

## Nothing To Give But My Heart Chapter 13

Ye Moxuan grabbed her hand and guided it toward the buckle of his belt before releasing it. With a resounding click, the belt came loose.

Shen Qi's brain froze as her panicked eyes widened under Ye Moxuan's intense gaze.

Ye Moxuan guided her hand to take off his belt before he threw the belt aside.

Both Shen Qi's consciousness and body were still stunned. As such, she couldn't react.

"Now do you understand?" Ye Moxuan asked in a hoarse voice.

Shen Qi was seated on his lap as she looked at Ye Moxuan, who was closed at hand.

He had a handsome profile, coupled with a pair of deep, unfathomable eyes. Apart from that, he had thin lips that were pressed into a thin line. She had to admit that Ye Moxuan was a good-looking man indeed.

Just by this face alone, he would be able to make all the young ladies of the North City scramble for his attention.

However, Shen Qi couldn't forget how he humiliated her.

Seeing as he was inching closer to her, Shen Qi turned her head away reflexively.

Ye Moxuan's gaze turned sharp and his slender fingers pinched her chin. Then, he said in a harsh voice, "Why are you avoiding me? Are you trying to play hard to get? Do you really think that I would be interested in a fickle woman like you?"

"I didn't!" Shen Qi didn't wish to hear any more of those humiliating words and she bit her lower lips tightly. "If you aren't interested in me, then let me go!"

"What's the matter? Does my interest have anything to do with letting you go?"

When she heard this, her eyes widened. "You—"

"Hah!" He suddenly leaned forward and pressed his cold lips firmly upon her anxious, trembling ones.

"Mmph..." Shen Qi's mind went blank for a few seconds before she reacted and tried her best to push against his chest.

It would be fine if she didn't push him, because the moment she did, Ye Moxuan seemed to have been triggered, thereupon he pressed his lips against her soft ones even more forcefully. Shen Qi couldn't withstand his force as the pain from her lips made her delicate eyebrows furrowed together. She was choking back her tears as she pushed against him.

Ye Moxuan intended to humiliate her, and he wanted to see the kissing skills of a woman who had been married twice. However, he didn't expect her to be that inexperienced; she didn't even know how to breathe properly. Under the violent assault of his lips, she didn't put up any resistance at all as she allowed him to bully her.

Damn it! If she really wanted to seduce me, isn't it time for her to use all her abilities to arouse me?

Suddenly, Ye Moxuan pushed her away from his embrace in a rough manner, letting go of her lips. "Are you that stupid?"

Shen Qi felt dizzy from the kiss.

Apart from the man a month ago, she had not experienced such an intense, domineering kiss. Ye Moxuan was as powerful as a wild leopard; the moment he got his hands on her, he would continue his mad assaults, without allowing her to catch her breath.

No matter what she did, she couldn't escape!

Her mouth was filled with the scent of a strange man. Shen Qi resisted it initially, however her entire body gradually gave in to the kiss. Now that Ye Moxuan had yanked her away from him, her mind was still adrift as she looked at him blankly; she couldn't utter a single word.

Ye Moxuan narrowed his eyes dangerously as he stared at her eyes, which were just inches away from him.

Her eyes were like an icy glacier. Usually, it looked cold and deserted, which was impossible to arouse any desire in anyone. This time, her eyes looked confused as it sent out a different kind of flirtatious message, and for some reason... he was attracted to that gaze.

Strangely enough, a thought popped up in Ye Moxuan's mind.

Why would a man divorce such a woman when she was able to exhibit that kind of charm when aroused? Could it be...

Ye Moxuan narrowed his eyes as he pinched her chin and brought her closer to him. Then, he said in a hoarse voice, "Have you ever kissed a man before? Don't you know how to breathe when kissing?"

Shen Qi seemed to regain her senses when she heard the word 'kiss', thereafter the clouded expression in her eyes slowly disappeared.

Just then, his thin lips covered her lips once again. Shen Qi's voice was muffled as he held the back of her head and kissed her deeply.

Ye Moxuan didn't know what came over him. The only thing was that he suddenly longed for the expression in Shen Qi's eyes to remain, hence he kissed her straightaway.

Shen Qi didn't know how long she had been drowning in that kiss. It wasn't until she felt something pushing against her that she finally regained her senses.

Then, she saw Ye Moxuan lowering his head as he nibbled along her neck. His hot and heavy breath made Shen Qi yelp as she pushed him away forcefully.

Though she managed to push him away, at the same time, she slipped and fell.

Shen Qi fell onto the cold, hard floor as her mind went completely blank. She then covered her swollen lips as she looked at him in an accusing manner and yelled, "What are you doing?!" Then, she sneaked a peek at the bulge in his pants. In that instant, she looked away out of fright.

When Ye Moxuan was pushed away, he looked a little surprised. But after a while, he returned to his usual indifferent attitude.

“I’m merely carrying out my duties as your husband. What’s wrong, Mrs. Ye? Are you not used to it yet?”
