

# The National Goddess Reborn

## Chapter 21: Blind Throw

Lin Nan was so angry that his face turned red. He was at the age where he was competitive, so he rolled up his sleeves and was about to attack again.

“Since you aren’t willing to admit defeat, why don’t we have a match here?” Someone suggested.

“That’s right. Since you come to the club often, a competition shouldn’t be a big deal, right?” Someone else chimed in.

“Of course.” Lin Nan sneered. “Tell me, what’s the competition?”

The reason why he lost the basketball match that day was because Class B had played a trick on him. Otherwise, how could he have lost to the trash of Class B?

“How about darts? Ten darts. Whoever hits more targets wins. What do you think?” Chen Yiran asked.

“Of course!” Lin Nan sneered.

He had always looked down on Chen Yiran and the other pretty boys, especially when Chen Yiran used to boss Nian Yue around.

He did not know what kind of person Nian Yue was in the past, but ever since Nian Yue helped him in the corridor, he had regarded Nian Yue as one of his own.

When the other staff members heard that the two of them were going to compete, they took out their darts.

On the other side, Lin Nan and Chen Yiran had already taken their darts and stood near each other.

“It’s boring to let the two of them compete. Why don’t we let Nian Yue do it...” said a classmate was watching from the side.

“That’s right! She is the second mistress of the Nian Family after all. She can’t possibly not know how to play darts...”

It was precisely because they knew that Nian Yue had just come back from the countryside that this group of people were so unbridled. Since Lin Nan couldn't afford to be humiliated today, Nian Yue could do it. In any case, the Nian Family's second mistress had already disgraced the Nian Family!

If they were to compete with Chen Yiran again today, it would be fun for them.

...

"Sure." Nian Yue crossed her arms and nodded. She was also curious about the differences between darts in this world and the one she came from.

"Hahaha, are you trying to make us laugh to our deaths? A country bumpkin who doesn't even know the rules of playing darts actually agreed to the competition..."

"Maybe this is how she wants to gain Brother Chen's attention..."

...

"Are we competing or not?" Nian Yue raised her eyebrows, clearly in a bad mood.

She had an aloof personality and usually could not bring herself to care about most things, but it did not mean that she did not know about them.

This group of stupid kids made her ears hurt.

"Sure." Chen Yiran agreed readily. "But if I win, you and Lin Nan have to kneel down and apologize to me!"

Kneeling down was already an insult.

"You were clearly the one in the wrong. Why should I apologize?" Nian Yue raised her eyebrows slightly. "If anyone should be apologizing, it's you."

"Brother Chen is competing with you because he thinks highly of you. Don't be so shameless..."

In their eyes, Nian Yue was a good-for-nothing that the Nian Family had long given up on. What right did she have to negotiate terms with them?

"Weren't you the ones who said that you wanted to compete just now?" Nian Yue sneered. "Or are you afraid now?"

"What a joke! Would our Brother Chen be afraid of you?!" someone couldn't help saying.

“Brother Chen, compete with her. If she loses, she has to call you “daddy”!”

...

“Enough!” Chen Yiran interrupted him impatiently. “I don’t bully girls. I’ll go easy on you for the first round.”

Chen Yiran had always been arrogant. He knew his strengths.

He was someone who was almost chosen to join the national team and had confidence in himself.

“There’s no need to.” Nian Yue’s thin lips parted slightly. “Ten each. The one with the most targets wins. Any objections?”

“How arrogant. Ten of them. Do you believe that Brother Chen can hit all ten of them?” Someone said with disdain.

After all, Chen Yiran was an old member of the club. Everyone knew that he was a sharpshooter.

“Nian Yue...”

Lin Nan’s lips moved, but he did not know what to say to her.

If it was in the past, he would definitely not believe that Nian Yue could win.

However, the visual image of this girl easily beating five people still lingered in his mind.

Somehow, he believed that Nian Yue would win.

It was an inexplicable sense of trust that came from his heart.

The club staff had already taken the darts and placed them in front of them.

Chen Yiran took the dart and weighed it in his hand. He glanced at Nian Yue. “Watch carefully.”

As the young master of the Chen family, Chen Yiran had been favored by the heavens since he was young. Even Nian Yue used to follow behind him every day, as if she could not live without him.

However, Nian Yue was not in a hurry to look at him now and this was a huge blow to Chen Yiran’s pride. In his eyes, Nian Yue should follow him unconditionally and without dignity.

Chen Yiran threw all the darts in his hand!

“99 points...”

Someone exclaimed!

If the 98th ring he had achieved just now was his regular accomplishment, then the 99th ring was even more impressive!

“Your turn.” Chen Yiran raised his chin and said condescendingly.

Nian Yue took the dart and twirled it between her index finger, middle finger and ring finger. Then, before anyone could react, the dart was thrown out!

0 points!

When everyone saw what was on her dartboard, their eyes widened in disbelief and then burst into laughter!

“Where’s your dart? Don’t tell me you don’t actually know how to throw a dart?”

“No matter how stupid you are, you should be able to throw the dart on the dartboard...”

...

The group of people laughed until their tears came out. Only Lin Nan looked at them coldly and pointed at Chen Yiran’s dartboard. “Look at Chen Yiran’s dartboard...”

Everyone held their stomachs and looked at the dartboard. They realized that there was only a red dart on it!

Chen Yiran’s dart was black while Nian Yue’s dart was red.

A red dart appeared at the center of Chen Yiran’s dartboard. What did this mean?

She had aimed at Chen Yiran’s dartboard from her position! And hit the bullseye!

Most importantly, when she threw the dart, she was not even looking in that direction!

It was a blind throw!

How possible was it to have such results??

## Chapter 22: Who Do You Think You Are?

The group of people who were laughing at Nian Yue immediately shut up.

Chen Yiran's face turned pale. "Nian Yue, don't think you can win just because you hit the bull's eye once. I scored 99 points..."

"She didn't even look at the dartboard when she hit the bullseye. It's obvious who will win." Lin Nan snorted. "Chen Yiran, is it really that hard to admit that Nian Yue is better than you?"

Nian Yue should have gotten her validation a long time ago. When he saw Nian Yue defeating Chen Yiran today, he felt extremely happy!

Chen Yiran was so angry that he almost couldn't breathe. He had hated Nian Yue from the start.

Especially the first time she came home last year. Nian Yue was wearing a faded school uniform from the countryside, and her sneakers were muddy.

In the end, it was this country bumpkin from the countryside that his parents wanted him to build a good relationship with her. It was all because the Chen Family's business still needed the Nian Family's help!

He only gave Nian Yue some benefits from time to time and delivered a couple of meals to her. To think that Nian Yue had actually stalked him to the banquet as a result!

At that time, his hatred for Nian Yue had reached its peak!

Especially when his friends mercilessly mocked him for having such bad taste in falling for a country bumpkin like Nian Yue!

At that time, he wanted Nian Yue to die immediately!

And Nian Yue had died just as he had hoped. The current Nian Yue was the commander of the post-apocalyptic world.

Nian Yue smirked and raised her eyebrows at Lin Nan. "Let's go!"

She couldn't be bothered to deal with Chen Yiran. If he had not left her in the lurch, the Host would not have lost her life.

As a result, the Host still had a strong hatred in her body. She was afraid that she would kill him out of vengeance.

The two of them got into the car. Lin Nan had yet to recover from his excitement. "Nian Yue, you really haven't practised before? I saw your posture just now. You looked smarter than my coach..."

Nian Yue leaned back in her seat and tapped her slender fingers on her knee. "No."

She had merely touched too many guns.

"Thank you..." Lin Nan scratched his head in embarrassment.

Now, he did not seem to be that afraid of Nian Yue anymore. Instead, he wanted Nian Yue to pay more attention to him.

Towards Nian Yue, he actually felt a natural sense of obedience.

By the time Nian Yue reached home, it was already eight or nine. Nian Chaoyu was sitting on the sofa with Wang Meihua, watching television. The family of three looked happy.

On the other hand, Nian Yue seemed like an outsider.

When Nian Chaoyu saw Nian Yue, his face instantly darkened. He sized up Nian Yue a few times and his expression turned uglier.

As he met that pair of expressionless eyes, a wave of anger rose from the bottom of his heart. "Why don't you look at the time now? You still know how to come back?! You're a girl. You came back so late and ruined the reputation of the Nian family."

Wang Meihua retracted the smile on her face and pretended to calm him down, "Don't be angry. Yue Yue is already so old. I believe she knows her limits. A classmate sent her back..."

"Classmate, which classmate?" Nian Chaoyu knew how to get to the point.

"I heard from the servant that it seems to be a boy driving a Maybach..."

Nian Yan chimed in from the side. In reality, she had been waiting at the window on the second floor for Nian Yue to return. When she saw the Maybach downstairs, she was so angry that she almost gritted her teeth into pieces!

Just because of Nian Yue's beauty, men would still follow her around even if she was a fool!

She had recognized Lin Nan's car!

Lin Nan, the young master of the Lin family and the school bully of No.1 Middle School had always looked down on her. She did not expect him to be so close to Nian Yue in the blink of an eye and even sent her back!

“A guy? What can’t you do at such a young age? How dare you try to seduce a rich guy?! Kneel down!”

Nian Chaoyu angrily grabbed the cup on the table and threw it at Nian Yue!

It was a cup of hot water. If it were to hit Nian Yue’s face, the consequences would be unimaginable!

However, when the cup was only a few centimeters away from Nian Yue, it stopped and shattered on the ground!

Nian Yue smirked, but her eyes were as cold as ice. “Who do you think you are?”

If not for the friendship between this body and Nian Chaoyu, she would have broken his neck and fed him to the dogs!

“Talking back at me?” Nian Chao did not manage to catch his breath. “I’m going to punish you!”

Wang Meihua quickly pretended to stop him. “Yue Yue, kneel down! Don’t make your father angry...”

“That’s right, Yue Yue. Dad is doing this for your own good. After all, you are still young and there are all sorts of people outside...” Nian Yan added fuel to the fire.

From the start, she was talking about men and not boys. Her motive was to make Nian Chaoyu misunderstand! Given Nian Chaoyu’s character, if Nian Yue was disobedient today, she would at least lose a layer of skin!

Nian Yue did not say anything. The corners of her lips curled up slightly, full of sarcasm.

Nian Chaoyu was flustered by that pair of eyes. He had been in a high position for many years and had seen all kinds of people. However, Nian Yue’s eyes were like those of a dead person.

At the thought of this, Nian Chaoyu could not help but shudder. He took a few steps forward and was about to slap her. “Kneel! The Nian family does not have a daughter as shameless as you are!”

Nian Yan, who was watching from the side, felt her blood boiling as she stared at Nian Chaoyu without blinking!

She couldn't wait for Nian Yue to be beaten up!

With this slap, Nian Yue would be disfigured!

She can then stop using that face to seduce people!

“Heh...”

Nian Yue scoffed lightly. “You will lose the use of your hand after this slap. I mean what I say.”

It was clearly a light tone, but Nian Chaoyu could sense the threat in it!

His arm seemed to have been frozen in place and he could not move no matter what!

“How can you be so shameless as to follow a man around every day? How can you let your mother down?” Nian Chaoyu retracted his hand, but he was still angry.

“Aren't you the one who has let her down, Mr. Nian...” Nian Yue sneered.

Nian Chaoyu seemed to have been cursed by this sentence. A hint of panic flashed past his eyes before he quickly calmed down.

“What did you say?! Get lost!”

The corner of Nian Yue's lips curled up slightly before she turned around to head upstairs.

## Chapter 23: Electric Esper Ability

Seeing her figure disappear around the corner, Nian Chaoyu felt relieved for some reason.

“Chaoyu, don't be angry anymore. Yue Yue has never treated this place as her home...” Wang Meihua walked over and comforted him.

“That's right. Daddy, it's good that you have me. I'm your sweet little kitten...” Nian Yan walked over and hugged Nian Chaoyu's arm, acting cute for him.

Seeing how obedient Nian Yan and Wang Meihua were, the anger in Nian Chaoyu's heart subsided quite a bit.

Indeed, the daughter he had raised himself was much better. Unlike Nian Yue, who not only had a gloomy personality, but also the delusion of attacking him!

Nian Yue went upstairs and changed her clothes before going to the gym on the third floor. She had been working out for the past few days. Although her physical fitness was not comparable to the one she had in the other world, it was much better than when she first arrived.

It was already 11 pm by the time she finished her activities.

After Nian Yue came out of the shower, her eyes narrowed and her figure moved slightly. She had already disappeared on the spot.

\*

Wang Meihua looked up at Nian Chaoyu carefully and drew circles on his chest with her small hands. She hesitated and said, "Chaoyu, have you realized that Yue Yue is no longer as obedient as before? Did she learn bad things from others..."

"Hmph!"

At the mention of Nian Yue, Nian Chaoyu snorted coldly. "It would be weird if she became obedient! She's as restless as her mother..."

Of course, Wang Meihua knew who that woman was. However, she was a smart woman and would not continue on that topic.

Instead, she changed the topic. "Do you still remember the injuries on Yan Yan's body? I asked her privately a few times before Yanyan told me that Nian Yue was the one who hit her. How could she be so vicious at such a young age! If she really inherited the Nian family property, both of us would be killed by her..."

Wang Meihua started sobbing.

Wang Meihua was already in her forties, but as a rich lady from a wealthy family, she lived like a princess. She also used expensive cosmetics every day to maintain herself, so she looked to be in her thirties.

Her tears were like raindrops on a pear blossom. She looked very pitiful.

However, Nian Chaoyu's eyes turned cold. "Enough!"

Wang Meihua stopped crying and was still sobbing.

"You're right..."

Nian Chaoyu said, "We have to think of a way to get back the inheritance rights of the Nian Family from Nian Yue..."

Given Nian Yue's character just now, if the inheritance really ended up in her hands, their family would definitely not have a good life!

This time, Nian Yue went to a forest not far away from the Nian family home. There was plenty of spiritual energy there and a lot of wood-elemental powers.

Nian Yue meditated for nearly half an hour and recovered close to 70% of her supernatural power.

It seemed like she had absorbed quite a lot of energy from the Energy Stone.

Nian Yue opened her eyes and opened her palm slightly. There seemed to be a flash of purple lightning in it.

Although it was very small, she could still feel it.

Her power was coming back.

There was too little spiritual force in this world, and even fewer that could be converted and absorbed by her body.

This was a park far away from Nian's house. Nian Yue had only come here after sensing that there was sufficient spiritual energy here.

It was late at night, and the cold wind blew. There was another layer of thick fog, and only a few yellowed leaves fell with the wind, covering the entire park with a strange color.

Outside the park, there were a few people walking together with their arms around each other's shoulders. They seemed to have drunk quite a lot.

"Sigh, why is it so hard to meet a girl who comes home late these days? Those in the clubs are too expensive..." someone said unhappily.

"What's the rush? Who knows, we might meet someone later..." Another person added, "Speaking of which, if we really meet one, you're not allowed to enjoy it alone..."

"Pfft! Watch your mouth. The higher-ups have been strict these few days. All of you better behave yourselves. Don't have any ulterior motives!"

In the past few years, Jiang City had changed its leader, whose reputation of wiping out social ills was very resounding. Those who used to be in the underworld were all hiding their tails between their legs.

“Big brother is so timid, he really shames the Cheng Family Army!” another complained.

“I don’t care. Let’s go take a look first...”

At this moment, there was a gust of cold wind, waking the few of them from their stupor!

Brother Li went to look for the washroom in a daze. However, a cold gust of wind blew over, giving him a fright. He quickly pulled up his pants. When he saw who it was, his eyes were filled with amazement!

Then, he wiped his eyes in disbelief, afraid that he had seen wrongly!

It was a girl who looked to be seventeen or eighteen years old!

That young lady had fair skin and a high nose bridge. She looked even better than the celebrities on television!

In the middle of the night, a young lady appeared in this place instead of being at home. She must have left home after causing trouble!

Wasn’t this their lucky day?

Just looking at that face made Brother Li’s heart itch. How long had it been since he had played with such a young girl?

“I was wondering who it was, but it turned out to be a pretty girl!” Brother Li pulled up his pants and looked at the person in front of him lustfully.

“Little girl, are you staying out so late because you had a fight at home? Don’t worry, come and follow me. I promise you’ll have a good time...”

How long had it been since they last played with female students?

It was pitch dark in the middle of the night. Since there were no surveillance cameras, no one could do anything to them if anything happened!

At the thought of this, the three of them became bolder and hurriedly reached out to grab Nian Yue! However, although they were only ten centimeters away from Nian Yue, they could not catch her!

In fact, they felt that they were even further away from Nian Yue each time they tried!

Even though they could reach her with their hands, they were still unable to get to her even after walking for a few minutes!

“Brother Li, could this girl be a female ghost coming to claim our lives or something...”  
The blonde’s voice was trembling.

Ever since he was young, he had always been fearful of the supernatural. Now that he had encountered such a situation, he was even more convinced.

“That’s right. I feel the same way too. We’ve been here for so long, but this girl hasn’t even said a word...” Another person chimed in.

Brother Li was furious. He pulled out the soft knife from his waist. “Let’s see who dares to play tricks...”

He pulled out the soft knife and stabbed it at Nian Yue. However, when the knife was a few centimeters away from Nian Yue, it suddenly stopped in midair.

He tried his best to retract his hand, but he realized that he could not do so!

#### Chapter 24: You’re in My Way

“What the hell...” Brother Li was so angry that his face and neck were red.” What are you waiting for? Come and help...”

The other two people were scared out of their wits when they saw Brother Li freeze as he held

the knife for a long time. “Could there really be ghosts here...”

“That’s right. Look at that girl’s face. It’s as if her blood has been sucked dry...”

When the other two said that, Brother Li realized that the girl in front of him was extremely pale. Thinking of the horror movies he had watched in the past, he hurriedly gave up the knife in his hand and ran!

“Help! There’s a ghost!”

The three men’s expressions changed drastically as they stumbled forward!

They only made it as far as three meters when they seemed to have hit an invisible wall and fell to the ground!

With a clang, the knife Brother Li had been holding was stabbed into the ground!

It was less than a centimeter away from his face!

The bright blade reflected Brother Scarface's pale face and the cold wind made the night even more eerie!

The sound of footsteps came from behind. Tap, tap, tap. In the silent night, it gave them goosebumps!

"The Goddess Bodhisattva, please watch over us..."

The few of them immediately shut their eyes in fear and muttered prayers.

"Heh..."

Brother Li only realized that something was wrong when he heard the girl's scoff. He opened his eyes and saw the girl in white and black pants standing in front of him.

It was Nian Yue!

"So you're the one playing tricks..." Brother Li instantly felt that he had been fooled. He stood up from the ground and was about to slap him. "How dare you fool me. I think you must be tired of living!"

Brother Li was burning with rage. He had never been teased like this in his life!

However, no matter how fast he was, he could not catch up to Nian Yue. In the blink of an eye, the little girl who was in front of him just now had already disappeared without a trace!

"Where is she?!"

"Brother Li, she's... behind you!"

The blonde immediately jumped!

"What are you waiting for? Hurry up and come over!" Brother Li was furious. He picked up the two staves on the ground and waved them at Nian Yue!

"I'll beat you to death, you little wretch..."

Brother Li was furious. He used all his strength. Nian Yue looked like a little girl. If she was hit by him, she would lose half her life even if she didn't die!

At this moment, he really had the intention to kill!

In any case, this was the park, and there was no surveillance camera. If anything were to happen, it would have nothing to do with him!

Seeing that Nian Yue was getting closer and closer, Brother Li was so agitated that his heart was about to jump out. Since she had the guts to tease him, he would definitely let her know the meaning of regret!

He was only a few centimeters away from Nian Yue when there was a loud “crack”!

It was the sound of bones cracking!

“You little b\*tch, hurry up and let go of me! Do you believe that I will kill you?!” Brother Li went red with anger. After being pinched by Nian Yue, he immediately came back to his senses. He was more than half sober now!

Nian Yue smirked. She exerted strength in her hands and lifted her leg to kick Brother Li’s abdomen, causing him to fly out helplessly like a kite with a broken string!

She used all her strength this time. Brother Li felt as if his lower abdomen was on fire. The pain caused a layer of cold sweat to form on his forehead. He rolled on the ground in pain and let out a hoarse cry.

When the others saw this, they realised that Brother Li was seriously injured!

They had been around one another for so long and knew Brother Li’s ability.

The Brother Li, whom everyone feared, was almost kicked to death by a little girl. No matter how foolish they were, they knew that they could not afford to offend Nian Yue!

Both of their legs went weak and they knelt down at the same time. “I’m sorry, we didn’t know any better. Please don’t kill us...”

Nian Yue crossed her arms and walked towards them slowly.

Seeing her figure getting closer and closer, the two of them subconsciously quivered!

“I heard someone say that you guys are from the Cheng Family Army?” Nian Yue raised her eyebrows and asked. Her eyes were cold as usual, but when she looked at the two of them, her glare could freeze them to death!

“Yes...” The blonde nodded hesitantly.

“No, we’re not!” Another shook his head hurriedly. “We’re only from the Cheng Family Army’s periphery. We’ve never even seen the Boss...”

They were merely hooligans who loitered on the streets; how could they possibly join an organization like the Cheng Family Army!

“Is the Cheng Family Army an underground force in Jiang City?” Nian Yue continued to ask.

She had chanced upon this organization when she was searching online a few days ago.

“Yes, yes, yes...” The two of them knew that they couldn’t hide anything from her, so they hurriedly nodded.

“Where is the address?”

“At Plaza Street...”

Nian Yue narrowed her eyes and said, “Scram.”

The two of them didn’t dare to stay any longer. They hurriedly got up from the ground and dragged the unconscious Li Yunhai away.

Nian Yue looked at the dark night sky and frowned slightly. She was conscious when those hooligans came over just now, but her supernatural power was transforming, so she ignored them.

But the Cheng Family?

Why did it sound so familiar?

\*

The next day was Sunday. Nian Yue got up early in the morning, changed into the tracksuit she had bought the day before, and went out for a run.

Nian Yan, who was all dolled up, came downstairs. When she saw what Nian Yue was wearing, a gloating look flashed across her eyes. Then, she put on an act and asked, “Yue Yue, why are you leaving the house dressed like this today?”

“Is there a problem?” Nian Yue came down from upstairs and stood in front of her.

She was wearing a black sportswear and a pair of sneakers. Standing next to Nian Yan, she seemed to be a few centimeters taller than her.

Nian Yan, who was wearing high heels, could barely keep up with her.

Her height had always been Nian Yan's Achilles' heel. She had grown up in the Nian Family since she was young, and she had the best food and clothes. Yet, she was not even as tall as Nian Yue, who grew up in the countryside!

She would never admit that Nian Yue was prettier than her!

"Of course it's okay. It's just that you're wearing..."

Nian Yan looked at her and wanted to say something but stopped herself. It was obvious that she did not want to make things clear.

Nian Yue could not be bothered with her tricks. "You're blocking my way."

Her voice was light and her face was cold, but her words made people obey her subconsciously.

Before Nian Yan could react, her body reacted first and made way for Nian Yue.

By the time she came to, Nian Yue had already left the house.

At this moment, Wang Meihua also came down dressed to the nines. Following behind her was Nian Chaoyu, dressed in a suit and leather shoes. It looked like they were going to attend an important event.

"Yan Yan, why are you standing here?" Wang Meihua asked.

"I wanted to remind Yue Yue that there would be a banquet tonight, but she didn't seem to appreciate it..." Nian Yan lowered her voice as if she had been wronged.

"That unfilial daughter, why did you mention it to her so early in the morning?!" Nian Chao's face darkened.

## Chapter 25: Banquet

After Nian Yue rebuked him like that yesterday, he was so angry that he stayed up all night, with Wang Meihua serving him.

"Dad, don't be angry..." Nian Yan ran over and hugged his arm intimately." Yue Yue just came back. She is the Second Mistress of the Nian Family after all. If she doesn't attend today's banquet, the outsiders will say that Dad is ill-treating her..."

“When did I ill-treat her?! Without me, would she have been able to enter Jiang City No.1 Middle School!” Nian Chao was extremely displeased. He didn’t think that Nian Yue could have entered the school without his support.

However, Nian Chaoyu had forgotten that Nian Yue was able to enter the school based on her own abilities. It had nothing to do with her surname being Nian.

“Others can see clearly what our family has done, but Yue Yue might not think so.” Wang Meihua added fuel to the fire. It would be a pity if she did not use this opportunity!

“Let’s go, we don’t have to wait for her!” Nian Chaoyu’s face turned completely black as he turned around and left.

Wang Meihua and Nian Yan hurriedly followed behind. Their eyes met and they could see the triumph in each other’s eyes.

After what happened at the Li Family banquet previously, the Nian Family had been totally disgraced.

It would be strange if Nian Chaoyu brought her along this time!

It was already eight o’clock when Nian Yue came back from her run. She went back to her room to take a shower and saw Aunt Liu hesitating to speak. “Second Mistress, why are you still at home?”

“What’s the matter?” Nian Yue raised her eyebrows.

“Old Master and Elder Mistress have gone to the banquet. I thought you would be going too...” Aunt Liu explained. Seeing that Nian Yue was still here, she knew that Nian Yue had been left behind this time.

She felt sorry for Nian Yue. She was clearly the real eldest daughter of the Nian Family, yet she had been abandoned in the countryside from the moment she was born.

Nian Chaoyu brought Nian Yue back home only when she was 18 years old.

Everyone knew what he was thinking.

“No need.” Nian Yue sneered.

She had never treated those people from the Nian Family as family. Naturally, it had nothing to do with her.

Nian Yue had something to do when she went out today. Her lightning power was back, but her wood-elemental power was still weak.

The place yesterday was very helpful for her recovery of her wood-elemental power.

She needed to go there again today.

Not long after she left, she received a call from an unknown number. "Lass Nian, do you still remember who I am?"

A kind old man's voice came through the phone.

"Old Master Yang?" Nian Yue raised her eyebrows.

"It's great that you remember who I am." Yang Kun laughed out loud. "The Yang Family is holding a banquet today. I thought that since I haven't seen you for so long, could you do me the honor of coming over?"

Her relationship with Yang Kun was limited to the previous time she sold the jade piece at Gan Kun Hall. She did not expect Yang Kun to take the initiative to call her this time.

"Of course." Nian Yue agreed readily.

"Alright then, I'll get Xiao Zhao to fetch you." Yang Kun laughed out loud. He had investigated Nian Yue and knew that the Nian Family did not treat her well, so he made this suggestion.

"Thank you." Nian Yue smiled.

Taking a look at the time, Nian Yue saw that there was still some time before the banquet started. Nian Yue slowly walked back to the Nian Family's house. When she reached the entrance, she saw a black car parked there.

"Miss Nian," a man in his twenties, who was wearing a pair of golden spectacles, greeted Nian Yue respectfully.

"You are..." Nian Yue glanced at him.

"I'm Elder Yang's senior secretary. You can call me Xiao Zhao. Today, I'll bring you to attend the banquet." Xiao Zhao was all smiles, but his voice was full of respect.

"Let's go." Nian Yue turned around and got into the car.

"No..." Xiao Zhao looked surprised. When other rich ladies said that they wanted to attend a banquet, they would dress up prettily to attract everyone's attention.

However, Nian Yue was still wearing her school uniform. How could she go just like that?

“What’s the matter?” Nian Yue raised her eyebrows.

“No, no, no...” Xiao Zhao hurriedly shook his head.

The girl in front of him was cold and elegant. She only needed to raise her eyebrows to attract the attention of most people.

Such a young girl, could not hide her natural glow, regardless of what she wore.

At this moment, at the banquet, men and women dressed in glamorous clothes were chatting.

Banquets had always been used by upper-class society to maintain relationships.

The moment Nian Yan followed Nian Chaoyu and Wang Meihua in, she was surrounded by a group of people and the sound of their compliments lingered in her ears.

“This must be Yan Yan. She’s so pretty...”

“That’s right. If Yan Yan wasn’t so young, I would have asked her to be my daughter-in-law...”

...

The group of women praised her non-stop. This greatly satisfied Wang Meihua’s vanity.

Nian Yan, who was standing at the side, lowered her head shyly. However, her eyes were filled with sarcasm when no one noticed.

This kind of high society banquet had always been Nian Yan’s home ground.

Chen Yiran walked over. “Yan Yan.”

A hint of shyness flashed past Nian Yan’s eyes when she saw him. “Brother Yiran, you’re here too?”

“Yes.” Chen Yiran nodded. However, he subconsciously looked to her side. Nian Yue didn’t come?

“Brother Yiran, I was talking to you just now. Why didn’t you answer me...” Nian Yan bit her lip.

“Sorry, I didn’t hear you just now...” Chen Yiran smiled awkwardly.

What the hell? In the past, when Nian Yue pestered him, he would wish that she would die quickly. Now that he did not see her coming, he was actually looking out for her.

How could Nian Yan not see the disappointment in Chen Yiran's eyes? Her nails dug into her palms. She knew that Nian Yue must have been the source of Chen Yiran's distraction and cursed under her breath.

When Nian Yue arrived, the banquet in the hall had already begun. She attracted the attention of most people the moment she arrived.

"Which family is this young lady from? Why is she wearing her school uniform?"

"No, even if she's wearing her school uniform, she's still too beautiful!"

"Whose daughter is this? Why haven't I seen her before?"

"Shh, can't you see? Behind her is Elder Yang's senior secretary..."

With this reminder, everyone fell silent.

More than 90% of those who could attend the banquet today were here for Yang Kun.

Since they were here, this group of people had already investigated Yang Kun thoroughly. How could they not know about Yang Kun's senior secretary!

However, how influential was this young lady to make Secretary Zhao follow her respectfully?
