

Noble Husband At the Door Chapter 160

In the conference room, Grandmother Sue held Yvonne's hand with a smile on her face. This was an unmatched closeness. Grandmother Sue had actually never related to Yvonne as her family member, but now Yvonne appeared to have become her favored granddaughter.

Yara was to wed into an abundant and effective family in the future, for the time being, Yvonne was the one that would certainly assist the Sue household overcome the problems.

Various other than Grandma Sue, the other loved ones did not look well.

It was true that the Sue family had actually survived the situation, however if the company's funds were handed over to Yvonne, it would not be easy for them to make money in the future.

Grandma Sue could turn a blind eye to them, but could Yvonne?

They thought about their mindset toward Yvonne in the past. If she understood that they were greedy for the firm's cash, exactly how could she let them go?

Harvey as well as Yara went to the meeting room; their faces looked as if they had actually eaten shit. Harvey saw the intimacy between his granny and also Yvonne, he was even angrier. In the past, he was the just one who could enjoy this sort of treatment, and now, Yvonne had a tendency to change him.

" Yvonne has actually assisted our business got over the difficulties. The finance is one billion bucks, as well as the company will certainly supervise of the economic affairs in the future. This is what I have assured before. Additionally, I have another thing to reveal today," Grandmother Sue said.

Hearing this, Harvey was shocked in his heart. "Is Grandmother Sue file a claim against mosting likely to provide the position of chairman to Yvonne?"

This was something that all family members did not want to see. Lionel instantly stood and also claimed, "Mama, you have to think about it meticulously. This is a large thing for the firm, and it can't be trifling."

" Yes, Grandma, you must believe it over. The firm of the Sue family can't fall into the hands of outsiders." Harvey advised her.

Grandmother Sue grinned faintly and also claimed, "Considering the problem on Yvonne's shoulders is so hefty, I want somebody to aid her. Harvey, from now on, you will certainly be the Deputy Director of the company, and you ought to do your ideal to help Yvonne in the job of the west of the city."

As quickly as she claimed this, everyone existing was dumbfounded. Nobody had expected that Grandmother Sue would give Harvey a promo at this time! He had actually not performed well in the firm recently.

The Replacement Supervisor's placement was offered to Harvey. Really did not this mean that fifty percent of the power on Yvonne's hands was also in Harvey's hands?

Yvonne gritted his teeth. Grandma Sue's words were extremely gorgeous, and also she also seemed to be extremely intimate with her.

" Regardless of just how much I've done, my position in your heart is no more than Harvey's, isn't it?"

After the shock, the loved ones of the Sue Family smiled with relief. Of course, they recognized why Grandmother Sue did this. This was a coincidence to deteriorate Yvonne's power in the firm. Grandmother Sue concerned Harvey as her successor from the starting to the end.

Harvey grinned and also said rapidly, "Thank you, Granny; I will not allow you down."

" Yvonne, you 'd much better cooperate with Harvey in the future. If there's any problem, you can review it with him," Grandmother Sue claimed.

" Okay," Yvonne responded.

After the conference, Granny Sue left.

Harvey happily claimed to Yvonne, "It appears that despite the amount of things you have actually done, Granny doesn't think highly of you. My position in her heart is not something you can compare to."

" From now on, I will certainly assess every accountancy of the firm. I don't care just how you make money in the firm before, however in the future, even if losing a dime, you 'd better discuss it to me clearly." Yvonne finished her words in a cool voice; she disregarded Harvey as well as walked out of the meeting room.

All the relatives of the Sue Family were indignant. They really did not live by their regular monthly income. If they could not embezzle in the company, just how could they stay in the future?

" Su Yvonne really does not understand what benefits her. Even Grandma Sue doesn't care about these points, however she still follows the policies."

" Does she think we will take her seriously? From now on, what must be taken need to not be lowered. I 'd like to see what she risks to do to me."

Lionel stood as well as claimed to the family members of the Sue family members, "Do not stress. Harvey is the deputy director of the firm currently. Exactly how dare Yvonne make points challenging for us?"

Harvey grinned and also said, "The financing this time is one billion yuan. If we can not obtain some money back home, we are sorry for the forefathers of the Sue family members.

" Harvey, we'll be relying on you."

" With your setting in Grandma Sue's heart, Yvonne is absolutely nothing."

" Yeah, she's simply a female. Just how can she compare to Harvey?"
