They looked at Samuel, wishing that Samuel was their son-in-law, even if he was an useless scum yet it was worth it for this 100 million.

It was not surprising that Godfrey and also Yvonne held back their temper toward the mockery and jokes versus them in the past three years ... They already had 100 million in their bag!

" It's a pity that Mommy didn't come, she would certainly have been extremely happy. We could have lived well with the one hundred million in any type of average house, but I wished to make Mama proud, that's why we determined to acquire this mountainside villa ..."
