

## never divorce 1131

### Chapter 1131. There was no pure love

Ru Yu immediately fell silent. Alright, she had never lived in a poor family since she was young. Even if she had lived in Korea with her daddy and Mommy when she was born, she didn't know that Dongfang Mo, the CEO of Binhai Dongfang Group, was her father at that time.

However, her Daddy, Che Qixuan, wasn't a poor person, so she had been living very well. Later, when she returned to Binhai, she recognized Dongfang Mo as her biological father. It seemed that she had never been short of money ever since.

In short, she had been living a comfortable life for 26 years. Perhaps it was because her previous life was too smooth-sailing that the heavens had to punish and stop her on the path of marriage?

"Do you think Lei Zhenyu will really give up the inheritance of the Lei family for you?" Lin Yuxin looked at ru Yu and asked in confusion. Seeing ru Yu remain silent, she asked, "Do you think Lei Zhenyu will give up the inheritance of the Lei family?" She immediately answered her own question, "I think it's unlikely. If Lei Zhenyu really gives up, then the Lei family's property will fall into the hands of Lan Ruoshui. To put it bluntly, it is actually in the hands of Jin Zhengnan because Lei Zhensheng's wife, Cai Shaofen, has not given birth. Lei Zhensheng only has an illegitimate daughter, Lan Ruoshui."

"I don't know." Ru Yu shook her head. She really didn't know. After all, she had just married Lei Zhenyu yesterday. Moreover, she had never discussed this issue with him.

"Hey, you." Lin yuxin poked ru Yu's forehead symbolically Then, she sighed and said, "I spent some time to help you ask around last night. It is said that Lan Ruoshui has no parents since she was young. She grew up with her grandmother. Two months ago, Lan Ruoshui met Lei Zhensheng for some unknown reason. Then, Lei Zhensheng realized that Lan Ruoshui looked exactly the same as his ex-lover, so he immediately found someone to investigate Lan Ruoshui's identity. Then, this situation happened."

"Two months ago?" Ru Yu frowned and carefully recalled what had happened in the past two months. No Wonder Jin zhengnan would go on a business trip more than a month ago. Then, more than twenty days ago, he would bring Lan Ruoshui to show off their love in public.

At that time, Lan Ruoshui probably told Jin Zhengnan that she was Lei Zhensheng's illegitimate daughter. Moreover, Lei Zhensheng did not have any other children and she was the only one. When she returned to the Lei family, she would naturally inherit half of the assets of the Lei Corporation And half of the Lei Corporation's assets were dozens or even hundreds of times more than Jin Zhengnan's assets.

Thinking of this, ru Yu's heart instantly felt uncomfortable. She had always thought that Jin Zhengnan left her because he truly loved Lan Ruoshui. Now, she finally understood that the love between the two of them was also related to money.

In Jin Zhengnan's opinion, marrying Lan Ruoshui and directly inheriting half of the Lei family's assets was far more beneficial than maintaining a loveless marriage with her. It was countless times more beneficial than her status as a painter. Therefore.. He immediately abandoned her and followed Lan Ruoshui to enjoy wealth and wealth.

Lei Zhenyu had probably judged the situation too much. He thought that marrying her would stop Lan Ruoshui and at least prevent Jin Zhengnan from staying in the Lei family as the son-in-law of the Lei family. However, from the current situation, it seemed that.. Lei Zhenyu's move was very risky.

"Ru Yu, do you think Lei Zhenyu would really lose half of the Lei family's assets for you?" Lin Yuxin looked at ru Yu with wide eyes. She really wanted to know what was the most important thing for this rich Man's son.

## Chapter 1132

"How would I know?" Ru Yu smiled and waved for the waiter to pay the bill Then she said indifferently, "I'm too lazy to get involved in these things. Anyway, Lei Zhenyu is a lawyer. At worst, he can just file a property lawsuit for himself."

Lin Yuxin rolled her eyes at her and said something uninteresting. Then, she went downstairs with her. Of course, when they went downstairs, they couldn't help but nag a few more words. It was nothing more than asking ru Yu to introduce her to the rich and handsome.

In the afternoon, ru Yu directly took a taxi back to Che Qixuan's home after work. Of course, she packed her luggage and went to Lei Zhenyu's apartment to live. According to the agreement, she and Lei Zhenyu had to live together during their marriage.

When she came downstairs with two suitcases, she happened to see Che Qixuan coming in from the door. She looked back and could not help but ask, "Daddy, you're alone. Where's Uncle Yongjun?"

"He's still in Ji Zhou Island to accompany your aunt wisdom for a few days." Che Qixuan saw her carrying two suitcases and could not help but frown. "Yu Yu, where are you moving to?"

"I'm moving to live with Lei Zhenyu. We're married," ru Yu answered naturally. Then, she deliberately teased, "Daddy, maybe I won't move back this time."

"It's better if I don't move back." Che Qixuan smiled and replied, "even if I have to come back in the future, it's best if I come back as a guest with Lei Zhenyu. If you move back alone, Dongfang Mo will probably fly over and throw me to the South Pole."

"Ah? My Dad is here?" Ru Yu immediately turned her head and looked around She had come home to pack her things for more than an hour and had not seen Dongfang Mo at all. Moreover, Dongfang Mo had talked to her on the phone a while ago and did not say that he was coming to Seoul.

"His phone call came." Che Qixuan saw her nervous look He hurriedly explained, "you know Dongfang Mo. he repeatedly warned me on the phone that if he heard the news of Yu Yu's divorce again, he would fly over and take you back, not allowing you to be my daughter anymore."

When Che Qixuan said this, he smiled and paused for a moment. Then, he shook his head and sighed, "Dongfang Mo is already fifty-four years old, yet he's still so childish. You're already so old, how can he take you back?"

When ru Yu heard this, she couldn't help but laugh. Actually, her father, Dongfang Mo, wasn't childish. It was just that he didn't seem to be that thoughtful when it came to family love.

Thus, she smiled and said to Che Qixuan, "Daddy, if I ever get a divorce again, I won't tell you. If you accidentally find out, don't tell..."

"What nonsense is this? Who told you that you can get a divorce again?" Che Qixuan's face finally darkened. His face, which had been smiling gently just now, suddenly turned as black as Bao Gong's. A pair of deep black eyes stared fiercely at Ru Yu and said, "you are not allowed to get a divorce in the future. Since you have already registered with Lei Zhenyu and the wedding has already been held, this means that you have already planned to live with him for the rest of your life. Marriage is not a child's play. Our Dongfang family has never had a divorce before. It's enough for you to get a divorce once. If you get a divorce again, I will have to accompany you to the South Pole."

Ru Yu stood there for the first time in her life being taught a lesson by her father. It was also the first time she saw her father's dark face. Thinking that this was all the result of her messy marriage, she lowered her head and didn't dare to make a sound.

### **Chapter 1133 the so-called husband**

When Che Qixuan saw that Ru Yu had lowered her head like a child who had made a mistake, he finally stopped scolding her. Instead, he walked up to her and pulled her into his embrace. He patted her back and said softly, "Yu Yu, you're already so old. In the future, you have to think twice before making any decisions. Actually, you and Jin Zhengnan should have discussed your divorce with me. Jin Zhengnan's nature isn't really bad, and he doesn't mean that he doesn't love you. It's just that he's a little noble in his bones. He's more of a male chauvinist, a little like your father, Dongfang Mo, and your character isn't like your mother, Xi Muru. That's why the two of you ended up getting a divorce."

Ru Yu listened to her father's lesson and felt sour in her heart. Jin Zhengnan's nature might not be bad, but he had a clear distinction between love and hate. For the sake of the woman he loved, he could keep his body and Ru Yu would not touch her as his wife. For the sake of the woman he loved, he could hurt her wantonly. He could hurt her until her body was not intact.

"Alright, I won't mention Jin Zhengnan anymore." Che Qixuan gently pushed Ru Yu away with his hand. Then, he smiled gently and said, "since you want to leave, then hurry up and leave. Otherwise, Lei Zhenyu will probably worry about you again."

Ru Yu nodded and said goodbye to her father. Then, she dragged two large suitcases out of the door. Fortunately, her car was an off-road vehicle, so it was very spacious. The two large suitcases were easily put in.

When she drove back to Lei Zhenyu's apartment, Lei Zhenyu had already returned. He saw her dragging two large suitcases in. He couldn't help but complain, "you don't even know to call me when you're going home to move things. Don't you know that you're married and have a husband now? Don't you know that a husband is a wife's Coolie?"

Ru Yu could not help but laugh when she heard this. She quickly explained, "the so-called husband is a husband within ten feet. The place where I'm going home to move my luggage is already ten feet away from your law firm. Therefore, I didn't think of you as a coolie."

Lei Zhenyu was a little unhappy when he heard her words and immediately corrected her, "this doesn't make sense. A husband is actually the wife's right-hand man. He's the person who should immediately lend a hand when a wife is in trouble."

Ru Yu was too lazy to argue with him on this issue. Moreover, the so-called lawyer was the person who was the best at arguing. She was an artist. Competing with a lawyer was asking for trouble. She would not do such a stupid thing.

Because she cut her hand last night, the person who cooked today was still Lei Zhenyu. When she hung her clothes in Lei Zhenyu's closet and tidied everything up, Lei Zhenyu had already come to ask her to eat.

During the meal, Ru Yu thought of the news that Lin Yuxin had told her, so she could not help but ask, "Zhenyu, Um, did your sister-in-law help your brother give birth to a child?"

"No." Lei Zhenyu shook his head and answered naturally, "My sister-in-law married my elder brother when she was 22 years old. In the blink of an eye, 18 years have passed. She took a lot of Chinese Medicine, but the heavens did not favor her."

"then... if you are kicked out of the Lei family, will Lan Ruoshui be able to inherit all the assets of the Lei family alone?" Ru Yu frowned slightly. If that was really the case, she would have a guilty conscience.

"It should be like this." Lei Zhenyu did not care much and said, "the assets of the Lei family were originally divided equally between me and my elder brother. But if my father wants to kick me out of the Lei family, then the Lei family will belong to my elder brother alone. Lan Ruoshui is my elder brother's only daughter. Naturally, she will inherit all of my elder brother's assets."

#### **Chapter 1134 how to cook cooked rice**

"then... are you willing to let her inherit the assets of the Lei family all by herself?" Ru Yu asked carefully.

"We'll talk about that when the time comes," Lei Zhenyu replied indifferently. He reached out and gently shook the back of her hand. His deep eyes stared at her and said, "don't worry. Even if you don't paint anymore, I won't let you starve to death. I will naturally let you live a life without worry about food and clothing."

"We are only in an agreement marriage," Ru Yu reminded him carefully.

"nothing is unchanging." Lei Zhenyu did not shrink back. Instead, he continued to insist, "I know that we are in an agreement marriage, but if you don't find a man who is more suitable for a husband than me, and I don't find a woman who is more suitable for a wife than you, then we can completely cancel the agreement and become a real husband and wife, right?"

"This..." Ru Yu was slightly stunned. But she didn't know how to answer because she didn't dare to get a divorce at the moment. Moreover, her father's scolding at night made her feel that her decision to choose a negotiated marriage with Lei Zhenyu was a lack of consideration in the first place.

Now that things had come to this, she couldn't back down. In Lin Yuxin's words, if her marriage with Lei Zhenyu ended up with Lei Zhenyu being chased out of the Lei family, and Jin Zhengnan and Lan Ruoshui married each other in love..

Then, both she and Lei Zhenyu suffered losses, and the two people who suffered losses seemed to be able to combine together to keep each other warm!

"Lei Zhenyu, if you are chased out by the Lei family and the Lei family doesn't get a single cent of their assets, I'm afraid you will lose everything in this gamble, right?" Ru Yu looked at him She probed, "why don't we go and change this marriage certificate into a divorce certificate?"

"How can we do that?" Lei Zhenyu immediately rejected it Then, he said seriously, "first of all, we have an agreement there. We agreed to advance and retreat together if we encounter difficulties. Secondly, we have already cooked the raw rice last night. I must be responsible to the minimum for you."

Ru Yu was charred by his actions. Her entire face was covered with a red cloth. After a while, she could not help but ask, "Lei Zhenyu, do you know what it means to cook the raw rice into the cooked rice?"

"Of course I know," Lei Zhenyu answered seriously "Isn't it just that men and women have slept on the same bed We slept on the same bed last night. Aren't we sleeping on the same bed Isn't there a saying that a hundred years of cultivation can bring us together, and a thousand years of cultivation can bring us together "The two of us have been cultivating for thousands and thousands of years. Isn't this long enough to cook raw rice into cooked rice "Then how do we cook it?"

Ru Yu looked at Lei Zhenyu's teasing gaze and immediately felt so embarrassed that she wished she could find a hole and hide in it. Also, how do we cook it? How would she know how to Cook it?

Lei Zhenyu saw that she did not say anything, so he sat next to her again and moved his thin lips to her ear He said in a teasing whisper, "ru Yu, since you think that the raw rice between us is not cooked, then can we continue to cook it tonight? Until it is cooked, what do you think?"

Ru Yu was so angry that she pushed him away with her hands. Then, she pulled the stool away and stood up. She realized that his eyes were full of teasing ambiguity. She could not help but kick him. "Get lost and go wash the dishes. Have you forgotten your husband's duty?"

Lei Zhenyu smiled and did not bother with her. He went to the dining table to clean up the dishes. Although he had only lived with ru Yu for two days, it seemed that their life was much more interesting than he had expected.

### **Chapter 1135: The most beautiful woman**

The next day, when she went to work, she was reminded that her previous work schedule had been pushed back again and again. If she still didn't go to sketch, her schedule would probably be changed to next year, because this year's summer was about to pass.

Only then did ru yu remember that she had recently encountered a lot of messy things after her divorce with Jin Zhengnan, so much so that her current work was a complete mess.

The sketch didn't take long. It was about a week. She was going to India, and she had to draw some pictures of Darjeeling Mountain.

Now that her marriage with Lei Zhenyu had ended, her life was settled for a short period of time. As for Lei Zhenyu and the Lei family, that was not something she could care about, nor could she care about it.

Taking the time to go to India to do sketching was also good. If he gave up his time, Lei Zhenyu could also go and communicate with the Lei family. As for the final result, Lei Zhenyu would go back to the Lei family or he would have a lawsuit with Lei Zhensheng. She could not predict that.

When she went home at night, she told Lei Zhenyu that she was going to India to do sketching. Lei Zhenyu asked her if she was afraid to go to darjeeling alone Should he accompany her?

She laughed and said what she was afraid of. She had started to go out to sketch by herself since she was twelve years old. Moreover, things like drawing needed to be quiet. Sometimes, someone beside her would create inspiration and passion.

Lei Zhenyu heard what she said and did not insist anymore. After all, he did not know much about drawing. Moreover, Art and Law did not have much of a connection.

Therefore, when they were eating, he could not help but remind her to be careful. Darjeeling Mountain was a complicated place with complicated people and the environment was not good. Why don't you not go to Darjeeling Mountain? I will accompany you in the future. If you want to go, you should go to a safe place too For example, the Sun Moon Lake or something.

When ru Yu heard this, she burst out laughing. Darjeeling was not chaotic, but that place had many Zang Ming and many ancient cultures. Of course, there were more beautiful women. So, Zhenyu, I am not stupid. Why would I bring you to a place with many beautiful women?

When Lei Zhenyu heard this, he laughed out loud. He said that in the past seven years, he had not only stayed on Wall Street in the United States, but had also gone to many places. He had seen many beautiful women. However, the most beautiful woman was still his wife, ru Yu There was no one more beautiful than her.

Alright, ru Yu admitted that Lei Zhenyu was indeed suitable for the profession of a lawyer. Seeing how much he had flattered her, even if she knew that he was trying to make her happy, she still felt extremely comfortable listening to him?

After dinner, when Ru Yu was tidying up her luggage, she realized that the pair of mountain boots was not with her. She thought for a moment, and then remembered that she was still at her home with Jin Zhengnan.

Therefore, she told Lei Zhenyu that she wanted to go back to her previous home to get her mountain boots. Because it was unavoidable to climb mountains during sketching, the mountain boots were especially important.

"Wait for a moment. I'll drive you there." Lei Zhenyu had just finished washing the dishes. When he heard that she had to go back to get her things, he immediately said.

“No need. I’ll drive myself back. This place is not far from my old house. I’ll be there in about ten minutes.” Ru Yu said naturally as she changed her shoes. “I should be back in less than an hour.”

Lei Zhenyu nodded. From what he knew, ru Yu was very independent. She often went over mountains and hills to write on her own, so he did not insist and let her go alone.

Ru Yu drove back to the place where she used to live with Jin Zhengnan. It was really not far from the apartment in Lei Zhenyu’s neighborhood. After all, they were all in Jiangnan, so they arrived in less than twenty minutes.

## **Chapter 1136**

After parking the car in the parking lot downstairs, she held the car key in her hand and walked upstairs naturally to her former home.

This used to be her and Jin Zhengnan’s home. It was the wedding house that Jin Zhengnan bought for her marriage three years ago. At that time, she bought raw materials and personally designed them. She also personally bought the decoration materials and personally supervised the renovation.

She did not understand the appropriateness of the renovation at all. For the sake of this wedding house, she had bought several books on the renovation. Every material was carefully selected. She could not be careless at all.

At that time, Jin Zhengnan was convinced by her. He said, “why do you have to be so serious?” In fact, as long as she gave the design blueprint to a formal decoration company, then the contractor would bag the materials. After two months, she would be able to carry the bag and move in.

But she refused, saying, “how can I?” It was not that she was afraid of spending money, but she was afraid that she would not be able to buy the materials she wanted. Most importantly, she would occasionally change the style or materials according to her whim.

The decoration took a full month. She drove the car up and down every day. She bought this, bought this, and bought that. She was as busy as a decorator. Even the renovation boss teased, “Miss Che, you’re so picky about things. How picky are you when it comes to finding a husband? Don’t you have to be picky about everything?”

Picky about everything. Thinking of what the renovation boss said three years ago, she couldn’t help but smile wryly again. It seemed that she didn’t have to be picky about her husband. Usually, she felt that it was right and thought that it was love knocking on the door. And then, since she was in love, she was going to get married. After all, didn’t women always want to be with the person they loved?

Well, she didn’t really choose her first marriage because she was attracted to Jin Zhengnan after enduring him. Then, she couldn’t help but fall in love with him and naturally wanted to marry him.

Her first marriage went according to her feelings, so in the end, the facts proved that the feelings were wrong. Now, she had entered her second marriage. This time, she didn’t go according to her feelings, but.. Her marriage was already reduced to a transaction marriage. It was probably very difficult to reach the end, right?

After all, she did not have as many choices as she did when she bought the decoration materials. Therefore, her marriage was not as strong as her home's decoration.

She used the key to open the door and stepped in. However, she was blinded by the lights in the room. She could not help but frown. Did she leave the lights on that day? She rubbed her forehead with her hand. She really could not remember.

Alright, she did not turn off the lights. She would remember to turn it off when she went out later. With this thought in mind, she opened the shoe cabinet behind her door and took out a long box. When she opened it, the pair of mountain boots was indeed inside.

She closed the box and tidied up the shoe cabinet a little before closing the shoe cabinet door. She took the shoe box in her hand and walked to the door. She opened a switch box on the wall. Without thinking, she directly reached out and pulled down the electric switch.

"Bang!" The bathroom door was pushed open, followed by a slightly surprised murmur, "why is there a power failure?"

Ru Yu was shocked. She was just about to step out of the door when she immediately stopped. She quickly turned around and instinctively growled in the direction where the sound came from, "who? Who is there?"

"It's me." The familiar voice sounded. Although she could not see it because the room was dark, Ru Yu still recognized his voice. She had heard this voice for four years. As soon as it entered her ears, she could immediately tell who he was.

### **Chapter 1137 was none of Your Business**

"Turn on the lights first," Jin Zhengnan's voice came from the bathroom door. Obviously, he knew who had come back.

"Why are you here?" Ru Yu asked. At the same time, she had already reached out and pushed the switch that had just been pulled back on. The room was suddenly brightly lit again.

With the help of the light, Ru Yu saw that Jin Zhengnan, who was standing at the bathroom door, was only wearing a towel.

"Why did you come back?" Jin Zhengnan avoided answering Ru Yu's question and asked Ru Yu instead.

"What I came back for is none of your business. The question is why are you in my house." Ru Yu's face immediately darkened as she looked at the man wearing a towel. She could not help but remind him coldly, "Jin Zhengnan, I think you have forgotten that when we divorced, our agreement was written that this house was left to me. You don't have the right to live here anymore."

Jin Zhengnan frowned slightly and looked at the angry look on her face. He said indifferently, "I know that. The key is that we just divorced not long ago, right? The House I just bought is not ready yet. I will naturally move out after a few days."

“What does it have to do with me if your house is not ready?” Ru Yu immediately flew into a rage. She could not help but raise her voice, “Jin Zhengnan, you have a lot of money, don’t you? You can’t stay at a hotel for the time being, right? Why do you have to stay at my place?”

“I’ve been living here for three years and I’m used to it.” Jin Zhengnan saw that Ru Yu was very emotional and couldn’t help but take two steps towards her. He explained in a low voice, “alright, I’ll stay here for a few more days. When my house is ready, I’ll move out. Don’t worry, I won’t take anything from this house as long as it’s yours.”

“Do I have to provide you with my things if you don’t take them?” Ru Yu scoffed at his words. She couldn’t help but throw away the shoe box in her hand. Then, she ran to the bedroom door and walked in. She pulled open the wardrobe and threw out his clothes.

“Hey, Ru Yu, what do you mean by this?” Jin Zhengnan quickly followed her in. He looked at the clothes on the ground and frowned slightly. He could not help but take two steps forward and come to Ru Yu’s side. He reached out to grab her arm and pulled her out of the wardrobe. He could not help but whisper, “Ru Yu, can you not do this? Have you forgotten that in the past, you always wished for me to live at home?”

“In the past is in the past. Now is now.” Ru Yu shook his hand away forcefully. Then, she glared at him coldly. “Jin Zhengnan, do you want to move out tonight? If you don’t, I’ll call the police because you have no right to live in my house.”

Jin Zhengnan could not help but sigh when he saw her like that. “Che Ru Yu, can you not be so unaffectionate? Actually, it’s not good for women to be angry. Anger makes people ugly. You actually look very good when you smile.”

“Does it have anything to do with you whether I look good or not?” Ru Yu was so angry that she almost vomited blood. She looked at the man in front of her. She could not help but snort coldly and said, “Jin Zhengnan, it’s not enough for you to hug your beautiful girl every day. Now you actually have the mood to care about how I look better? Aren’t you afraid that your beautiful princess, Lan Ruoshui, will be jealous?”

When Jin Zhengnan heard this, he was stunned. The corner of his mouth twitched. Just as he was about to open his mouth to refute, the sound of footsteps running in came from the door. Ru Yu and Jin Zhengnan were both stunned. The moment they turned around, they found Lan Ruoshui already standing at the door of the bedroom.

### **Chapter 1138: Who is shameless**

“what... What are you doing?” Lan Ruoshui pointed at Che Ruyi and Jin Zhengnan in the bedroom. Her eyes were like the eyes of a dead fish that were about to pop out. She could not believe her eyes ...

At this moment, what she saw was a loose towel wrapped around Jin Zhengnan’s waist. There were still water droplets on his chest and hair. Although Che Ruyi was dressed neatly, she was wearing a Bohemian dress. On the floor.. Jin Zhengnan’s clothes were scattered all over the floor.

Ru Yu had not yet reacted. To be more precise, she was waiting for Jin Zhengnan to answer Lan Ruoshui's words. However, Lan Ruoshui could not wait for their reply and immediately rushed up in anger.

"Che Ru Yu, you shameless woman." Lan Ruoshui was like a hen that did not want to be provoked. Her face was red as she pounced on Ru Yu. She cursed without thinking, "Che Ru Yu, you and Lei Zhenyu are already married, and now you actually turned around to seduce Zhengnan. What do you mean? Can't Lei Zhenyu satisfy you alone? Or do you see me and Masao have not separated, so spare no effort to try to break up us? You think you're trying to seduce him, you shameless... ."

"PA!" The clear sound of a slap echoed in the room. In her anger, Ru Yu used all her strength and threw a slap down. Lan Ruoshui lost her balance on the spot and her body hurriedly retreated. Unfortunately, the result of her continuous retreat was that she bumped into the wall. With a bang, a big bump appeared on the back of her head.

"Che Ru Yu, you shameless woman, how dare you hit me?" Lan Ruoshui rubbed the bump on the back of her head with one hand and ran up to her angrily. She raised her hand and was about to give Ru Yu a hard slap on the face.

Unfortunately, her hand was raised in the air but did not fall because Jin Zhengnan had already reached out to grab her wrist. He could not help but call out to her in a low voice, "Ru Yu, what are you doing?"

"Zhengnan, get out of my way." Lan Ruoshui did not even raise her head to look at Jin Zhengnan's face in her rage. Instead, she roared loudly, "today, I will definitely teach this extremely shameless woman, Che Ru Yu, a good lesson. She clearly divorced you and shamelessly ran off to marry my little uncle. Now, she actually came to your house to seduce you."

Lan Ruoshui struggled with all her might in her rage, trying to break free from Jin Zhengnan's hand. She, Lan Ruoshui, was the eldest daughter of the Lei family. How could she tolerate a woman from the outside slapping her in the face? Today, she had to show off the might of the eldest daughter of the Lei family. She slapped Ru Yu hard a few times to vent her anger.

Lan Ruoshui only cared about her incomparable anger. She did not raise her head to look at the man who grabbed her hand. She did not know that Jin Zhengnan's originally handsome and handsome face was now cold and dark.

Lan Ruoshui felt that she had the right to slap Che Ru Yu in the face. In the past, her family was poor and her status was low. Even if she loved Jin Zhengnan, she could only love him silently. For the sake of his career development, she endured humiliation and became a mistress. Seeing him fall in love with Che Ru Yu and seeing him marry Che Ru Yu, no matter how sad, painful, and painful it was, she could only hide in a corner and cry. Seeing that Che Ru Yu wanted to pretend to congratulate her and be good friends with her to please her.

Now, she had found her biological father. She was the daughter of the Lei family and had endless wealth and wealth. She was not afraid of anyone. She did not need to be a mistress anymore. She was in an open and aboveboard relationship. If she wanted to marry Jin Zhengnan openly, why should she be slapped by Che Ru Yu?

**Chapter 1139 I'm much more shameless than you**

“enough, ru Yu.” Jin Zhengnan tugged at Lan Ruoshui in annoyance, still struggling to hit ru Yu’s hand. He could not help but explain in a low voice, “it’s not what you think.”

While he was explaining to Lan Ruoshui, he kept winking at Ru Yu, signaling her to leave as ru Yu was standing there. He was only wearing a towel and his clothes were on the ground. He really could not explain it clearly.

Ru Yu found it funny. Jin Zhengnan told her to leave as soon as possible. Why should she leave as soon as possible This was clearly her house, wasn’t it If she really left at this time, wouldn’t it make her look guilty?

Looking at Lan Ruoshui who was still struggling in Jin Zhengnan’s arms, looking at her face that was almost twisted from pain, looking at her eyes that were almost burning with anger, she couldn’t help but Shush to herself.

She used to love Jin Zhengnan, but compared to Lan Ruoshui’s love, it was probably much worse. A woman could love a man to this extent.. Just seeing her and Jin Zhengnan standing in the room made her so sad that she even forgot that she had to maintain her ladylike image in front of Jin Zhengnan.

She had never been able to find a way to make Lan Ruoshui suffer, because ever since she found out about the matter between her and Jin Zhengnan, she had been the one suffering, and Lan Ruoshui had been living her incomparably blissful life proudly.

Today, she had an unexpected gain. It turned out that Lan Ruoshui cared about Jin Zhengnan to this extent. She was deeply afraid that Jin Zhengnan still had a trace of connection with her, deeply afraid that Jin Zhengnan would come back to eat her grass.

Well, since her ambiguous relationship with Jin Zhengnan could make her suffer, then shouldn’t she work a little harder to make Lan Ruoshui suffer a little more?

So, she took a step forward. Of course, she didn’t follow Jin Zhengnan’s gaze toward the door. Instead, she came to his side, reached out, and pulled his arm. With a little force, she forcefully pulled one of his arms off Lan Ruoshui’s body.

“Zhengnan,” she spoke before Jin Zhengnan could speak. Her voice was so charming that it could drip water. She deliberately moved her mouth close to Jin Zhengnan’s ear as if she wanted to whisper, but the voice she said was loud enough for the entire room to hear clearly.

“Zhengnan, you just happened to be adorable.” As Ru Yu spoke, she deliberately looked at Lan Ruoshui provocatively Then, she reached out her hand and touched Jin Zhengnan’s chest. “You’re even more adorable than the actions of the men in the porn that we saw. I think it’s a pity that you don’t play the male lead role in porn.”

“Che Ruyu, do you have any shame?” Lan Ruoshui was so angry that she squeezed out from Jin Zhengnan’s words. She rushed in front of ru Yu and forcefully pushed ru Yu away, trying to push her away from Jin Zhengnan.

Ru Yu had trained her family, so she had a very good self-control. With Lan Ruoshui's strength, she could not even push her away from Jin Zhengnan, let alone push him away.

She stood there steadily and looked at Lan Ruoshui who was pushing her away. She snorted and said, "Lan Ruoshui, compared to you, I have a lot more shame."

After saying this, ru Yu moved her mouth to Jin Zhengnan's ear again. Her Lips almost touched Jin Zhengnan's earlobe. She whispered softly, "man, don't you think so?"

This action was extremely intimate and ambiguous. Jin Zhengnan was stunned for a moment before he reacted. He turned his head to look at Lan Ruoshui who was pushing ru Yu forcefully. At this moment, her face was as white as paper and her entire body was trembling.

#### **Chapter 1140: Don't dirty my territory**

"Ru Yu, have you had enough?" Jin Zhengnan used his hand to support his trembling body and used his other hand to shake off ru Yu's hand. Then, he pointed at the bedroom door and said angrily, "hurry up and leave. Don't stay here. I'll leave immediately too."

Ru Yu stood there motionlessly. Looking at the two people who were supporting each other, she snorted coldly and said, "Mr. Jin Zhengnan, I'm sorry. I'm the owner of this house. I should be the one who drives people away, but you don't have the right to do so!"

"I know it's yours. I'll move out later." Jin Zhengnan couldn't help but become irritated. At this moment, he urgently needed to comfort the woman in his arms, but she ru Yu just stood there without knowing what was going on.

"How do I know if you'll move out later?" Ru Yu looked at the two people in front of her coldly. Finally, she walked out of the door. When she reached the door, she turned around and looked at the two people who were hugging each other inside the door. She reminded him coldly, "Jin Zhengnan, I'll repeat it again. This house is mine. Please go back to your own home and act some scenes that are inappropriate for children. Don't dirty my territory."

"Che Ruyu, who cares about this damned place?" Lan Ruoshui broke free from Jin Zhengnan's arm and quickly chased after ru Yu. She couldn't take tonight's slap for nothing. She had to return it before ru Yu left.

Ru Yu was about to open the door and walk out with the box in her hand when Lan Ruoshui chased after her like a maniac. She quickly dodged to the side. Lan Ruoshui couldn't hold back and her raised hand didn't hit ru Yu's face. Instead, it hit the door panel.

Because she used too much strength, she was blocked by the door panel. Her entire body was pushed back due to inertia, and she fell straight back.

"Lan Ruoshui!" Jin Zhengnan came out from behind and saw Lan Ruoshui's body falling backwards. He immediately rushed forward to catch her, but in the end, he was still one step too late. Lan Ruoshui's body fell onto the floor.

“Lan Ruoshui!” Jin Zhengnan shouted in panic. He quickly went forward and picked up Lan Ruoshui’s body. Looking at her pale face, he could not help but raise his head. He growled at Ru Yu who was standing at the side, stunned. “Che Ru Yu, why are you still standing here? GET LOST!”

Just now, Ru Yu’s reminder was like a needle piercing his heart. He had never thought about what he wanted to do with other women in this house, because this was the house that she personally designed and renovated. It was all her hard work, and she cherished it.. How could he not cherish it like a treasure?

“Jin Zhengnan,” Ru Yu said carefully. Then, she pointed at Lan Ruoshui’s white dress, which was slowly dyed red, and reminded him in a low voice, “look, Lan Ruoshui... is she bleeding?”

Jin Zhengnan was slightly stunned. Then, he looked at Lan Ruoshui’s lower body. Indeed, there was a lot of blood oozing out. So, he shouted in panic, “Ruoshui, what happened to you? Ah? What happened to you?”

Lan Ruoshui, who was already in a coma, gradually woke up after being shaken by Jin Zhengnan. Looking at the nervous face that was hugging Jin Zhengnan, her pale little face wrinkled into a ball, “Zhengnan... my stomach... it hurts... it hurts...”

“Hurry up and get the car!” Jin Zhengnan picked up Lan Ruoshui and then growled at Ru Yu who was still standing there.

Only then did Ru Yu react. She looked at Jin Zhengnan and Lan Ruoshui, then quickly ran out to watch the door.

Her car was parked downstairs and she quickly unlocked it. Just as she opened the back door, Jin Zhengnan came over with Lan Ruoshui, whose face was as pale as death. He didn’t even bother to be polite with her and got into the car.
