Chapter 1091: We're already married

"F * Ck, who set you up?" Ru Yu rolled her eyes at him. She said snappily, "what I mean is that everyone has flaws, and we've only known each other for a short period of time, so we don't really know each other. You may have many secrets that no one knows, but I definitely have some secrets too. One day, you'll realize that there are some flaws in me that you can't accept, even if it's an arranged marriage. If you want to terminate this arranged marriage in advance, I have no objections. "I'll definitely agree to it immediately."

"Ru Yu, are you saying that I'm a stingy person?" Lei Zhenyu finally came back to his senses and placed his hands on her shoulders. His dark and deep eyes stared at her. "I'm sorry, ru Yu. I'm a very stingy person, so when you proposed to terminate our arranged marriage in advance, I didn't agree. No matter what you say, I just didn't agree. I want to strictly follow the terms of our agreement."

Ru Yu was so angry when she heard his words that she wanted to raise her foot to kick him. Of course, she didn't kick him, because he skillfully avoided her the moment she raised her foot.

Ru Yu's kick missed and she was slightly unhappy. She wanted to kick him again, but the moment she raised her head, she found that Jin Zhengnan and Lan Ruoshui had already driven out of the courtyard.

"Alright, I'll go back first." Ru Yu gave up on kicking him. As she spoke, she struggled to free herself from Lei Zhenyu's hand.

"I'll drive you back." As Lei Zhenyu spoke, he pulled ru Yu's hand and walked towards the Lei family's courtyard. However, they bumped into Jin Zhengnan's car on the way.

Lan Ruoshui sat in the passenger seat and saw ru Yu and Lei Zhenyu. She could not help but roll down the car window and said viciously, "Ru Yu, no matter what tricks you play, Masao and I will not back down. I want to see how long you two will last in this business marriage with your own goals."

"I also want to see if this love between the two of you will really last forever." Ru Yu did not show any weakness and retorted.

"We will definitely get married." Lan Ruoshui's voice sounded like an oath. Her eyes were fixed on ru Yu as if it was a great thing that she wanted to get married.

"We are already married," Lei Zhenyu answered in front of Ru Yu. He looked coldly at the woman in the car window and said, "so, we are not interested in whether the two of you are married or not."

After saying that, he directly pulled ru Yu's hand and walked towards the Lei family's courtyard. They did not even turn their heads to look at the two men and women who were fleeing in a sorry state in the car.

After getting into Lei Zhenyu's car, ru Yu only felt physically and mentally exhausted. She really regretted that she had impulsively signed this so-called agreement marriage with Lei Zhenyu. Now, even escaping was so difficult.

There was nothing to say on the way. Perhaps she could not find anything to say. It was not until the car reached the entrance of the villa that ru yu turned her head around Looking at Lei Zhenyu in the driver's seat, she said, "Zhenyu, since you insist on keeping this arranged marriage, then I hope that other than the fact that there is nothing substantial, you can take care of my feelings at all other times. That is, no matter when or where, in your heart, you must always put me in your wife's position. From the beginning to the end, you can not let others bully me. Because, if others bully me, they will bully you. "

When ru Yu said this, her face was already solemn. She had thought a lot along the way. Since she wanted to stand on the same side as Lei Zhenyu, then they had to think and even act together. Only by working together would they not be defeated.. Not to the extent that this arranged marriage would end up as a joke.

Chapter 1092 was finally settled

"This is also what I want to say to you. " Lei Zhenyu turned around and placed a hand on ru Yu's shoulder. His pitch-black and deep gaze met her crystal-clear gaze Then, he said in a serious tone, "so, che Ru Yu, although our marriage was formed temporarily for our own interests and we even signed the so-called agreement with our own interests as the guide, what we have now is still a legal husband and wife relationship. So, I hope that in the future, when our husband and wife relationship exists, no matter what difficulties we encounter, you as my wife and I as your husband, we should follow the requirements of the agreement and not casually give up on our marriage. We can't turn around so easily. "

When Lei Zhenyu said this, there was a rare solemn look on his face, but his eyes were exceptionally sincere. He placed his hand on Ru Yu's shoulder and pressed it down slightly.

Suddenly, ru Yu had an illusion. It seemed that she and Lei Zhenyu's transaction marriage was actually the biggest winner, not her but him.

Ru Yu looked at him and felt that she was a little ridiculous. Marriage was clearly so sacred. When did she actually use it as a bargaining chip and put it on the negotiation table to negotiate.

"The date of our engagement is the 28th of this month. " Before Lei Zhenyu left, he reminded her again, "I will take care of my father's side. I only hope that after we get engaged, we can live together like a husband and wife because we will get married a week later. "

Ru Yu nodded, indicating that she understood. At this point, their marriage, which was based on an agreement with the purpose of a transaction, was finally settled. No matter what difficulties they encountered in the future, they still had to get engaged and get married.

Ru Yu stood at the entrance of the car's Dazzling Villa and looked at Lei Zhenyu's car that gradually disappeared into the night sky. She sighed softly and looked up at the dark night sky. It was the beginning of the moon, but tonight, she did not even see the shadow of the moon.

She turned around and walked towards the courtyard door. Not Far Away, he could vaguely hear the music of "city-toppling Love" , which made him slightly stunned. He could not help but think of Bai Liusu, who was written by Zhang Ailing.

Bai Liusu met Fan Liuyuan after the divorce. Then, she and Fan Liuyuan acted out a legend of love that could topple cities, which had been circulating for a long time.

Thinking of this, she could not help but smile bitterly again. She was not Bai Liusu, and of course, it was impossible for her to meet a man like Fan Liuyuan. She was just an ordinary woman. After the divorce, she also met a man, but with a purpose.. He approached her with scheming, with the mentality that he wanted to obtain benefits. In the end, he successfully trapped her.

Ru Yu walked into the hall and was surprised to find her daddy, Che Qixuan, and Pu Yongjun playing chess on the coffee table. Seeing her return, Che Qixuan did not even raise his head and asked, “Yu Yu, this is your second marriage. Shouldn’t you tell your parents about it?”

Ru Yu was slightly stunned. Should she tell her parents about her marriage?

Three years ago, she did not tell her parents about her marriage with Jin Zhengnan. In fact, she was afraid that her parents would suddenly come to the wedding and give her a large dowry.

Most importantly, she had always been an ordinary woman in front of Jin Zhengnan. Therefore, she did not want her parents to scare Jin Zhengnan. Then, Jin Zhengnan would not marry her directly.

At that time, she loved Jin Zhengnan so much and cared about his feelings. Now that she thought about it, she felt that she was so childish and laughable?

Now, she was going to get married again. However, this time, her marriage was simply an agreement. It was a way for her to destroy Jin Zhengnan and Lan Ruoshui.

Such a marriage, of course, was even less necessary to tell her parents.

Ps: Dear friends, tencent has a rookie vote. Qiao Mai’s two articles are also in it. However, Qiao Mai thought about it carefully and felt that there was no need to participate in this kind of canvassing competition. Therefore, Qiao Mai decided to withdraw from this competition. Dear friends, you don’t have to vote for Qiao Mai anymore.

Chapter 1093. She couldn’t be bothered to care

Moreover, if her parents found out about this, based on their personality, they would probably give her a large dowry. She had already been cheated by the divorce agreement that she had signed with Lei Zhenyu. She didn’t want to lose another dowry.

Looking at Che Qi Xuan, who was holding a chess piece and preparing to place it, she felt a headache coming on. After thinking for a while, she sighed softly and said, “Daddy, I have to wait for the right opportunity to tell my parents about this. Right now, the time is not ripe yet. Moreover, Lei Zhenyu is a person...”

Ru Yu stopped at this point. She suddenly remembered that she and Lei Zhenyu were just an agreement marriage. Lei Zhenyu’s personality had nothing to do with her. She had no need to consider whether he was suitable to be a lifelong partner.

“Lei Zhenyu seems to be a modest gentleman, but he is actually a very scheming person.” Che Qixuan held the chess piece in his hand. He looked up at his daughter not far away and said, “Yu Yu, Lei Zhenyu is not Jin Zhengnan. It’s not that easy to see through him.”

“Alright, you’re still at Jin Zhengnan. Jin Zhengnan has nothing to do with our Yu Yu anymore.” Pu Yongjun pushed Che Qixuan. He turned back to look at ru Yu and said, “Yu Yu, don’t think too much. Actually, with your beauty, talent, and personality, what kind of man wouldn’t fall under your skirt and love you wholeheartedly?”

Ru Yu couldn’t help but laugh bitterly when she heard this. She really wanted to say, “Uncle Yongjun, don’t comfort me. How am I charming? If personality can really conquer a man, then Jin Zhengnan wouldn’t go to the extent of cheating with Lan Ruoshui behind my back.”

Of course, she only moved her heart for a moment and didn’t say it out loud. What she said was to tell the two of them not to play chess for too long and not to play chess for three days and three nights without sleeping like last year. In the end, she was the one who was the most exhausted because she had to cook for them and even brought them face washing water.

Lei Zhenyu said that he would take care of his family matters, so ru Yu didn’t have to worry about it anymore. Besides, if Lei Zhenyu couldn’t take care of it, then she and he would only end up exchanging their marriage certificate for a divorce certificate. She wouldn’t regret it.

Ru Yu went to work the next day as usual. Although her life had been a little messy recently due to the divorce and marriage, she still hoped that her life could normalize as soon as possible in the short term.

She originally thought that Lei Zhenyu would come to look for her the next day, but in the end, he did not come. Moreover, he did not even call her. Well, she did not care. Anyway, she had only known him for a few days, so she did not even bother to worry about him.

For three consecutive days, ru Yu’s days unexpectedly calmed down. Lei Zhenyu had also gone missing for three consecutive days. He did not appear in front of her anymore. She tried to call his cell phone, but it was actually turned off.

Ru Yu shrugged her shoulders. It was not that she could not find any news about Lei Zhenyu. If she really wanted to find out, she would definitely be able to find out as long as she put in a little effort.

But she was too lazy to even think about it. It did not matter. Anyway, she did not suffer any losses in the marriage agreement between her and Lei Zhenyu, which was aimed at a transaction. Now, the people who should be busy were probably Jin Zhengnan and Lan Ruoshui, right? She just wanted to watch them busy themselves.

Ru Yu thought that she would be idle until Lei Zhenyu had news. However, on the afternoon of the fourth day, she just walked out of Yun Heng Building and unexpectedly saw Lan Ruoshui who was waiting by her car.

Chapter 1094, ru Yu, I beg you

She frowned and ignored her existence. She pressed the car door and was about to get into the car when Lan Ruoshui grabbed her arm.

“Ru Yu, I beg you, please let me and Masao Go, okay?” Lan Ruoshui grabbed her arm Her voice was pleading, “Ru Yu, I know that you and my uncle have only known each other for a few days and there is no love between you two. The reason why you went to get a marriage certificate with my uncle is to destroy me and Masao.”

“since you know, why are you still looking for me?” Ru Yu shook off her arm and took a step back. She looked at the woman in front of her coldly and said, “Miss Lan, you know that I have never been a good person, so...”

“Ru Yu, I beg you, please let me and Masao go.” Lan Ruoshui knelt down to ru Yu as she spoke Then, she cried with tears all over her face, “Ru Yu, Masao and I are truly in love. You have destroyed us once. Now, I beg you, please let me and Masao go on account that I am pregnant We will remember your kindness for the rest of our lives.”

Ru Yu never dreamed that Lan Ruoshui would actually use this trick. Moreover, it was the time to get off work. There were already many people in the parking lot. Everyone was originally prepared to drive away, but now, they were attracted by Lan Ruoshui’s move Then, they all looked over.

“Lan Ruoshui, do you want to get out of my way?” Ru Yu frowned, and her face immediately turned cold. “Even if you like to kneel, please go somewhere else and kneel. Don’t block my car. I’m going to drive away.”

“Ru Yu, you just won’t let me and Masao Go, right?” Lan Ruoshui completely ignored the question She continued to cry and shout, “Masao and I are truly in love. Why do you have to deliberately sabotage us? People say that it’s better to build ten roads than to destroy a bridge. Why do you have to think of ways to separate me and Masao?”

Ru Yu only felt that this woman, Lan Ruoshui, was inexplicable. She was crying and making a scene as she knelt in front of her car Thus, she could not help but growl, “Lan Ruoshui, do you want to get out of my way? If you don’t, I’ll call the security to pull you away. I have a lot of things to do and I don’t have time to waste with you.”

“Ru Yu, are you determined to destroy me and Zhengnan?” Lan Ruoshui suddenly pounced on her like she was going crazy, scaring ru yu so much that she quickly dodged to the side. In the end, Lan Ruoshui pounced directly on the front of ru Yu’s car.

“Che Ru Yu, what are you doing?” Jin Zhengnan, who suddenly ran over from the other side, just happened to see Lan Ruoshui pouncing directly on the front of ru Yu’s car. Thus, he mistakenly thought that ru Yu had attacked Lan Ruoshui again, so he ran over angrily While supporting Lan Ruoshui with his hand, he growled at her angrily, “you just can’t see that she’s carrying my child, can you?”

Ru Yu didn’t expect Jin Zhengnan to be so angry at her without any reason She couldn’t help but mock him back, “she’s just carrying a bastard child in her stomach. What’s so great about that “I never knew how glorious it was to be an unmarried woman who got pregnant. Should I use a loudspeaker to publicize it?”

“Che Ru Yu, YOU’RE JEALOUS!” Lan Ruoshui snuggled into Jin Zhengnan’s arms and pointed at ru Yu angrily, “you want to be pregnant with Zhengnan’s child, but Zhengnan never touched you. So, you don’t have the chance?”

Chapter 1095: Lei Zhenyu’s scheme

“Hehe, I’ve seen shameless people before, but I’ve never seen someone so shameless.” A low, mocking laugh sounded behind them. Ru Yu turned around and realized that Zheng Junji was already standing behind her.

“Jin Zhengnan, do you think it’s a glorious thing for a woman to bear your child while you and ru Yu were married?” Zheng Junji placed his hand on ru Yu’s shoulder. Looking at Jin Zhengnan who was hugging Lan Ruoshui, he said coldly, “don’t forget, we’re guilty of adultery in Korea. Mr. Jin Zhengnan and Miss Lan Ruoshui, do you think that Madam Che Ruyu is too kind by not accusing you of adultery? Are you forcing her to be less kind?”

Jin Zhengnan’s face immediately turned red. He quickly scanned the surroundings and found that there were already people around him and Lan Ruoshui pointing and talking about them. He glared at ru Yu fiercely, then quickly hugged Lan Ruoshui and walked to the side.

“thank you.” Ru Yu pulled Zheng Junji’s hand off her shoulder, turned around, and was about to walk to her car door.

“Ru Yu, I’m here to treat you to barbecue.” Zheng Junji followed her with a very sincere look. “I drove here for a long time.”

“I have an appointment with my friend to eat fried rice cake tonight.” Ru Yu rejected flatly. She had only met Zheng Junji twice. Although they had eaten and played snooker once, they were not very close. Moreover, she did not plan to get close to Zheng Junji.

“Lei Zhenyu will not come to find you in the future.” Zheng Junji looked at her and continued with a faint smile on his face. “Lei Zhenyu is now locked up in the Lei family’s courtyard by Lei Taihe. You probably won’t be able to see him in the future.”

“Why would the Lei family lock him up?” Ru Yu was definitely a little puzzled when she heard Zheng Junji’s words. She did not expect Lei Zhenyu and Zheng Junji to actually know each other.

“I think you should know that Lei Zhenyu is Lei Zhensheng’s younger brother.” Zheng Junji leaned against ru Yu’s car door. He looked at her with a faint smile and said, “I think, even if you are an artist and are not very enthusiastic about the business world, you have heard of Lei Zhensheng’s great name, right? In Seoul, Korea, very few people don’t know about Lei Zhensheng. Just like in China, very few people don’t know about Dongfang Mo.”

“I’ve seen it in financial magazines and newspapers before,” ru Yu said indifferently, “what does it matter if Lei Zhenyu is Lei Zhensheng’s younger brother? So what if he is?”

“It doesn’t matter, but I think you should know that Lei Zhensheng has no children,” Zheng Junji explained patiently. “Lei Zhensheng is 18 years older than Lei Zhenyu. In Lei Zhensheng’s heart, Lei

Zhenyu is his younger brother. In fact, he is similar to his son. For so many years, he has been raising Lei Zhenyu as his son. Now, Lei Zhensheng will not agree to the marriage between Lei Zhenyu and you, so Lei Zhenyu will no longer appear in front of you. ”

Ru Yu frowned when she heard Zheng Junji’s words. Then, she said lightly, “I’m afraid the rumors are not reliable. Lei Zhensheng’s wife did not give birth to a child, but it doesn’t mean that Lei Zhensheng really has no children. Didn’t he find an illegitimate daughter back then? ”

“This is the reason why Lei Zhenyu found you to get married. ” Zheng Junji shrugged his shoulders and said, “before Lei Zhensheng found his illegitimate daughter, all of his property was left to his younger brother Lei Zhenyu. Now that he found his illegitimate daughter, most of his property may be left to his illegitimate daughter. Lei Zhenyu did not want Lei Zhensheng’s property to leak out, so he thought of a plan to destroy Lei Zhensheng’s illegitimate daughter’s marriage. ”

Chapter 1096: I want to marry you

After listening to his analysis, ru Yu still hadn’t figured it out. However, she wasn’t in the mood to figure out what was going on in the Lei family, so she said a little irritably “Okay, stop nagging. Lei Zhenyu is a grown man. He can’t make such a childish mistake. Moreover, he broke up his niece’s marriage, but it doesn’t mean that Lei Zhensheng will leave his property to him. So, your reason for making wild guesses doesn’t make sense at all. ”

“Alright, regardless of whether it makes sense or not, it’s impossible for Lei Zhenyu to marry you. ” Zheng Junji was probably a little bored by what he said Therefore, he quickly changed the topic. “Alright, let’s not talk about Lei Zhenyu. Let’s go eat barbecue instead. That barbecue shop killed a wild boar that came from China Today. It’s said that the meat is fragrant... ”

“Alright, alright, get out of the way. I hate pork the most. ” Ru Yu used her hand to pull his arm. “Don’t lean against my car door. I’M GOING TO DRIVE BACK! ”

“Ru Yu, did Lan Ruoshui Rob Jin Zhengnan and make you lose face? ” Zheng Junji was still leaning against her car door. He had no intention of leaving.

“whether I lose face or not is my own business. What does it have to do with you? ” Ru Yu was annoyed. He was really familiar with this Zheng Junji. She had only met him a few times, but he was already pestering her.

“How about I get engaged to you? ” Zheng Junji became more and more enthusiastic He danced around and said, “look, I’m definitely not worse than Jin Zhengnan, right? I’m not considered rich because of my family background, but I’m still slightly richer than Jin Zhengnan. My ability... ”

“Let’s not talk about it anymore. I’M A second-hand woman. Did your parents allow you to get engaged to a second-hand woman? ” Ru Yu was convinced by him. She knew that he was joking, but she could not be bothered to be serious with him. She asked purely as a joke.

“I don’t have a mother. ” Zheng Junji shrugged his shoulders He said indifferently, “my father is too busy with his own woman. How would he have the time to care about which woman I marry and divorce? Marriage matters are completely up to me. ”

“Then, do you mean that you are willing to have an arranged marriage with me?” Ru Yu was interested after hearing his words. She turned to look at him. “What kind of benefits can you get from an arranged marriage with me?”

“arranged marriage? What is an arranged marriage?” Zheng Junji obviously did not understand what she meant Hence, he hurriedly said, “I really want to marry you. As for the benefits you mentioned, of course, it is for you to use your connections to help me introduce more big clients. I will naturally get the benefits that Jin Zhengnan could get back then.”

Ru Yu stared at him with wide eyes. The Zheng Junji in front of her clearly looked like a man who was not even twenty-five years old. In her eyes, anyone who was younger than her looked like a child.

Well, there was no need to take the child’s words seriously. So, she reached out and stroked his forehead like a mother stroking a child. “okay, Zheng Junji, hurry up and eat your barbecue. Your Aunt Che is busy. I don’t have time to play with you.”

Zheng Junji didn’t know whether to laugh or cry when he heard her words. He pulled her hand down from her forehead He shouted a little angrily, “Che Ru Yu, I’m being serious with you. I want to get engaged to you, and then I want to get married to you. After that, I’ll definitely make you have a baby.”

Chapter 1097: a pair of bad eggs

Ru Yu finally widened her eyes and looked at Zheng Junji from head to toe. Finally, she asked curiously, “Zheng Junji, are you sure you didn’t run away from the mental hospital?”

“F * Ck, you’re the one who ran away from the mental hospital?” Zheng Junji glared back at her angrily Then, he shouted angrily, “why did Lei Zhenyu say he wanted to get engaged to you and you agreed to it? I said I wanted to get engaged to you and you thought I was crazy?”

Zheng Junji’s words were full of dissatisfaction and accusation. It was as if ru Yu was treating him and Lei Zhenyu unfairly. At this moment, he was like a child who asked for fair treatment.

“This world is unfair to begin with.” Ru Yu explained weakly to Zheng Junji, “besides, everything has a first come, first served basis. Lei Zhenyu first told me he wanted to get engaged to me and I already agreed to it, so...”

“The key is that he can’t get engaged to you now.” Zheng Junji quickly interrupted her and then hurriedly added, “didn’t I tell you just now? He was locked up by the Lei family. You won’t be able to see him anymore.”

“The point is, you told me all this, not him.” Ru Yu pulled him away with her hands and said a little angrily, “can you please move aside? I really don’t have time to waste with you.”

Zheng Junji was pulled aside by her, and his face was slightly stunned Then, he said with a little surprise, “Che Ru Yu, don’t you think your brain is a little slow? When the women outside see me, they pounce on me like bees, clinging onto me and refusing to leave. They can’t wait for me to tell them about the engagement and marriage. Even in their dreams, the women who want to marry me line up in a long line. But you, when I said I wanted to get engaged to you, you actually... “. “... “...”

Zheng Junji paused for a moment and then asked unwillingly, "Ru Yu, am I so unwelcome in front of you?"

Ru Yu didn't know whether to laugh or cry when she heard his words. She pulled the door open and said with a smile, "didn't you just say that there are many women who like you? Why do you care if I'm one more?"

"Tch, they don't like me at all. They obviously like my money," Zheng Junji said as if he knew what was going on in his heart.

Ru Yu laughed even more when she heard his words. She held onto the side of the car door and looked at Zheng Junji. "Zheng Junji, look, this is what you don't know about me, right? Let me tell you, my moral conduct is much higher than the women you date. I knew you were a rich man the first time I met you. You must be used to being coaxed and pampered by women, so I got tired of it. I probably prefer to kick an iron plate, so I deliberately didn't follow the rules. In fact, I like your money more than the women you usually date, but my appetite is much bigger than theirs. What I like may be your Zheng Family's entire family fortune."

"Hehehe, I knew it. How could you not know my intentions?" Zheng Junji laughed when he heard Ru Yu's words. Then, he reached out his hand. He grabbed Ru Yu's arm and said happily, "look, the two of us make a great couple. A pair of bad eggs makes a perfect pair. How about this? Tomorrow, the two of us will bring our marriage certificates and get our marriage certificates. After a week, we will hold a wedding banquet in public. Jin Zhengnan and Lan Ruoshui will be angered to death."

Chapter 1098. A woman with deep knowledge

When Ru Yu heard his words, she laughed even more happily and immediately got into the car and closed the door. Zheng Junji, who looked out of the car window, said, "Zheng Junji, oh Zheng Junji, do you really think that my knowledge is that little? Actually, let me tell you, I have been poisoned too deeply by grandma Qiong Yao. I think that the feelings between a man and a woman are too shallow if they can only reach the stage of being husband and wife. In order to deepen our relationship, I have decided that from now on, I will forever stay in your heart. No matter who you marry in the future, the one you always think, think, and hope to love is my car, Ru Yu. In order to let you have such a deep memory of me, I have decided that in this life, I will never agree to your proposal, because the distance will create a sense of beauty!"

Ru Yu's long and messy speech made Zheng Junji dizzy. While he was still in a daze, Ru Yu quickly started the car and stepped on the accelerator, driving it out of the parking lot of Yun Heng building.

This time, Zheng Junji did not catch up. In fact, he was trying hard to recall the long and messy speech that Ru Yu had just given him. She wanted him to keep her in his heart, and she wanted him to think about her all the time... ..

Thinking of this, he could not help but laugh out loud. This woman, Che Ru Yu, was really not an ordinary person. Now that she had just left, he really missed her a little.

Such an interesting woman. If he could not let her stay by his side for a long time, it would be a pity. However, he had never wanted to leave a regret in his life.

He took out a cigarette from his trouser pocket and lit it up. However, he quickly calculated in his heart that Lei Zhenyu wanted to destroy the marriage between Jin Zhengnan and Lan Ruoshui. As for him, he had to think of a way to destroy the marriage between Lei Zhenyu and che ru Yu.

Thinking of this, he could not help but go to the other pocket to take out his phone. It seemed that he had to think of a way to pass the news that Lei Zhenyu had returned from the United States to a certain woman.

Ru Yu got into the car and drove around the streets. She had just been stirred up by Zheng Junji. Her initial mood of going home had been ruined.

Zheng Junji said that Lei Zhenyu was locked up by the Lei family, while Jin Zhengnan and Lan Ruoshui were swaggering around the city today. From this, it could be seen that the Lei family was going to sacrifice Lei Zhenyu's marriage to help Jin Zhengnan and Lan Ruoshui.

Thinking of this, she could not help but laugh again. It turned out that Lei Zhenyu had miscalculated. When he came down, Lei Taihe would rather offend his youngest son than his eldest son, right?

Lei Zhenyu's phone had been turned off the whole time. She had been calling for two days, but she had stopped calling for the past two days. Anyway, she could not get through. She thought that what was waiting for her was the engagement between Jin Zhengnan and Lan Ruoshui. Of course, she and Lei Zhenyu exchanged their marriage certificate for a divorce certificate.

That night, ru Yu strolled around the streets for a long time before returning home. Fortunately, Che Qixuan and Pu Yongjun were not at home, and she was not interrogated about the reason for her late return. Thus, she felt at ease.

The next day, she was originally drawing an idea in the studio, but was informed by her secretary that someone was looking for her. Moreover, it was a big shot. She was slightly stunned, but in the end, she put down her brush and went to the reception room.

When she walked into the reception room, she was surprised to find that Lei Zhensheng was already sitting. She frowned slightly, and then lightly waved, "Mr. Lei, is there something you need me for?"

Chapter 1099 rejected unreasonable requests

"I won't beat around the bush, and I don't have that much time to waste on this matter," Lei Zhensheng said coldly. "I came here to look for you today because I hope you can agree to two things."

"which two things?" Ru Yu's voice was indifferent and distant. She sat down opposite Lei Zhensheng, her attitude neither servile nor overbearing. She didn't show any fear or respect because he was from a wealthy family.

"The first thing is to ask you not to get engaged to my brother, Lei Zhenyu. Of course, you can't get married because your status doesn't match his at all. And I will get someone to turn your marriage

certificate into a divorce certificate. ” Lei Zhenyu’s attitude was very firm His tone was also very stiff. He clearly said that he was here to ask Ru Yu, but there was not the slightest hint of a request in his tone.

“What’s the second thing?” Ru Yu’s voice was still indifferent and distant. She took a sip of the coffee that was brought in by elite and completely ignored Lei Zhensheng’s words.

“The second thing is to ask you to leave Seoul forever, or even Korea, to a place where our Lei family can not see you because I don’t want you to affect my brother’s and my daughter’s lives. ” As Lei Zhensheng spoke, he took out a check and pushed it in front of ru Yu. “This is five million US dollars, which is equivalent to seven hundred million won. It’s enough for you to spend the rest of your life in Europe and the United States. In fact, you’re a second-hand woman that a real man doesn’t want. You’re really not worth this price. However, for the sake of my biological brother and the peace of my biological daughter’s future life, I’m still very generous to give it to you. I’ve always valued family ties very much. Money is nothing. ”

Ru Yu looked at the check in front of her. She did not look at the data on it seriously. Instead, she coldly pushed the check over to Lei Zhensheng Then, she said indifferently, “Mr. Lei is a well-known tycoon in Korea. It is said that he even climbed to the tenth place on the Rich List last year. However, I have to remind Mr. Lei that not everything in this world can be bought with money. For example, feelings, and people’s hearts. ”

Ru Yu paused when she said this. Then, she looked at Lei Zhensheng with a faint smile She said seriously, “Mr. Lei, I’m very sorry. I once promised Zhenyu Jun that in our marriage, no matter what difficulties we encounter, we will face them together. So, I can’t agree to any of your requests. I won’t agree to any of them. ”

After saying this, ru Yu immediately stood up. Then, she said to Lei Zhensheng, whose face was flushed red, “Mr. Lei, I won’t send you off. Help Yourself. ”

She had lived in a rich family since she was young. Her father, Dongfang Mo, was even the richest man in Asia. She really didn’t think that there was anything special about rich people. Even her father, Dongfang Mo, she only felt that he had a special affinity with her. Of course.. This was Dongfang Mo from the past twenty years.

“Madam Che Ru Yu, if you are so unyielding, then I think you will definitely regret it. ” Lei Zhensheng stood up and waved his phone, meaning that his phone had a recording function He had recorded what ru Yu had said just now.

When he went back and played this for Lei Zhenyu to hear, he would know how bad the woman he had found was and how unreasonable she was to his husband’s brother. He would understand that a woman that even Jin Zhengnan did not want was naturally not a good woman He would make him regret what he had done and change his marriage certificate into a divorce certificate with this woman as soon as possible.

Chapter 1100 who has good taste

Ru Yu only felt that Lei Zhensheng's actions were childish and funny. He even used a recording. However, Lei Zhensheng coming here to threaten her made her understand that Lei Zhenyu was probably under Lei Zhensheng's control. That was why he had no way of finding her.

From the fact that Lei Zhensheng had taken out five million dollars to make a deal with her, she knew that Lei Zhenyu definitely did not compromise with Lei Zhensheng. In other words, he did not give up on their marriage, even if it was just an agreement. But he kept his word and said that he would persevere, so he really persevered.

Ru Yu had always liked to deal with people who kept their word since she was young. Since she had an agreement with Lei Zhenyu and Lei Zhenyu was insisting, then she definitely could not say that she would give up at this time.

Thinking of this, she made up her mind. The more Lei Zhensheng looked down on her, the more she would marry into the Lei family as a poor painter. She wanted to see how wealthy the Lei family thought they were.. To what extent could they look down on a poor artist like her? She wanted to personally experience the life of Cinderella marrying into a wealthy family.

After work at night, Lin Yuxin unexpectedly did not work the night shift. She called to say that she was going on a blind date at night and asked Ru Yu to accompany her. She even said that the person on the blind date this time was a rich second generation.

When Ru Yu heard the words "rich second generation", she had a headache. On the phone, she faintly reminded Lin Yuxin, "don't look for a rich second generation. It's fine if you just look for a doctor in your hospital. Those rich second generation are not good people. "

Lin Yuxin shouted on the phone, "Ru Yu, you don't know how lucky you are. You are a rich second generation, that's why you don't look for a rich second generation. If you really treat me as a friend, then help me find a rich second generation to marry into. "

Ru Yu quickly tried to persuade her, "Yu Xin, it's not that I don't treat you as a friend, but all the rich second generation I know are all stupid. I'll introduce you to one or two rich second generation. As for whether they want to marry you, I really don't know..." They have so many women.

After a long conversation with Lin Yuxin on the phone, of course, she didn't accompany Lin Yuxin on the blind date. After all, she wasn't interested in the rich second generation. Moreover, it was the 28th of this month in two days, which was also the day she and Lei Zhenyu were engaged.

When she returned home at night, Che Qixuan was cooking in the kitchen. When he saw her return, he asked her if she had eaten. He even said that he would cook seaweed-wrapped rice tonight and let her have a taste of his cooking.

Che Qixuan's cooking skills were indeed good. Ru Yu could not help but sigh as she ate, "back then, why was mommy willing to leave you to follow Dongfang Mo? I think Mommy's taste is really not ordinary. "

Che Qixuan used his chopsticks to knock twice on her head symbolically. Then, he reminded her lightly, "alright, you must not let Dongfang Mo hear your words. Otherwise, it would be strange if you were not thrown to the South Pole. Besides, it would be good if you have your mommy's good taste. "

“Alright, my taste is definitely better than my mommy’s.” Ru Yu scoffed at Che Qixuan’s words and said, “although my marriage with Jin Zhengnan only lasted for three years before it was on the verge of breaking down, you have to admit that in my marriage with Jin Zhengnan, Jin Zhengnan has never hit me, let alone locked me up or pretended to be a masked man to bully me.”

“Alright, when did it become such a cliché? Your Mommy even forgot about it. To think that you still remembered it for her.” Che Qixuan gave her another bag of seaweed rice. “Eat more. In the future, when you get married, it’ll be hard for you to get my seaweed rice.”

Ru Yu nodded and hummed a few sentences. She did not stand on ceremony with Che Qixuan. After all, Daddy’s bag of seaweed rice was the best bag of seaweed rice in the world. She would not choose to go on a diet at this critical moment.
