

Nothing To Give But My Heart Chapter 109

She was actually worrying about him instead of herself at that moment.

Someone once said that you would see through someone's heart at the time of crisis.

When Lu Xunchang lifted the chair and smashed it on him, she rushed over to protect him without knowing that he could dodge. If he had not dodged in time, the chair would have fallen on her.

She is... such a petite person. If it really hit her, the consequences would have been disastrous.

Ye Moxuan felt terrible even in retrospect.

But what about her? What was she thinking when she just dashed out without caring for her own safety?

Thinking so, Ye Moxuan's gaze moved and locked onto the girl on the bed.

Maybe she is different from what I thought.

The room was quiet, and only their breathing and heartbeats could be heard. Ye Moxuan closed the magazine and gently put it back into his bag. He then rolled his wheelchair forward to watch Shen Qi, who was asleep.

Shen Qi's features were sharp, and the shape of her face was a classic oval shape. But she never dressed herself and didn't pay much attention to her attire, which made her look rustic.

When she first came to the Ye family, she looked gorgeous in her wedding dress, but once she put on her own clothes, she looked old-fashioned.

She was so young, yet she never dressed up.

It was impossible for such a woman to be able to seduce him.

Yet... Ye Moxuan and her actually...

Ye Moxuan's heart melted at the thought of her crouching under him yesterday night, begging and pleading him over and over again. He couldn't restrain himself and gently stroked her hair on her forehead to the back of her ears.

...

Han Xueyou got the news that Shen Qi got into an accident, and she rushed to the hospital.

When she arrived at the hospital, she saw Ye Moxuan sitting before Shen Qi's bed while his hands were on her face. Han Xueyou couldn't react even after a while as she looked through the glass window.

What's going on?

Ye Moxuan is...

"Miss Han?" Xiao Su called Han Xueyou puzzlingly as he saw her spacing out.

Han Xueyou came back to her senses and smiled. "Hi, I heard that Shen Qi got into an accident, so I came to visit her."

Xiao Su took a look inside. It was so quiet that one could hear if a needle fell onto the ground, thus Xiao Su lowered his voice and said, "Miss Han, I know that you are worried about Assistant Shen, but she is fine now. She is currently resting, so you might disturb her if you go in now."

Han Xueyou seemed to be disappointed to hear that, but she nodded after a while. "Well, I am relieved to hear that she is fine. By the way, can you inform me when she is awake? Or is it possible for me to wait here?"

"Err..." Xiao Su hesitated. He knew that Shen Qi and Han Xueyou seemed to be on good terms, so he nodded after some thought.

"Great. I'll go in and wait, then."

With that, Han Xueyou pushed the door and went straight in without giving Xiao Su a chance to speak.

"Miss Han." Xiao Su called after her.

"Shh!" Han Xueyou showed him a silent sign, and Xiao Su immediately shut his mouth.

"I'll wait inside. Don't worry, I won't make any noise."

Han Xueyou quietly shut the door and tip-toed in. She was just about to greet Ye Moxuan when she looked up and met his cold gaze.

Han Xueyou was stunned for a while before she explained quietly, "Young Master Ye, I-I'm here to visit Shen Qi."

Ye Moxuan had a poker face on, and his voice was cold. "She is resting. Please go out."

Han Xueyou didn't know what to say.

Facing Ye Moxuan's ungracious dismissal, Han Xueyou's face went pale immediately. "I..."

Ye Moxuan's eyes were as calm as water and showed no signs of sympathy.

But... he looked so gentle when he put his hands on Shen Qi's face just now.

Could it be that he fell in love with Shen Qi?

Han Xueyou felt bad the instant this thought struck her.

No. They are getting divorced in the future, so why would Ye Moxuan fall in love with Shen Qi? Han Xueyou didn't leave. Instead, she stood there and looked at her feet. "Sorry, I won't make a sound, and I promise I won't disturb her."

Ye Moxuan rolled his wheelchair to her side. "You've disturbed her already."

Han Xueyou bit her lower lip, turned her head, and met Ye Moxuan's eyes.

His eyes were cold, like a pool of cold water which had no warmth when he was looking at her. *How is that possible? Although I'm not some supermodel, I'm not too bad, am I? Why is he looking at me like that?* Han Xueyou was upset and felt disturbed inside. "I won't speak a word anymore," she whispered.

No matter what, she wouldn't leave.

Ye Moxuan stopped speaking as well and put on a sarcastic smile, yet the strong sarcasm in his eyes hurt Han Xueyou's eyes. Then she decided to leave the ward after some thought.

Xiao Su had been looking around since just now and was finally relieved to see Han Xueyou walking out.

"I told you that Assistant Shen is resting, but you just didn't believe me."

Han Xueyou walked to a chair and sat down, feeling depressed. Xiao Su thought she was worried about Shen Qi, so he kindly comforted her. "Miss Han, you don't have to worry so much. Assistant Shen is fine; the doctor just did a checkup."

"Okay." Han Xueyou nodded before she looked back inside the ward and thought of the scene just now. She couldn't help but ask Xiao Su, "Is Young Master Ye... kind toward Shen Qi?"

Hearing that, Xiao Su was a little lost. *Why would Han Xueyou ask such a question?*

But he thought of it from another perspective. *Well, she is Assistant Shen's best friend, so she must be worried about her life in the Ye family, right?*

Thinking so, Xiao Su immediately answered, "Of course! I've been with Young Master Ye for so many years, and this is my first time seeing him treating a woman like this."

He was obviously making it sound better. Although he was exaggerating a little, what he said was completely true.

The last bit of hope left in Han Xueyou's eyes vanished as she looked down and asked, "Is that so?"

Ye Moxuan treats Shen Qi well? Wasn't their marriage... an arranged marriage?

Could it be... they eventually grew feelings for each other?

"Don't worry, Miss Han. I know you're worried about Assistant Shen, but Young Master Ye is really kind toward her."

Although Ye Moxuan could be really mean toward Shen Qi sometimes, he really treated her well. Being his subordinate, Xiao Su could feel it.

"I see. Thank you." Han Xueyou stood up. "I'll leave first," she announced.

"Sure."

Han Xueyou left the hospital and got into the car. Her hands on the steering wheel unconsciously clenched tighter.

Why? Why is Ye Moxuan so kind to Shen Qi? She is... remarried and has a child, right?
