

Stay Around You Now And Forever - Chapter 12 I'll accompany you

Emily put on makeup before coming down. She did a smoky dark emo style in a hurry and looked like a zombie.

Wendy and Kate's heart relaxed. Charles on the other hand was shocked, "Why... did you do this?"

Hurry up and wash away that
makeup!"

She was so innocent and pretty a moment ago but now, she looks horrible!

What kind of look is this? This daughter of mine is beyond hope! Instead, Emily smiled as she walked to her father. She didn't think that her makeup looked terrible.

She laughed, 'Father, why did you summon me? I was about to sleep! Im so tired tonight!"

"You..."

Since you are tired, then, let's not discuss what happened tonight. Go and rest.' Hunter stood up.

But he didn't leave, instead, he
walked towards Emily!

He was calm and composed without a hint that he was angry but Emily could smell danger.

She backed off a couple of steps and forced a smile, "Then... I'll go up first, please excuse me."

In her previous life, Hunter hated her thick makeup. She learned not to makeup so as to please him.

She didn't expect that everyone thought that she was prettier without any makeup. Now that she has that zombie look, Hunter must not like it, isn't it?

Hunter didn't say anything, Emily turned to leave.

As she turned around, she heard a deep voice from behind, 'I'll accompany you.'

What? What did he mean? Does he mean that he'll accompany her while she rested upstairs?

Emily was hoping that she imagined what she heard, but following that, Hunter said to Charles and dashed all her hopes.

"Today I lost my self-control and disrespected your daughter causing the engagement ceremony to be cancelled, please accept my apologies."

Master Jackson actually shouldered the entire responsibilities!

Charles was startled, then surprised, then elated and finally expectant!

Master Jackson meant that it is possible to salvage the engagement?

Wendy and Kate were stupefied. The man Emily was with was actually Master Jackson?

But, how can that be? Someone who looks so bad after makeup, how could Master Jackson like her? Is that the kind of women he likes?

Liam continued, "Mister Gale, what our Master meant was, he wishes that the engagement ceremony will be held in three days' time. Does Mister Gale agree to it?"

"Of, of course I agree!" How could he pass up the chance of having such a powerful son-in-law!

Hunter looked at Emily's surprised petite face, speaking softly to her. "I'm sorry to scare you tonight, now I'll accompany you upstairs to rest."

He walked past her and up the stairs, 'Lead the way.'

The gentle words also sounded like an order. Before her mind reacted, her feet already followed him up the stairs.

She was very troubled but in front of Charles and Wendy, there were some things that she didn't want to mention.

Emily closed the door as soon as they entered the room. Hunter walked to her bed and started to remove his clothes. She asked anxiously, Master Jackson, I know that I was wrong tonight, can you accept my apology?"

She commandeered his car, threw him into the sea, and caused him to be drenched in the rain.

Each event was a death sentence! But even in death, the perpetrator should be allowed to die in peace. But Emily absolutely doesn't understand what is the meaning of his actions.

Furthermore, he is removing his clothes?

She panicked, backed off a couple of steps. She crossed her hands over her breasts, "You... what are you going to do?"
