Chapter 1141: Losing the baby

“Zhengnan... it hurts...” Lan Ruoshui’s voice came from the back seat, but it was clearly heard by ru Yu.
“It hurts... baby... our baby...”

“Ru Yu... drive faster!” Jin Zhengnan’s anxious voice sounded from the back seat. “Faster!”

Ru Yu’s foot had already stepped on the accelerator. It was past eight o’clock at night. Although there weren’t as many cars on the road as there were during the rush hour at six or seven o’clock, there were still quite a number of them. Therefore, it wouldn’t be fast. After all, she wasn’t the only car on the road.

“Zhengnan... Call my dad...” Lan Ruoshui’s voice was filled with extreme pain. However, under such pain, she could not forget to show off that she had a rich dad ...

“Okay, I know. I’ll call him right away. Ruoshui, you have to hold on. The hospital will be here soon...” although Jin Zhengnan’s comforting voice was very low, it still fell into ru Yu’s ears intermittently.

Finally, after listening to the sweet words of the two people in the back row, the car arrived at the hospital. Just as Ru Yu’s car came to a stop, Jin Zhengnan, who was in the back seat, quickly pushed open the car door. Then, he carried Lan Ruoshui and ran inside like crazy.

Ru Yu sat in the driver’s seat for a few minutes. She hesitated for a moment and hesitated for a moment. In the end, she got out of the car and walked towards the emergency department. Just as she reached the door, her phone rang. She quickly picked it up. It was Lei Zhenyu.

When she pressed the answer button, Lei Zhenyu’s voice came before her. “Ru Yu, it’s been so long. Why haven’t you come back? Can’t you find the shoes? Do you want to accompany you to buy a pair?”

“I’ve got the shoes,” ru Yu said softly. Then, she glanced at the three words ‘emEmergency Room’ and said, “but I’m in the hospital now.”

“In the hospital?” Lei Zhenyu on the other side of the phone was obviously shocked. He couldn’t help but raise his voice a few decibels. “Ru Yu, what happened to you? Where are you not feeling well? Why did you go to the hospital? By the way, which hospital are you in? I’ll drive over immediately...”

“I’m fine,” ru Yu hurriedly answered his series of questions. “Lan Ruoshui entered the emergency room...”

Ru Yu had just finished talking about what happened that night when she saw Jin Zhengnan take the bill and go to the payment window. She immediately hung up the phone and couldn’t help but walk up to him.

“What’s wrong?” She frowned. She had wanted to ask, “is she alright?” But when she saw Jin Zhengnan’s fierce gaze, she immediately swallowed her words.

“The child in her stomach can not be saved and she needs to undergo surgery. Are You satisfied now?” Jin Zhengnan’s voice was not loud, but the reproach in his tone was obvious.

When ru Yu heard this, her brows instinctively furrowed. Her originally slightly concerned expression instantly darkened as she looked at Jin Zhengnan who was paying the bill at the window. She could not help but say coldly, "Jin Zhengnan, I think if you weren't blind, you would have seen that she was the one who ran too fast, knocked against the door, and fell back to the ground. I wasn't the one who pushed her."

"If you hadn't come back tonight, she wouldn't have been so agitated." Jin Zhengnan turned around with the bill in his hand and walked towards the entrance of the emergency room.

Ru Yu paused on the spot for three seconds. What did Jin Zhengnan mean by this? In the end, Lan Ruoshui's miscarriage was still blamed on her. Along the way, she ran a few red lights to send them to the hospital, and it was actually a waste of effort. Become an executioner?

Chapter 1142: Chapter 1142: the Highly Fertile Miss Lan

With this thought in mind, she immediately chased after Jin Zhengnan, who was standing outside the emergency room. With a gloomy face, she said coldly, "Jin Zhengnan, what do you mean by that? What do you mean by I'm not going back? That's my house. Is it illegal for you to live in my house?"

"I said I would move out tonight," Jin Zhengnan answered impatiently. Then, he waved his hand and said impatiently, "okay, it's useless to say this now. The child in her belly has already been lost even if it doesn't fall out..."

"What's going on?" As a female voice sounded behind them, Jin Zhengnan and ru Yu turned around at the same time. Then, they realized that Cai Shaofen, the young madam of the Lei family, had already arrived.

"Zhensheng received your call, but he is in Japan on business, so give me the phone and let me come over to take a look," Cai Shaofen's voice was indifferent and distant. She was talking to Jin Zhengnan and Che Ru Yu.

Cai Shaofen was Lei Zhensheng's wife. She was 40 years old this year, but because she had never given birth before and had taken good care of herself, she looked very young. She looked like she was not even 30 years old.

Jin Zhengnan was already a 30-year-old man. Standing next to Cai Shaofen, they looked like a couple, not like elders or juniors. Therefore, it was difficult for him to call Cai Shaofen "Auntie".

Therefore, he cleared his throat and said, "Ruoshui miscarried. She's undergoing surgery..."

"Oh, it's just a miscarriage. Is it worth making a fuss over and calling Zhensheng?" Cai Shaofen's tone was obviously impatient. He could not help but say indifferently, "if it's a miscarriage, so be it. At most, she'll be pregnant again in a few months. Miss Lan should be like her mother. Her reproductive ability is very strong, right?"

This sentence made Jin Zhengnan's face flush red, but he did not dare to say anything more. After all, Cai Shaofen was not Lan Ruoshui's mother. Moreover, Lan Ruoshui and Lei Zhensheng had only known each other for two to three months. It was impossible for Cai Shaofen to have any feelings for Lan Ruoshui.

“Is Miss Lan’s reproductive ability very strong?” Ru Yu could not help but answer, but she looked at Jin Zhengnan and asked.

Jin Zhengnan’s sharp gaze landed on ru Yu’s face like a knife. He was very dissatisfied with her question at this moment. He had a feeling that he wanted to throw her out on the spot.

Meanwhile, Cai Shaofen, who had turned to look elsewhere, thought that ru Yu was asking about her. Hence, she answered indifferently, “exactly. If Old Miss Lan’s reproductive ability is not super strong, Zhensheng has had so many women. Why is she the only one who is pregnant?”

Ru Yu was stunned for a moment before she understood who the old Miss Lan that Cai Shaofen was talking about was. Well, she had always been clumsy, and she was not interested in old Miss Lan, so she did not continue to pursue the matter.

Just as she turned around and was about to leave, Lei Zhenyu had already run in. When he saw her standing there, he finally breathed a sigh of relief and asked gently in a low voice, “Ru Yu, are you alright? Did they bully you?”

Ru Yu shook her head. Although Jin Zhengnan and Lan Ruoshui had bullied her in her home, she had also bullied them back, so there was no need for her to complain to Lei Zhenyu now.

Lei Zhenyu saw that she was fine and glared fiercely at Jin Zhengnan. Then, he held ru Yu’s hand and was about to leave, but when he turned his body to the side, he found Cai Shaofen standing not far away.

Chapter 1143, farewell at the airport

“sister-in-law, you... are also here?” Lei Zhenyu’s voice was obviously filled with shock.

Logically speaking, Cai Shaofen was not very happy that Lan Ruoshui had joined the Lei family. No matter what, this was the child of her husband’s former woman, even though Lei Zhensheng and Lan Ruoshui’s mother had not married Cai Shaofen when they were together.

“Your Big Brother called me and asked me to come and see his precious daughter.” Cai Shaofen’s lips tugged into a smile. Then, she chuckled and said, “Zhenyu, you know that your elder brother only has one daughter in his entire life. She’s like a precious treasure. If I don’t come, if anything happens to her, I’m afraid I won’t be able to escape responsibility.”

Lei Zhenyu smiled and nodded to show his understanding. For so many years, because sister-in-law didn’t have children, her relationship with her elder brother was like that of a stranger on the surface. If it wasn’t for her father suppressing her, they might have already divorced.

Ru Yu did not know much about the relationship between the Lei family, so it was not convenient for her to say anything. Lei Jianyu held her hand and then greeted Cai Shaofen. The two of them walked towards the hospital entrance together.

Because the two of them came by car, each of them drove home one by one. They did not have the time or mood to pay attention to Lan Ruoshui who was still in the operating theater.

It was already very late when they got home. Ru Yu had to go out to sketch tomorrow morning, so Lei Zhenyu let her take a shower first and go to bed. He himself received a new case today and still needed to study it.

The next morning, Lei Zhenyu drove Ru Yu to the airport. On the way, he kept reminding her that Darjeeling was a place that crossed mountains and ridges. It was said that the train was a product of the 1950s. Be careful and come back quickly if you really can't.

Ru Yu nodded seriously. This was the first time someone had sent her to the airport when she went out to sketch after she was 20 years old. She used to be alone. Even when she was married to Jin Zhengnan for three years, Jin Zhengnan had never sent her to the airport every time she went out.

In Jin Zhengnan's words, she had practiced taekwondo. Most men were no match for her, so he was relieved when she went out, so he did not need to send her off.

At the airport, Lei Zhenyu personally helped her carry her luggage. He waited for her to change her boarding pass and personally saw her pass the security check. Then, he reluctantly waved goodbye to her.

◆◆◆◆ Boundary Line ◆◆◆◆

In the single ward of the hospital

Lan Ruoshui came out of the bathroom. She was wearing a blue and white checkered hospital gown. She looked at the man standing by the window and could not help but walk over. She whispered behind him, "Zhengnan, "

However, Jin Zhengnan kept looking out of the window without any reaction. She could not help but grab his arm and shake it. Then, she raised her voice slightly and shouted, "Zhengnan! "

"Oh. " Jin Zhengnan finally came back to his senses. He looked tiredly at the petite, Pale, and sickly woman beside him. He frowned. "Ruoshui, the doctor said that you can be discharged today, right? "

"Yes. " Lan Ruoshui snorted. Then, she raised her head to look at her beloved man. She could not help but ask in a low voice, "Zhengnan, what have you been busy with these two days? Have you finished setting up your house... "

When Lan Ruoshui brought up this topic, her heart felt so uncomfortable that tears instantly welled up in her eyes. She thought of Jin Zhengnan living in his old house after being divorced for so long, and thought of the scene she saw when she rushed over the other day.. Jin Zhengnan actually looked like he had just showered, and he even threw away his clothes in a low voice. Meanwhile, Che Ru Yu was actually wearing a bohemian skirt. Actually, she did not need to take off her clothes for a skirt like that, as long as she lifted up the skirt... ..

Chapter 1144 lovers have a different way of doing things

She didn't dare to guess if they had done anything before. After all, they were in the bedroom, and they were both standing by the bed at that time. Anyone could guess that they were having sex at that moment.

She couldn't bear it, so she was blinded by anger at that time. Jin Zhengnan was hers, and she had always been alone. She couldn't stop them from being together in the past. After all, Jin Zhengnan and Che ru Yu were husband and wife.

Therefore, she always called Jin Zhengnan every now and then, saying that she was sick or injured or something. And every time he came, she would do everything she could to make him do that with her, even drugging him. She just wanted to squeeze him dry, so that he would be exhausted. When she went back, she would no longer have the energy to have sex with Che ru Yu.

She had lived this kind of life for three years, and she did not want to live it anymore. Now, she was the eldest daughter of the Lei family, and Jin Zhengnan and che ru Yu had already divorced. She did not need to be secretly with Jin zhengnan anymore. She wanted to be with Jin Zhengnan openly, and be Jin Zhengnan's wife openly.

"Hurry up and change your clothes." Jin Zhengnan avoided her question. Instead, he pushed her with his hand. "I've already gotten someone to finish the discharge procedures. Go and change your clothes."

"Zhengnan... that night... you and her..." Lan Ruoshui didn't give up in the end, and she continued to pester him about this problem ...

"Ruoshui!" Jin Zhengnan's face finally turned cold and dark. He turned around and was about to walk to the door. It was obvious that he didn't want to stay in this ward any longer.

"Zhengnan," Lan Ruoshui quickly caught up with him. She hugged his strong waist with her arms behind her and pressed her face against his back. Only then did she carefully say, "Zhengnan, it's not that I don't believe you. It's just that recently, because of my pregnancy, we haven't been together for a long time. I'm afraid that you're suffocating. As for Che Ru Yu, she loves you so much. I'm also afraid that she won't accept it..."

Jin Zhengnan's body stood there stiffly. He listened to Lan Ruoshui's words and looked at the cold wall. He closed his eyes slightly. The wall was cold and devoid of warmth, just like his heart at the moment.

After a long while, he used the delicate hand on his waist to turn around and push her body away a little bit. Then, he used his hand to stroke her hair. He said in a low voice, "Ruoshui, I know she loves me, but she is such a proud person. The way she loves someone is different from you."

Jin Zhengnan paused for a moment and then pushed her with his hand. "I have nothing to do with her anymore. Hurry up and change your clothes. I will wait for you in the car downstairs."

With that, he did not wait for Lan Ruoshui to change her clothes. Instead, he opened the door of the ward and walked out.

Lan Ruoshui looked at the ward door that was opened and closed. She looked at the empty room and smelled the scent that the man had just left behind. Tears welled up in her eyes, but she quickened the pace of changing her clothes.

Ten minutes later, Lan Ruoshui finally got into Jin Zhengnan's car. Because the miscarriage had only been a few days, her face was still a little pale. She looked sideways at the man who had started the car. She carefully whispered, "Zhengnan, let's... Let's go back to our old apartment, okay?"

“I’ll drive you back to the Lei family.” Jin Zhengnan rolled down the car window, took out a lighter, lit a cigarette, and took a deep breath.

“Zhengnan... what are you...” Lan Ruoshui looked at him in confusion. She was very dissatisfied with his attitude.

Chapter 1145 the only way

She had a miscarriage and stayed in the hospital for three days. However, other than waiting for her to come out of the emergency room to send her to the ward on the day of her miscarriage, Jin Zhengnan had come to pick her up today and had not seen him for the past two days.

A woman’s mind was always extremely sensitive. She could clearly feel that Jin Zhengnan was distancing himself from her. This made her very terrified and afraid. She did not want to lose him. She definitely did not want to lose him.

“Ruoshui, Lei Zhenyu and ru Yu are already married.” Jin Zhengnan stuffed the lighter he had just used into his trouser pocket and exhaled a long puff of smoke to drown himself. Then, he said in a low voice, “you also know that Lei Zhenyu is your biological uncle. We can’t be together anymore.”

“Why can’t we be together?” Lan Ruoshui couldn’t help but raise her voice by a few decibels. Then, she said angrily, “my father said that if Lei Zhenyu dares to marry che ru Yu, he will kick him out of the Lei family and even announce that he isn’t a member of the Lei family. Since Lei Zhenyu isn’t a member of the Lei family anymore, what does it have to do with me? We can still be together openly.”

When Jin Zhengnan heard this, he smiled bitterly and exhaled a long smoke ring. Then, he shook his head and said, “Ru Yu, don’t be too naive. I know that your father has the heart to protect you. After all, you are his only daughter. However, Lei Zhenyu is not your father’s son but only your father’s younger brother. Whether or not to kick Lei Zhenyu out of the Lei family is not up to your father but your grandfather. When you and Lei Zhenyu stand in front of your grandfather, do you think that old master Lei cares more about his granddaughter or his younger son?”

Lan Ruoshui was at a loss for words. She had been back at the Lei family for a month or two, and that grandfather seemed to still like her. However, if she really wanted to compete with Lei Zhenyu, she was not confident at all.

Seeing that Lan Ruoshui did not say anything.. Jin Zhengnan said indifferently, “as long as the Lei family lets Lei Zhenyu go back, Lei Zhenyu will definitely bring ru Yu back to the Lei family. If that’s the case, ru Yu will be your proper aunt. It’s absolutely impossible for us.”

“then... what should we do?” Lan Ruoshui heard Jin Zhengnan’s analysis. She also became nervous and grabbed Jin Zhengnan’s wrist anxiously. She couldn’t help but become anxious. “Zhengnan, are we just going to watch ru Yu and Lei Zhenyu live a luxurious life? And the two of us are actually going to let go of our own happiness for the sake of them?”

“This... I can’t think of any way.” Jin Zhengnan shook his head and smiled bitterly. He threw the half-smoked cigarette out of the car window, then stepped on the accelerator and started to drive the car out of the parking space ...

“But, I must marry you,” Lan Ruoshui shouted like she was crazy. Then, she looked at Jin Zhengnan who was driving. She said as if she was praying, “Zhengnan, you’re so smart. You should think of a way. We’ve loved each other for so many years. We’ve finally gotten together. For the sake of our happy life and for the sake of our future prosperity, we can’t just let go, can we?”

Jin Zhengnan narrowed his eyes slightly. His hands gripped the steering wheel tightly. After a while, he said softly, “it’s not that there’s no way. It’s just that it’s a little difficult.”

“What way?” Lan Ruoshui asked in a hurry. Her face was already filled with joy.

“The only way is —” Jin Zhengnan pursed his thin lips slightly and then said word by word, “let Che Ru Yu and Lei Zhenyu divorce!”

Chapter 1146 newlyweds who haven’t seen each other for a long time

Ru Yu was sketching in Darjeeling. The original schedule was set for a week, but the scenery in Darjeeling was too beautiful, and she happened to know a few Tibetan aunties. They were all very enthusiastic, not to mention that she was also interested in Buddhism there.

As a result, this kind of schedule was delayed again and again. The one-week round trip was actually tormented by her for almost three weeks. So, when she returned to Seoul, it was already the mid-autumn Festival.

Although the mid-autumn Festival was a traditional festival in China, South Korea had always celebrated the festival like China. Whatever Dragon Boat Festival, the mid-autumn Festival, and the Spring Festival were all the same as China, so South Koreans also celebrated the Reunion Day today.

She had been in Darjeeling for nearly twenty days, and she hardly turned on her computer during the day. Usually, when she was sketching and drawing, she did not like to be disturbed the most, so she turned on her computer at night before going to bed to reply to the messages she had received. Or she could just send a text message to her family to let them know that she was safe.

Of course, she received a text message from Lei Zhenyu every day, and Lei Zhenyu’s text message did not have much content. It was nothing more than reminding her to pay attention to her safety and ensure her health when she was outside. Of course, what she was most concerned about was her return date. She was very dissatisfied with the delay in her return date.

Regarding the Reunion Day of the mid-autumn Festival on August 15th, Binhai’s parents sent her a text message asking if she wanted to go back. She directly rejected it, saying that she was in Darjeeling and couldn’t go back at all. There was no point in looking.

Che Qixuan knew that she and Lei Zhenyu were married. He sent a text message asking her if she wanted to bring Lei Zhenyu back to his home for the mid-autumn Festival. He also said that according to Chinese rules, Lei Zhenyu should go to send his father-in-law the festival or something.

She smiled and replied to Che Qixuan’s text message, saying that she didn’t know about this issue yet. She wanted to wait until she returned to Seoul to discuss it with Lei Zhenyu before giving him an answer.

The plane finally landed at Seoul airport. She carried a small bag and walked out. When she arrived at the departure hall, she saw Lei Zhenyu waving at her from afar. She was slightly stunned and walked over. After not seeing him for three weeks, the two of them were slightly embarrassed.

They were already married and were clearly husband and wife. However, after being separated for such a long time, they actually did not even dare to hug each other. They forced themselves to hug each other, and in the end, their faces turned red.

“My luggage has not arrived yet. Wait a little longer.” As Ru Yu spoke, she turned around and walked towards the direction of the luggage, while Lei Zhenyu pushed a large cart over to follow her.

The luggage arrived very quickly. Lei Zhenyu completely followed the rule that his husband was a coolie. He pushed the car, dragged the luggage, moved the luggage into the trunk, and so on. He did not let Ru Yu do anything at all. She just watched from the side.

“Is it hard at Darjeeling Ridge?” Lei Zhenyu drove as he turned his head to look at Ru Yu who was sitting in the passenger seat. After not seeing her for twenty days, her skin was obviously dark. After all, she had gone to the highlands. However, even if it was dark.. She was still so good-looking.

“It’s not that hard,” Ru Yu answered very naturally. However, there was a trace of warmth in her heart. She immediately changed the topic. “Well, during the twenty days that I was away, did any beautiful women... Take the initiative to look for you?”

It was just a joke that was casually pulled out to change the topic. However, Lei Zhenyu became serious. He turned his head to look at her and asked in a low voice, “then... do you hope for it or not?”

“I. . .” Ru Yu immediately became speechless. Then, she turned around and glared at Lei Zhenyu ...

“Hahaha” Lei Zhenyu could not help but laugh out loud. He felt that her slightly angry expression was very cute.

Chapter 1147: Lan Ruoshui and Jin Zhengnan break up

Ru Yu was fuming. She must have been out of her mind to ask such a question. Did she wish What did she wish for? Did she wish for it?

Did she say that she didn’t wish for it She was dizzy. Didn’t it mean that she cared about Lei Zhenyu She was sweating. She was serious about an arranged marriage?

If she said that she wished for it, what woman would wish for her husband to have another woman outside Even if it was an arranged marriage, it was still marriage, wasn’t it?

“today is the mid-autumn Festival. Where are we going to admire the moon at night?” Ru Yu finally stopped talking about other messy things with Lei Zhenyu and started talking about today’s festival.

“Admire the moon?” Lei Zhenyu probably had to go to the pavilion behind the Lei family to look at her. “My father’s illness has been cured, and his mood is probably getting better. A few days ago, he asked me to go home. I thought about it and decided that moving home was better than continuing to fight with them. So, I moved back the night before last.”

“Oh, I see.” Ru Yu was a little surprised.

Although she thought that after she left, Lei Zhenyu would definitely go to see his father, she didn't expect Lei Taihe to forgive Lei Zhenyu so quickly and actually let him move back in. From this, it could be deduced that the possibility of Lei Zhenyu being driven out of the Lei family was very small. As for the property of the Lei family, he wouldn't lose a single cent. It was estimated that Lei Zhensheng still couldn't control the sky with one hand, right?

“Let's go back to the Lei family now.” Lei Zhenyu looked at her from the side and said, “I also helped you move your things to the Lei family. We can finally go back to the Lei family openly.”

“Oh,” ru Yu replied faintly. She only turned on her phone when she got off the plane, so there were a lot of text messages coming in at this moment. Therefore, she was currently lowering her head to reply to the text messages from Binhai.

“Then won't Lan Ruoshui never be recognized by the Lei family?” The reason why ru yu asked this was because of Lei Zhensheng's words on the day she and Lei Zhenyu got married. At that time, he said that she wanted to marry Lei Zhenyu. The Lei family wanted to chase Lei Zhenyu out.

And now, Lei Zhenyu brought her back to the Lei family. In that case, Lan Ruoshui would never be recognized by the Lei family. At least, she couldn't be recognized publicly because Lan Ruoshui was going to marry Jin Zhengnan.

“I was just about to tell you about this.” Lei Zhenyu stopped the car at the traffic light and waited for the red light. He looked at her from the side and said, “from now on, we will live in the Lei family. You will have a higher chance of interacting with Lan Ruoshui.”

“Why?” Ru Yu did not react in time and replied to the last comment. She turned to look at Lei Zhenyu who was driving forward.

“because Lan Ruoshui is my big brother's daughter. She also lives in the Lei family,” Lei Zhenyu replied calmly.

“Is your father willing for his granddaughter to marry his daughter-in-law's ex-husband?” Ru Yu widened her eyes in shock. She did not expect the Lei family to be so open-minded.

“Of course not.” Lei Zhenyu smiled and said, “so, in order to inherit my brother's property and for the sake of wealth and wealth, Lan Ruoshui had no choice but to give up the love that she had been holding on to. She and Jin Zhengnan have already broken up.” Ru Yu thought that she had heard wrongly. She turned to look at Lei Zhenyu, her eyes full of doubt. Lei Zhenyu nodded heavily at her, indicating that she had not heard wrong.

“That's impossible.” Ru Yu shook her head. “Jin Zhengnan and Lan Ruoshui love each other so deeply, so sincerely, and their love is so persistent. Besides...”

Chapter 1148, direct confrontation

“Are you trying to say that Lan Ruoshui is still enduring humiliation for the sake of Jin Zhengnan's career?” Lei Zhenyu smiled and took over ru Yu's words. Then, he sighed softly and said, “I'm a lawyer.

I've seen many examples in this area. What a sacred love. In fact, it seems powerless in the face of money. Back then, for the sake of the development of his company, didn't Jin Zhengnan abandon his love with Lan Ruoshui to marry you "Now, Lan Ruoshui abandoned her love with Jin Zhengnan to go back and forth to the Lei family for the Lei family's shares. The two of them can be considered as a pair in cahoots."

Ru Yu listened to Lei Zhenyu's mockery of Jin Zhengnan and Lan Ruoshui's love, but she did not join in the mockery. Jin Zhengnan and Lan Ruoshui were indeed very in love. She firmly believed this point.

Of course, perhaps it was because of their family environment since young, the two of them might temporarily put their love in the second place when it came to their career and money. However, once their career was successful or money was in their hands.. They would quickly regain their love.

Ru Yu was a painter, and people who dabbled in art were usually very emotional. In the face of the rational and enduring love between Jin Zhengnan and Lan Ruoshui, she was actually not unmoved. She always felt that their love was a little tragic... ..

She did not know what she was feeling at this moment. She had once put all her heart and soul into loving Jin Zhengnan, but Jin Zhengnan had put all his heart and soul into loving Lan Ruoshui, throwing away her love like it was nothing.

Now, she heard from Lei Zhenyu that Lan Ruoshui had actually abandoned Jin Zhengnan for the sake of the Lei family's property and the status of the Lei family's eldest daughter!

She felt that this was somewhat inconceivable. Three weeks ago, Lan Ruoshui had run into her and Jin Zhengnan standing in the bedroom and could not stand it. She had even lost the child in her belly because of anger.

Lan Ruoshui's various behaviors were all centered around Jin Zhengnan. She loved Jin Zhengnan wholeheartedly, so how could she be willing to break up with Jin Zhengnan?

It was not the first time ru Yu walked into the house. The last time she came, she and Lei Zhenyu only stood there for a few minutes. This time, she wanted to stay here and treat this place as her home.

The Lei family was similar to many wealthy families. There were rockeries in the courtyard and a few poplar trees. Green Pines could be seen everywhere and there were not many metasequoia trees.

Not Far Away, there was a swimming pool. Beside the swimming pool, there were steps leading up to the rockeries. Behind the rockeries, there was a small square. The small square had a blue glass canopy. It was probably used for holding open-air banquets when there were guests at home.

She stood at the entrance and gave Lei Zhenyu a glance. Lei Zhenyu went to the underground parking lot to park his car. She stood there waiting for him. She did not expect that two minutes later, Lan Ruoshui would walk out of the hall.

After three days of separation, people would look at Lan Ruoshui in a new light. The current Lan Ruoshui could not be more appropriate to describe her. From head to toe, she was a famous brand. She walked with her head held high and her chest puffed out. On her face was the arrogance of a small person who had achieved success There was no trace of the former Lan Ruoshui on her.

On the way here, Lei Zhenyu had already told her that he wanted to get along with Lan Ruoshui under the same roof. However, she did not expect to bump into her as soon as she got off the car. Ru Yu instinctively felt that something was strange, so she frowned slightly and turned her head away as if she did not see her.

Lan Ruoshui was obviously not happy with ru Yu's current expression, so she obviously had nothing better to do. "What are you standing here for? Are you guarding the door? The Lei family doesn't hire a guard dog."

Chapter 1149 unpopular daughter-in-law

Ru Yu originally wanted to keep a low profile in the Lei family and not get into any conflict with anyone, especially Lan Ruoshui. After all, Lan Ruoshui had already broken up with Jin Zhengnan, and her identity in the Lei family was Lan Ruoshui's aunt. As an elder, she shouldn't be too calculative with a junior.

Of course, she knew that it was impossible to get along well with Lan Ruoshui because the relationship between the two of them had reached the point where they were almost enemies. She only hoped that she could get along with Lan Ruoshui like an ordinary stranger. Even if she saw her, she would pretend not to know her.

It seemed that this was her wishful thinking. Lan Ruoshui did not want to treat her as a stranger at all. She treated her as an enemy at all times, so the moment they met, they immediately flew towards her with sharp blades.

"A watchdog?" Ru Yu snorted coldly and looked straight at Lan Ruoshui. She asked, "according to Miss Lan's thinking, so long as someone is standing outside the door, they are considered a watchdog, right?"

"

Lan Ruoshui was about to speak, but when she looked up, she saw Cai Shaofen who was already in front of her. Her face immediately flushed red, and she immediately smiled and called out, "mom."

"I can't give birth to a child who is a mistress like you. Just call me Auntie." Cai Shaofen's face was cold, and she didn't even look at Lan Ruoshui. She turned her head and looked at ru Yu. "Go in, why are you standing here?"

"waiting for Zhenyu." Ru Yu smiled and looked at her sister-in-law. "He stopped the car. sister-in-law, you go in first."

As soon as ru Yu finished speaking, Lei Zhenyu had already come over. The two of them followed Cai Shaofen into the hall. To Lan Ruoshui, who was standing at the side, they treated her like air. Lan Ruoshui was so angry that she gritted her teeth.

As they walked into the hall, Lei Taihe Happened To be sitting on the Sofa in the living room. Ru Yu had already seen Lei Taihe the last time, so she did not need Lei Zhenyu to introduce her. She walked forward and greeted him with a smile, "Dad, happy mid-autumn Festival!"

"okay," Lei Taihe replied with a cold face. He did not even look at the gift that Lei Zhenyu handed over and directly threw it on the SOFA. It was clear that he was still not very satisfied with ru Yu's identity.

Ru Yu only felt a little awkward and did not know what to do. Cai Shaofen walked over and called her lightly, "second sister-in-law, there is Chinese food specially prepared in the kitchen. Can you come over and take a look?"

Cai Shaofen's tone was polite and polite, as if Ru Yu was a guest of the Lei family.

Ru Yu didn't bother with her. After all, she was new here. Although she had met Cai Shaofen before, they had never interacted before. The people she just met were usually polite and polite.

When she followed Cai Shaofen to the kitchen, she saw a few Chinese dishes. They looked pretty good. She smiled and nodded, "I'm not picky. This is already very good."

Cai Shaofen looked at her with a little surprise. She didn't say much and led her out again.

Lei Zhensheng just happened to come in from outside the door. He probably saw Lan Ruoshui outside the door with a sad face, and Lei Zhenyu and Ru Yu were already in the hall. He instinctively thought that they had bullied her.

"From now on, we're family. Everyone should get along with each other." Lei Zhensheng's words seemed to be directed at everyone, but in fact, he was alluding to Ru Yu. This was because only Ru Yu and Lan Ruoshui's relationship was hostile.

"Let's go upstairs for a while." Lei Zhenyu's face was also cold. Probably because of Lei Zhensheng's words, he didn't greet Lei Zhensheng, and Ru Yu didn't either.

Chapter 1150: the Group Dinner of Scheming and scheming

"Your brother seems to have a lot of opinions about me." Ru Yu frowned and followed Lei Zhenyu into his room on the third floor.

"Ignore him." Lei Zhensheng asked her to sit down on the sofa. He patted her shoulder and said, "my brother only has one daughter now. She's precious. He has never doted on her before. Now that she's by his side, how can he not dote on her?"

"It's his own business that he dotes on Lan Ruoshui, but he can't always target me." Ru Yu's brows were still locked. "Could it be that your brother is blaming me for Lan Ruoshui's miscarriage?"

"No," Lei Zhenyu said with certainty. "If that's the case, then he won't agree to let me go back to the Lei family with you."

Ru Yu nodded. It seemed to be the case. Lei Zhenyu saw that she was still frowning. He couldn't help but tease, "What's wrong? You've achieved your goal of marrying me. Jin Zhengnan and Lan Ruoshui really can't get married. Aren't they separated now?"

Ru Yu smiled bitterly when she heard this. Her goal had been achieved, but why couldn't she find any reason to be happy?

"From now on, this room will be our common room." Lei Zhenyu pointed at the room and said to Ru Yu, "From tonight onwards, we will be staying in the same room."

Ru Yu looked at the room. It was actually not particularly big. Although there was a living room and a cloakroom, it was not as big as her room at the Che family's house. It was also not as big as her one-story apartment in one inch ink city.

After sitting in the room for a while, a servant knocked on the door and asked them to go down for dinner.

The Lei family's mid-autumn festival reunion dinner was mainly Korean cuisine with Chinese dishes as a supplement. Perhaps to take care of ru Yu, the Chinese dishes were placed in front of ru Yu.

Although it was a festival, Korean fried rice cake and Kimchi would still appear on the dining table. Although ru Yu had stayed in Korea for many years, she still did not like these two dishes, especially Kimchi. She usually did not eat them at all.

Lei Taihe sat at the head of the round dining table. Lei Zhensheng and Cai Shaofen sat at the head of the table. She and Lei Zhenyu sat on the left while Lan Ruoshui sat on the right. They sat face to face.

Cai Shaofen might have been the mistress of this house for many years, so everything was arranged by her. The meat and vegetables on the table were very reasonable. She was also very polite to her family members. She even repeatedly asked Lei Zhenyu to help ru Yu with the dishes. She even personally helped Lei Taihe with the dishes.

Lei Taihe's face had always been gloomy. He did not know who he was angry with. In short, he did not like everyone at the table. It was ru Yu's first time joining the Lei family. She did not know anything and did not dare to make wild guesses. Thus, she could only sit beside Lei Zhenyu and bury her head in the food.

Lan Ruoshui's face was also cold. Seeing that both ru Yu and Lei Zhenyu were dissatisfied, she looked at Ru Yu several times as if she wanted to chop her into pieces, because they were sitting opposite each other during the meal.

Ru Yu was clear in her heart. Lan Ruoshui was unwilling to accept this, especially when she saw that she actually walked into the Lei family and sat with Lei Zhenyu as husband and wife, while she sat there alone. Her beloved man, Jin Zhengnan, could not sit together with her.

Lei Zhensheng's face had also been gloomy, especially when he saw his daughter's pale little face, while his younger brother had married his daughter's beloved man's ex-wife. This made him feel uncomfortable no matter what.
