

The National Goddess Reborn

Chapter 31: Only Failed One

When Nian Yue returned home, the rest of the Nian Family had not yet returned. She could not be bothered with them and went straight to her room to take a shower.

After casually putting on a set of pajamas, Nian Yue then turned on her phone. It was a message from Wang Zhizhi, asking her if she had time to help her compete tomorrow.

“Sure.”

Nian Yue threw her phone onto the bed.

*

Wang Meihua and Nian Yan only returned in the wee hours of the morning. Even though Nian Yan had changed her clothes, she could not hide the paleness on her face.

It was a proper banquet today, yet she had been humiliated so much!

Moreover, it was Nian Yue who did it. She could not do anything to Nian Yue!

When Nian Chaoyu came back, he saw Nian Yan and Wang Meihua sitting on the sofa wiping their tears. On seeing Nian Chaoyu, Wang Meihua cried even harder. “Chaoyu, what are we going to do about today? Yan Yan is still young...”

She had appeared almost naked in front of so many people at such a young age. What would others think if they saw Nian Yan again?

“Alright, I have already gotten someone to delete the footage from the surveillance cameras. The rest of the people should be smart and know what to say and what not to say.” Nian Chaoyu’s face was dark. The Nian Family had a high status in Jiang City, so those people did not dare to gossip.

Only then did Wang Meihua relax. She accidentally noticed the blood on his forehead and was shocked. “Your head...”

“Shut up!” Nian Chaoyu scolded coldly.

Wang Meihua was frightened and didn’t dare to say anything else. She quickly went to get the medical kit to bandage his wound.

Wang Meihua was an extremely smart woman. She knew better than anyone what she should and shouldn't do.

Otherwise, she wouldn't have been able to stay by Nian Chaoyu's side for so many years.

Wang Meihua didn't dare to say anything more and hurriedly bandaged the wound on Nian Chaoyu's face. "Chaoyu, about today..."

"Where's Nian Yue?" Nian Chaoyu leaned on the sofa, his turbid eyes unfathomable.

"She should be in her room..."

"Don't provoke her for the next few days," Nian Chaoyu ordered coldly.

The man with Jiang Jincheng was not someone to be trifled with.

Before figuring out his background, he didn't dare to act rashly.

"Then about Yan Yan being grounded..." Wang Meihua asked hesitantly.

"She can go to class tomorrow." Nian Chaoyu rubbed his forehead. At this moment, his phone rang. After Nian Chaoyu answered the call, his face was as black as charcoal.

"Investigate!"

The cell phone was smashed into pieces by him. Nian Chaoyu felt as if there was a ball of fire in his chest. He could not vent it out no matter what!

Initially, he thought that being threatened by a man without any background at the banquet was already annoying enough. He did not expect that there would be something even worse!

The car that the Nian Family had wanted to get was snatched away by the Lin Family!

Furthermore, the Lin family did not even participate in the bidding!

In the end, someone threw a wrench in the works and completely defeated Lian Jue. How could he not be angry!

Wang Meihua and Nian Yan naturally did not dare to provoke him at this time. Nian Yan returned to her room angrily.

Nian Yue slept all the way until daybreak. When she woke up at five o'clock and ran back, the three members of the Nian Family were already eating. However, Nian Yue did not mind. She went up to the third floor to change her clothes and prepared to leave.

“Miss, you haven’t eaten...” Aunt Liu called after her.

“No need.” Nian Yue waved her off. With one hand in her pocket, she went to wait for the bus.

Instead of sitting together with the drama queen and the other two, she might as well go to the school cafeteria for breakfast.

When she reached the bus stop sign, she saw a black Maybach parked in front of her. The car window was lowered, revealing Lin Nan’s smiling face. “Nian Yue, come on in. I’ll go with you.”

After Nian Yue won the competition yesterday, Father Lin returned the car to him without another word.

Nian Yue opened the car door and sat in the front passenger seat. As the car started, Lin Nan asked her, “Yesterday’s incident was posted anonymously on the forum. Your sister became famous in No.1 Middle School...”

After Nian Yue heard what he said, she did not even look up.

Lin Nan could not figure out what she was thinking. He thought that she was still angry at Chen Yiran for misunderstanding her yesterday. He advised her, “But don’t worry. Chen Yiran’s face was censored. Only your sister...”

“What a pity.” Nian Yue’s lips twitched. “It would be better if we just put the surveillance cameras on.”

“Huh?” Lin Nan was a little stunned.

Wasn’t it because Chen Yiran had hooked up with Nian Yan that Nian Yue had gone to race in a bad mood yesterday?

He remembered that Nian Yue had been infatuated with Chen Yiran.

“Drive.” Nian Yue rolled her eyes at him.

Lin Nan shrugged. He couldn’t afford to offend the big boss. He should just be a good little henchman.

It was only when Nian Yue and Lin Nan arrived at school that they found out how big the incident at the banquet was. Almost all the students were discussing Nian Yan falling into the water yesterday.

Old Master Yang's banquet the day before had been attended by the rich scions of Jiang City. Even though Nian Chaoyu had used his connections to delete the video, it was inevitable that gossipers would upload the photos to the forum.

Most of the students in No.1 Middle School were from wealthy families in Jiang City. Some families were even stronger than the Nian families, so they were naturally not afraid.

When Nian Yue pushed open the door of Class A, the noisy classroom instantly quieted down.

She slowly walked to her seat and leaned against the wall. She took out her phone and started playing the game, her fingers moving quickly across the screen.

Lin Nan was already used to her actions. The legendary Second Mistress of the Nian family was supposed to have come from the countryside and had never seen the world.

However, after interacting with Nian Yue for a long time, he realized how well she had hidden her strengths. She was able to subdue a group of hooligans in a few moves and beat Lian Jue in a race.

He believed that Nian Yue was not only good at these few areas.

She was even better.

The bell rang and the language teacher walked over with the test papers. The class instantly fell silent. The language teacher waved the test papers in his hand and said, "There are 50 people in the class this time, but only one failed."

Class A had always been the best class in No.1 Middle School. Even if this group of students never listened in class, they could get 145 marks for a test paper with 150 marks.

Who could have failed the exam?

Everyone looked at Nian Yue at the same time. The Nian Family's idiotic Second Mistress who had scored a little more than 200 points in the middle school examination.

Sure enough, at the next moment, the language teacher directly read out the score, "Nian Yue, 60 points."

There are a total of 150 marks for high school language and 90 marks was the passing grade, but she only scored 60 marks.

60 points had broken Class A's record. This was because no one had failed the exam since Class A existed!

Everyone was speechless. This group of students was used to being wild and had never taken the teachers seriously.

“I told you we shouldn’t have let that idiot come over! No matter how rich her family is, she can still fail the Chinese Literature examination! If such trash stays in Class A, it will lower Class A’s standards!”

“Right, get out of here...”

“What a waste of space! Get out of Class A!”

Chapter 32: The Newcomer is Wild and Arrogant

Lin Nan subconsciously glanced at Nian Yue. The cold girl was still leaning against the wall, her fingers flying across the screen.

Finally, Nian Yue raised her head after she was done with the last Boss. Her cell phone slid in a circle in her hand. Then, she spoke slowly with a hint of nonchalance in her voice, “The person who drove a car and killed a family of three and wanted a poor relative to take the blame...”

Before she could finish her sentence, the boy who was the most arrogant earlier turned red. “What nonsense are you talking about?”

Last year, he had raced with a group of friends and caused the death of a family of three. This matter was settled by his grandfather.

This matter had been kept very secret. No one knew how Nian Yue found out about it.

“Look, you’re really quick to catch on...” Nian Yue sneered, her eyes filled with mockery.

“You...”

The boy wanted to say more, but his deskmate tugged at his sleeve and he sat down reluctantly.

Other than good grades, most of the people in Class A had power and influence. Who hadn’t done something disgusting?

Everyone present was smart. Although Nian Yue had casually told them about the boy, no one dared to take it to heart.

The first Chinese language class was over, and the second was the form teacher's math class. Duan Yu asked the class representative to hand out the papers before knocking on the blackboard. "In this test, our class only has one perfect score. The highest score is 145, Lin Nan!"

Lin Nan was playing games with his head lowered when his name was suddenly mentioned. He looked up and said, "Am I not second..."

Although Lin Nan had his issues, his results should have been good. Otherwise, Old Master Lin wouldn't have left him alone until now.

"You're quite proud to be second. Do you want me to send the test paper to Old Master Lin for him to see?" Duan Yu shot him a warning glance.

"This is so boring..." Lin Nan laughed dryly and changed the topic. "You haven't told us who is so awesome to get full marks?"

He had absolute confidence in his talent in mathematics.

If even he had only scored 145, no one else could.

"Nian Yue, 150!" Duan Yu knocked on the blackboard. "Other than the few multiple choice questions in Chinese, the rest are full marks!"

When Duan Yu said this, the students below instantly went into an uproar!

"How is that possible?! She's just a country bumpkin from the countryside. She barely passed the foundational standard for middle school exams. How can she have gotten full marks for everything else?!"

"Teacher, did you get the wrong name? How can Nian Yue get full marks!"

"That's right, the mathematics this time is so difficult..."

...

A group of students complained. This group of straight As students usually scored at least 140 marks for their exams. Very few of them scored full marks.

Not to mention full marks for all subjects!

However, Nian Yue had actually achieved the score that they could not break through no matter what!

This group of people was extremely indignant.

“Quiet down.” Duan Yu knocked on the blackboard and said, “I’ve seen Nian Yue’s exam papers. She had applied tertiary concepts like calculus, linear algebra, and mathematical statistics...”

Although this group of rich kids had learned these, very few people could integrate them to answer questions during exams. Yet, Nian Yue had done it.

“Teacher, I don’t believe it unless she proves it herself!” Someone stood up to express his dissatisfaction.

“That’s right, Teacher. Nian Yue was admitted into No.1 Middle School by her father because of her poor results in the countryside. If she can do so well, I’ll write my name backwards!”

“Clang!” A loud sound was heard. The person who had been swiping her phone suddenly stood up and kicked the table. “Shut up!”

“What? You cheated, and you don’t allow others to say it?!” Someone stood up, unconvinced. “As expected of a fool, you don’t even have the courage to admit it after cheating... Ah!”

Before the boy could finish speaking, he felt a pain on his head!

A warm feeling spread on his forehead. The boy reached out to touch it and realized that his palm was bright red!

“Blood, it’s bleeding...”

The classroom was in a mess. Duan Yu was about to send him to the infirmary when she was stopped at the door.

Nian Yue had walked to the podium. Her fair fingers were holding a piece of chalk. She glanced at the boy and said coldly, “Sit back.”

The boy wanted to retort, but when he met her gaze, he felt a chill in his heart and subconsciously returned to his seat.

“Watch carefully. This is the last question for mathematics.” Nian Yue sneered and turned around to write on the blackboard.

At the start, the other students were just watching the show. She was just an idiot from the Nian Family. She probably could not even understand math questions. How could she have gotten full marks?

But two minutes later, the students’ expressions changed completely!

Three minutes later, the group of students who were waiting to laugh at a joke were stumped!

This was because for such a difficult math question, Nian Yue had only taken three minutes to solve it!

She had solved it in a few steps!

It was completely different from the method they used!

Yet, they could still understand it...

This was a slap in the face for the class!

"Can you understand it?" Nian Yue raised her eyebrows and threw the chalk into the rubbish bin accurately.

The boy nodded subconsciously.

It was because the aurae coming from Nian Yue was too strong, making people subconsciously obey!

The group of boys who were clamoring just now lowered their heads in shame. They could understand the method Nian Yue used, but they could not use it themselves.

The class fell silent once again. Nian Yue had one hand in her pocket as she slowly returned to her seat.

Then she unzipped her uniform and rolled up her collar.

From an outsider's point of view, one could only see the exquisite collarbone, which was glowing white.

"Nian Yue, how did you manage to hit the corner of the book on Wang Zi's head?" Lin Nan turned around and asked curiously.

If not for the fact that he was still in class, he would have knelt down to acknowledge her as his teacher.

"A casual toss," Nian Yue answered casually. "Is the next class about sports?"

Lin Nan's lips twitched. Seeing that she was not interested, he did not dare to ask further.

Which big shot could casually throw a book at someone's head and cause them to bleed, and then stop the bleeding after two minutes?

After what happened just now, the students in the class never looked at Nian Yuei in the same way again.

The new transfer student was wild and arrogant, but yet she liked to nap.

Even school tyrant Lin Nan had become her follower.

After class, the students went to the field in twos and threes. Nian Yue opened her eyes groggily when class was about to start.

Most of the students in the classroom had already left. Lin Nan had a competition later, and he had already told her before he left.

Nian Yue stretched her body before heading out.

She came out of the bathroom and walked to the sink. She turned on the tap and the water ran over her fingers.

“She’s Nian Yan’s younger sister?” A girl’s voice came from the side.

The mocking laughter of the crowd rushed into Lin Nan’s ears.
