

Stay Around You Now And Forever - Chapter 13 This man is too scheming

Hunter took off the rain-soaked shirt and threw it down, thereafter, he undid the diamond-studded belt.

“What do you think you are doing?” Emily unexpectedly saw his tattooed muscles and she breathed nervously. She hurriedly adjusted her gaze. She didnt dare to look at him undress for fear of irresistibly diving into his embrace.

“Master Jackson, im truly in the wrong, how do you want to punish me? [I accept your punishment. But I know that you are not really keen to be engaged to me.

He didn't have any feelings towards her but it's inexplicable that tonight he truly desired her. But it was obvious that all these were a mistake.

She continued, “With regards to Matriarch Jackson, I can pay her a visit personally to apologize and explain to her. I guarantee that I will be able to convince her. It is no fault of yours..

‘And?’ Hunter threw the belt onto his shirt, turned and looked directly at her, Do you still want to cancel this marriage?”

“No, I don’t want to cancel the marriage.” Emily knew for someone as prideful as Hunter, a rejection by a woman would be a life of insult.

“Master Jackson, I don’t wish to make things difficult for you. We are not compatible...”

“On the contrary,’ Hunter interjected as he walked towards the bathroom, “We are very suitable, in terms of size and rhythm.”

The bathroom door closed and the splattering of water can be heard.

Emily pondered for three seconds before realizing what Hunter meant.

Size and rhythm... What the hell? Is this something high and mighty Master of the Jackson family would say? Why is it so different from her image of Master .Jackson?

Emily blushed in red, such a sexual statement came from the mouth of Master Jackson is unthinkable!

She was a little unsettled, should she take the opportunity to escape as he is showering? But, she is unsure if there are his men outside her door. li she was caught escaping, the consequences would be dire. How? Should she run?

She wasn’t sure how long it was and suddenly someone knocked on the door. Liam brought Hunter s clothes. Emily apologized,

“Liam, I know that I was at fault tonight, but, what does your Master want to do?”

She hates to guess someone else's intentions, especially someone like Hunter who is very difficult to read. Liam was surprised by her familiarity with him though they've only met twice. It was as if they've known each other for a while. But, he was composed and answered respectfully: "Mistress-to-be, our Master is worried that you are alone and came specially to keep you accompany.'

If it hadn't been the incident causing the engagement ceremony to be canceled, she should be already in the Jackson household. Furthermore, Master and Missus just had ... tonight, now isn't it appropriate to continue to nurture the relationship?

He was also unsure as to why Master came to the Gale family after being angered by Emily... But who was he to guess the intention of his boss?

He added, "Trouble Missus to take care of the Master, [I'll take my leave."

"Liam..."

'Oh yes, Missus, Master said, if you were to play that game of running away, tomorrow Bentson City's major internet sites will have the... that recording of your intimate moments.'

"What did you say?" Emily was shocked and even her fingertips were numb.

“Forgot to inform Missus, that Master ‘s car has a comprehensive set of cameras. Although it didn’t
record the visuals, the audio
was very clear.”

Fuck you! Emily almost couldn’t control herself and explode! Is this a threat?

She planned to run away from home that night but that dark and evil man could anticipate this!

“Missus, [il take my leave. You and Master have a good rest.’

Liam waved his hand leaving a symbolic friendly wave and closed the door.

Emily still has not recovered from her shock, a clank from behind, and the door of the bathroom
opened...
