Seeing Manfred holding the charge card in his hand with an irrepressible smile on his face, Samuel unexpectedly really felt amazed.

He utilized to be the boss of Cloud City. Why did he act as if he had never ever seen the world before?

"Manfred, I really doubt whether you were simply pretending. You're so pleased with such a little sum of money, aren't you?" Samuel asked.

" I'm going to Grandmother's residence tonight," Yvonne claimed when she saw Samuel returning.

" What's the matter?" Samuel asked in confusion. Except for the family day every month, it was normally an unique scenario. If she was in such a hurry today, it was likely that something bad had happened.

" I'm unsure, either, however I'm presuming that it has something to do with the business," Yvonne said.

" The business? What's the circumstance?" Samuel asked curiously.

" The project in the west of the city is really hard for the Sue family. The funds can not be withdrewed, however the construction products need to be continuously transferred. I have expected that the Sue household would have economic concerns, but I didn't expect them to come so soon," Yvonne sighed as well as stated.

Samuel nodded. The stamina of the Sue family was certainly not enough to deal with all the projects in the west of the city.

" It seems like we require to collect sufficient money from each family members, but this isn't a long term plan," Samuel stated.

" Yes, so the Sue family members is facing a massive issue currently. I don't recognize just how Grandmother will certainly fix it."
