Chapter 731: marrying me 4

“There’s no need. This is great. ” Of course, Dongfang Mo did not give her the photo. He grabbed her wrist and dragged her to the next window. He even urged her, “hurry up, it’s time to sign and sign! ”

Mu Ru burst into tears when she heard that. Sign and sign? Dongfang Mo, how dare you say that? Do you think you’re convicting me Which one of us is the criminal?

Of course, both of us are criminals because both of us have to sign. The process of getting a marriage certificate seemed to be very simple. It was even simpler than mu ru imagined. Those people actually did not ask about her family background or anything.

What was even more ridiculous was that when she had married Dongfang Mo on behalf of Xi Muxue, the priest had even asked her if she was willing to marry Dongfang Mo as his wife. Now that she had come to apply for the marriage certificate, these people did not even ask if she was willing to do it They directly applied for the marriage certificate for the two of them.

Da Hong’s marriage certificate was originally half for each person, but Dongfang Mo only showed it to her once and then put the two books away. The reason was that her memory was not good. What if she had forgotten about it somewhere Therefore, it was better for him to keep it as insurance.

Mu Ru didn’t know whether to laugh or cry when she heard this. Wasn’t Dongfang Mo a little too funny Even if she took the marriage certificate, there was no way for her to clear her marriage relationship with him, okay?

Thus, she couldn’t help but say sarcastically, “Dongfang Mo, you’re the CEO of a large corporation. Do you know the law? Even if it’s a divorce, you have to sign it. Do you think that I can get a divorce just by taking the marriage certificate alone? ”

“Look, this marriage certificate has only been issued for less than ten minutes, and your mind is already filled with the word ‘divorce’ . Do you think I can hand the marriage certificate over to you for safekeeping? ” Dongfang Mo pulled her hand and walked towards the car as he rolled his eyes at her.

Mu Ru was stunned. Just as she was about to retort, her phone rang. She immediately used her hand to touch her bag and took out her phone. Only then did she realize that it was not her phone that was ringing. The moment she turned her face, Dongfang Mo had already taken out his phone to answer the call.

Mu Ru did not know who he was talking to, and of course, she did not know where the call came from. She only heard Dongfang Mo say, “what? ” “okay, I got it. ” “I’ll rush over right away. ”

Dongfang Mo hung up the phone and walked over. Seeing that she was still standing there, he frowned and quickly pressed the car keys. Then, he signaled for her to quickly get in the car.

While Dongfang Mo was driving, he made two more calls. Mu Ru heard him ordering someone to prepare a helicopter or something. It seemed like he was going on a long trip.

Dongfang Mo was indeed going on a long trip. After sending Mu ru back to one inch mo city, he did not even enter Mo Yuan because Ahao had already started another car and was waiting for him.

"I'm going to Korea." When he turned around and walked towards Ahao's car, he still gave her a simple explanation. "But I'll be back soon. You take care of Yu Yu at home."

"You don't have to tell me where you're going?" Mu Ru's voice was extremely cold and indifferent. "I'm not in the mood to know."

Dongfang Mo was slightly stunned when he heard her words. He could not help but feel a tinge of pain in his heart. However, he still said softly, "you're my wife. My husband has the obligation to tell my wife where he's going."

Mu Ru was stunned when she heard this. She looked at Dongfang Mo's back as he got into the sports car. A bitter smile appeared on her face. She was his wife, but he was rushing to Korea to see the woman he loved on the day of their marriage registration.

Chapter 732: Marry me 5

Dongfang Mo had gone to Korea. During dinner, little feather did not see him. He could not help but mutter, "a big liar is a big liar. He just came back last night and left today."

Mu Ru was stunned when she heard this. She did not discuss this with little feather. Instead, she stroked her head and told her to eat quickly. She said that she would tell her a story after dinner.

After dinner, little feather and Mu ru took a walk in one inch ink city and returned to their room on the second floor. Looking at Mu Ru who was holding a story book in her hand, little feather could not help but ask, "Mommy, don't you have to steal a cow tonight?"

Steal a cow Mu Ru was stunned for a moment before she reacted. Her face immediately turned red, and then she said a little stiffly, "didn't you steal it last night? I won't steal it tonight. A cow is enough for little feather to eat for a long time."

"But I didn't see that cow?" Little feather blinked his eyes, pretending to be so innocent that he completely believed Mu Ru's words.

"The cow was driven to the slaughterhouse to be killed by the big liar," Mu ru said without changing her expression, "If you don't kill it, where will there be beef for you to eat? Can you eat a live cow?"

Little feather immediately looked at Mu ru with disdain He couldn't help but retort, "mommy, do you really think I'm a child? Only you and the big liar can tell a lie like stealing a cow. Do you think I don't know what you're doing?"

Beads of sweat immediately appeared on Mu Ru's forehead. She couldn't help but ask in a trembling voice, "then do you know what we're doing?"

"YOU'RE FIGHTING!" Little feather said with certainty. Then he pointed at Mu Ru's neck and said, "look, the big liar is too bad. He twisted your neck until it was blue. Does he want to strangle you to death?"

When Mu ru heard this, her heart that was at the edge of her throat finally relaxed again. Then, she nodded and echoed little feather's words, "yes, yes, the big liar is sometimes a little bad, so we can't provoke him. Otherwise, when he gets angry, it will be very scary."

"Okay, I got it, Mommy." Little feather was a child after all. He did not want to dwell on the fight between her and Dongfang Mo with Mu ru anymore. Instead, he was anxious to hear a story. "Mommy, hurry up and tell me a story."

Mu Ru thought that Dongfang Mo would calm down after leaving for the past two days because he was going to Korea. He said that he would be back soon, but she knew that he definitely wouldn't be back soon.

Thus, that night, Mu Ru told little feather a story very late. When little feather finally fell asleep, Mu Ru was still not sleepy at all because a trace of fantasy actually appeared in her mind. Dongfang Mo was going to Korea to visit Xi Muxue. What would he and she do?

When she thought of this, she couldn't help but scold herself in her heart. Xi Muru, do you have to raise your status so much Dongfang Mo and you only got a marriage certificate, and that was for giving birth to a little feather. Do you really think of yourself as his wife?

Because she tossed and turned last night and did not sleep well, the next morning, she undoubtedly woke up later than little feather, causing little feather to laugh at her. "Mommy, you didn't fight with the big liar last night, so why did you still wake up so late?"

Mu Ru blushed when she heard this, and then she glared at her. Just as she was about to teach her a lesson, her phone rang desperately, which also stopped her from abusing little feather at the right time.

The call was from director Li of the public security bureau. He said that Miss Fang zining wanted to see her. She had wanted to refuse, but director Li said that Fang Zining was the former Kuang Yingying and hoped that she could go over.

Chapter 733 who is pregnant with whom's Child 1

Mu Ru did not know what she was thinking. In short, when she heard chief Li say that Fang Zining was the former Kuang Yingying, she still came to the police station as if she was possessed by a ghost.

Because Fang Zining and Fang Jinxin were overseas Chinese, the international procedures were quite complicated, so they had not been sentenced yet. The two of them had been detained in the police station.

Mu Ru came to see Fang zining. No, she came to see Kuang Yingying. Although the current Fang Zining could not find Kuang Yingying's previous appearance, Mu Ru still recognized her from her expression.

When Mu ru saw Kuang Yingying, her face was obviously much thinner. The two first looked at each other at the Iron Window, then sat down separately.

Separated by the ice-cold iron window, Mu Ru just quietly looked at Kuang Yingying inside, not saying a word to greet her.

Kuang Yingying's face was an unfamiliar Fang Zining's face, and this face looked particularly awkward because of excessive plastic surgery and lack of maintenance during detention. It was as if she was looking at a lifeless human skin.

Kuang Yingying glanced at Mu Ru and then said angrily, "Xi Muxue, aren't you very pleased with yourself now? You've finally won against Dongfang Mo. from now on..."

"I'm sorry, I'm not Xi Muxue," Mu Ru interrupted her coldly and then said a little impatiently, "if you want to see Xi Muxue, then I'm afraid I'll have to disappoint you because she's currently in Incheon, Korea..."

"Hehe, do you think you can deceive others and still be able to deceive me?" Kuang Yingying quickly cut off Mu Ru's words. Then, she snorted coldly and said, "Xi Muxue, five years ago, the Real Xi Muru was tied up by Nangong Xun to one side. You were a birthmark that Nangong Xun paid to get on your forehead. Then, he asked you to pretend to be Xi Muru and live in one inch ink city. Do you really think that you've become Xi Muru?" Kuang Yingying's words were obviously filled with disdain. That expression, she was very clear about her background.

Mu Ru was stunned when she heard Kuang Yingying's words. Then, she said plainly, "Miss Kuang, I'm sorry. This time, you really made a mistake because I'm really Xi Muru. It's just that I didn't know that the person who asked Xi Muxue to have plastic surgery was Nangong Xun."

She still remembered that Xi Muxue had no money at that time, and Leng Leitong had been looking for her everywhere. Later on, she and Kuang Yingying were kidnapped by Nangong Xun, and Xi Muxue took the opportunity to impersonate her.

"You'RE NOT Xi Muxue?" This time, it was Kuang Yingying's turn to be shocked. Her eyes widened as she looked at Mu Ru in front of her, and she cried out involuntarily, "how is that possible? You're clearly Xi Muxue?"

"How is that not possible?" Mu Ru calmly took over her words and said, "it's very simple. Xi Muxue impersonated me and was discovered by Dongfang Mo. then, Dongfang Mo caught me and chased Xi Muxue out of one inch mo city."

Mu Ru paused and continued, "but on the day you and Dongfang Mo got engaged, Xi Muxue wanted to pretend to be me and move into one inch Mo city again. At that time, she had already removed the birthmark on her face, so..."

"So the person who was disfigured on the wheel was Xi Muxue?" Kuang Yingying's voice trembled in shock as she stared at Mu Ru outside the iron window. She asked in a voice that could hardly believe her ears, "Are you really Xi Muru?"

Mu Ru smiled. The smile on her face was indifferent and distant. She nodded at Kuang Yingying and said, "that's right. I'm the ugly freak that you and Xi Muxue don't take seriously. Zhu Bajie, Xi Muru, are you satisfied?"

Chapter 734 who is pregnant with whose child 2

Kuang Yingying was obviously shocked and kept silent for a while. Then, she stared at Mu Ru for a while. Then, she said slowly, "it's better if you're Xi Muru. Actually, I already know the news about my father, Fang Jinxin. I don't expect to be able to use his ability to escape from this prison now, but before I'm sentenced, I'd like to ask you for a favor because this matter is about Ah Mo. . "

Upon hearing Kuang Yingying's words, Mu ru could not help but smile coldly. She looked at Kuang Yingying and said coldly, "Miss Kuang Yingying, you and I were kidnapped by Nangong Xun five years ago. Why are you unharmed while I'm covered in bruises "Do you really think I'm so stupid that I don't know anything "Even if I'm an idiot, after so many years, I still understand what's going on. I think you wanted to use Nangong Xun to get rid of me, right? "

Kuang Yingying did not say anything, and Mu Ru did not need her answer. She only said with a cold face, "Miss Kuang, back then, whether you were Dongfang Yu's fiancée or Dongfang Mo's girlfriend, you didn't do anything good to me. So, do you think I'll agree to anything you ask me to do now? "

Yes, she was the Real Xi Muru, but she had changed in the past five years. After experiencing so many life-and-death tribulations five years ago, she began to integrate into this society and became vigilant. She no longer trusted others and knew how to protect herself... ..

Kuang Yingying's face immediately darkened. Her highly plastic surgery face was especially distorted due to her lack of maintenance. However, her voice sounded extremely sincere. "Xi Muru, I know that you will definitely not forgive me... of course, I don't expect you to forgive me. Now, I just want to ask you... to help me save an innocent life. "

"An innocent life? " Mu Ru obviously did not understand. Her delicate brows furrowed. "Is your life innocent? You found someone to do that to Xi Muxue. Not only did they take her life, but they even disfigured her... "

Mu Ru hit a joke when she said this. Then, she sneered and said, "No, I should say that you got someone to do that to me because that day, your target was not Xi Muxue but me. So, your life... "

"I'm not talking about my own life, " Kuang Yingying quickly interrupted Mu Ru. Then, her voice became choked up. She touched her stomach and bit the corner of her lips. She said softly, "I'm talking about the child in my stomach. This is... Ah Mo's child. "

Dongfang Mo's child. Mu Ru immediately heard a thunder above her head. Fang Zining, no, it was Kuang Yingying who was actually pregnant with Dongfang Mo's child?

She still remembered the morning when Dongfang Mo and Fang Zining were engaged. She went to the Mo Garden to look for Dongfang Mo and saw Dongfang Mo and Fang Zining in the room at that time. And that night, she actually... ..

It was not strange that Kuang Yingying was pregnant with Dongfang Mo's child, because at that time, Dongfang Mo thought that she was Fang Zining, and Fang Zining was Dongfang Mo's first love. It was impossible for a man as lustful as Dongfang Mo not to touch Fang zining.

"I'm sorry, this matter has nothing to do with me. " Mu Ru's face was cold, and her expression was indifferent and distant as she said, "I'm just Dongfang Mo's lover, I don't have the right to deal with his matters. "

Chapter 735 who is pregnant with whom's Child 3

Although she and Dongfang Mo had registered their marriage yesterday and she was now Dongfang Mo's legal wife, she knew her own limits. In Dongfang Mo's heart, she definitely wouldn't be able to occupy the position of his wife.

A formal wife and the wife in the depths of his heart were two completely different things. Moreover, even if Dongfang Mo really treated her as his wife, he probably wouldn't allow her to interfere in the matter of him having a child with another woman, right?

"How can it not have anything to do with you?" Kuang Yingying obviously didn't listen to Mu Ru's words. Then she looked at Mu Ru and said, "actually, I know that you have always cared about ah mo very much. We are both women, you don't need to pretend your true feelings in front of me..."

"Miss Kuang," Mu ru quickly interrupted her words and then said indifferently, "If you came to me today to talk about these boring things with me, then I'm sorry, I don't have the time or the mood. I think I should go."

"okay, I don't want to guess your feelings for Ah Mo." Kuang Yingying immediately changed the topic. Then, she quickly said, "however, you have to admit that AH MO cares about you. Now that you have brought his daughter back, I think he will definitely cherish you..."

"enough." Mu Ru could not help but cut her off impatiently. An unhappy expression quickly appeared on her face. "Miss Kuang, what did you want to talk to me about? Get to the point. I don't have that much time to waste with you."

Kuang Yingying saw that Mu ru did not want to talk to her about anything else, so she finally stood up and handed a report to Mu ru from the iron window. Then, she said with a choked voice, "Mu Ru, I might be sentenced to more than ten years of imprisonment, or even longer... but... the child... the child in my stomach..."

Mu Ru held a pregnancy report in her hand. It was signed by the ultrasound doctor, and it was six weeks pregnant, which was the same time as that night.

She looked at the report briefly, then handed it to her quietly. She looked at Kuang Yingying coldly, but didn't say anything.

Kuang Yingying's face, which looked like a Zombie due to the lack of maintenance, was especially awkward because of her excitement. She continued to SOB, "Mu ru... .. I know AH MO probably won't care about this child, because my plastic surgery appearance gave birth to his first love and deceived him But, Mu Ru, the child is innocent. I think as a mother, you must know this very well Although people in prison can also give birth, the conditions in prison and outside are completely different. Even if I can give birth to the child in prison, whether the child will be healthy or not is still a serious problem. Most importantly, after the child is born, it will definitely be sent to an orphanage by the prison guards. I don't want the child to grow up in an orphanage. I want the child to grow up by his father's side "... .."

Kuang Yingying might have said it with too much emotion, so in the end, she could not help but shed tears. Obviously, she was moved by everything that she had described.

Unfortunately, Kuang Yingying moved herself, but she did not move Xi Muru who was outside the iron gate. After listening to her affectionate words, she still stood up coldly, then quickly turned around and was about to leave.

Chapter 736 who is pregnant with whom's Child 4

Kuang Yingying did not expect mu ru to be so cold. She could not help but run up and grab the iron window with both hands and cry. She never thought that she and Xi Muru would have such a reversed day.

She used to be a high and mighty princess, the Mayor's daughter, while Xi Muru used to be a servant of the Xi family. Compared to her, Kuang Yingying, it was like the difference between heaven and earth.

Now, her high and mighty daughter, the mayor's daughter, had become a prisoner, while the servant who was rolling in the mud turned into the woman who Dongfang Mo cared about the most.

Xi Muru and her were still worlds apart. However, Xi Muru was in the clouds now, while Kuang Yingying was rolling in the mud.

Mu Ru's body, which had taken two steps, froze. She hesitated for a moment before turning around. When she saw the woman who was crying her heart out, she could not help but feel a long-lost pain in her heart.

Kuang Yingying saw Mu ru turn around. It was as if someone in the darkness saw the light again. She immediately stopped crying She looked at Mu Ru and sobbed. "Xi Muru, I beg you. Please go back and tell Dongfang Mo. I hope that he can take the child back on account of the child's innocence. I hope that his child can grow up in a healthy environment. Even if he never tells the child who his mother is... ". "... "

Mu Ru suddenly turned around and walked out quickly. However, her eyes were already wet. The pain that she had hidden in the deepest part of her heart suddenly came out like the tip of a needle.

Six years ago, no, it could be said that it was seven years ago now. During the three months that she had married Dongfang Mo, she had also been pregnant with a child. However, at that time, she did not know that she had been schemed against by someone She even foolishly thought that she was really pregnant with a bastard child.

At that time, Dongfang Mo had used a whip to beat her and forced her to take the abortion medicine. Although she did not know whose child it was, he knew it himself?

At that time, she had personally witnessed Dongfang Mo's cruelty. Therefore, from the beginning to the end, she had no way to... ... No way to completely forgive Dongfang Mo. ...

And now, Kuang Yingying was pregnant. She clearly knew that she was pregnant with Dongfang Mo's child. However, she reckoned that her fate would not be much better than her past self.

Right now, Dongfang Mo definitely did not have any good feelings towards Kuang Yingying who had undergone plastic surgery. Moreover, Kuang Yingying should die by pretending to be his first love, Fang Zining. This had probably crossed his bottom line.

And what Kuang Yingying did after that was indeed outrageous. She actually found three men to take her on and even disfigured her face. If it was Xi Muru who had suffered all that, Dongfang Mo probably would not be so angry, but..

It had to be Xi Muxue, the woman Dongfang Mo cared about the most, and the woman he loved the most. On this point, it was impossible for Kuang Yingying to get Dongfang Mo to let her go.

However, the situation now was that Kuang Yingying was pregnant with a child, and that child was Dongfang Mo's. She knew that Dongfang Mo wouldn't be able to get around Kuang Yingying, but his own child, would he... ..

Even though she didn't want to interfere in Kuang Yingying's matters, because that woman had always appeared in a hostile manner towards her, even on the day she and Dongfang Mo were engaged.. The target of the search was also Xi Muru and not the Real Xi Muxue.

Chapter 737 who carried whose child 5

Kuang Yingying was indeed very bad and could be said to be unpardonable. However, the child in her belly was indeed innocent. Mu Ru had to admit this point.

A child that was only a little over a month old had yet to take shape. Of course, she had not done anything to anyone in this world. And an innocent life, was she... ..

Mu Ru thought of the child in Kuang Yingying's belly and could not help but think of the child she carried seven years ago. It was also an innocent life. However, would it have the same fate?

Thinking of this, her heart could not help but tremble. The scene from seven years ago in the small wooden house flashed in her mind like a movie. The waves of pain, the feeling that she would not come down even if she tried to pull... ..

She used her hand to rub her forehead. The pain in her abdomen seemed to come back, and the sound of a baby crying could be heard from the top of her head. She finally reached for her bag and took out her phone.

Dongfang Mo had gone to Korea and was standing by another woman's side. She knew that she should not disturb him, but no matter what, he was an innocent life... ..

* * * * *

Dongfang Mo had rushed to Korea in a hurry, and this trip was not part of his plans because he had never thought that he would come to Korea again.

After settling the wedding formalities with Xi Muru, he was still thinking about taking her out for dinner or something. It seemed that he had been with her for so long, but he had never taken her out to eat in public. He had never appeared with her in the name of husband and wife.

But who would have thought that Ahaio would break his plan with just a phone call? Ahaio told him over the phone that the plastic surgery and Beauty Hospital in Seoul, Korea, had called. Xi Muxue was pregnant!

Xi Muxue was pregnant. This was originally not good news because if Xi Muxue was pregnant, then she would definitely be pregnant with the children of those three thugs. Most importantly, they still did not know which thug's child it was.

The hospital had sent news that Xi Muxue was extremely agitated after learning that she was pregnant. She was almost on the verge of losing control. She kept saying that she wanted to get rid of it, that she must get rid of it, that she did not want the child in her stomach.

This reaction was originally normal because no woman would want the product of rape, not to mention that it was the product of someone being raped.

However, the key was that Xi Muxue's condition was very special. The doctor said that her uterine membrane was too thin, and the internal environment was not good. Not only was there a risk in having an abortion, but most importantly, if she miscarried this time, in the future.. She would probably lose the chance to be a mother forever.

This simple problem seemed to be very serious, so he had to leave Xi Muxue and little feather and rush to Seoul, South Korea. No matter what, he had to convince Xi Muxue to have this child.

When he arrived at Xi Muxue's Ward, Xi Muxue was in a frenzy. She was yelling at the two nurses, "go get your ob / gyn doctor. Go quickly. I don't want to save the fetus. I want an abortion. Do you understand abortion?"

The two nurses tried to persuade her, but her face, which had not fully recovered from her plastic surgery, was especially ferocious due to her anger. She pointed at the two nurses and shouted fiercely, "get out! Get Out!"

The two nurses were shocked. When they turned around, they saw Dongfang Mo walking in. Dongfang Mo nodded at the two of them, indicating for them to leave first. He would leave this to him.

Chapter 738: Who is pregnant with whom's Child 6

The two nurses seemed to have seen their savior in an instant. They immediately pushed the car and ran out. When they went out, they did not forget to close the door for them in a friendly manner.

Xi Muxue only stopped shouting when she saw the two nurses go out. The moment she looked up, she realized that Dongfang Mo was walking towards her. She was obviously stunned and thought that it was an illusion. Then, she even used her hands to rub her eyes in a childish manner.

It was indeed Dongfang Mo. this time, she really saw him clearly. Thus, her ferocious face instantly turned into a delicate and pitiful one. She immediately pounced on him and wrapped her arms around Dongfang Mo's waist. Her entire face was buried in his chest and she cried out loud.

Dongfang Mo stood there stiffly, allowing Xi Muxue's hands to wrap around his waist tightly. His hands were stiff and vertical, and he did not reach out to hug her.

Xi Muxue's body was trembling because she was sobbing. She cried for a long time, but she did not wait for Dongfang Mo to hug her. Finally, she lifted her head from Dongfang Mo's embrace.

"Ah Mo, I... I don't want this child... I definitely don't want this child... This is an evil creature..." Xi Muru sobbed and cried out in a trembling voice, "Ah Mo, my stomach... my stomach can only carry your child... i..."

"I don't know how many people's children you've carried in your stomach," Dongfang Mo finally spoke, then he used his hand to pry away the hand that was wrapped around his waist. Then, he said indifferently and distantly, "Xi Muxue, don't act anymore. I know you're not Xi Muru..."

"I'm not Xi Muru," Xi Muxue quickly interrupted Dongfang Mo's words. Then, she hurriedly explained, "I'm not Xi Muru in the first place. Didn't you chase Xi Muru out of one inch Mo city to live at Zixia Villa? I'm Yan ru, I'm little feather's mother, Yan Ru!"

"PFFT..." Dongfang Mo could not help but laugh when he heard this. Then, he snorted coldly and said, "Xi Muxue, I just told you that you're not Xi Muru, and you're even less Yan ru because Yan ru is Xi Muru, and you..."

Dongfang Mo paused for a moment. Then, he said indifferently and distantly, "you've always been Xi Muxue. Even though you've lived in one inch Mo city as your sister, Mu Ru, for five years, it still can't change the fact that you're Xi Muxue. I've always known from the beginning that you're Xi Muxue."

Xi Muxue instinctively took a step back. Never in her wildest dreams would she have thought that Dongfang Mo knew her and had always known her true identity. To think that she thought that her acting as Xi Muru all these years had been very successful.

"But you... How do you know that I'm not Yan ru?" Xi Muxue was still unwilling to give up. She could not help but ask, "on the day you and Fang Zining got engaged, you didn't invite me, did you? And..."

"Yes, I didn't recognize you after your accident," Dongfang Mo answered truthfully, then nodded coldly. "Of course, it's not easy to recognize someone who's beyond recognition, but..."

"However, no matter how perfect the packaging is, some people always think that it can be fake. However, in reality, a fake is a fake. Even if the outer layer is identical, there are some things that can't be faked. As for you, Xi Muxue, it's easy for you to imitate Xi Muru's outer layer because you and she are twin sisters, but you can't imitate her inner layer at all."

Chapter 739: Who is pregnant with whom's child

"inside?" Xi Muxue could not help but take a step back. She pondered for a moment as if she had thought of something. "Are you referring to drawing? But I came to Korea after my accident, and..."

"Mu Ru's inside is only drawing?" Dongfang Mo's face was quickly filled with mockery. Then, he said coldly, "when I sent you to Korea for plastic surgery, I once told you about Ah Gan. You actually don't even know who Ah Gan is, but you don't know that in Mu Ru's heart, the image of Ah Gan has always been the embodiment of the perfect man."

“Ah Gan?” Xi Muxue could not help but repeat it, then she looked at Dongfang Mo with some confusion and said, “I’ve never heard of Mu ru being in a relationship before, and I didn’t even know that she had a boyfriend called Ah Gan. I...”

“PFFT...” Dongfang Mo could not help but laugh coldly again. Then, he said sarcastically, “Miss Xi Muxue, it’s not enough for a person to have beauty on the outside. A person must also have inner beauty. Ah Gan is just the hero of a novel, the hero of a movie. He’s a fool with an IQ of less than 80. He’s a man who’s infatuated to the point that he only loves one woman his entire life.”

Even in her dreams, Xi Muxue had never thought that she would be exposed when she was discussing Ah Gan with Dongfang Mo. She could not help but curse her sister in her heart.

Damn that Ugly Freak Xi Muxue, why did you read so many books for no reason? Moreover, that Ah Gan was a fool. He had actually become the embodiment of the perfect man in your heart. You really are pig ba Jie. Only an ugly woman would treat a silly man as the perfect man.

Dongfang Mo saw that Xi Muxue was no longer biting her lips. His face alternated between red and white. Then, he said calmly, “Xi Muxue, the doctor has already told me about your condition. You can’t have an abortion because if you have an abortion, you won’t be able to get pregnant and have children in the future.”

Dongfang Mo paused for a moment before he continued, “in other words, this is your last pregnancy. Whether you want to keep the child or be a mother is your own choice. Don’t regret it in the future.”

When Xi Muxue heard Dongfang Mo’s words, she fell to the side of the hospital bed. She had never dreamed that she would be so unlucky. Not only had her identity been seen through by Dongfang Mo, but she was also pregnant with a bastard. No, it was a bastard.

She was indeed a bastard child because she had been fucked by three men that day. Moreover, all three men had released their male stuff into her body. In other words, this child belonged to one of the three men.

However, she did not know which one it belonged to. Of course, the three men definitely did not know either, so she could only name her child a bastard child.

She had originally decided not to have such a child, but now, when Dongfang Mo told her that this was her last pregnancy as a woman, she would decide whether she wanted this child or not.

As a woman, any woman, no matter how selfish they were. In fact, they still hoped that they would have the chance to be a mother.

Therefore, at this moment, Xi Muxue began to feel melancholic. If the bastard in her stomach was her last child, then, should she stay or not?

Dongfang Mo naturally did not make the decision for her, leaving it for Xi Muxue to consider. While Dongfang Mo was waiting for Xi Muxue to consider, he flew to Incheon and went to look for Che Qixuan.

Che Qixuan was in Incheon, and the last time Che Qixuan went to the nearest international sea in Naples and used a submarine to help him steal the five boxes from Dongfang Yingwu, he had already vaguely guessed who Che Qixuan might be with.

He had heard of Junzhi diving before, the world's number one diving expert. It was said that he could dive in the water for a few months without going ashore. It was said that driving a submarine was the same as driving a race car, and he could race with all kinds of underwater creatures.

Junzhi diving was an expert in the diving world. He was a person who was well-known in both the underworld and the white world. The Black and white worlds did not dare to offend him. They only recognized money and did not recognize people. As long as he was given money, he would take over whether it was the underworld or the white world.

It was said that Junzhi diving's most beautiful job was to help the prince of the Sudan salvage a box of jewelry that had sunk to the bottom of the sea. It was said to be worth hundreds of billions. Some people said that who would be foolish enough to salvage this box and hand it over to the Prince of the Sudan. It was better to just move the box away. After all, it was salvaged from the sea. It was equivalent to picking it up. It was not a crime not to return it to the prince of the Sudan.

However, Jun Zhiqian did not do so. He salvaged the box and handed it to the Prince of the Sudan without even opening the box. He only received his own share of the reward.

Dongfang Mo had heard of Jun Zhiqian, but he had never interacted with him before. This time, when he went to look for Che Qixuan, he wanted to meet this mysterious person. After all, Che Qixuan was with him.

In Dongfang Mo's mind, Jun Zhiqian should be a person's name. However, when he saw Che Qixuan, he realized that Jun Zhiqian was not a person, but a group.

Jun Zhiqian was originally two people. Pu Yongjun and Pu Zhihui were brother and sister. However, eight years ago, they joined Che Qixuan. However, their group name did not change. They had always used Jun Zhiqian.

Dongfang Mo was such a person. The moment he saw Pu Yongjun, he immediately understood the relationship between him and Che Qixuan. As for Pu Zhihui, he did not see that Che Qixuan said that she went out for a stroll.

Pu Yongjun was an indifferent person by nature. Moreover, he never wanted to get close to anyone. Therefore, after Dongfang Mo arrived, he only gave a light greeting and then found an excuse to leave.

Dongfang Mo and Che Qixuan sat down in the room. The two men looked exactly the same, but because of their living environment and the things they were worried about, the expressions on their faces were also different.

"I'm not here to interfere with your life," Dongfang Mo was the first to break the silence. He said in a low voice, "I just want to see if you're doing well. Since you're doing well and hiding your identity, it's good too. I think my parents know about this underground, so they should be relieved."

“I won’t forget that I’m a member of the Dongfang family,” Che Qixuan said after a moment of silence. Then, he looked at Dongfang Mo and said, “of course, I won’t stand idly by and watch the Dongfang Group’s matter. It’s just that I won’t go live with you in one inch Mo city because...”

“I didn’t ask you to go back and live there,” Dongfang mo quickly replied Then, he sighed and said, “I also didn’t ask you to go back and help me deal with the Dongfang Group’s matter. Actually, I can completely deal with my own matters by myself. I came here purely to see you. No matter what, you’re my younger brother, the person closest to me... “.”

Dongfang Mo made a little joke at this point, and then quickly added, “one.
