

# The National Goddess Reborn 176-181

## Chapter 176 Kneel Down and Apologize

The aloof girl had already arrived in front of her. She half-squatted down and her slender and fair fingers were already pinching her chin.

“You...” Xu Mo’s chin hurt so much that she could barely speak.

Her eyes were filled with fear as she looked at Nian Yue!

What was she trying to do?!

“I’m from the Xu family... The Xu family won’t let you off!”

The Xu family...

The Xu family did whatever they wanted in the Imperial Capital.

It was not only because of their wealth but also because the Xu family in the capital was an existence that many people would shrink back from!

“Then we’ll talk about it when they get here.”

The black muzzle was already pointed at her temple!

She really wanted to kill her!

Then why did she save her just now?!

“Nian Yue!”

Yang Kai took out his gun and pressed it against Nian Yue’s forehead. “Don’t force me to attack!”

This student was arrogant!

He could already feel the threat!

Swish! Swish! Swish!

Almost everyone pointed their guns at Yang Kai!

Without any hesitation!

“Do you know what you’re doing?” Yang Kai’s face was ashen. He expected better from Li Yi and asked him!

He was from the military!

Obedience was demanded of all military men!

And now, he was pointing a gun at his superior!

His career was over!

He might even be court-martialed!

“I know,” Li Yi sneered. “But I still have to do it!”

He would get rid of anyone who could threaten their boss!

This was because she was the soul of the special forces!

She was everyone's light!

"Yang Kai!"

Yin Han arrived late. Behind him was the instructor for this assessment.

The ground was filled with corpses and blood. When everyone saw the scene, they were shocked!

"Are these the soldiers you trained?! You're offending your superiors and can't differentiate right from wrong!" Yang Kai sneered. "I'll see how you explain things to the president!"

"Nian Yue, let go first..." Yin Han's head hurt.

Nian Yue had always had an easy-going personality. If others did not provoke her, everything was negotiable.

Now that she was pointing a gun at someone, that person must have angered her!

"Sure." Nian Yue smirked and kept her gun. However, she pulled Xu Mo over and kicked her knee!

She was extremely strong!

When Xu Mo knelt down, the crisp sound of bones breaking could be heard!

"Kneel down and apologize. This is what you should do." Nian Yue had one hand in her pocket and the small silver pistol spun in her hand. It had already become a bracelet again and was worn on her wrist.

“What else?” Nian Yue turned around and looked at Yang Kai. Her eyebrows were raised slightly, and her face was filled with wildness.

“Leading your companions to kill one another. According to the rules, you will be disqualified from this assessment...” Yang Kai sneered.

Yin Han was protecting her. He could not touch Nian Yue, but he could still disqualify her!

“You should be the one who has been disqualified,” the cold man said slowly.

Everyone looked in the direction of the voice simultaneously.

A man in black walked over. He was handsome and elegant, but his face was so cold that it made the surroundings turn cold.

“Instructor Yang?”

Fu Xiuyuan walked in slowly and threw the document in his hand at Yang Kai’s face!

Pa!

Everyone held their breaths!

Everyone watched as Yang Kai opened the document. His face instantly turned extremely pale!

“How is that possible?!”

Why would the president personally order for him to be disqualified as the deputy commander-in-chief?

COI

“As the commander-in-chief, you did not come up with a solution immediately when the crisis occurred. Your ability to deal with emergencies is 0. I will personally lead the assessment this time.” Fu Xiuyuan sneered coldly, his gaze towards Yin Han was somewhat cold.

Yin Han’s back stiffened subconsciously.

“As for you?”

That cold gaze shifted to Xu Mo. It was as cold as ice. “You are supercilious and look down on your teammates. You are hereby expelled from the school!”

When Xu Mo heard this, her vision went dark and she almost fainted!

How dare he?!

She was from the Xu family!

No matter where she went, she should be treated well!

Xu Mo was indignant!

Fu Xiuyuan’s gaze looked beyond her at Nian Yue behind her, his black eyes filled with warmth.

“Everyone, rest for a day. The assessment will start again in three days.”

With that, Fu Xiuyuan left.

The instructor asked softly, “Who is he?”

Yin Han and Yang Kai had been specially transferred over, but this man actually dared to throw things at Yang Kai's face, and Yang Kai did not dare to have any temper?

"The Fu Family in the capital..."

Yin Han felt complicated.

The man who stood at the top of the pyramid, an existence that everyone looked up to.

He had immunity and the right to veto all military commands.

This was the man that no one could afford to offend!

The scene was quickly cleaned up and the group opened the tent to rest.

Li Yi leaned against a rock and lazily glanced at Nian Yue, who was sleeping against a tree.

His expression suddenly became a little complicated.

Wang Yang came over. "Do you like to look at Boss?"

In the past, during training, he liked to look at Nian Yue.

Later, when Nian Yue sometimes returned to school for exams, Li Yi would always be the first to pick her up.

"None of your business!"

Li Yi glared at him!

“Tch!” Wang Yang lay beside him. “Did you see that man just now?”

“Fu Xiuyuan?”

Li Yi raised her eyebrows.

He had never interacted with Fu Xiuyuan, but he had heard from the Li family.

“Yes...”

Wang Yang sighed. “Actually, I don’t know his name...”

“Scram!”

Li Yi kicked him!

“Damn! Why are you so hot-tempered?!”

Wang Yang dodged it. Just as the two of them were about to start fighting again, Wang Yang retreated to the side. “I’m not reminding you anymore! Kindness is treated as ill intent! Single dog!” “As if you have a girlfriend!”

Li Yi sneered and lay on the stone to continue sunbathing

Wang Yang couldn’t be bothered with him. He leaned over to Lin Nan and said, “Brother, tell me. Is Nian Yue very popular in your school?”

“Not bad.” Lin Nan had a blade of grass in his mouth. “Sister Yue is too cold, but I can’t stop the folks from liking her face...”

Sometimes, his mind would wander when he saw that face. It was too good looking!

“That’s right.” Wang Yang winked at him. “Is she dating already?”

“Nope, but she had collected a drawer full of love letters.”

Most importantly, many of the love letters were written by girls.

Sometimes, he wondered if Nian Yue would turn a group of girls gay.

“That’s right!”

Wang Yang snapped his fingers and stood up. He looked at Li Yi with a hint of schadenfreude.

He deserved to be single!

## **Chapter 177 Entering Class A (1)**

Nian Yue was lying below a tree with her eyes closed and her expression nonchalant.

She was thinking about something else.

What was Fu Xiuyuan’s identity?

He had the immunity to the highest military district?

Even Yang Kai and Yin Han had to be respectful to him?

That man's information had been encrypted multiple times. Unless she asked personally, she could not find anything.

– Inside the Military District –

A man in black was leaning against the seat, flipping through a thick document.

There was a hint of coldness in the air.

Yin Han stood there respectfully. There was already a layer of cold sweat on his forehead, but he did not dare to wipe it away.

“How did that group of people get in?” After a long while, Fu Xiuyuan put down the information in his hand and asked coldly.

“The assessment area has been encrypted multiple times. All the faces, fingerprints and voice recognition are used,” Yin Han said, his face becoming more serious. “But those people seem to have appeared out of thin air...”

The examination area was installed with 360-degree surveillance cameras. That group of people had only appeared in the surveillance cameras once.

It was that time when Nian Yue was confronted.

“I suspect that they have special abilities...”

They had all seen that special ability before.

“Interrupting the magnetic field and electromagnetic waves, preventing the surveillance system from operating normally...”

With this explanation, everything seemed to make sense.

“There will be someone with the same ability among the new students this time.” Fu Xiuyuan’s lips twitched. “Pay more attention to the movements of the new students.”

“As for Mo Yi...”

Fu Xiuyuan’s lips twitched and his voice instantly turned cold. “Expel him at all costs!”

“Yes.” Yin Han nodded and hurriedly went to make preparations.

Such a huge loophole had appeared in the recruitment assessment this time. If not for Fu Xiuyuan coming over to clean up the mess, he and Yang Kai would probably have to die trying to atone for their crimes!

“What did you say?”

When the Master of the Xu family received the call, he was so angry that he almost jumped up. “Who is that Fu Xiuyuan?! How dare he touch the Xu family! It seems like your country has been peaceful for too long!”

“This was purely a mistake...”

Yang Kai’s face darkened. “Let Xu Mo go back first. She can’t beat Nian Yue...”

Nian Yue...

Yang Kai carefully ruminated over these two words and felt his hatred getting more and more intense.

How dare she lead the special forces team against her superiors and point a gun at him!

Yang Kai had never suffered such a grievance in his life!

“Who is Nian Yue?” the Master of the Xu family continued to ask.

“Part of the special forces team. They were specially approved by the president...”

She had been on a mission overseas and had just returned for less than a week.

However, he did not finish his sentence.

“To think that you want to imitate my country and put together a special forces team? You’re overestimating yourself!”

He was proud of the authority his country had established internationally and found it laughable that a small country like theirs wanted to emulate and set up a special forces team.

After hanging up the call, the Master of the Xu family ordered the secret guards, “Kill Nian Yue!”

She had violated the Xu family’s dignity!

Such a person had to die!

Nian Yue had always been used to doing whatever she wanted.

It was just a small Xu family. She did not care if she offended them.

Most importantly, she had the absolute strength to ensure that she could crush them in all aspects! The real assessment would officially begin three days later!

Nian Yue was now famous among the new students.

She dared to go against Yang Kai and got him removed from his position and had the higher-ups change the commander. They were all guessing Nian Yue's true identity.

Later on, someone found out that she was the top scorer of the national college entrance examination, the one who scored close to full marks after a two point deduction!

Everyone knew that this year's college entrance examination was infamous for being difficult. There were very few people in the entire Imperial Capital who could score above 700 points!

But Nian Yue had done well, nearly achieving a full score!

With such results, it was likely that the principal of the Imperial University had personally invited her here!

However, even so, the other students still did not dare to get too close to her.

After all, none of them could afford to offend the Xu family!

If Nian Yue went against them, it would not end well for her!

Nian Yue was very relaxed. Amongst the group of people, only Wang Zhizhi had zero survival skills in the wild. However, with her computer skills, she could always plan the safest and most time-saving route.

To them, it was more like an outing than a wilderness survival training.

## Chapter 178 Entering Class A (2)

As the time for the assessment approached, batch after batch of students could not endure the assessment and gave up!

Finally, it was the last day.

Of the original 1000 new students, less than a third were scattered around.

As they had lived in the wild for too long, the group of people were in a sorry state. On the other hand, Nian Yue and the rest looked as if they had been on a holiday.

“You have 24 hours left...”

A cold man stood at the finishing line. His cold voice was transmitted to everyone via the drone. “I have 30 cards in my hand. When you reach the finishing line, the first 30 people who arrive will have to look for me to get the cards. This is the key to your entry into Class A...”

There was an uproar!

“The prerequisite is that the top 30 will need to be able to withstand ten moves from me... If they fail, those behind them will have a shot!”

This time, the students below exploded!

It was obvious that they did not expect such an assessment in the end!

No one could guarantee that the top 30 students could withstand ten moves from him but some students were eager to try!

As long as the students in front could not pass, there would always be opportunities for those behind!

Almost as soon as he finished speaking, a group of students had already charged towards the finish line with vigor!

With one hand in her pocket, Nian Yue looked into the distance with her cold eyes.

She raised her eyebrows.

After exchanging a few moves with Fu Xiuyuan, she found the assessment to be quite interesting.

The special forces team arrived at the finishing line at midnight.

There were already impatient students who had reached the finishing line, but every student was dejected.

The color of the cards in their hands were different from the ones Fu Xiuyuan had.

This also meant that this group of students was assigned to other classes.

None of the dozen or so students could withstand ten blows from him.

Nian Yue narrowed her eyes and looked at Fu Xiuyuan more seriously.

“Would he really hit us?” Wang Zhizhi hugged her computer, feeling a little afraid.

As the commander-in-chief, Fu Xiuyuan’s cold aura was too strong. Even though he was just standing there, he made the students shrink back.

“We won’t collapse.” Nian Yue shrugged. “But we’ll definitely get beaten up.”

With this man's personality, if he wanted to attack, a group of students would probably be crippled by him.

"Is anyone going to start?" Fu Xiuyuan raised his eyebrows, having already gotten down from the main seat.

m

"I'll go first."

Lin Nan stretched his muscles and walked up to Fu Xiuyuan. "Brother Fu, please excuse

me!"

Then, he quickly took action!

In the half a year that he was preparing for the college entrance examination, he had trained a lot in the virtual system. His physical fitness and various physical indicators had improved greatly compared to when he first followed Nian Yue last year!

Wang Yang and Li Yi watched with interest. They also wanted to know how capable this little kid who knew Nian Yue ahead of time

was.

Ten seconds later

The two of them stopped. Fu Xiuyuan passed the card in his hand to him. "You've improved quite a bit."

"Thank you, Brother-in-law!"

Lin Nan blinked. His voice was so soft that only the two of them could hear it.

The corners of the man's lips curled up in a rare smile, and there was a clear glint in his black eyes.

"Not bad, kid!" A student said teasingly.

Many students could not even withstand ten moves from Fu Xiuyuan. He became the first person to get a card from Class A.

"Of course." Lin Nan's face was filled with pride. "I can't embarrass Sister Yue!"

He had been taught by Nian Yue personally after all, so his own skills must not be too bad!

"Li Yi, are you going or not?" Wang Yang kicked Li Yi.

This time, Li Yi didn't dodge. It was rare to see such an expression on his face. "You go first."

"Okay."

Wang Yang stretched his body and walked up to Fu Xiuyuan. "Commander-in-chief, let's begin!"

He had observed Fu Xiuyuan's moves just now, and they were all stopped at a critical point. To him, taking ten moves from Fu Xiuyuan was not a problem.

As expected, it was only ten moves.

He received the card.

“Your turn.”

Wang Yang whistled to Li Yi.

He didn't understand how Li Yi could be so calm this time.

“Mm.” Li Yi nodded. He stretched his body and walked up to Fu Xiuyuan.

This was not his first time meeting this man, but the powerful aura he exuded was not to be underestimated!

Then, Li Yi attacked!

It didn't seem strange that Fu Xiuyuan would treat him like this!

Chapter 179 Entering Class A (3)

Reaching out to take his move, the two of them started fighting!

“Why did this kid start without even greeting?” The girl at the side was confused.

Li Yi might be crazy, but he could still figure out the big picture.

The two of them quickly exchanged ten moves. Li Yi's arm was grabbed by the man, and he couldn't move at all.

“You've passed.”

Fu Xiuyuan said lightly and passed the card in his hand to him.

Li Yi looked a little embarrassed. He took the card from Fu Xiuyuan, his face full of defiance.

“I was too careless this time!”

His voice was filled with gritted teeth!

“Come over when you’re not careless.” Fu Xiuyuan glanced at him lightly.

“Your turn.”

Fu Xiuyuan glanced at Nian Yue and reminded her calmly.

For some reason, everyone felt that Fu Xiuyuan’s mood had gotten more serious at this moment.

When he fought with Lin Nan just now, he seemed to be in a good mood.

“Okay.”

Nian Yue took off her jacket, her face as cold as ever. She wore a camouflage top and her back view was straight.

Then, she walked up to Fu Xiuyuan.

“Commander-in-chief.”

She greeted him and did not even stand on ceremony.

Some students had already arrived when they were drawing. When they saw the few people in front exchanging blows with Fu Xiuyuan, they thought that they would stop when they reached the point.

But when it came to Nian Yue, they realized that they were wrong!

And they were extremely wrong!

The two of them did not seem to be exchanging blows. They were clearly fighting with their lives on the line!

Their moves were extremely fast and dazzling!

It had already been ten moves, but the two of them had no intention of stopping!

The students at the side seemed to have forgotten that they only needed to withstand ten moves from Fu Xiuyuan to obtain the card to enter Class A!

Right now, they wanted to know who was more skilled in their exchange!

Ten minutes passed, but the two of them had no intention of stopping!

A hint of admiration flashed past Fu Xiuyuan's eyes.

It seemed like she had improved tremendously in the past half a year!

Finally, the two of them stopped. They did not even take a breath. The coldness in Fu Xiuyuan's eyes faded a little. He passed the card in his hand to her. "Very good."

He rarely praised others.

Because he had always been strict with himself and treated others the same.

However, Nian Yue had made a quantum leap in only half a year.

“Thank you.” Nian Yue smiled and reached out to take the card from his hand.

When she accidentally touched his fingertip, Nian Yue’s heart wavered.

His fingertips felt warm. There was a faint layer of calluses on them.

Suppressing the strange feeling in her heart, Nian Yue had one hand in her pocket and had already returned to the student team.

The remaining students challenged Fu Xiuyuan one after another. It was Wang Zhizhi’s turn. Nian Yue patted her shoulder. “Go.”

Wang Zhizhi took a deep breath and bit her lower lip before walking over.

“Zhizhi, don’t be afraid!” Lin Nan cheered her on.

Li Yi and Wang Yang were also cheering her on.

Wang Zhizhi turned around and glanced at Nian Yue.

His jade-like face was as cold as ever, but her eyes were filled with warmth.

She was cheering her on.

In the end, Wang Zhizhi was defeated in only two moves.

Even though she knew that this was expected, Wang Zhizhi still found it hard to accept. "I'm sorry, Yue Yue. I can't enter Class A anymore..."

"It's alright. You can enter Class B." Nian Yue reached out and rubbed her hair.

Wang Zhizhi was one of the top 30 students to reach the finish line. Although she did not last more than ten moves against Fu Xiuyuan, she could enter Class B.

"But I want to be with you..."

It seemed that as long as she was with Nian Yue, she would not have to worry about the demons and monsters outside.

Someone would always support her from behind.

"You have to grow up, Zhizhi." Nian Yue straightened up, her cold eyes becoming more serious. "No one will remain the same. It's the same for Lin Nan and I."

am

Wang Zhizhi was physically weak. She had an extremely high IQ and extremely talented code.

However, if her physical strength was not good, her talents would become her weakness.

"Zhizhi, we're waiting for you in Class A." Lin Nan walked over and patted her shoulder. "We're a team. You're a member of this team. It will never change."

"If there's anything you can't do with training, remember to look for me," Li Yi said.

“Look for me. That idiot Li Yi doesn’t know how to be gentle. I’ll train you from the beginning,” Wang Yang volunteered.

“You can go train your mom!” Li Yi glared at him.

“Do you really want to cause trouble?” Wang Yang hit his shoulder. “Brother, do you want to fight?”

“Sure. Find a place with no one around.”

The two of them had a tacit understanding. After informing Nian Yue, they left.

“Will they be alright?” Wang Zhizhi forgot to be sad after the commotion.

“No.”

At most, someone would be disabled for ten days to half a month.

### **Chapter 180 New Trouble at the Banquet (1)**

When all the students reached the finish line, the man in black stood on the platform and finally spoke.

“I’m very happy that you can pass this assessment. Everyone gets a different color of the card, so they will enter different classes,” Fu Xiuyuan said. “After this assessment, you will have two days of rest. After two days, you will enter a new class.”

When the students who had finally cleared the examination heard him, they were all moved to the point of tears!

The assessments they had gone through in the past half a month were simply overwhelming!

They never knew that the assessment could be played this way!

“Quiet.”

Yin Han walked up the stage with a hint of dignity on his face. When the students who were discussing fervently just now saw him go on stage, they all fell silent at the same time.

“There will be a banquet tonight to celebrate your successful passing of the test.”

Almost as soon as he finished speaking, there was an uproar below the stage!

More students wanted to express their joy!

As the top university in the country, the Imperial University had students all over the country and the banquet was definitely a good time to build connections!

The other students were already eager to try. They immediately returned to the dormitory to rest, ensuring that they could appear at the banquet in the best possible manner tonight.

Nian Yue and Wang Zhizhi returned to the dormitory. Xu Qing was lying on the bed playing games. When she saw the two of them coming in, she snorted coldly. “You’re quite capable. You even managed to get rid of Xu Mo.”

Nian Yue did not even raise her head when she heard that and went straight to the washroom to wash up.

When she came out of the shower, there was still a hint of indifference on her face. She took out her phone. It was a message from Fu Xiuyuan. “Do you want to move out?”

“Not for now.”

She was living a pretty good life in a dormitory.

However, she still had to find a house.

“Have you exchanged blows with Nian Yue?”

Jiang Jincheng leaned back in his chair, looking a little surprised. “How are her physical statistics?”

It had been almost a year since the last checkup.

“Her body...”

Fu Xiuyuan narrowed his eyes, a hint of coldness in them. “has strong explosive power.”

When he fought with Nian Yue, he used all his strength.

“To be able to exchange blows with you for half an hour without batting an eyelid...”

Jiang Jincheng touched his chin and looked a little more serious. “She improved so quickly. Is there a problem with her body?”

He knew how abnormal Fu Xiuyuan’s physical fitness was.

A year ago, Nian Yue’s various physical statistics could not have reached the point where she could fight Fu Xiuyuan without batting an eyelid.

“Her body...”

Fu Xiuyuan rubbed his temples. "Blood tests have reported that genetic modification has been performed."

Genetic modification can be achieved with the current technology. It was only because of ethical issues that it was not allowed.

"Genetic modification?!"

Jiang Jincheng suddenly stood up. "Then the supernatural power she has..."

"It has just been awakened." Fu Xiuyuan's eyes darkened. "It has to do with the Energy Stone."

That Energy Stone was the key to activating her supernatural power.

"Then you..."

Jiang Jincheng smirked. "What should we

do?"

"I know what I'm doing."

Fu Xiuyuan leaned back in his seat. The egg-sized Energy Stone had already lost its luster.

The color was so dim that it looked lifeless.

The banquet started at eight o'clock sharp.

This was a banquet organized by the Imperial University. Other than the new students, there were also seniors from the upper grades attending

When Nian Yue came over, she saw Li Yi and Wang Yang lying on the lounge chairs, playing games.

While both of them were dashing in looks, they were stunned by Nian Yue.

Especially Li Yi. When he walked over, a few girls had already gone over to ask for his contact details.

In the end, they were all frightened away by his cold aura. Nian Yue had one hand in her pocket as she walked over and asked, "Hasn't it been too long since we last fought?"

Wang Yang scratched his head in embarrassment. However, because the corner of his mouth was cracked too widely, he touched the wound and gasped in pain.

"Boss, you're here?"

Li Yi put away his phone and sat up straight.

Nian Yue found a seat and sat down casually.

She was wearing casual sportswear today. There was a hint of warmth on her jade-like face.

The group of new students had heard about the student who was ranked first in the assessment.

Especially since she had a clique and everyone had extremely strong explosive power.

## **Chapter 181 New Trouble at the Banquet (2)**

However, when they thought about how she had offended the Xu family, none of the new students dared to approach her.

On the other hand, Nian Yue was happy to be free.

There was a commotion at the door and two or three boys came in.

The boy in the lead looked to be less than 20 years old. He had blonde hair and blue eyes. He had a high nose bridge and rose-colored lips. He exuded a noble aura.

Almost as soon as he arrived, the crowd exclaimed.

“Jin Xuan ! That must be Jin Xuan!”

Shouts of surprise came from the crowd.

“It’s Jin Xuan! A second-year senior, the national college entrance examination champion last year!”

“I heard that he has been appointed to lead Class A!”

The crowd was filled with the cries of girls and enthusiastic discussions.

Nian Yue glanced at the man in the crowd. As if sensing her gaze, Jin Xuan looked directly at her.

His light blue eyes were as beautiful as glass. When they met her cold ones, Jin Xuan smiled.

“You’re still so popular.” The boy at the side hugged his shoulder. “Look at so many delicate girls. They must be delicious...”

“Can you not be so disgusting?” Jin Xuan slapped his hand off his shoulder, his face full of distaste.

“That won’t do...” The boy smiled. “What will I do if I don’t date my juniors? I can’t go dating my seniors, right?”.

Jin Xuan couldn’t be bothered with him. The three of them walked away together into the back garden of the banquet.

The back garden of the banquet was very quiet. The three of them found a seat and sat down. The boy who had been silent all this while spoke unhurriedly, “The first place of this year’s new students seems to be called Nian Yue? Why is his name so feminine?”

“It’s about ability.” Jin Xuan played with the red wine in his hand, his face showing some interest.

“He offended the Xu family the moment he arrived. General Yang Kai was replaced and he even fought with Mo Yi...”

The boy rubbed his chin. “This junior really knows how to cause trouble...”

“Have you found Mo Yi’s whereabouts?” Jin Xuan put down his wine cup and looked up.

“The nearest activity trajectory was in Jiang City, and then it disappeared into thin air.”

Mo Yi had always been a headache for the world.

Because he came and went without a trace, many advanced tracking devices were completely useless to him.

“Keep an eye on Imperial University. If he comes in again, you can forget about staying here.” Jin Xuan’s voice was a little cold.

“What about the rest of the city?”

“There’s that man.” Jin Xuan smirked. He only cared about protecting the Imperial University. As for the Imperial Capital, it was not under his jurisdiction.

“I haven’t seen you so happy in a long time...”

The boy patted his shoulder and sounded amused.

This young master was usually lackadaisical but always came in first in his first year of university.

Now that he had encountered a freshman who was on par with him, he reckoned that he would not be bored.

...

Nian Yue did not know that in the eyes of some people, she was still a boy.

After all, she was used to being wild. Her face was cold and indifferent, making it difficult to tell if she was male or female.

Coupled with the fact that she sometimes wore a loose jacket to hide her feminine features, it was no wonder that others could not make out her gender.

She leaned back in her seat looking bored.

She had never liked such banquets. After a while, she narrowed her eyes and took out her phone. Just as she was about to start a game, she was interrupted by a voice.

“Are you the number one freshman?”

Standing in front of her was a boy. He looked to be about eighteen or nineteen years old, but he had his hands on his hips and looked almost motherly.

“Is there a problem?” Nian Yue raised her eyebrows, still looking casual.

“Of course not...”

The boy looked at her face greedily a few more times before bending down to touch her face!

“Such a beautiful face, why is he a boy!”

However, before he could touch her, Nian Yue suddenly grabbed his wrist. “Don’t touch me!”

Her voice was a little cold and there was a hint of coldness in her eyes.

“No...”

The boy looked at that face and was a little infatuated. “You’re so good-looking, how about following me? I promise you’ll have a good time...”

It had been too long since he had such feelings for someone.

“Get lost.” Nian Yue’s thin lips parted and impatience filled her eyes.

Those who knew her knew that this was a sign that she was going to be angry.

It was a pity that the boy had to provoke her...

“I can get lost, but why don’t we get lost together?” The boy did not give up and pretended to pull her!
