

The National Goddess Reborn

Chapter 6: Teaching Nian Yan a Lesson

When the golden retriever saw her coming over, it lowered its barking as though it was extremely aggrieved.

Nian Yan, who had been hiding in the dark, was waiting for Nian Yue to come out. Subconsciously, she gripped the things in her hands tightly.

The backyard was a blind spot for surveillance cameras. Normally, there was also no one there.

She had suffered grievances with Nian Chaoyu today, and the more she thought about it, the angrier she felt.

In the entire Nian Family, the only person who had a grudge against her was Nian Yue.

That idiot had stabbed her in the back without mercy!

At the thought of this, a vicious glare flashed across Nian Yan's eyes!

In any case, Nian Yue had always been a fool!

It did not matter if she was beaten silly!

To Nian Yan, she was the real Mistress of the Nian Family!

Even if Nian Chaoyu were to pursue the matter, he would not really punish her!

After all, one of them was a genius while the other was a fool. Nian Chaoyu knew better than anyone who would be needed between the two of them!

Nian Yue was half-kneeling and scratching the golden retriever when she caught a glimpse of a shadow not far away. Her lips curled up imperceptibly!

Taking advantage of this opportunity, Nian Yan picked up the flower pot on the ground and threw it over. The moment the flower pot came swinging over, Nian Yue quickly stood up and dodged sideways!

Initially, Nian Yan thought that Nian Yue would lose half her life no matter what!

However, she did not expect that Nian Yue would actually easily evade the attack!

“Nian Yue, come out!”

It was dark and dim. Even the lights were weak.

It took Nian Yan a long time to get used to this place before she found Nian Yue’s location. Now that Nian Yue had easily avoided her, it would be more difficult to spot her within a short period of time!

After all, not everyone had the ability to see things in the dark like Nian Yue!

“Nian Yue, you little b*tch...”

Nian Yan cursed angrily, but before she could finish speaking, she felt a pain in her lower abdomen!

Nian Yue had kicked her to the ground!

Nian Yan was in so much pain that her eyes were blurry. She struggled to get up from the ground.

Pa!

She had already suffered a slap on her face and was sent flying back by another slap!

“Nian Yue, you!”

Nian Yue struck again and Nian Yan’s eyes turned black. She no longer had the strength to get up from the ground.

Suddenly, someone lifted her chin. Nian Yan opened her eyes and found herself staring into a dispassionate gaze.

Nian Yue held her chin and half-squatted in front of her. Every word she spat out was as cold as ice. “Did I ever tell you not to play any tricks under my watch?”

At such a young age, she was actually so vicious that she wanted her own sister’s life.

If Nian Chaoyu were to find out about this, how would he react?

“Nian Yue! You b*tch! I’m going to tell Daddy!” Nian Yan’s eyes were filled with hatred.

Why did Nian Yue treat her like this?!

She was just a useless loser!

“Do you think that if Nian Chaoyu knew that the elder daughter he had nurtured with all his heart had schemed to take his second daughter’s life, he would still dote on you as usual?” Nian Yue scoffed.

“Daddy won’t know!” Nian Yan glared at her.

“Do you know who gave him the photos today?” Nian Yue chuckled.

That sneer seemed to have hit Nian Yan’s heart. Her stare made Nian Yan shudder!

“Was it you?”

Nian Yan was suddenly enlightened as a possibility flashed across her mind!

She thought of Nian Yue pushing open the door today. Her cold eyes were a little unruly, but the most prominent thing was the devilish smile on her lips.

As she beheld Nian Yue, who was half-squatting in front of her, she realised that her suster did not look like an idiot at all!

“I’m going to fight it out with you, you... Ah!” Nian Yan reacted and charged toward Nian Yue!

However, before she could go over, she felt a chill on her neck!

Nian Yue had already taken out a small fruit knife and was pressing it against her neck!

The silver blade glowed alluringly under the moonlight.

Nian Yan had no doubt that as long as she was not compliant, the fruit knife would cut her neck in the next moment!

“Nian Yue, you...” Nian Yan was so angry that her face turned pale. Her hands, which were hanging by her side, had unconsciously sunk into her palms.

“What happened today was a small lesson.” Nian Yue’s lips twitched and her deep eyes turned emotionless in an instant. “The next time I find out that you’re scheming under my watch, I’ll take your life!”

At that moment, Nian Yan could clearly see the bone-chilling ruthlessness in Nian Yue’s eyes!

Nian Yue really wanted her life.

At the thought of this, Nian Yan’s face turned pale.

“Ha!” Nian Yue laughed lightly. Seeing that Nian Yan had learned her lesson, she slowly put away the fruit knife.

Nian Yan, who was lying on the ground in a sorry state, saw Nian Yue putting away the fruit knife and hatred flashed across her eyes!

She was the real Mistress of the Nian Family, whom everyone in Jiang City’s upper-class circle praised! How could a country bumpkin threaten her like this?

Nian Yue deserved to die!

Why didn’t Xiao Qingqing kill her? Why did she allow her to return?

The Nian Family’s assets were hers!

This idiot shouldn’t even think about getting anything!

At the thought of this, Nian Yan’s heart was filled with murderous intent.

Nian Yue deserved to die.

However, the moment she felt a little murderous, she felt a chill run down her spine. When she raised her head and met Nian Yue’s cold gaze, she felt her entire body shiver and did not dare to entertain any other thoughts.

When Nian Yue went upstairs, she realized that it was already three in the evening.

If she remembered correctly, Nian Chaoyu would transfer her to No.1 Middle School tomorrow.

Fortunately, although this body was not resistant to attacks, it had good endurance. Although her supernatural power didn’t recover much here, it was more than enough to deal with ordinary people.

However, she suddenly recalled how Nian Yu had been staring at her when she was eating and frowned slightly.

According to the memory of this body, Nian Yu and Nian Yue were from the same mother. There was a one-year age difference between the two of them. However, because she was a girl, she was taken care of in the countryside when she was young.

All these years, the Nian Family had never returned to their hometown to visit her.

In the past, Nian Yu would go back to visit Nian Yue during the summer holidays. Their relationship was not bad.

However, as she grew older, Nian Yu became more and more outstanding and the Host became more and more inferior.

Nian Yu had started to take over the business of the Nian Family in the past few years. He went on business trips frequently and the two of them gradually met less.

As a result, this was the first time she met Nian Yu although the Host had returned to the Nian Family for a couple of months.

However, judging from Nian Yu's behavior today, he did not show any hostility towards her. He was more like an outsider watching a show.

She did not care whether Nian Yu was watching the show or not, as long as he was not an enemy in the short term.

That man was not easy to deal with.
