

# Noble Husband At the Door Chapter 150

When everyone was staring at Yvonne, Yvonne was melting with anger. At this moment, Samuel whispered something in her ear.

Yvonne took a look at Samuel in shock and trembled her head somewhat. Everybody aspired to put the blame on her. If she took the initiative to take the responsibility, would not it give them an opportunity?

Samuel nodded with a smile as well as said, "Believe me."

Yvonne was shocked for a moment. Whenever Samuel said these words, she would choose to believe him without hesitation. This idea had nearly ended up being dependence.

"Granny, I can discover a means to obtain the funding," Yvonne stood up and claimed.

As soon as she claimed that, Harvey sneered. Also Granny Sue could not locate a lending, so just how could Yvonne do it?

"Don't talk nonsense. Can you do what Granny can't do?" Harvey said.

"Harvey, given that she wishes to brag, allow her brag. But we have to make it clear ahead of time. Suppose you can not do it?" Yara claimed.

"If I can't do it, I will sell Hill Suite without problem. However if I can do it, I likewise have a demand," Yvonne stated.

Grandmother Sue stood up and asked. Even if Yvonne had a request, Grandmother Sue would be willing to meet it.

Nevertheless, selling the house was just a short-lived service, and it could not last long. Just a lending can actually solve this issue.

"From now on, I'll care for the business's finances," Yvonne said.

" What!".

" Yvnonne, are you crazy?".

" Give the money to you. Why do not you say that you're the only one that's in charge of the company?".

Yvonne was in fee of the task in the west of the city, if they handed the financing over to her, wouldn't she be the only one in the business? If they wanted to make cash in the business in the future, what would certainly they do if Yvonne deliberately made things difficult for them?

" Yvonne, you are truly out of your mind. Exactly how could grandma allow you take charge of the economic affairs?" Harvey had been looking for opportunities to return his setting and power in the company. Now Yvonne was rubbing her nose at him, so he definitely would not agree.

Yara took a look at Yvonne with a sneer as well as stated, "Yvonne, I really did not anticipate you to be so ambitious. You intend to take control of the business by yourself."

" Yara, just how did I take over the firm? Because you want me to address the monetary trouble this time, is there any problem with me handling the firm's finance in the future? Yvonne shot down directly.

Yvonne gazed around at the loved ones of the Sue family in the living-room. Wherever she went, no person attempted to consider her. They all recognized what they can. This issue can never have anything to do with him.

" Yvonne, do you actually have a means to get the car loan?" Grandmother Sue asked. Although she hesitated to hand the finance over to Yvonne, she had no other option currently.

" Grandmother, do not believe her words. Exactly how could she obtain the finance? Even if she got a couple of million yuan, it's useless. She just wishes to scam the firm's civil liberties," Harvey said anxiously. He could not allow Grandmother Take legal action against think Yvonne, or he would never ever have a chance to transform things around in the company.

" Yvnonne, just how risk you play such a little trick before Grandma? Do you really think Grandma is so unsuspecting?" Yara sneered.

" Yes, if you wish to take care of the business's financial events, you need to inform me just how much cash you can obtain first," Lionel claimed.

Prior to Yvonne could claim anything, she heard a leisurely voice say, "One billion."
