their owners were.

The security guards themselves had only seen pictures of the black card during training. They had never seen the real black card. They did not expect to see it from a young lady today.

Nian Yue slowly went up to the second floor. She had come upon the black card while searching for the name of the club when she was bored in the car. She had replicated it from the official website.

When Nian Yue reached the second floor, she realized that Lin Nan was confronting a group of people.

The group of people confronting him were schoolmates from Class B. The leader, Chen Yiran, was wearing a white shirt and black pants.

The group of rich kids behind him also saw Nian Yue. Someone spoke first, "Isn't this our Miss Nian? You chased Chen Yiran all the way here?"

"You're really a shameless person..." Chen Yiran sneered. He thought that Nian Yue had purposely ran into him today.

After all, Nian Yue used to follow Chen Yiran around.

"Who are you talking about?" Lin Nan sneered. "You're the one who should be saying that..."

He had always been at loggerheads with Chen Yiran. Now that he saw that Chen Yiran had nothing good to say, he was even angrier.

Moreover, he had only come to get some information, but Chen Yiran had stopped him. He was not pleased.

"Since when did the famous school tyrant of No.1 Middle School become a useless follower?"

Someone looked at the two of them with a malicious gaze, "In my opinion, he has become the henchman of Second Miss Nian..."

Nian Yue did not have much ability and had been obsessed with Chen Yiran. However, everyone had to admit that she was many times prettier than Nian Yan.

"Watch your mouth!" Lin Nan's face turned pale with anger. He grabbed the collar of the person who spoke and was about to hit him.

"A defeated loser is still refusing to admit defeat?!" One of them shouted rather arrogantly.

"That's right. You guys are so lousy at basketball. I think you need to give up your title as the school tyrant..."

"That's right. Hurry up and give way. Don't embarrass yourself here anymore..."

“Hahaha...”

The mocking laughter of the crowd rushed into Lin Nan’s ears.
