

never divorce 1081

Chapter 1081 had caught everything

Ru Yu sat in the car and saw Song Bingjian's face in the rearview mirror, which had turned into the color of a pig's liver. She felt very happy in an instant. She couldn't help but think that it seemed that Lei Zhenyu, her agreed husband, could be of some use at some point in time.

"Are you going to the mall to buy Barbecue Ingredients?" Lei Zhenyu stopped the car at the Traffic Light Junction in front. He looked at Ru Yu in the passenger seat and asked with a faint smile.

"There's no need. Turn around and send me back to the Western restaurant just now. My car is still in the underground parking lot." Ru Yu shook her head helplessly. "It's all my dad's fault for agreeing to her."

Lei Zhenyu could not help but laugh. Then, he turned the car around and said, "So, I think that our wedding should be held as soon as possible. That way, everyone will know that you're a married woman. Then, naturally, they won't have any ideas about you."

"Then, won't you also become a married man?" Ru Yu reminded him kindly. "This is not good for you. What if some woman likes you or even loves you, and because you're a married man, she doesn't dare to confess to you? Won't you miss the opportunity?"

"I just came back from abroad not long ago. At present, I'm not familiar with other women except for you." Lei Zhenyu shrugged his shoulders indifferently. "Moreover, the person I want to marry is you. Now that I've married you, I've seized all the opportunities. Isn't this good enough?"

"We're in a fake marriage." Ru Yu was really convinced by him. She couldn't help but remind him again, "lawyer Lei, I think you won't forget that we're in an agreement marriage, right?"

"Of course I won't forget." Lei Zhenyu turned to look at her with a smile. "So what if we're in an agreement marriage. At least we can cohabit together, right. In such a situation, don't I have many more chances to get close to you than other men. As the saying goes, the closer one is to the water, the better. I think you should understand this principle better than me, right?"

Ru Yu didn't know whether to laugh or cry when she heard his words. She couldn't help but glare at him and said, "don't be too confident. There are as many beautiful women by my side as there are hairs on an ox. Perhaps one day, I will propose to terminate the contract with you and then go and get married."

"There are indeed as many beauties around you as there are hairs on an ox's back. However, I am the only husband by your side." Lei Zhenyu also reminded her in a serious manner, "don't forget, other than that agreement, we are a legal couple in other places. When we go out in the future, we will show our identities as husband and wife to others."

Ru Yu was so angry that she was speechless. Moreover, after listening to Lei Zhenyu's analysis, it seemed that her contract marriage with Lei Zhenyu had suffered a loss. In the future, if they were to terminate their marriage, she would become a third-wife woman.

Fortunately, Lei Zhenyu's car had already started its meeting at a French restaurant. Ru Yu quickly pushed open the car door and got out. Because she was a little angry, she didn't even bother to say goodbye to him.

Lei Zhenyu, on the other hand, was a very gentlemanly man. He followed her downstairs and even took two steps forward. When she had just pressed the unlock button, he took the initiative to open the car door for her.

"Remember, tomorrow night, I will take you back to the Lei family." He gently reminded her.
"Tomorrow night, I will discuss our wedding with my father. You must remember that you are my wife. We are on the same side."

Ru Yu nodded and closed the door of the car. She started the car and rolled down the window. Then, she poked her head out and asked, "Will Jin Zhengnan and Lan Ruoshui go to the Lei family tomorrow night?"

"Of course," Lei Zhenyu answered without hesitation. "They are also going to my father to discuss their marriage."

Chapter 1082: The engagement date

When Ru Yu returned home, she realized that Old Madam Song was actually here. At this moment, Che Qi Xuan he was drinking tea with her. From the looks of it, she was obviously here to propose marriage to her grandson.

Ru Yu's heart was broken, but the expression on her face was still very natural. When she saw old Madam Song, she still greeted her politely and then very tactfully said that her good news was approaching. She was about to get engaged.

Who was Old Madam Song? After going through 70 years of trials and tribulations, when she saw Che Ru Yu walk in alone without her grandson behind her, she already knew in her heart that it was definitely not a good deal.

Hence, she still asked with a beaming face, "when is Madam Che Ru Yu getting engaged? I have to prepare a generous gift no matter what, right?"

Madam Song was not so easy to fool. She thought to herself, 'you, Che Ru Yu, don't fancy my grandson. I'd like to see what kind of person you can choose.' Although you, Che Ru Yu, was a slightly famous painter, she was after all a second-hand woman, and my grandson had never been married before.

When Ru Yu heard Madam Song's words and looked at her aggressive gaze, it was clear that if she did not say the date of the engagement, she would be lying to her. To put it bluntly, she did not put Madam Song in her eyes.

Initially, she did not put Minister Song's family in her eyes. It was just that she had to live in Seoul often, and those who engaged in art would inevitably have to deal with people from the Ministry of Culture. Therefore, even if they did not get too close, it was not appropriate to offend them openly.

She had no choice but to take out her phone in front of Old Madam Song and type in Lei Zhenyu's number. When the phone was picked up, she did not wait for Lei Zhenyu to call and immediately spoke first, "Darling, when is the date of our engagement scheduled?"

As soon as ru Yu finished asking this question, her body actually had goosebumps. She had never called any man 'darling' in her entire life. Even when Jin Zhengnan was her husband in the past, she had never called him 'darling' in this way.

Lei Zhenyu was stunned on the other side of the phone at first, but he immediately understood what was going on. Then, a deep and meaningful voice came over, "Darling, shouldn't I tell you? It's scheduled for the 28th of this month. Why didn't you remember it?"

"Oh, oh, I was in a hurry. I thought it was the 18th. I misremembered it," ru Yu casually replied before hanging up the phone. Then, she said to old madam song with a smile, "it's the 28th of this month. My boyfriend and I are engaged. After a while, I will get someone to send the invitation to Minister Song's residence. When the time comes, I hope that old madam song can find the time to come and bless ru Yu."

Old Madam Song's expression was obviously not good, but in the end, the older the wiser, so she did not show it. She turned to Che Qixuan and said, "Qixuan Jun, ru Yu is really quick and decisive. It's only been a week since the divorce, and she's getting engaged again in 20 days."

"Hehehe, it's popular among young people these days," Che Qixuan replied nonchalantly. "It's said that some people get married after only knowing each other for 20 hours. Ru Yu is getting engaged after more than 20 days after the divorce, so it's not fast, right?"

Madam Song was stunned. She came here tonight to finalize the marriage between her grandson and ru Yu. She knew that her grandson was not good enough for ru Yu, but of course.. That was if che ru Yu had never been married.

Chapter 1083 marriage is not a child's game

Now, isn't this Che Ru Yu and Jin Zhengnan divorced? She's just a second-hand woman. In the eyes of Old Madam Song, to be able to marry her grandson, Song Bingjian, even if che ru Yu is high up.

However, she never expected that Che ru Yu did not take a fancy to her grandson at all. Moreover, she was so arrogant that she was going to get engaged again at the end of this month. It was obvious that she did not take her, Minister Song's family, seriously.

She wanted to see what kind of family this che ru Yu could marry in her second marriage. Would her engaged man be stronger than her grandson, Song Bingjian.

Therefore, she pretended to be very understanding as she took ru Yu's hand and said, "Ru Yu, I must come to join in the fun when you are engaged. Don't forget about me when the time comes."

"Of course I won't forget," Ru Yu answered seriously. "I'll have my secretary come to pick you up personally."

After sending off old Madam Song, ru Yu glared at Che Qixuan angrily and said, “fine, you don’t even know how to help me get rid of old Madam Song. That grandson of hers is so greasy-haired and Pretty. It’s disgusting. ”

Che Qixuan laughed Then, he sighed and said, “there aren’t many men in this society who aren’t disgusting. You think Leng Rong is a womanizer, but he’s actually quite infatuated. You think Jin Zhengnan isn’t good, but he’s actually a decent man. You think Zheng Pianran is a lunatic, but he’s actually very normal. You think Zheng ruize pretends to be deep, but he’s actually not shallow... “. ...”

“Alright, Daddy, ” ru Yu couldn’t help but shout. Then, she looked at Che Qixuan helplessly and was defeated in the end She asked weakly, “Daddy, in your eyes, are all men not bad? It seems like I’m the one who’s really bad? ”

Che Qixuan couldn’t help but laugh Then, he shook his head and said, “it’s not like that. Ru Yu, what daddy means is that everyone has flaws, but we can’t just see the side of his flaws. Just look at your divorce with Jin Zhengnan this time. I think you’re too impulsive. Marriage is all about persistence. If you don’t give up, as long as you insist on not getting a divorce, Jin Zhengnan will definitely chase that woman away. In the end, the person who wins will definitely be you. ”

“I don’t want to insist. ” Ru Yu raised her hand and surrendered, then fell onto the sofa She said weakly, “Daddy, you still don’t understand my character. I’m different from my mother, Xi Muru. She was born to be an unkillable cockroach, so she was able to win Daddy’s undying love for her in the end. However, I don’t have the spirit of a cockroach, so I can’t be Xi Muru’s second. ”

“then... what if the man you’re married to has the same situation as Jin Zhengnan a few years later? ” Che Qixuan looked at Ru Yu and asked worriedly ...

“Then I’ll just dump him directly, ” ru Yu answered without thinking, “what’s the big deal? Anyway, I didn’t put my heart into it, so it doesn’t matter. ”

“Ru Yu, this is wrong, ” Che Qixuan’s face immediately darkened Then he said angrily, “How old are you? You’re 26 years old. You should learn from the failure of your first marriage, and you should be more cautious and prudent in your second marriage. How can you treat your marriage as a child’s play? ”

Ru Yu didn’t get angry when she heard this. She looked at Che Qixuan and nodded. “I know. The second marriage is even more important. So, before I got the marriage certificate, I signed a series of agreements with him. ”

Chapter 1084 tit for tat

Speaking of which.. Ru Yu Patted Che Qixuan’s shoulder. “Don’t worry, Daddy. Your daughter isn’t stupid enough to be at a disadvantage every time. Besides, you don’t know my character. People respect me, I respect them. People Punch me, I kick them. Jin Zhengnan and Lan Ruoshui kicked me away to live happily ever after. I won’t let them get what they want. ”

After saying this, ru Yu walked upstairs, leaving Che Qixuan in the living room, staring at her back in shock.

When Pu Yongjun came back, he saw that Che Qixuan was still sitting on the Sofa in a daze. He couldn't help but ask him what was going on. He told him about Ru Yu in a depressed manner, but Pu Yongjun laughed.

"Ru Yu was spoiled by us," Pu Yongjun said with certainty. "when she was young, we couldn't bear to let her leave, so we domineeringly asked her to stay in Seoul. Now that she's grown up, she doesn't dare to face difficulties head-on. Instead, she turned around and ran away. That's why she gave up on such a good Jin Zhengnan."

"Forget it, forget it. She's already so old, we can't control her." Che Qixuan stood up weakly and said with a wry smile, "I think we should tell Dongfang mo about her and let them manage her."

Pu Yongjun smiled and reminded him, "alright, when little feather was young, Dongfang Mo and his wife didn't allow her to stay by our side in Seoul, so we insisted on keeping her. Now she's already 26 years old, and she's already married and divorced. If you return her to Dongfang Mo and let him manage her, can he still manage her "Aren't you sending yourself to his doorstep to be scolded?"

Che Qixuan felt a headache coming on. After hearing what Pu Yongjun said, it seemed that ru Yu's matter was the same whether she told Dongfang Mo or not. As a 26-year-old adult, why would anyone need to care about her?

Ru Yu and Song Bingjian did not eat well at night, so after Che Qixuan and Pu Yongjun went upstairs, she went downstairs alone to prepare a bowl of noodles for herself in the kitchen.

However, just as she reached the kitchen, Lin Yuxin called. She said that she had just gotten off work at the hospital and had not eaten yet. She asked Ru Yu if she had eaten. If she had not eaten, they would go out to eat stewed meat rice. She had not eaten stewed meat rice for a long time.

Thus, ru Yu did not even bother to cook noodles. She drove out again and found a Taiwanese restaurant to eat stewed meat rice with Lin Yuxin. In fact, she liked stewed meat rice when she was young, but she did not like to eat it after she grew up.

Ru Yu realized that during the days when she was married to Jin Zhengnan, her life had always been very regular. Her daily schedule was full of arrangements. When and where should she go to sketch When should she go to the art exhibition and so on? Her work efficiency was very high.

Now, she and Jin Zhengnan had been divorced for almost ten days. Her life was a mess. She couldn't draw a single painting. Moreover, the schedule of going out to sketch had been changed again and again for various reasons. Moreover.. Today, she had even offended Minister Song's family.

Lin Yuxin heard her annoyance and asked as she delivered the stewed meat rice to her mouth, "then what should we do? Do you really want to get engaged with the lawyer who helped you with the lawsuit?"

"Yes, how can we destroy Jin Zhengnan and Lan Ruoshui if we don't get engaged?" Ru Yu pushed the stewed meat rice away after eating a few mouthfuls Then, she said a little irritably, "they won't let me have a good time. I definitely won't let them have a good time either. My purpose in life is to return a tooth for a tooth!"

Chapter 1085 marriage is not a chess piece in life

“PFFT...” Lin Yuxin laughed so hard that the rice in her mouth almost choked out. She wiped her mouth with a tissue and said to Ru Yu, “Ru Yu, do you think marriage is a chess piece on a chessboard? If you use your own marriage to destroy Jin Zhengnan’s marriage, then I think that what you’re doing is wrong. If Jin Zhengnan and Lan Ruoshui are truly in love, you can’t destroy it. If they’re not truly in love, you don’t have to destroy it. Their love can’t withstand the test of time and time.”

Ru Yu felt a slight headache after hearing her words. Then, she sighed and said, “Actually, I also thought the same these two days. However, I have already made an agreement with Lei Zhenyu. We are in an agreement marriage. After all, we have no feelings for each other. Of course, when Jin Zhengnan and Lan Ruoshui are no longer possible, I will dissolve the marriage with him. Then... “. “...”. “...”

“Then what?” Lin Yuxin looked at her. She could not help but sneer and said, “Ru Yu, what is the purpose of your fake marriage with Lei Zhenyu? It is to destroy Jin Zhengnan and Lan Ruoshui. Then, when they are completely separated, you will return to Jin Zhengnan’s side, right?”

Ru Yu bit her lips and did not say a word. Her mind was filled with Jin Zhengnan’s shadow. Jin Zhengnan, Jin Zhengnan... ..

The man who smiled like a prince, the man who was gentle like jade, the man who could capture your heart in an instant, the man who could hold your hand tightly and hug you in his arms on the peak of the Snow Mountain... ..

Ru Yu knew that her messy life during this period of time was all because of Jin Zhengnan. Because he did not want her anymore, because he was with another woman, because he completely broke off his relationship with her, because... ..

“Ru Yu, what a coincidence, you’re here to eat stewed meat rice too?” Zheng Junji’s voice sounded at her dining table. Ru Yu instinctively raised her head and was surprised to find that there was no other woman by his side tonight.

Ru Yu not only recalled that night, in the corridor outside old Madam Song’s birthday banquet hall, Zheng Junji held a matchbox in his hand. With a gentle pull, that faint blue flame rose in an instant. It made the dark corridor instantly have a holy light.

However, even though it was the same pulling matchbox, it also lit up with a faint blue light. However, she felt that there was no other person in the world who could pull a match more beautifully than Jin Zhengnan.

“It’s indeed a little coincidental.” Ru Yu nodded indifferently and immediately introduced Lin Yuxin to Zheng Junji. Zheng Junji’s handsome appearance and the overly ostentatious Ferrari outside the window immediately stunned Lin Yuxin.

The moment Zheng Junji left, Lin Yuxin immediately looked at Ru Yu with incomparable envy. She could not help but exclaim, “Oh my God, Che Ru Yu, after your divorce, all the handsome men are pouncing on you. What are you still worried about? Is that Jin Zhengnan as handsome as Zheng Junji? Is he as good as Lei Zhenyu? Why are you reluctant? He, Jin Zhengnan, loves to marry that woman and that woman. Why don’t you just find another one and marry someone better than him?”

Ru Yu and Yu Xin, it was hard for Lin Yuxin not to see Leng Rong. Otherwise, who knew how crazy she would be?

Hence, she waited for Lin Yuxin. She said snappily, "Yu Xin, do you think you're buying fruits in the supermarket? Choose whichever is fresh and good-looking. How can this person be compared with others? Even if they really want to compare their appearance, Jin Zhengnan isn't inferior to Zheng Junji and Lei Zhenyu, right? They're on par, okay?"

Chapter 1086, ru Yu, you did it on purpose

"their looks are indeed on par with each other, but with their background, can Jin Zhengnan compare to them?" Lin Yuxin rolled her eyes at her. Then, she pointed out pointedly, "Jin Zhengnan has indeed developed quite well in the past two to three years, but compared to Bugatti Veyron and Ferrari, the difference is probably not just a little bit, right?"

"Forget it, it's rare for me to be long-winded with you." Ru Yu directly changed the topic. "Oh right, didn't you say that you wanted to find a rich man? Lei Zhenyu and I are engaged on the 28th of this month. I think there will be a lot of guests. Among them, there is no lack of rich men. You should seize the opportunity to find one."

Ru Yu and Lin Yuxin ate stewed pork rice very late. When they went back, it was almost midnight. She had a slight headache. She thought that she probably wouldn't be able to get up early the next day.

As expected, she overslept. When she woke up, it was already noon. The studio's Xun Jingying called to ask her when she would start working normally. She had a huge headache and said that it might be tomorrow or next month.

She had a simple lunch at home. In the afternoon, she had originally planned to go to the studio. However, just as she went out, Lei Zhenyu called to remind her of the Lei family's dinner. He said that he would come to pick her up early. She didn't need to worry about the gifts. He had already prepared them for her.

Ru Yu hung up the phone. Initially, she didn't plan to go to the studio. However, when she thought about the work schedule, she finally went. No matter what, work was still the focus of her life.

Around six o'clock in the afternoon, Lei Zhenyu drove over to pick her up. Then, they drove to the courtyard-style villa of the Lei family's old residence in the suburbs.

Actually, ru Yu didn't know much about the Lei family. She had only heard of Lei Zhensheng, who was also Lei Zhenyu's elder brother. Lei Zhenyu's father, Lei Taihe, only knew that he was the earliest founder of the Lei family, but he hadn't been in society for more than ten years.

The Lei family's courtyard-style Villa was in the suburbs of Seoul. It occupied an area of about ten thousand square meters. When Lei Zhenyu drove into the Lei family's courtyard, he turned his head to look at her, but he didn't see any shock or surprise on ru Yu's face.

In fact, a courtyard of 10,000 square meters could only be considered an ordinary courtyard for ru Yu. This was because Binhai Dongfang family's one inch Mo city had a total of 200,000 square meters.

Lei Zhenyu shook his arm. Ru Yu hesitated for a moment, but she still put her hand through his arm. She held his arm and walked toward the Lei family's hall with him.

When they reached the entrance of the hall, they heard a slightly familiar voice. When they walked in, they were surprised to find that Jin Zhengnan and Lan Ruoshui were already there. When they saw her and Lei Zhenyu walking in, their faces were obviously stunned.

When Lei Zhensheng saw Lei Zhenyu, he was still friendly. When he saw ru Yu hanging on his arm, he was also stunned. His face immediately darkened and he could not help but ask in a deep voice, "Zhenyu, this is?"

"This is my wife, Che Ru Yu." Lei Zhenyu's expression was very natural. He then introduced to Ru Yu, "this is big brother, ru Yu. CALL HIM BIG BROTHER!"

"Hello, big brother." Ru Yu's expression was very natural. Then, she glanced at Jin Zhengnan and Lan Ruoshui, who were beside her. Their faces were already livid.

"Who are these two?" Lei Zhenyu pointed at Jin Zhengnan and Lan Ruoshui with his finger. He pretended not to know them and asked Lei Zhensheng.

"This is my long-lost daughter, Ruoshui." Lei Zhensheng quickly introduced her to his younger brother. Then, he winked at Lan Ruoshui. "Ruoshui, CALL ME UNCLE!"

Lan Ruoshui's face instantly turned red and white. It was as ugly as a color Palette. She pointed at ru Yu and shouted angrily, "Che Ru Yu, you did it on purpose!"

Chapter 1087: Messy relationships

"Who's shouting here?" Following a disgruntled shout, an old man in his sixties walked down the curved staircase.

"GRANDPA," Lan Ruoshui hurriedly went up to greet him, and then said in a fawning manner, "I saw the uncle you mentioned who just came back from abroad."

"It's fine as long as you saw him." Lei Taihe's tone was a little indifferent. He didn't show much joy towards Lan Ruoshui's enthusiasm, and only allowed her to help him to the middle of the living room.

"Zhenyu is back?" Lei Taihe saw his youngest son and frowned. Then, he looked at Ru Yu who was beside him. "This is..."

"Dad, didn't I tell you on the phone a few days ago? I'm married. This is my wife, che Ru Yu." Lei Zhenyu immediately introduced her to ru Yu. "Call Me Dad."

"Dad," ru Yu said. She just felt that calling him dad was particularly awkward. In her mind, the term 'Dad' was related to Dongfang Mo. now that she suddenly had to call a strange old man 'dad', she was actually not very willing.

"Che Ru Yu, why do I feel like I've heard this name before?" Lei Taihe's face darkened as he looked at his eldest son. "Zhensheng, have you heard of the name 'Che Ru Yu' before?"

“Of course I’ve heard of it,” Lei Zhensheng replied very naturally. Then, he reminded his father, “didn’t dad hang a piece of Ji Zhou Island’s countryside in his lounge? It was painted by Che Ru Yu.”

“Oh, right, right.” Lei Taihe looked at ru Yu again, and there was a hint of doubt in his eyes. “could you be that painter, Che Ru Yu?”

“I just like drawing, that’s all.” Ru Yu’s voice was very calm. She did not try to please or pretend to be arrogant.

“Grandfather, she still has an identity.” Lan Ruoshui hurriedly interjected. Without waiting for Lei Taihe to ask, she took the initiative to introduce, “Che ru Yu is still the ex-wife of the real man. They just divorced ten days ago.”

This was indeed a bomb. It immediately blew up the originally calm atmosphere. Lei Taihe’s face immediately darkened as he stared at his youngest son He could not help but growl, “Zhenyu, you’ve only been back from abroad for less than half a month. How did you get married to this Che Ru Yu? And Che Ru Yu is also your niece’s in-law’s ex-wife. What kind of messy relationship is this? What’s going on?”

Lei Zhenyu grabbed ru Yu’s hand tightly in his own palm. He gave her a reassuring look from the side of his face Then, he looked at Lei Taihe and said indifferently, “Dad, I’m not sure who the niece-in-law you mentioned is. However, ru Yu’s ex-husband is indeed called Jin Zhengnan, but they have already divorced. Ru Yu and I only got married after their divorce, so I didn’t interfere in their family, nor did I break up their original marriage.”

“Father, we are not going to pursue the issue of who destroyed Zhengnan’s marriage,” Lei Zhensheng said unhappily Then, he looked meaningfully at ru Yu and said, “the problem now is that Zhengnan and Ruoshui are going to get married. Zhenyu, of course we are happy that you are going to get married. However, can you please find a new bride?”

“Why should I find a new bride?” Lei Zhenyu scoffed at Lei Zhensheng’s words He could not help but snort coldly and said, “I’m sorry, big brother. Ru Yu and I are already married. I think big brother should advise his daughter. It’s one thing for her to become someone else’s mistress and destroy someone else’s marriage and family, but now she’s actually going to marry her aunt’s ex-husband. If this gets out, the LEI family will probably lose face, right?”

Chapter 1088: get lost

“Zhengnan and I have been in love for many years. You, uncle, you and ru Yu have only known each other for a few days.” Lan Ruoshui was so angry that tears were rolling in her eyes. She never dreamed that Che ru Yu would be so shameless She had hooked up with her uncle in such a short time.

In fact, she had met Lei Zhenyu on the day that Che ru Yu and Jin zhengnan divorced. However, she never dreamed that Lei Zhenyu was the younger brother of her father, Lei Zhensheng. She heard that he had gone to America seven years ago and had only been back from America for more than ten days.

“I don’t think this has anything to do with time, right?” Lei Zhenyu glanced at Lan Ruoshui coldly Then, he said sarcastically, “Oh right, I forgot to remind Miss Lan. Back then, your mother, Miss Lan, knew my

elder brother before my sister-in-law, but in the end, my elder brother married my elder sister-in-law instead of your mother, Miss Lan. ”

“Zhenyu, enough. ” Lei Zhensheng’s face was red and white He said to Lei Taihe in a slightly annoyed manner, “Dad, it’s not that I’m biased towards Ru Shui, but I’ve mentioned her marriage to Zhengnan to you a few days ago. At that time, you also agreed to it, but this Zhenyu suddenly brought a woman back and said that he wanted to get married. I think that everything has a first come, first served basis. Since the marriage between Ru Shui and Zhengnan is first... “. “...”

“Ru Yu and I are already married. ” Lei Zhenyu coldly interrupted his big brother’s words. He then looked at his father, Lei Taihe, and said, “we have already gotten our marriage certificate a few days ago. Now, we are already legally married. ”

After Lei Zhenyu said this, he immediately took out the marriage certificate from his bag and handed it to Lei Taihe. Then, he said indifferently, “I remember my father saying that no relationship can be compared to a relationship that is truly recognized by the law. ”

Lei Taihe looked at the red marriage certificate and then looked at Lan Ruoshui and Jin Zhengnan who were standing not far away. He could not help but ask in a deep voice, “have you guys also gotten a marriage certificate? ”

Lan Ruoshui shook her head and then quickly explained, “GRANDPA, dad is still helping me to get a new name and a higher household. He said that he will wait for my household registration to join the Lei family and wait for me to change my name to Lei Ruoshui before getting a marriage certificate. So, it’s not that we don’t want to get a marriage certificate, but...”

“enough. ” Lei Taihe growled impatiently. He clearly did not have a good impression of Lan Ruoshui who was still nagging Then, he pointed at Lei Zhensheng and said, “you can handle the matter of your daughter who appeared out of nowhere by yourself. If you want to enter my Lei family, then you can’t do anything that will embarrass the Lei family. If you don’t enter the Lei family, you can embarrass whoever you want. ”

“And you, ” Lei Taihe turned his head and pointed at Lei Zhenyu with his finger and roared, “hurry up and get a divorce. What kind of messy marriage is this? It’s obviously a scheme. All of you, get lost. Don’t even appear in front of me. All of you, get lost! ”

Lei Taihe suddenly flew into a rage. His voice was so loud that no one dared to speak. The first young mistress, Cai Shaofen, who was busy leading the servants in the kitchen, quickly ran out.

“Dad, why are you angry again? ” Cai Shaofen supported her father-in-law with her hand while looking at her husband, Lei Zhensheng. She said lightly, “Zhensheng, dad is celebrating his birthday today. Can’t you just go along with him? ”

The underlying meaning of Cai Shaofen’s words was, Lei Zhensheng, the daughter of your wild woman is going to enter the Lei family. I can’t stop you, but you can at least see this old man flying into a rage, right?

Ru Yu looked at everything in front of her and felt that her coming here today was a big joke. She struggled slightly to free herself from Lei Zhenyu’s hand and turned around to walk out of the hall.

Chapter 1089 I feel that there is no need for this marriage to exist

“Ru Yu, wait for me?” Lei Zhenyu immediately chased after her and finally grabbed her wrist at the entrance of the Lei family’s courtyard.

“Let go of me!” Ru Yu used a little strength and once again shook off Lei Zhenyu’s hand. She took a step out of the Lei family’s courtyard and quickly walked towards the main road outside.

“Che Ru Yu, what do you mean by this?” Lei Zhenyu continued to chase after her. He still stubbornly grabbed her hand and held it tightly in his own palm.

“nothing. Since your father doesn’t agree to our marriage, then our marriage that was originally a transaction should be dissolved.” Ru Yu could not break free from his big hand’s control, so she glared at him with some dissatisfaction. “Lei Zhenyu, let go!”

“I won’t let go!” Lei Zhenyu’s voice sounded with some determination as he looked at the woman in front of him. He lightly reminded her, “Madam Ru Yu, don’t forget that we signed an agreement. In that agreement, I wrote that our marriage might encounter various obstacles and difficulties, but no matter what obstacles and difficulties, we can’t give up easily. We must work together to defeat our enemy.”

“enemy?” Ru Yu could not help but laugh when she heard his words. Then, she looked at him with a mocking gaze and said, “Lei Zhenyu, I think your enemy is your big brother, Lei Zhensheng, right? Do you think that if you and I get married and destroy his daughter’s marriage, it will be a blow to him?” “But, I’m sorry, he is not my enemy, and I have no need to help you to blow him up.”

“But Lan Ruoshui and Jin Zhengnan are your enemies,” Lei Zhenyu pointed out pointedly. “If we get married, we can blow up Lan Ruoshui and Jin Zhengnan. We can even make them unable to get married and never be together.”

When Ru Yu heard this, she closed her eyes slightly and frowned. After thinking for a while, she said softly, “Lei Zhenyu, when you asked me to sign the contract marriage, you did capture my desire to take revenge on Lan Ruoshui and Jin Zhengnan. However, after these days, I have come to an understanding. I don’t want to take revenge on Jin Zhengnan and Lan Ruoshui. Since they are so in love, so deep, so true, and so persistent, and they have a child, I feel that I should help them... “ ...”

“Ru Yu, what do you mean?” Lei Zhenyu quickly interrupted Ru Yu. His face was filled with anxiety and uneasiness that he had never felt before.

“My meaning is very simple. Our marriage was originally an arranged marriage. It was just to obtain a marriage certificate for a certain purpose.” Ru Yu looked at Lei Zhenyu in front of her very calmly. Then, she said indifferently, “now, since that purpose is meaningless to me, I feel that there is no need for this marriage to exist. I hope that it ends here. Tomorrow, we will go and change the marriage certificate into a divorce certificate.”

After saying this, Ru Yu immediately stretched out her hand to stop the taxi on the road. However, her arm was tightly grabbed by Lei Zhenyu, giving her no chance to escape.

“Che Ru Yu, you are 26 years old this year. ” Lei Zhenyu’s low and hoarse voice rang out “Che Ru Yu, you should know that every agreement has a deadline. Moreover, we have written in the agreement that we can not easily propose to terminate the agreement. If one party violates the agreement, the other party can turn this agreement into a real marriage. ”

Chapter 1090 additional conditions

When Lei Zhenyu said this, his voice was very low, and there was a faint smile on his face. However, his words clearly carried some kind of reminder. It meant, Che Ru Yu, do you want me to make this marriage real?

Ru Yu scratched her head with her hand. When she signed the contract with Lei Zhenyu, she did not look too closely at the contents of the contract. Moreover, at that time, she was bent on destroying the dog couple, Jin Zhengnan and Lan Ruoshui Therefore, she did not think about anything else.

Alright, when negotiating with lawyers, it was said that they would usually suffer a loss in terms of words. And now, she was obviously tricked by Lei Zhenyu. If she wanted to go back on her words, it would be breaking the agreement. Then, he would have to make the agreement into reality.

F * Ck, what kind of Bullsh * T lawyer was this? It turned out that he had evil ideas. She had been tricked, and she had been tricked by Lei Zhenyu.

Since she had been tricked, it seemed that she would not be able to escape for a while. Therefore, she pondered for a moment and looked at Lei Zhenyu’s determined gaze She said a little helplessly, “alright, I originally wanted to dissolve our marriage for your own good. I don’t want your family to be in a mess. Since you don’t care about it, then I don’t care. Since you are not willing to dissolve this marriage, then I will add a few additional conditions. ”

“Alright, as long as the additional conditions are not too difficult, I will agree to it. ” Lei Zhenyu quickly promised. At this moment, the only thing he wanted was for this woman, Che Ru Yu, not to back down.

“actually, the additional conditions are very simple. I just hope that the duration of our agreement can be shortened a little. ” Ru Yu said with a slight headache. “Lei Zhenyu, back then, you said that the deadline was three to five years. I think that date is really too long. Can you change it to half a year to one year? ”

Lei Zhenyu was really convinced by her. How could the agreement be so short Moreover, after interacting with her for the past ten days, he suddenly felt that it might actually be a good thing to be a real couple with her.

People were going to get married anyway. He felt that this woman, Che Ru Yu, was actually quite suitable for him. She was a painter and he was a lawyer. She was emotional and he was rational. He felt that this way of matching his life should be harmonious.

Of course, Che Ru Yu was an emotional person, and emotional people always put their feelings first, so he couldn’t say this to her now So he pretended to think before he said, “well, three to five years is a little long, but six months to one year is also a little short. How about two to three years? ”

Ru Yu only felt a headache coming on. Negotiating with a lawyer was simply asking for trouble. She nodded and said somewhat irritably, "alright, let's make it three years. In addition, I have to add another condition."

"What other conditions do you want to add?" Lei Zhenyu looked at her with a smile. "I think that my agreement is already detailed enough. Is there anything that I haven't considered for you?"

"That is, if you are not satisfied with me," ru Yu emphasized this sentence Then, she said, "if you are the one who proposed to terminate the agreement early, then I have no objections and there is no time limit. It is just that if you propose it at any time, then it will be terminated at any time. Is that alright?"

Lei Zhenyu looked at her from head to toe and then from her feet to her head. Then, he carefully asked, "Che Ru Yu, are you planning to set a trap for me?"
