

The National Goddess Reborn58-63

Chapter 58: Nian Chaoyu's Plan

Fu Xiuyuan was already the most aloof person he knew.

However, Nian Yue seemed even colder.

"Mm." Fu Xiuyuan nodded, his slender fingers rubbing his temples. "Have you seen the Lin family's plan?"

"Tdid."

Jiang Jin Cheng followed him into the room, poured a glass of water for Fu Xiuyuan, and poured himself another. "Shocking."

This was the only adjective he could think of.

It was not an exaggeration to say that the proposal and content were written by an experienced businessman.

No.

He might not even be able to write something like this in a short time

"Offer help where necessary," Fu Xiuyuan instructed coldly, his slender fingers caressing the glass, his eyes deep.

“The person who looked for Captain Jiang has a suspect...” Jiang Jincheng leaned on the sofa.” I think it’s someone from Country R...”

Over the past few years, although the two countries seemed to be living in harmony on the surface, there were many grudges between them.

“Liang Yue is quite free at this stage.”

“Alright...”

Jiang Jincheng agreed readily. “I’ll contact him right away, but is there a need to make such a big fuss...”

It was just a small school in Jiang City. Under normal circumstances, he would not even pay attention to it.

Even though he asked, Jiang Jincheng contacted Liang Yue immediately.

When Nian Chaoyu returned, dinner was already prepared. He glanced at the clock on the wall and asked with a cold expression, “Where’s Nian Yue?!”

“Daddy, Yue Yue moved out today...” Nian Yan added, “I thought she told you...”

“Rascal!” Nian Chao slapped the table angrily. “Let her leave and not come back!”

It had been less than two months since Nian Yue came from the countryside and she did not have a single cent with her. Since she had left the Nian Family, he did not believe that she could stay outside for long!

“But... Yue Yue said before she left that she would never return...” Nian Yan added fuel to the fire.

“Wanted to persuade Yue Yue to stay, but she refused...” Wang Meihua added.

“Alright! Let her go! I don’t think she can survive out there without the Nian Family!” Nian Chao was furious. “Once I withdraw the Nian Family’s investment in No.1 Middle School, whether she lives or dies outside has nothing to do with the Nian Family!”

At this moment, Nian Chaoyu really wanted to kill Nian Yue.

He had lived for forty to fifty years, but this was the first time he had encountered someone like Nian Yue who was unmoved by force or persuasion.

Nian Yan’s lips curled up in a corner. Great, now that Nian Yue had lost the protection of the Nian Family and had a vixen-like face, she would not be able to survive Jiang City for more than a few days!

Nian Chaoyu went upstairs without eating and immediately called his assistant. “Don’t bother about Nian Yue’s matters in No.1 Middle School. Cut off all her sources of money!”

He did not believe that Nian Yue would not come back to look for him!

***Chaoyu..”**

Wang Meihua came in with a cup of tea and quickly calmed him down. “Don’t be angry... It’s not worth it...”

Nian Chaoyu took a sip of tea and felt less depressed. Wang Meihua continued to add fuel to the fire, “It’s good that she’s gone. When the time comes, we can say that she willingly broke off relations with the Nian Family. She’s not a part of the Nian Family, so the right to inherit the Nian Family assets naturally has nothing to do with her...”

‘Wang Meihua had planned this well. Now that Nian Yue was no longer related to the Nian family, she would have to give up the right to inherit.

Furthermore, without the Nian Family’s protection, it would be even easier for her to kill Nian Yue outside.

“As for Nian Yu...” Nian Chaoyu frowned.

Since Nian Yue had no power or influence, he was naturally not afraid. The most important thing was Nian Yu.

“Nianyu has a project overseas and won’t be back for at least half a year.” Wang Meihua winked at him. She was already leaning close to Nian Chaoyu.

At this time, she naturally could not let Nian Chaoyu soften his heart towards Nian Yue.

As long as half a year passed and Nian Yu did not return, Nian Yue was good as dead.

It was obvious that Nian Chaoyu took her bait. When he saw her leaning towards him, he grabbed the softness of her chest and asked, “You did it again?”

“Annoying!”

Wang Meihua pinched her throat as the two of them rolled together.

Nian Chaoyu might look serious on the outside, but he liked this kind of deep-seated seduction.

Otherwise, she would not have hooked up with him. How could a dignified rich missy like Li Shu be her match?

After a weekend, she went to class on Monday morning. The students in the class looked at her differently.

Some were curious and some were gloating.

Nian Yue was already used to such gazes. The news of her beating up Chen Yiran at Class B had already spread throughout the school.

Furthermore, she had moved out of the Nian family. With Nian Yan's mouth, who knew what kind of rumors would spread in school.

The students in the class immediately quieted down when they saw her enter.

She carried her bag with one hand and slowly walked to her seat.

When Wang Zhizhi saw her turn around, she asked with concern, "Nian Yue, did you really move out of the Nian family?"

"Yeah."

The cold girl nodded, her slender fingers twirling the pen in her hand. "I'll take notes."

"Huh?" Wang Zhizhi was dumbfounded.

"This, this, and this. I didn't get it very well." Nian Yue pointed to a few questions in the book. "Take notes."

Wang Zhizhi hurriedly nodded and went back to listen attentively.

If even the big boss could not understand the questions, she would have to pay more attention in class.

Nian Yue leaned against the wall. There was a hint of coldness in her eyes as her slender and fair fingers spun the pen around. There was a hint of playfulness in her smile.

“Student Nian Yue, the principal is looking for you.” The class monitor’s voice came from the door.

Nian Yue stood up from her seat with one hand in her pocket. Her expression could not be seen clearly.

Nian Yue entered the principal’s office. Principal Wang was brewing tea. When he saw her, a smile immediately appeared on his face. It was a kind smile. ” Nian Yue, it’s good to see you.”

“What’s the matter, Principal?” Nian Yue raised her eyebrows.

Principal Wang felt a little uneasy when he saw her. “Thank you for drawing out the layout plan for the bomb siege last time...”

He only found out about this later, but if it weren’t for the Nian Yue, No.1 Middle School would have been razed to the ground.

“Yes.” The cold girl only nodded her head without any emotion in her eyes.

Principal Wang could not figure out what she was thinking. If he had initially thought that this student was talented in her studies, he would have recruited her.

But now, this student not only had talent in learning, but also other disciplines that he did not know about.

“It’s just that in future fights... cough cough...” Principal Wang coughed dryly.

The Chen family had already caused a ruckus at the school but he had kept the situation under control.

Nian Yue was a good student, but she was a little violent. She would not say anything if she could use violence.

To think she could even beat up her ex-boyfriend to such a state.

Chapter 59: Let Her Go

“Is there anything else, Principal?” Nian Yue raised her eyebrows, looking a little impatient.

“No, no.” Principal Wang hurriedly nodded. Seeing that Nian Yue had walked to the door, he thought of something. “Zhang Wei asked you to contact her when you have time. She’s not in a hurry.”

His response was the sound of the office door closing.

Principal Wang touched his nose. This was the first time he had met someone Zhang Wei was so eager to take in as a disciple.

However, the other party was unwilling.

*

After school, Nian Yue and Lin Nan left together.

It was the same place where they bought books previously. Nian Yue was carrying her bag with one hand. Not far away, there was a group of hooligans. Nian Yue was frowning and looked a little impatient.

Lin Nan was still holding a cup of milk tea. He did not expect this to happen. Looking at the figure not far away, his eyes darkened. “It looks like Wang Zhizhi

Xinhua Bookstore was very close to No.1 Middle School. Logically speaking, the security measures here should be very good.

The leading hooligan was blocking Wang Zhizhi in the corner. “Zhizhi, it’s been so long since we last met. Do you miss me?”

The boy looked like he was about 17 or 18 years old. He spoke vulgar words as he prepared to kiss Wang Zhizhi.

“If you continue like this, I’ll call the police...”

Wang Zhizhi’s voice was trembling as she subconsciously tightened her grip on her bag strap.

“Call the police and I’ll say that you seduced me... Everyone knows that you like me...”

Cheng Du sneered and unzipped her school uniform before reaching his hand inside.

“No.”

Wang Zhizhi shook her head vigorously. Her eyes were glistening with tears, but other than hugging the laptop tightly in her arms, she could not move at all.

“Although you’re a little young, I can at least let your mother live for two more years if you do my bidding... These two years will cost a lot of money...” he whispered into her ear as he unzipped her school uniform and stroked inside.

“Let her go.”

The cold voice of a young girl could be heard. The young girl cut a detached figure and she looked proud and upright.

“Hey, Nian Yue... You can’t even protect yourself now and you still have the time to meddle in other people’s business?” Cheng Du sneered and did not stop what he was doing.

“I told you to let her go...” Nian Yue’s eyes turned dark and her voice became deeper.

“So what if I don’t let her go... Ah!” Before he could finish his sentence, Nian Yue walked over and kicked his leg!

‘What followed was a scream like a pig being slaughtered!

One of his hands was stepped on by Nian Yue. "How many times has it been?"

"You want to save the damsel in distress?" He rolled on the ground in pain but did not forget to show off. "Wang Zhizhi has been played by me countless times... Ah!!!"

'What followed was the sound of Nian Yue stepping on his face.

The other hooligans were also scared out of their wits. Last year, she had bashed Cheng Anran with a stool and Father Cheng was not able to do anything apart from raising a ruckus in school.

They knew that transfer students were arrogant, but they did not expect her to be so ruthless when she fought.

Nian Yue's lips curled into a mocking smile. She took off her school jacket and placed it on Wang Zhizhi. All that was left on her was a black T-shirt.

"Reason?" Nian Yue sneered and swept her sharp gaze across the few of them.

The leading hooligan immediately told her everything.

Wang Zhizhi was only the illegitimate daughter of the Wang family. Her biological mother was only the housekeeper of the Wang family, and her father raped her when he was drunk.

Later, Madam Wang fell sick and couldn't afford Wang Zhizhi's expenses, so she gave her to the Wang family.

The Wang family gave Wang Zhizhi the title of Eldest Young Miss, but she did not receive a single cent.

She only managed to make some money using her talent in computer science.

However, this amount of money was nothing compared to Madam Wang's treatment fees.

Wang Zhizhi had to borrow money from the Cheng family which ran a loan shark operation. She was harassed again and again, and this time, she was taken advantage of at the entrance of Xinhua Bookstore.

"How much?"

"Five... Five hundred thousand..." That person stretched out his hand with difficulty.

"Send her back." Nian Yue turned around and instructed Lin Nan.

"Are you going there by yourself?" Lin Nan held Wang Zhizhi with worry in his eyes.

"Yes." Nian Yue nodded and picked up her bag from the ground. "Lead the way."

Wang Zhizhi buried her face in her clothes. Her face was so pale that it was almost transparent, but most of it was because she was embarrassed that someone she knew had bumped into her. She used her hand to hold on to the corner of Lin Nan's shirt tightly and pleaded, "No..."

A shadow loomed over her. The cool young woman was already in front of her. Nian Yue crouched down and met her gaze. "You're not in the wrong."

These few simple words miraculously calmed her heart.

*

The few hooligans drove the car over. Nian Yue got into the passenger seat and said, "Lead the way."

She would not have meddled if this matter did not involve Wang Zhizhi.

In the past, the Cheng family had been involved in illegal businesses. They only started doing legitimate business in recent years after doing well.

Even so, they continued with their loan shark activities.

The place where the loan sharks operated was a famous underground club in Jiang City. Although Jiang City was a first-tier city, it was more like a city that was not controlled by any authority.

It had its own set of laws that surpassed all other laws.

Otherwise, the Cheng Family would not have been able to develop so rapidly despite having involved so many lives.

A few hooligans brought her to the underground club. The cold girl got out of the car. "Lead the way."

The leading hooligan complained, "We can't get in if there's no one we know."

Usually, they had to enter by hierarchy. Now that it was broken by her, they could not enter either.

The cold girl raised her eyes slightly. Her glance was extremely threatening. The hooligan felt a chill down his spine and immediately ran to the front to lead the way.

"Hello, please show me your membership card." The leading waiter smiled insincerely.

Before he realized it, that person had already fainted from her attack and was lying on the ground.

Nian Yue then sauntered in.

– Underground Club Office –

'When Cheng Hao saw the contents of the surveillance camera, he sneered. "I thought the Wang family was capable, but they sent a young lady over."

"President Cheng, Master..."

Someone rushed over and whispered something into his ear. Cheng Hao's expression immediately changed!

"Who did this?!" Cheng Hao's face turned cold as he rushed out.

However, before they could open the door, someone had already kicked it open from outside. A young girl in a black shirt had one hand in her pocket and her gaze was cold. "Cheng Hao.."

Chapter 60: I'll Grant Your Wish

"It's you?!" Cheng Hao exploded when he heard her voice. "You're the one who crippled Du'er?"

"Five hundred thousand."

Nian Yue threw her backpack over. There was a bank card in her hand. "The password is 6-0. Wang Zhizhi's debt is all here."

She held the bank card between her index finger and middle finger. Before he could do anything, the bank card was thrown onto the table behind Cheng Hao.

“Do you think you can borrow money as you wish and return it as you wish?” Cheng Hao sneered. He took out a pistol from his waist and played with it casually. You attacked An Ran with a stool and crippled Du’er’s arm. Do you think you can leave here alive?”

He wondered why this little girl looked so familiar. Now he remembered. Previously, Cheng Anran had suffered grievances in school and was assaulted by someone with a stool. She had been stitched up more than ten times, and the Cheng family could not even demand an explanation!

And wasn’t it Nian Yue who injured Cheng Anran?!

“Won’t you know if you give it a try?” Nian Yue sneered. The silver bracelet on her fair wrist made her fair wrist appear even more slender. It was as if she could break it with just a slight force.

As soon as she finished speaking, the group of people behind her had already filed in!

‘The underground club was a place where the good and the bad mixed together. This place was in a no man’s land. If someone really died here, nobody would find out!

The girl was extremely fast. As soon as she finished speaking, a small silver pistol appeared in her hand!

Bang!

Bang!

Bang!

Several gunshots rang out. Nian Yue’s position just now had several bullet holes!

If she had not dodged it, the consequences would have been unimaginable!

The young girl had already dodged the bullets the moment they were about to hit her. She instantly appeared behind Cheng Hao. “Second Young Master Cheng, if you want to die here, I can fulfill your wish.”

Her tone was still languid, but Cheng Hao felt the cold bullet hole on his forehead, which made his heart palpitate.

“Five hundred thousand, not a single cent less.” Nian Yue raised her eyebrows and raised her hand slightly. The bank card that was on the desk just now had already reached her hand. “If you find trouble with Zhizhi again, the next person to be maimed will be you, understand?”

She was clearly just an underage girl, but when she spoke, there was a hint of impatience in her lazy tone. She was extremely arrogant.

The Second Miss, who was kicked out of the Nian Family, was a country bumpkin from the countryside. Yet, she was so arrogant and dared to speak to him in such a tone.

Nian Yue put away the pistol in her hand and left with one hand in his pocket.

The remaining people still wanted to take action, but when they met Cheng Hao’s gaze, they all kept their guns.

“Let Big Brother investigate her identity.”

How could a young lady from the countryside have such skills?

Cheng Hao’s eyes were gloomy. Her assaults on Cheng Anran and Cheng Du will be the basis of his grudge with her!

*

In a milk tea shop near No.1 Middle School, Lin Nan handed a drink to Wang Zhizhi. “Here.”

He had never been disciplined since he was young, and he had never interacted with girls before. It was especially awkward to have witnessed what Wang Zhizhi had just experienced.

“Thank you.” Wang Zhizhi took the milk tea and took a sip.

There was a red palm print on her face. She had been slapped when she resisted.

The door was pushed open and a young girl in a black shirt walked in.

Nian Yue walked over to their seats and sat down. She rolled up her sleeves and instructed Lin Nan, "A tube of ointment, a pack of cotton swabs, and a set of S size female clothes."

Her tone was still nonchalant, but it was laced with orders.

Lin Nan nodded and left.

In an instant, there were only two people left at the table.

Wang Zhizhi held on to her milk tea. Her knuckles turned white from the force she exerted.

"I will help you settle the matter with the Cheng family." Nian Yue lifted her eyes and tapped her slender fingers on the table. "The prerequisite is that you break ties with the Wang family."

Hearing this, Wang Zhizhi finally raised her head and looked into those bottomless eyes.

"How... did you know..."

Wang Zhizhi held onto her cup of milk tea and spoke softly.

"The Wang family is not your final destination, is it?" Nian Yue crossed her arms and said calmly.

"Yes..." Wang Zhizhi nodded with difficulty.

She would languish in that kind of hellish family forever.

“You have the technology, I have the money,” Nian Yue said calmly. “The choice is in your hands.”

She gave Wang Zhizhi the right to choose. The Wang family was a tiger’s den while the Cheng family was a bottomless abyss.

If Wang Zhizhi wanted to do it alone, she would not stop her.

Wang Zhizhi lowered her head. The milk tea cup was twisted by her, but she did not dare to nod.

The cold girl didn’t seem to be in a hurry at all, She took out her phone and looked at the time. Then, she started typing on it, not knowing what she was doing.

Wang Zhizhi bit her lower lip, clearly struggling internally.

After a long time

“Alright.” Wang Zhizhi finally nodded, but her voice had already become firm. “I believe you.”

she knew Nian Yue’s capabilities. Instead of saying that she had been kicked out of the Nian Family, it would be better to say that she had left the Nian Family on her own.

“I will pay you for the investigations I ask you to do. The payment will be according to the difficulty of the mission.” Nian Yue knocked on the table, her deep eyes moved a little.

“I found out what you asked me to help you investigate the last time.” Wang Zhizhi put down the milk tea and took out her laptop from her bag, She sent the information directly to Nian Yue. “This is the information on that man back then...”

When Nian Yue opened it, it was still a video.

In the video, a man in a white coat entered the bathroom and changed into a black coat. He put on a hat and left the hospital.

The video showed the man coming out of the hospital in a black car. When he reached the crossroad, there was a red light. However, there was a car behind him that crashed into the car!

“The driver was drunk. The doctor died on the spot. This incident was even on the news,” Wang Zhizhi explained.

However, Nian Yue narrowed her eyes. From the video, she could clearly see that the red car was driving normally at the start. It only accelerated abruptly when it reached the intersection.

There was something wrong with that car and that man.

“Tunderstand.” Nian Yue’s eyes darkened. It seemed like Li Shu’s death was not a simple accident.

Perhaps, it had something to do with Wang Meihua.

When Lin Nan returned from shopping, Nian Yue handed the clothes to Wang Zhizhi. “Those people won’t dare to bully you when you have become stronger.”

Wang Zhizhi grabbed the clothes in her hands and nodded vigorously. “Yes!”

There was more determination in her voice now..

Chapter 61: Do You Know How Many People Protect Her?

At the same time

In an overseas surveillance room

The computer screen that had a clear projection turned black.

“What’s going on? What is Wang Zhizhi doing?!” The man who was monitoring them was so angry that he almost swore!

They had been on the trail for so long. They thought that there would be a turning point, but the website has been attacked again.

“There’s an update from Wang Zhizhi that she’s not doing this business anymore,” someone reported.

‘Wang Zhizhi was not an official member of the Hacker Alliance. She would only help the Hacker Alliance to investigate occasionally.

As they could not get close to Nian Yue, they had Wang Zhizhi assist them in the surveillance.

“Doesn’t she need to pay for her mother’s medical expenses?” The man at the head of the table looked at the big screen, and the expression in his eyes could not be seen clearly.

“She didn’t say...”

Someone whispered.

So far, Wang Zhizhi was the most useful person they had recruited. Unfortunately, she had decided to quit.

“Useless thing!”

The man on the main seat was so angry that he smashed the big screen. “You can’t even tail a person properly!”

“No... that girl’s counter-reconnaissance awareness is too strong. We’re not her match...”

They felt ashamed.

The group of people had years of experience, yet they could not defeat a little girl.

“Remove them first.” The person waved his hand and said coldly, “Officer Lu didn’t manage to rope her in. There’s no need to rush.”

She didn’t even want to do Officer Lu a favor, let alone the man standing at the top of the pyramid in the capital.

This matter seemed to be getting more and more tricky.

*

At this moment, in the hospital ward, Nian Chaoyu’s face was as black as the bottom of a pot as he looked at the patient on the bed.

Cheng Du’s father’s face darkened. Cheng Du’s mother walked in hurriedly with her high heels. When she saw Nian Chaoyu, she asked, “Are you that child’s parent?! The last time you beat An Ran up, this time you beat Du Er up badly! Is this how you educate your child?!”

“You’re going overboard with your words. It’s Nian Yue’s fault for hitting her. It has nothing to do with us.” Wang Meihua put on a fake smile and pushed all the responsibility away. “We’ve never raised this child from the beginning to the end. If she went astray, why is it my fault?”

Cheng Du’s mother knew a little about the Nian Family. “I don’t care! Get someone to apologize to Du Er! Otherwise, don’t blame me for turning my back on you! Send her to the juvenile detention center!”

Although Nian Yue was still underage, her future would still be ruined if she was sent to a juvenile detention center. It would be equivalent to having a criminal record.

“Call Nian Yue over!” Nian Chaoyu ordered coldly with a dark face.

She had only been out of the Nian Family for two days and she had almost killed someone.

When Nian Yue received the call, she had just come out of the milk tea shop. She was still wearing that black shirt and her school pants were rolled up, revealing her slender ankle.

After she hung up the phone, Nian Yue sneered and headed straight to the hospital with her bag in one hand.

At this moment, there was a sense of oppression in the ward. The door was kicked open from the outside and a young girl with one hand in her pocket had unknowingly appeared at the door of the ward.

“What’s the matter?” she asked succinctly, as if she didn’t even want to say another word.

“Were you the one who attacked Du Er?” Cheng Zheng’s mother’s eyes turned red when she saw her. “Indeed, a wild girl who grew up in the countryside does not have any skills. She is only good at fighting!”

“Yue Yue, come over and apologize to your Auntie Cheng...” Wang Meihua walked over with a loving look on her face. “No matter what, you can’t hit someone. If someone dies, the Nian family won’t be able to cover for you. Furthermore, you’re no longer a member of the Nian family...”

These words had completely pushed away the responsibility, but it also clearly told the Cheng family two things.

Nian Yue almost killed someone.

Nian Yue was not a member of the Nian Family. They did not care what the Cheng Family wanted to do.

Nian Yue had one hand in her pocket, as if she was too lazy to even enter the ward. She raised her eyebrows slightly and said, “I was the one who hit him.”

She admitted it very quickly and Cheng Zheng’s mother almost jumped up again.

“Look, you don’t have any remorse at all! Call the police and let the police deal with this!” Mother Cheng was so angry that she wanted to get her hands on her several times. However, when she met Nian Yue’s bottomless eyes, her heart instantly fell.

Those eyes were too cold.

“The surveillance camera is still with me. I wonder if we should hand it over together?” Nian Yue raised her eyebrows. She was still holding onto the USB flash drive.

“So what if there are surveillance cameras? It’s all because of you!” Mother Cheng had long disliked Nian Yue and called the police station. “Brother, come over. Your nephew was almost beaten to death!”

Mrs. Cheng’s family used to run a small business. Later on, they met a benefactor and someone in the family became a government official. In addition, Mr. Cheng used to do illegal things and planted people at the police station. That was why the Cheng family was able to do whatever they wanted in Jiang City.

Nian Yue was eerily quiet from start to finish. She even leaned against the wall, switched on her phone, and started a game.

In an instant, the ward was so quiet that only the sound of footsteps could be heard from the corridor.

Nian Chaoyu looked at her coldly and walked away. “She will stay behind. You can deal with her however you wish.”

Wang Meihua snorted and followed. She had extricated herself completely.

Nian Yue lowered her head and played the game. From the start till the end, she did not even look at anyone.

Twenty minutes later, someone rushed in.

“Brother, you’re finally here. Look at what she did to Du Er!” She said to Nian Yue, “A student like you will be a disaster if you stay in No.1 Middle School

Pa!

However, before Cheng Zheng's mother could finish her sentence, she was slapped!

It was Chief Jiang. When he saw Nian Yue, he had a fawning smile on his face as he said, "Miss Nian, I'm really sorry for taking up so much of your time."

Nian Yue raised her eyes and her gaze was terrifyingly deep.

"Is there anything else?"

"No, no. Do you need to go back? I'll get someone to send you back." Director Jiang was about to make a call to send her back.

"No need." Nian Yue stuck one hand into her pocket and threw the surveillance footage at him. "Deal with it yourself."

Her words were casual but extremely oppressive.

"Brother, are you letting her go just like that?" Cheng Zheng's mother couldn't react for a long time.

She had asked someone to stand up for her, but she ended up getting beaten up.

"If you don't let her go, you'll have to bear the consequences!" Chief Jiang glared at her fiercely. "Do you know how many people are protecting her?"

Officer Lu from the military, the Lin family, and even Jiang Jincheng from the capital were involved.

If anything were to happen to Nian Yue here, he could guarantee that the Cheng family would not be able to see the light of day.

"But An Ran and Du Er..." Mother Cheng was still a little unwilling.

Just like that, she suffered a huge loss.

“Be careful when you see her next time. She’s not someone we can afford to offend.” Chief Jiang wiped the sweat off his forehead.

Because he came in a hurry, his face was already covered in a layer of cold sweat.

Director Jiang seemed to have thought of something as he hurriedly left.

Nian Yue had given him the USB flash drive. He might really have to put justice before family..

These words had completely pushed away the responsibility, but it also clearly told the Cheng family two things.

Nian Yue almost killed someone.

Nian Yue was not a member of the Nian Family. They did not care what the Cheng Family wanted to do.

Nian Yue had one hand in her pocket, as if she was too lazy to even enter the ward. She raised her eyebrows slightly and said, “I was the one who hit him.”

She admitted it very quickly and Cheng Zheng’s mother almost jumped up again.

“Look, you don’t have any remorse at all! Call the police and let the police deal with this!” Mother Cheng was so angry that she wanted to get her hands on her several times. However, when she met Nian Yue’s bottomless eyes, her heart instantly fell.

Those eyes were too cold.

“The surveillance camera is still with me. I wonder if we should hand it over together?” Nian Yue raised her eyebrows. She was still holding onto the USB flash drive.

“So what if there are surveillance cameras? It’s all because of you!” Mother Cheng had long disliked Nian Yue and called the police station. “Brother, come over. Your nephew was almost beaten to death!”

Mrs. Cheng's family used to run a small business. Later on, they met a benefactor and someone in the family became a government official. In addition, Mr. Cheng used to do illegal things and planted people at the police station. That was why the Cheng family was able to do whatever they wanted in Jiang City.

Nian Yue was eerily quiet from start to finish. She even leaned against the wall, switched on her phone, and started a game.

In an instant, the ward was so quiet that only the sound of footsteps could be heard from the corridor.

Nian Chaoyu looked at her coldly and walked away. "She will stay behind. You can deal with her however you wish."

Wang Meihua snorted and followed. She had extricated herself completely.

Nian Yue lowered her head and played the game. From the start till the end, she did not even look at anyone.

Twenty minutes later, someone rushed in.

"Brother, you're finally here. Look at what she did to Du Er!" She said to Nian Yue, "A student like you will be a disaster if you stay in No.1 Middle School

Pa!

However, before Cheng Zheng's mother could finish her sentence, she was slapped!

It was Chief Jiang. When he saw Nian Yue, he had a fawning smile on his face as he said, "Miss Nian, I'm really sorry for taking up so much of your time."

Nian Yue raised her eyes and her gaze was terrifyingly deep.

"Is there anything else?"

“No, no. Do you need to go back? I’ll get someone to send you back.” Director Jiang was about to make a call to send her back.

“No need.” Nian Yue stuck one hand into her pocket and threw the surveillance footage at him. “Deal with it yourself.”

Her words were casual but extremely oppressive.

“Brother, are you letting her go just like that?” Cheng Zheng’s mother couldn’t react for a long time.

She had asked someone to stand up for her, but she ended up getting beaten up.

“If you don’t let her go, you’ll have to bear the consequences!” Chief Jiang glared at her fiercely. “Do you know how many people are protecting her?”

Officer Lu from the military, the Lin family, and even Jiang Jincheng from the capital were involved.

If anything were to happen to Nian Yue here, he could guarantee that the Cheng family would not be able to see the light of day.

“But An Ran and Du Er...” Mother Cheng was still a little unwilling.

Just like that, she suffered a huge loss.

“Be careful when you see her next time. She’s not someone we can afford to offend.” Chief Jiang wiped the sweat off his forehead.

Because he came in a hurry, his face was already covered in a layer of cold sweat.

Director Jiang seemed to have thought of something as he hurriedly left.

Nian Yue had given him the USB flash drive. He might really have to put justice before family..

Chapter 62: Wang Meihua's Intentions

On the second day of class, Nian Yue was still feeling a little cold.

Nian Chaoyu had given her a call yesterday, and she could have chosen not to go. In the end, she still went because she wanted to see if Nian Chaoyu had any feelings for this body.

As it turned out, she was overthinking.

Nian Chaoyu could bring himself to leave without hesitation.

That was good too. Since she had other things to do, she would be able to focus on her own things without being tied to the Host.

In the afternoon, Nian Yue and Lin Nan went to the field slowly. The physical education classes for Class A and Class B were usually held together.

After the previous incident where she played basketball with Class A's students and even won against Class B during the Lunar New Year, the entire Class B looked at her differently.

Nian Yan and Chen Yiran appeared at the same time. They saw a cold-looking young girl wearing a black shirt and black pants. She had her earphones on and her fingers flew across the screen.

"Theard from my dad that Nian Yue severely injured Cheng Du yesterday..." Nian Yan bit her lower lip and spoke carefully.

"Cheng Du? Didn't their family become corrupted?" someone whispered.

Cheng Du was known to be unruly. He was on par with Lin Nan.

The difference was that Lin Nan had his threshold and never touched girls.

It might not be the case with Cheng Du. It was said that he had caused a high school junior to go for an abortion in a small clinic and she almost died from massive bleeding.

The girl's parents came to the school to demand an explanation, but the matter was left unsettled.

"I don't know. He was admitted to the hospital yesterday and called my parents over..." Nian Yan said softly, "But in the end, she refused to let my parents take care of her and said that she had left the Nian Family..."

"Hmph." Chen Yiran sneered. "It was right for your parents not to meddle in this. Bringing this home will only create trouble for your parents."

He had not forgotten that Nian Yue had rushed to Class B and beaten him up. He had long wanted revenge.

Yet, he could not find an opportunity.

"But, how did she come back yesterday?" Nian Yan's eyes were filled with innocence. "Could she be..." She did not finish her sentence, but the classmates who were with him understood almost everything.

Cheng Du was extremely lecherous and Nian Yue was beautiful. It was unknown what happened between them.

Nian Yue, who was playing games, heard the commotion and only lifted her eyes to glance at them.

Nian Yan lifted her head and coincidentally met that pair of bottomless eyes. In that instant, she felt a chill down her spine.

The corner of Nian Yue's lips twitched. She spun the cell phone in her hand and made a pose as if she was about to smash it. Nian Yan suddenly covered her head and jumped up!

ant”

Her voice was shrill. When the other students heard her voice, they all looked over subconsciously.

“It's fine. I... accidentally saw a cockroach...”

Sensing everyone's gaze, Nian Yan explained reflexively.

‘When the other Class A students heard her explanation, they all sneered with mockery.

Chen Yiran and Nian Yan's reputation in No.1 Middle School had long been ruined.

Seeing Nian Yan's actions, the others only felt that she was pretentious and did not exude any sense of beauty.

As the other boys left, Nian Yan subconsciously looked in Nian Yue's direction. When she saw the mocking smile on Nian Yue's lips, she was so angry that she almost bit her teeth.

In the past, she was the goddess and school belle of No.1 Middle School. No matter where she went, she was always surrounded by people!

Nianyue had only been here for a short while, but the students of Class A were all surrounding her!

When Nian Yan went to the washroom in the afternoon, she heard two girls whispering to each other after she checked herself in the mirror. “It was really her the last time. Did you see it wrong?”

“She's so pretty. If she's with an old man, anyone would take a few more glances at her

“Twas wondering why she was still able to live after moving out of the Nian Family. It turns out that she has a backer...”

The two girls were ready to leave when Nian Yan stopped them. Nian Yan smiled gently and generously. "Did you see Yue Yue with an old man?"

*

Initially, Nian Chaoyu thought that he would receive a call from the police station the next day to ask him to bail Nian Yue out, Unexpectedly, he received news that Nian Yue had already gone to school.

"Chaoyu, Nian Yue is just a little girl. Where did she get the ability to make the Cheng family so easy to talk to?" Wang Meihua added fuel to the fire.

The Cheng family was famous for being unreasonable in Jiang City. Even Nian Chaoyu would lose a layer of skin if he had inadvertently got involved.

But Nian Yue, a little girl, actually escaped just like that yesterday.

"You mean..." Nian Chaoyu looked at her in confusion.

"Could it be that Dad had intervened..." Wang Meihua lowered her voice.

Old Master Nian had always been on Nian Yue's side. She even had the same inheritance rights as Nian Yu the moment she was born.

To be precise, Nian Yue had obtained more than Nian Yu.

Nian Chaoyu's heart was in turmoil. It was obvious that he believed Wang Meihua's words.

"Father must have reached out to the Cheng family. Otherwise, the Cheng family wouldn't have agreed so quickly..."

Wang Meihua's explanation was reasonable.

No matter how unreasonable the Cheng Family was, they still had to do Old Master Nian some favors.

“The inheritance rights of the Nian family...” Wang Meihua reminded Nian Chaoyu.” In another half a year, Nian Yue will be 18 years old. When that time comes, the inheritance rights of the Nian family will fall into her hands. We have worked so hard for so many years, wouldn’t we be benefiting others...”

Nian Chaoyu had been conscientious in his position as the CEO of the Nian Corporation for many years, and even now, Old Master Nian had yet to fully relinquish his authority.

When Nian Yue turned eighteen and the other half of the inheritance was in her hands, Nian Chaoyu would have to step down completely.

This was an outcome he was extremely unwilling to see.

At the thought of this, Nian Chaoyu felt even more upset. He had to think of a way to get the other half of the inheritance back from Old Master Nian.

After making up his mind, Nian Chaoyu headed to Old Master Nian’s villa the next day.

Old Master Nian had been living alone in the villa on the mountain since Nian Yu came of age.

Nian Chaoyu brought some things over and a servant saw him. “Young Master, you’re here!”

Old Master Nian was playing chess and did not even look up when he saw him.

Nian Chaoyu was already used to it and walked over to sit opposite Old Master Nian. “Dad, I’m here to visit you.”

After he was done with the black chess piece in his hand, Old Master Nian glanced at him and asked, “Where’s Yue Yue?”

If it wasn’t for his insistence, Nian Chaoyu might have left Nian Yue to languish in the countryside without a second look.

“Dad, I haven’t seen you for such a long time, yet the first thing you did when you saw me was to ask about Nian Yue. Isn’t this a little too biased?” Nian Chaoyu looked a little unhappy.

His relationship with Old Master Nian was average. Old Master Nian believed in filial piety. Therefore, he had raised with Nian Chaoyu under tough discipline.

This caused Nian Chaoyu to feel fear from the bottom of his heart when he saw him. This was a conditioned reflex that he had developed and he had not changed even after such a long time.

“You left Nian Yue in the countryside for so many years and didn’t care about her at all. All you care about is Nian Yan and Wang Meihua, Aren’t you biased?” Old Master Nian snorted. “If you have something to say, say it. If not, leave quickly.”

Nian Chaoyu’s face turned red at his words. He took a deep breath and continued to ask, “Dad, I know you feel guilty towards Yue Yue. But she has been living in the countryside for so many years. She learned to be arrogant and despotic. Not only did she cheat in the examinations, she also beat up the Cheng family and almost caused a scene in the police station...”

Old Master Nian, who was still playing chess, paused and asked, “When did this happen.

Chapter 63: Who Gets the Succession Rights?

“After school yesterday, Nian Yue almost crippled his hand...” Nian Chaoyu sighed. “She’s so unruly...”

“Is Yue Yue injured?” This was the question that Old Master Nian was most concerned about.

Nian Yue was a little girl. She looked very young. He had seen that child from the Cheng family before. He was only 17 or 18 years old, but he had already grown to 1.8 meters tall. He was almost two heads taller than Nian Yue.

“Hmph, how could she be injured!” Nian Chaoyu laughed coldly.

In fact, he was so focused on dealing with the Cheng family yesterday that he didn’t notice Nian Yue’s condition at all.

Old Master Nian sighed and said, “Yue Yue has been left alone since she was young. It’s normal for her to be a little extreme... In the end, our Nian Family has let her down. If Li Shu was around, she would be as obedient as Li Shu...”

“Dad, why did you mention her?”

Nian Chaoyu frowned at the mention of Li Shu.

“Why? You let her down back then and I can’t even mention it?!” Old Master Nian was furious. “Tell me, what exactly is the matter?”

All these years, Nian Chaoyu would not visit unless he had something to discuss.

“Nian Yue moved out of the Nian Family and gave up the right of inheritance.”

“What did you say?!”

When Old Master Nian heard this, he almost fainted.

“Nian Yue refused to be disciplined and went against me. She even snatched the position of Zhang Wei’s disciple from Nian Yan. Do you think it’s possible for the Nian Corporation to groom a person like her?”

“Impossible!” Old Master Nian shook his head firmly. “Yue Yue would never do such a thing...”

“Dad, you’ve only seen Nian Yue a few times. How can you be so sure that she won’t do such a thing?” Nian Chaoyu sneered. “One may know a person for a long time but not their heart...”

“You’re here to create trouble for me, aren’t you?” Old Master Nian interrupted him. “Regardless of whether you agree or not, the right of inheritance belongs to Yue Yue...”

“I am your biological son! If you give the inheritance rights to Nian Yue, who knows if Nian Yue is a child of the Nian Family?” Nian Chaoyu’s eyes were red with anxiety. He did not expect Old Master Nian to be so stubborn.

“Get lost!” Old Master Nian was enraged. He picked up his walking stick and hit Nian Chaoyu. “How can you imply that about Shu?! She must have been blind to have fallen for you!”

Nian Chaoyu evaded him, his voice full of dissatisfaction. “If she didn’t marry me, would she be able to live like a rich lady?! There’s still half a year left. Whether Nian Yue can get the inheritance will depend on her own ability!”

Nian Chaoyu scoffed and turned to leave.

Initially, he had wanted to plead with Old Master Nian and coax the inheritance rights of the Nian Family over.

However, from the looks of it now, the right to inherit the Nian Family was set in stone.

Old Master Nian was so angered by his words that he almost fainted. He could not understand what sin he had committed to have a son like Nian Chaoyu!

However, Nian Yue had suffered a lot. How could she be Nian Chaoyu’s match?

He only hoped that Nian Yue would not disappoint him.

‘As Old Master Nian looked at the document on the table, he fell into deep thought. His expression could not be seen clearly.

‘That document was everything Nian Yue had done since coming to Jiang City.

After Nian Chaoyu left Old Master Nian’s villa, his gaze was still deep.

When he said that Nian Yue had hit Cheng Du, Old Master Nian looked very shocked. This meant that he did not know about this matter.

But, who else could have protected Nian Yue, other than Old Master Nian?

Including the last time she had a dispute with Cheng Anran at school.

It seemed that he needed to investigate this daughter of his.

*

After school, Nian Yue packed her bag and Wang Zhizhi followed suit.

“Nianyue, wait for me.” Wang Zhizhi hugged her school bag tightly. After what happened yesterday, she did not dare to go home alone.

The cool girl stopped in her tracks. She grabbed her bag with one hand and leaned against the wall slowly. The light from the corridor shone down on her, giving her a golden glow.

‘Wang Zhizhi paused for a moment before following her.

‘The original two-person group had now become a three-person group. Lin Nan was a chatterbox while Wang Zhizhi was usually quiet. When Lin Nan spoke, only Nianyue would occasionally talk to him.

The trio looked exceptionally harmonious.

‘Wang Zhizhi was not planning to go home, so she followed Nian Yue to her new house. Nian Yue handed her the towel and pajamas. “Pack up first.”

‘Wang Zhizhi was already used to her style of doing things, so she went into the bathroom with the pajamas and towel she gave her.

Nianyue returned to her bedroom and turned on her computer. It was a new proposal.

'The funds of the Lin Group were already in place. The most important thing was future development.

She sent the proposal to Old Master Lin. She didn't care about what happened after that. Old Master Lin had been in power for so many years, so he could naturally grasp the main point of the proposal.

'When Wang Zhizhi came out, she happened to see Nian Yue raising her hand slightly. A black fountain pen was already in her palm. Her slender and fair fingers held the fountain pen and spun it in a circle.

That hand was slender and fair, so fair that it was glowing.

'When she saw Wang Zhizhi coming out, Nian Yue raised her eyes slightly, her gaze deep.

"You... know how to teleport things?" Wang Zhizhi's face was filled with shock.

"Yes." Nian Yue nodded her head. There was no ripple in her eyes. She had never thought of hiding anything from Wang Zhizhi.

Since she was on her side she would find out sooner or later.

"Actually, I went to Elder Xu's banquet that day..." Wang Zhizhi took a deep breath. "I saw you attacking Nian Yan..."

'There were too many people that day and almost no one noticed her in the corner.

Nian Yue looked straight at her. In an instant, the coldness made Wang Zhizhi shiver subconsciously.

"My getting close to you has nothing to do with this..." Wang Zhizhi shook her head. She only felt that Nian Yue only looked very cold, but once she got close to her, she would realize that she was a very good person.

Nian Yue leaned against the seat. Her posture was a little unruly. She snapped her fingers and the room suddenly turned dark.

‘Wang Zhizhi gripped her towel tightly but did not speak.

“Heh...”

After a long while, there was a soft sound in the air. Nian Yue’s lips twitched. The room had regained its brightness once again.

“Not afraid?” Nian Yue raised her eyebrows.

This world was too different from the apocalyptic world she came from. Humans could only accept what they knew.

They had an extraordinary fear of the unknown.

“I’ve seen someone like you...” Wang Zhizhi took a deep breath. “Like you, he has powers that we don’t know about... but I’ve only seen him once...”

“What powers?”

Nian Yue continued to ask. She knew that there should be people in this world who had supernatural powers like her. She could sense them.

“He’s very fast...” Wang Zhizhi shook her head. “I’ve seen him appear hundreds of meters away in the blink of an eye.
