Chapter 581 you're not my Daddy 6

Yan Ru nodded, then quickly turned around and hugged little feather. She followed the car Qixuan down the stairs. In her heart, she only wanted to leave this place as soon as possible. It was as if she would be stopped by Dongfang Mo if she was a little slower.

What they were worried about came true. They had just reached the entrance of one inch ink city when Dongfang Mo's car had already driven in. However, the security guards did not allow Dongfang Mo's car to enter because they had already driven in such a car.

Dongfang Mo was extremely angry and could not help but growl at his own security guard, "what do you mean by tonight? Have you taken the wrong medicine? You even dare to stop my car?"

The security guard stopped Dongfang Mo's words and was shocked. Hence, he hurriedly nodded and bowed as he explained, "boss, it's not that I'm trying to stop your car, but your car has just driven in. Furthermore, didn't you just drive in? How did you get out together with your car?"

"When did I come in?" Dongfang Mo could not help but growl. This damned security guard was clearly not even 30 years old, how could his eyes be blurry from old age.

"just now..." the moment the security guard opened his mouth.. He noticed that not far away, Dongfang Mo was leading his child towards his car, so he immediately pointed to Dongfang Mo in the car and said, "over there, there is also a car like yours over there, and there is also a person who looks exactly like you."

Dongfang Mo did not wait for the security guard to finish speaking, he had already quickly pushed open the car door and got out. Looking at the man who was about to open the car door and get into the car, he could not help but ask in a low voice, "are you prepared to... take away all my things?"

Che Qixuan's hand that was pulling on the car door stopped. He stopped for a moment and turned around. Looking at Dongfang Mo who was standing in front of him, the corner of his mouth twitched slightly as he mocked, "young Master Dongfang, why do you say that? What is yours?"

"The woman and child in your car." Dongfang Mo pulled the car door and reached out to open the back door. Then, he said to Yan ru who was inside, "come out? You want to sneak away? How is that possible? I don't like playing the game of the Eagle catching the chicken anymore. You'd better stop."

"Bang!" Che Qixuan closed the car door again. Then, he looked at Dongfang Mo indifferently and distantly and said, "I'm sorry, the woman in my car is my wife, and the child is also my child. You inexplicably ran to Korea to lie to my child, and then used the child to blackmail my wife. It's already illegal. Moreover, you put my child in a bloody situation and frightened her young mind. It's enough that I didn't ask you for compensation for mental damage, but you actually want to lock up my wife and child."

"Dongfang Yu, now you..."

"I am Che Qi Xuan," Che Qi Xuan quickly interrupted Dongfang Mo and said coldly, "I don't know who Dongfang Yu is, so don't get the wrong identity."

"okay, Che Qi Xuan, right?" Dongfang Mo nodded Then, he said coldly, "please go back to where you came from. Quickly dissolve your so-called Bullsh * t marriage with Yan ru and return my wife and child to me. As for the rest, you can do whatever you want as long as you don't provoke my wife and child."

"Your Wife and Child?" Che Qixuan scoffed at Dongfang Mo's words. Then, he snorted coldly and said, "ask Yan ru and little feather if they admit that they are your wife and Child?"

Chapter 582 you're not my Daddy 7

Before Dongfang Mo could make a sound, the car door had already been pushed open by Yan ru. She sat in the car seat and looked coldly at Dongfang Mo. Then, she said calmly, "Young Master Dongfang, I'm sorry. My name is Yan Ru. I don't remember being your wife, so..."

"Yan ru is just your fake identity," Dongfang Mo quickly cut off Yan ru's words and then very angrily growled, "I can restore your identity tomorrow. Don't casually bring up your identity as Yan ru."

"Even if my identity is restored, I'm still Xi Muxue." Perhaps it was because Che Qixuan was by her side, Yan ru was not afraid of him Thus, she continued to say coldly, "I'm sorry, Young Master Dongfang. Xi Muxue was once the second young master of Dongfang. She was married to Dongfang Yu, but not to you, Dongfang Mo. . So, I'm not your wife."

When Dongfang Mo heard Yan ru's words, he was so angry that he almost vomited blood. Just as he was about to speak again, little feather, who was sleeping in Yan ru's arms, woke up. She looked at Dongfang Mo. Then, she said crisply, "you're not my daddy either. My Daddy is Che Qixuan. You're just a big liar."

This time, Dongfang Mo almost fainted from anger. His wife and child actually refused to admit that they were related to him. Each and every one of them wanted to betray him.

Thus, he said coldly, "don't talk so much nonsense. I'll get someone to do a DNA test tomorrow. It's clear at a glance whether you're my daughter or not. If you say you're not, then you're not."

"Young Master Dongfang, a DNA test is only a medical method. It can only prove that a certain person is related to a certain person by blood," Che Qixuan reminded him indifferently from the side. "And the so-called father-daughter relationship, husband-wife relationship, is not maintained by a rigid test or a forced certificate. Between people, it's probably more dependent on feelings to maintain a basic relationship, don't you think so?"

Dongfang Mo was slightly stunned, but he did not say anything else. He wanted to ease up his relationship with Yan ru, but this damn woman Yan ru did not give him a chance at all. If he let her go just like that, he would not even be able to see her, so how could he maintain a relationship with him?

"This is my own matter," Dongfang Mo replied stiffly Then, he said coldly, "Che Qi Xuan, take advantage of the fact that the sky is not yet bright and leave quickly. If you know what's good for you, go to the Incheon Civil Affairs Bureau in Korea and change your marriage certificate with Yan ru's divorce certificate. If you don't know what's good for you, you can continue to keep that certificate. I will restore

yan RU's identity. At that time, her identity as Yan ru will no longer exist, and the marriage certificate in your hand will still be a piece of scrap paper. ”

“I don't want to stay, ” little feather shouted loudly in the car. Then, he shouted at Dongfang Mo, “you're not my daddy. I want to go back to Korea with my Daddy. I don't want to live with a big liar like you! ”

Che Qixuan looked at little feather and then looked at Dongfang Mo. Then, he said indifferently, “young Master Dongfang, you heard it yourself. Yan Ru and little feather, both of them don't want to stay by your side. Why do you have to force them? Don't you know that forcing a melon is not sweet? ”

“A forced melon is not sweet, it's better than no melon at all, ” Dongfang Mo replied with an unreasonable argument. Then, his pitch-black and deep eyes swept coldly over Che Qi Xuan's face. “If you don't leave now, don't blame me for not remembering our old friendship. Call the police at daybreak and say that you've undergone plastic surgery to impersonate me. When that time comes, the person who will be in trouble will definitely be you, not me. ”

Chapter 583 you're not my Daddy 8

Che Qixuan hesitated for a moment. A message came from his phone. He took it out and took a look. Then, he looked at Yan ru and little feather, then looked at the heavily guarded one inch ink city. He knew that it was impossible to take little feather away at this moment.

Therefore, he gave Yan ru a look and said indifferently, “since young master Dongfang wants to keep you and your daughter here for a period of time, then you two should stay here first. Don't let down his hospitality. ”

When Yan ru heard Che Qixuan's words, she immediately knew that he wouldn't be able to take the mother and daughter away tonight. Moreover, Che Qixuan had already broken his promise for the sake of the mother and daughter. She couldn't say anything more.

Thus, she obediently carried little feather out of the car and nodded to Che Qixuan. She said softly, “when you go back, you also have to take care of your own body. Don't worry too much about me and little feather. ”

It was clearly just a pretense to be polite, but for some reason, the moment she said it, there was actually a feeling of parting with life and death. especially little feather, she directly threw herself into Che Qixuan's arms.

“Daddy, I don't want to be separated from Daddy, ” little feather cried and sobbed, “I want to be with Daddy, I don't want to live with a big liar. ”

Dongfang Mo watched the scene of the separation from life and death from the side and was extremely angry. He couldn't help but growl, “why aren't you leaving? Do you really want me to get someone to rush you? ”

Che Qi Xuan rolled his eyes at him. Actually, he could have stayed because he was originally a member of the Dongfang family, but he knew that this was not the time for him to be Dongfang Yu.

Hence, he nodded and returned little feather to Yan ru's embrace. He glanced coldly at Dongfang Mo and said, "If anything happens to the mother and daughter, don't blame me for turning against them."

After Che Qixuan said this, he immediately got into his car and quickly drove away. At this moment, he regretted being too confident and ostentatious. He did not expect Dongfang Mo to come back so quickly.

If he had taken the hidden tunnel that only he knew of, he might have already sneaked out of one inch ink city with Yan ru and little feather.

"Are we going to throw Yan ru and little feather away just like that?" Pu Zhihui asked a little sadly. Without waiting for Che Qixuan to answer, she added, "without little feather, I would feel very bored. I miss little feather very much."

"I miss little feather too." Pu Yongjun took over from the side and sighed, "actually, little feather is not Yan Ru's child alone. She is clearly the child of the four of us!"

"Are the two of you done talking?" Che Qixuan glared at the two of them. Then, he snapped, "you like little feather. Can't you tell that Dongfang Mo likes little feather as well? If it wasn't because he likes him, why would he go to so much trouble to lure little feather to his side?"

"Tsk, if he likes him, why should he give it to him? In the past five years, has he done anything for little feather?" Pu Zhihui snorted disdainfully, then snapped, "a devil like Dongfang Mo doesn't deserve to have a child!"

"Right," Pu Yongjun echoed his sister, then quickly added, "so we can't just leave yan ru and little feather alone. We still have to think of a way to rescue the mother and daughter."

Che Qixuan broke out in a sweat when he heard the brother and sister's words. Rescue. Could it be that Dongfang Mo's one inch Mo city was a dangerous place for Yan ru and little feather in Pu Yongjun and Pu Zhihui's tears?

Chapter 584 you're not my Daddy 9

After the car left, Yan ru hugged little feather and walked towards the main entrance of the black garden. She knew that she could not escape, at least not yet, so she could only accept her fate.

Dongfang Mo quickly walked over and looked at the stunned security guard. Then, he said to him coldly, "tonight, you only had a dream. You didn't see anything!"

"Yes!" The security guard recovered from his shock and quickly nodded. His eyes were already filled with fear.

Dongfang Mo gave a Hao a look and quickly turned around. He knew that a Hao would take care of this security guard. At most, he would let him sleep for a while and then let the master hypnotist erase his memory.

When he walked to the door of his room on the second floor of the Black Garden and turned the door lock with his hand, he could not help but smile bitterly when he realized that it was already locked from the inside.

He knew that Yan ru had misunderstood. She must have thought that little feather's disappearance was the doing of his enemy. However, the fact that a Hao had investigated and returned proved that little feather's disappearance this time had nothing to do with his enemy at all.

Alright, now that the mother and daughter were both in a rage, he didn't want to disturb them for now. Che Qixuan was right. People should maintain relationships with each other. Then, should he try to cultivate a relationship with this woman, Yan Ru?

Thinking of this, he felt depressed again. That woman was already his woman to begin with. What relationship was there to cultivate?

Moreover, he was already thirty-three years old. How could he have so much time and energy to play around with romantic affairs?

When he was young, he had also done something romantic in America. However, even though that love had once been magnificent, it still ended in failure because of her cold and heartless reality.

He had never been emotional. Once he was emotional, it would hurt him badly. After that time, his heart was as still as water. He swore that he would never have any love in his life. He only wanted a kind-hearted, beautiful woman. A woman suitable to be the young madam of the Dongfang family would be enough.

Then, 14 years ago, not long after he returned from America, he met such a woman. Her name was Xi Muxue. Although she was only 12 years old at the time, her kind actions and good looks had moved him. Therefore, he instantly decided that this was the wife he was looking for. She was someone he could spend the rest of his life with.

At that time, his parents were very opposed to it. Because his father did not want to have anything to do with the Xi family, his mother wanted him to marry Kuang Yingying. Because Kuang Yingying's father was the vice mayor, a marriage with the Kuang family would be beneficial to the Dongfang family.

However, at that time, he was stubborn and decided to marry the Xi family's girl. Thus, he made a marriage agreement with Xi Muxue. From then on, his heart was as still as water as he threw himself into his studies and then into the family business. He waited patiently for her to grow up. He only thought that having a woman in his life was enough.

He knew that he did not really love Xi Muxue. If he really loved her, he would not have used such a method to get revenge on her when she wanted to marry the Dongfang Yu that he played.

All in all, his love for her had died completely when he was 20 years old due to that woman's merciless and cold breakup. The current him still wanted a woman who was suitable for him and did not have any schemes. Moreover, he wanted a woman who could behave herself as his wife.

Chapter 585 you're not my Daddy 10

Ever since his marriage to Xi Muxue six years ago, or more accurately, to Xi Muru, he gradually realized that the ugly woman, Xi Muru, who had a birthmark on her forehead and was regarded as the evil spawn of the Xi family.. In fact, she was perfect for being his Dongfang Mo's wife.

Even though the first time they met was at the wedding, even though he had mistakenly thought that she was Xi Muxue at the time, if it wasn't for the later wedding night when he accidentally discovered the birthmark on her forehead.. He thought that she might have successfully gotten away with it.

He didn't have much interaction with Xi Muru. From the time she married him until she completely disappeared under Nangong Xun's hands, she was actually successfully replaced by Xi Muxue. It had only been less than a year.

During that year, the relationship between him and Xi Muru changed from husband and wife to strangers, and then from strangers to mistresses. From how she protected her family, took care of her mother, and from how she protected Zheng Yifan.. He could tell that she had a kind heart.

She was an ordinary-looking woman, but she was also an extremely indifferent woman. She did not know what scheming was, and she would not seek profit. She would not change her nature just because of some material things.

Even after being separated from her for five years, when she saw her again, she was still as indifferent as before. Whether it was to people or things, she had not changed in essence.

He said that he wanted to marry her. If it was another woman, she would probably be overjoyed because he did not say that he wanted to do a pre-marriage property notarization. This indirectly meant that after marrying her, she would own half of his Dongfang Mo's property.

If it was another woman, she would definitely be elated and eager for such a good opportunity. Moreover, he had confirmed to her that he was not a eunuch at all.

However, this d * Mn Woman actually ran away from the marriage and climbed over the wall from the bathroom on the second floor of the Civil Affairs Bureau. This not only ruined his marriage, but also made him a laughingstock in the civil affairs bureau He, Dongfang Mo, also had times when he was despised by others.

Yan Ru was the real Xi Muru. This was the second woman who despised him. Of course, the first one had left with another man 14 years ago. He had stopped paying attention to her 14 years ago.

He had already decided that he would live with Xi Muru for the rest of his life. Moreover, there was still little feather. He was certain that little feather was the child that Xi Muru was pregnant with when she went missing.

Anyway, Xi Muru had nothing to do but draw. He did not know how to develop a relationship with her. If it was really not possible, he might as well ask her to give birth to a few more children for him.

After giving birth to one or two more children, she would look after the children. Even if she did not have any feelings for him, she could not bear to leave.

Little feather did not have any feelings for him, so he did not blame little feather. After all, he had never taken care of little feather. He would definitely make up for what he had owed him in the future. After

Yan ru helped him give birth to another child, little feather would naturally like a younger brother or sister After that, he would slowly accept him.

Dongfang Mo's wishful thinking was very good. He only thought that it would not be long before Yan ru became pregnant again. Then, she would be able to stay by his side in peace, and his family would be able to settle down for the rest of his life.

It was a pity that there was a saying in the world that plans couldn't keep up with changes. This saying was also applicable to Dongfang Mo, so his perfect plan was quickly broken by an unexpected matter.

Chapter 586 difficult choice 1

Dongfang Jun sat in his study with a frown on his face. Recently, due to the company's financial difficulties and the fact that he had spent 1 billion on Yan ru from Leng Leiting, the company had almost reached the point where it could no longer sustain itself Now, even the salary had been announced.

He had originally planned to use 1 billion to buy YAN RU in exchange for 11 billion with Dongfang Mo. he wanted to take all of Dongfang Mo's assets in one go and let Dongfang Group regain its former glory.

But who knew that the plan was too perfect, but the process was so difficult. At the crucial moment, the scene of Yan ru being rescued actually appeared. But who was the one who rescued her Until now, no one knew.

"Ah Jun, it's time to eat. Why are you still sitting here?" Dongfang Mei walked in and saw her son with a face full of worry. She couldn't help but ask with heartache, "what's wrong? Are you worried about the DFM company's payment again?"

Dongfang Jun raised his head Looking at his mother, he shook his head and said, "the president of DFM Company, Rodger, is too cunning. He owes our company a huge sum of money, but he can't get it back. It really gives me a headache. But now, big brother is urging me to take his remaining shares. I don't know how to deal with it."

"Humph, you still call him Big Brother?" DongfanggMeii snorted and said, Hee is such a heartless person.DongfanggGroup was built by my brother and my sister-in-law.Noww that it is about to go bankrupt, he didn't say that he would lend a helping hand to support it.Insteadd, he came at this time to urge me to withdraw the money.Thiss is clearly adding to the problem."

Dongfang Jun was stunned when he heard his mother's words. Then, he instinctively said, "mom, you can't blame big brother for this. Originally, the Dongfang Group belonged to big brother. We were the ones who insisted on snatching it over. Big Brother has already..."

"Ah Jun," Dongfang Mei quickly berated her son However, she glared at him coldly and said, "what time is it now? Are you still speaking for him? Five years ago, if he didn't get into a car accident and no one took care of the Dongfang Group, I wouldn't have let you take over as the CEO of the Dongfang Group..."

"Alright, mom," Dongfang Jun quickly interrupted his mother's words Then, he rubbed his glabella and said, "mom, it's meaningless for you to say these words to me. Haven't we figured out what's going on

“three years ago, we forced our eldest brother to withdraw from Dongfang Group, but he withdrew without saying anything. Now, we can’t withdraw the remaining shares from him. This is already... “. “... “...”

“Ah Jun, don’t say these words anymore,” Dongfang Mei quickly interrupted her son’s words. Then, she clenched her fists and said, “your second uncle has already thought of a way to go to the United States to look for Rodger. As long as the money that DFM owes us is recovered, the Dongfang group will be able to come back to life.”

“Mom, what exactly does this DFM company do? Why can’t he get the money that he owes our company from the legal channels?” Dongfang Jun looked at his mother in confusion. “CAN’T HE FIGHT A CROSS-COUNTRY LAWSUIT?”

Dongfang Mei glared fiercely at her son, then snorted coldly and said, “it’s not a legitimate business to begin with. This kind of business can’t be put under the sun, and he still wants to go through the legal channels? Isn’t that courting death?”

Dongfang Jun was stunned when he heard this. Then, he smiled bitterly and said, “mom, why don’t you be the CEO of the Dongfang Group? I don’t even know what I do for the company’s biggest customer and its biggest business. Tell me, what’s the point of being the CEO?”

Chapter 587: Difficult Choice 2

“You said Jun ‘er doesn’t want to be the CEO of the Dongfang Group Anymore?” Dongfang Yingwu frowned and looked at Dongfang Mei. He asked in a slightly aged and deep voice, “why?”

“Ah Jun is still too kind.” Dongfang Mei sighed softly and said, “I don’t know what’s going on. Five years have passed, but he still can’t be ruthless. So now, he’s still thinking about how good Dongfang Mo was to him in the past. He feels extremely guilty for being the CEO of the Dongfang Group.”

“This is because we have been raising him in a honey pot,” Dongfang Yingwu snorted coldly and said, “the reason why Dongfang Mo can be so cruel and merciless is because his parents died early. He took over the Dongfang Group when he was in his twenties, and he came here with blood and rain. That is why he is the person he is today.”

“Then what you mean is...” Dongfang Mei looked at Dongfang Yingwu, hesitating to speak. She already had some guesses in her heart.

“Of course, it is to isolate his feelings for Dongfang Mo and make him hate Dongfang Mo completely in his heart.” Dongfang Yingwu clenched his fists, and his gloomy eyes shot out a cold and terrifying light.

“How do we isolate him?” Dongfang Mei shook her head. Then, she said with incomparable distress, “now, Dongfang Mo no longer treats him as a younger brother, but he still treats Dongfang Mo as an older brother. He keeps calling him ‘big brother’ and feels like he has let down his older brother. Previously, he bought Yan ru from Leng Leiting, and originally... “...”. “...”

“just from Yan Ru,” Dongfang yingwu quickly interrupted Dongfang Mei’s words. Then, he said in a low voice, “Yan ru is the former Xi Muru. I think AH JUN has already seen through this. Of course, Dongfang

Mo has also seen through it. And six years ago, when Xi Muru married into the Dongfang family, I remember Ah Jun was the one who cared about Xi Muru the most at that time... “... “...”

“At that time, ah Jun was just beginning to fall in love. He probably liked that ugly Freak Xi Muru a little, ” Dongfang Mei quickly took over Dongfang Yingwu’s words “unfortunately, the current Yan ru is no longer the former Xi Muru, and Ah Jun already has a fiancée...”

“That’s not important, ” Dongfang Yingwu cut off Dongfang Mei’s words again Then, the corners of his mouth curled into a conspiratorial smile as he said, “no matter which man it is, the thing that you can’t forget the most is the woman you first fell in love with, whether it’s Dongfang Mo or AH Jun...”

After Dongfang Mei heard Dongfang Yingwu’s words, she instinctively furrowed her brows. After a long while, she asked, “do you really think this method will work?”

“Of course it will work, ” Dongfang Yingwu said with certainty. “originally, I wanted to wait for some time before using it because I wanted to meet this rodger from DFM. But now that the Dongfang Group is unable to tide over this difficulty, I have to make this move first... “. “...”. “...”

Dongfang Mei nodded after hearing Dongfang Yingwu’s plan. Then, she looked at Dongfang Yingwu and asked, “then... when will I tell ah Jun that you are his father? When will the two of us be able to be together openly?”

A crafty glint flashed across Dongfang Yingwu’s eyes. However, his speed was so fast that Dongfang Mei did not notice it at all He said faintly, “now that the Dongfang Corporation is in such a difficult situation, he will definitely be disgusted by telling Ah Jun this. Moreover, my current identity is still your cousin’s identity. Ah Jun will definitely not accept it, and will definitely not agree to me being together openly with you.”

Chapter 588: Difficult Choice 3

Yan Ru and little feather were forced to stay in one inch ink city by Dongfang Mo. Moreover, they were treated as prisoners and were kept in custody. They were not allowed to leave one inch ink city every day.

Little feather was so angry that he screamed. Every time he saw Dongfang Mo, he would call him a liar and call him a super liar and a great devil.

Dongfang Mo was like a deaf person. He did not care about the nicknames little feather gave him. Moreover, he had very little time in one inch ink city these two days. Therefore, he chose to ignore little feather’s resistance.

Yan Ru was a mature person after all. Of course, she would not be as frustrated as little feather. She just could not understand why Dongfang Mo insisted on keeping her and little feather by his side?

Xi Muxue was by his side now, and he knew that she was the woman he had once betrothed. Moreover, he and Xi Muxue had been married before.

Thinking back to six years ago, she and Xi Muxue had married into one inch ink city one after another. At that time, the person she had married was Dongfang Mo, while Xi Muxue had married Dongfang Yu. Little did she know that the two brothers were the same person.

She then recalled what Che Qixuan had said. Six years ago, the Dongfang Yu in one inch Mo city was Dongfang Mo, and that Dongfang Mo who was completely unrecognizable might not necessarily be Dongfang Mo. because his face was completely unrecognizable, he could just find a random person to disguise himself as.

Thinking of this, she felt extremely uncomfortable. According to what Che Qixuan had said, the devil on her wedding night might be Dongfang Mo, but after Dongfang Yu and Xi Muxue got married, the Dongfang Mo in her room might not necessarily be Dongfang Mo..

Actually, these things could not be thought about at all. If one thought about it carefully, one would realize that the current Dongfang Mo was really crazy. He had once hurt her like that, and he had even found someone to pretend to be him to be with her... ..

Even though he was using his real body and was just an imitation prop, in the end, it was still an extremely disgusting thing Did he not know that no matter how ugly Xi Muru was, she was still his wife?

That's right, at that time, Dongfang Yu and Xi Muxue got married. Presumably, in his heart, Xi Muxue was his wife, while Xi Muru was just an ugly freak, so he could humiliate her however he wanted.

"What are you thinking about all by yourself? Don't you know how to take a nap in the afternoon?" Dongfang Mo walked into the room and found the woman sitting on the bed in a daze. On the other hand, little feather beside her was asleep, but there were still traces of tears on her cheeks.

"I'm thinking, what kind of person are you exactly?" Yan Ru raised her head to look at him Then, she whispered, "what kind of vicious person would find a man to act as himself and humiliate his first wife when he was having sex with his second wife? "

Dongfang Mo was completely stunned when he heard Yan ru's words. He did humiliate her before, but he didn't find anyone to act as him. He was the one who was facing her, okay?

"What... do you mean?" Dongfang Mo's brows furrowed as he asked in a low voice.

"Young Master Dongfang, are you a noble who forgets things too much or have done too many bad things? So this is a small matter in your eyes, so you can't remember it at all?" Yan Ru's face quickly turned into a mocking expression She asked in a sarcastic tone.

"What nonsense are you talking about? What are you talking about?" Dongfang Mo really didn't know which matter she was referring to, so he couldn't help but feel frustrated Then, he waved his hand and said, "alright, I'm not in the mood to reminisce about the past with you. I have a lot of things to do, and I'll be going to America in a few days. Now, I'll ask you one last question. Is Little Feather my child? "

Chapter 589: Difficult Choice 4

Yan Ru was stunned by instinct, but her heart was racing. She did not know how to tell him that saying yes was equivalent to admitting that she was Xi Muru and not Xi Muxue. Then, would he still want her to continue fulfilling her duties as a mistress?

If he said no, then would he use the most advanced method to do a DNA paternity test? Once the DNA paternity test was done and the results were out, she would still have to face the issue of restoring her identity as Xi Muru.

Just as Yan ru was hesitating, there was a knock on the door, followed by Auntie Liu's anxious voice. "Ah Mo, great aunt is back. She has already entered the main entrance. Hurry up and go down to welcome her."

Dongfang Mo's head rumbled a few times before he quickly reacted. As he walked out of the door, he said to Yan ru behind him, "think carefully before you tell me. It's best if you don't lie. Otherwise, the consequences will be very serious."

After saying this, Dongfang Mo immediately rushed downstairs. Because his great-aunt was his grandfather's younger sister, she was once one of the largest shareholders of the Dongfang Group. Later, she gave this share to her father, who was also her nephew.

Great-aunt Dongfang Yunxia was Dongfang Mo's grandfather's youngest sister. However, she was already seventy-five years old this year. Ten years ago, after Dongfang Mo's parents died at sea, they were too sad to return to the country.

In the blink of an eye, ten years had passed. During these ten years, Dongfang Yunxia had been retired in Hawaii in the United States. She had never said that she would return to the country. Unexpectedly, she suddenly ran back, and before she came back.. She did not even give Dongfang Mo a call.

When Dongfang Mo came down from the building, his great aunt had already walked into the main hall of the ink garden. Of course, behind her was a group of people, such as Mei gu, Dongfang Mei, his third brother, Dongfang Jun, and —

There was also a mature and beautiful woman. She was the person he thought he would never see again in his life. She was also the person he had long buried in the deepest corner of his heart — Fang Zining!

Fang Zining, the Harvard girl he had met when he had just arrived in the United States to study at Harvard. The woman who had an indifferent smile that was a little too beautiful. The woman who had dated him for two years but eventually proposed to break up with him.

He did not know how she came to be here, nor did he know how she came to his home. Even more so, what identity did she come here with?

"Ah Mo, what's wrong? Are you dumb? Or don't you recognize me?" Dongfang Yunxia could not help but call out to Dongfang Mo when she saw that he was stunned at the last step.

"Oh, hello, great aunt." Dongfang Mo finally came back to his senses and walked towards Dongfang Yunxia with a calm expression. Then, he lightly nodded to Dongfang Mei and Dongfang Jun as a greeting.

"Great Aunt, haven't you always been taking care of your old age in Hawaii? Why are you thinking of coming home?" Dongfang Mo hurriedly came over and invited Dongfang Yunxia to sit down at the top

seat Then, he instructed a min and aunt Liu to quickly make tea because Dongfang Yunxia liked to spend time with Biluochun.

“I am taking care of my old age in Hawaii, but haven’t I left Binhai for ten years?” Dongfang Yunxia turned to look at Dongfang Mo and sighed. “I miss home after being away from home for ten years. It’s almost new year here, so I came back to take a look. At the same time, I will also urge you to get married. You are already 34 years old, but you are still not in a hurry to get married. Do you plan to spend your whole life alone?”

Dongfang Mo was slightly stunned, his gaze inadvertently swept over Dongfang Mei’s face, and then jokingly said: “Great Aunt, look at your worry, are all broken?”

Chapter 590: Difficult Choice 5

“You’re my grandnephew. If I’m not worried about you, who am I worried about?” The great-aunt asked seriously Then, she turned to look at Dongfang Mei and Dongfang Jun and said, “of course, if the Dongfang family wants to have a successor, we still have to rely on Ah Jun. therefore, ah Jun’s marriage can not be delayed any longer.”

Dongfang Jun was slightly stunned, then he said indifferently, “great-aunt, I’m only 27 years old, and I’m still very young. There’s no hurry about the marriage. Let’s focus on big brother’s marriage first. Big Brother is already 34 years old, it’s time for him to find a partner.”

Dongfang Jun’s words had a deep meaning. In fact, when great-aunt brought Fang Zining here, he had already vaguely guessed something. This was because he had once heard from his mother that Dongfang Mo’s first love was called Fang Zining.

She was indeed a stunner. Her face and figure were impeccable. Any man would probably be moved by such a woman, let alone Dongfang Mo’s first love?

Great-aunt heard Dongfang Jun’s words and nodded. Then, she gave him a look of praise. Then, she looked at Dongfang Mo and said, “Oh right, I saw a report in Hawaii. It said that Dongfang Group is in a difficult situation and is on the verge of bankruptcy. What’s going on?”

Dongfang Mo was silent for a moment Then, he said faintly, “great-aunt, I don’t think you can ask me this question. Because Dongfang Group was handed over to Ah Jun to manage five years ago, I’m not sure about the current situation of Dongfang Group because I have already withdrawn my shares from Dongfang Group.”

“What?” Dongfang Yunxia was shocked. Then, she could not help but raise her voice by two decibels and said, “you withdrew your shares from Dongfang Group? Then how many shares did you withdraw?”

“All my shares have been withdrawn.” Dongfang Mo looked at Dongfang Yunxia and answered bluntly, “because according to the rules of Dongfang Group, the person with the most shares has to be the CEO. And the position of the CEO of Dongfang Group has already been taken by my third brother. I did this because... “. ...”

“Don’t find such an excuse,” Dongfang Yunxia said impatiently. Then, she glared fiercely at Dongfang Mo and asked, “ten years ago, after your parents were killed, how did you promise at your parents’ grave?”

Dongfang Mo was slightly stunned, but he did not say anything.

Ten years ago, his parents were attacked by an unknown person at sea, and both of them were killed. At that time, he had to find the person who did this, and at the same time, he had to continue running the Dongfang group forever. He would definitely not let his parents’ hard work fall into his hands.

In fact, he had been doing this for so many years. Although he almost died in a car accident seven years ago, he had still endured it. He was still moving step by step towards his goal.

Although he had proposed to withdraw his shares from Dongfang Group Three years ago, he was still moving towards his goal. However, only he knew the method and method. Of course, he could not tell his great-aunt here.

“Alright, ah Mo, the most important thing now is to not let the Dongfang Group close down.” Seeing that Dongfang Mo did not say anything, his great-aunt sighed deeply. Then, she said, “the Dongfang Group was founded by your parents 20 years ago. They poured all their efforts into it. Thinking back to when they registered the Dongfang Hotel, there was less than 200,000 yuan in total. It was I who took out my own savings of 300,000 yuan to invest in them. Only then did I establish the first Dongfang Hotel. This was also the predecessor of the Dongfang Group.”
