

# Nothing To Give But My Heart Chapter 54

Xiao Su subconsciously reached out to cover his eyes, trying his best to act invisible.

*I didn't see anything.*

However, although he had covered his eyes, he couldn't cover his ears. Shen Qi's moan still reached his ears clearly. *Young Master Ye, can't you just wait for another minute? We're reaching the room soon. Do you really have to do it in the elevator?*

This kiss was not long, but because Shen Qi didn't adjust her breath well, she couldn't stand the kiss from Ye Moxuan. Her body collapsed in his arms, all her energy spent.

This was not the first time she was left breathless after a kiss. Therefore, Ye Moxuan quickly released her, pinched her chin and said in a hoarse voice, "What on earth did you do to make Ye Linhan care about you so much?"

*Ye Linhan even wanted to carry her himself!*

*Did he think that I would allow it?*

Shen Qi's eyes were filled with confusion. She blinked a few times in front of Ye Moxuan, and then asked, "Y-Y-Ye Linhan? Who is that?"

Ye Moxuan raised his eyebrows and squinted his eyes. "You don't know?"

"Yes, I don't!" Shen Qi nodded her head like a little chick pecking at rice.

Ye Moxuan went silent for a while before asking her suddenly, "Then, who am I?"

Xiao Su, who was at the side, was speechless.

*This is a bit frightening,* he thought.

Shen Qi stared at the person in front of him and reached out to hold Ye Moxuan's face. Her beautiful eyes stared at him for a long time; suddenly, she raised the corner of her lips and asked, "Who are you?"

Ye Moxuan's expression hardened. *All this while she did not know that it was him?* Thinking of this, Ye Moxuan's aura went cold for a few minutes, and he stared at her dangerously. "I'll give you another minute; you better think hard about who I am!"

"Ye Moxuan!"

Just when he finished his sentence, Shen Qi's clear voice suddenly sounded, followed by the sound of the elevator door opening. Xiao Su remained stationary, pondering whether he should push them out from the elevator now.

"You haven't answered my question just now. Why... do you care?" After Shen Qi recalled that the person in front of her was Ye Moxuan, she then returned to her previous question.

Ye Moxuan only felt a headache coming on. *This girl really doesn't know when to give up, does she?*

"Take us to our room," Ye Moxuan ordered coldly. Xiao Su nodded, pushed them out of the elevator, and opened the door swiftly.

Finally, when Xiao Su had sent them back to the room, he wiped the sweat on his forehead and asked, "Young Master Ye, should I... leave first?"

"Wait, ask two maids to come in here."

"Yes, sir."

Soon, Xiao Su had ordered two maids to come in, while he waited outside for further orders.

The maids took a lot of effort to pull Shen Qi away from Ye Moxuan before sending her to bed. Shen Qi was very unruly and made a fuss the whole time. When they had finally settled her down, everyone had a thin layer of sweat on their forehead.

"That's it. You may leave now."

After all the people had left, Ye Moxuan rolled his wheelchair to Shen Qi's bedside and looked at the now quiet figure.

In the struggle just now, Ye Moxuan was startled when she suddenly wailed as if she was crying.

Now when he was in front of her and took a better look, he found that there were no changes in the girl's appearance.

"Drink...let's have another drink!" Suddenly, Shen Qi murmured and turned over.

Ye Mo Xuan's glare turned colder. *Such a drunkard.*

Xiao Su waited outside the door for a while before he re-entered the room when he heard Ye Moxuan's voice. He did not dare to look around after entering.

"Young Master Ye, this is from the staff just now. It belongs to Miss Shen, I think."

Ye Moxuan took it over, opened it and found that those were all Shen Qi's things, but the bag had broken. "Keep the things and throw this bag away."

"Yes, sir."

"Then fetch me a basin of water."

Xiao Su brought the water as ordered and placed the basin beside Shen Qi's bed before Ye Moxuan could say anything.

"...How do you know what I'm going to do?" Ye Moxuan asked.

Xiao Su said with a smile, "I've been with you for so long. If I still can't understand your thoughts, how can I be your assistant?"

Hearing this, Ye Moxuan lifted his eyes and arched an eyebrow. "Really? What if I wanted to splash this basin of water on her face to wake her up?"

Xiao Su's body trembled. "You can't be serious! Do you really want to do this?"

"Wring the towel dry for me."

Xiao Su let out a sigh of relief. *Luckily that is not Young Master Ye's true intention.*

Xiao Su squeezed the towel dry and handed it to him. Ye Moxuan went forward and gently used the clean towel to clean her cheek. Shen Qi felt uncomfortable, so she lifted her hand to brush the towel and murmured, "Don't touch me..."

Ye Moxuan paused for a while before continuing.

Shen Qi mumbled and raised her hands to brush him away again, but was reprimanded by Ye Moxuan. "If you move again, I'll throw you down the stairs."

*You're threatening her again!* Xiao Su thought.

However, this was really useful against the intoxicated Shen Qi. After being scolded by Ye Moxuan, she stayed still and didn't budge. She lay there quietly and allowed Ye Moxuan to wipe her forehead for her.

Time passed. Suddenly, the movement of Ye Moxuan's hand paused. He was frowning as he looked at the woman on the bed.

*What's wrong?* Xiao Su noticed Ye Moxuan's unnatural expression. He then looked at the direction that Ye Moxuan was staring at.

Shen Qi, who had been lying quietly just now, suddenly burst into tears without reason.

Teardrops that shone like little crystals started falling quickly from the corner of her eyes and soaked the pillow within a few minutes.

*W-W-What the hell is going on?*

"Why?" The crying girl suddenly asked softly. She couldn't stop her tears.

"Mom, I-I am also your daughter...*Sob...*"

She choked up. Shen Qi's delicate eyebrows screwed up tightly in discomfort.

Xiao Su was embarrassed. He looked at this scene and then looked at Ye Moxuan. He didn't know how he should deal with it.

There was an unknown glint in Ye Moxuan's eyes, and nobody knew what he was thinking. However, his face was still expressionless. After a few moments, he raised his hand and handed the towel to Xiao Su. "Clean this."

Xiao Su then took over the towel, cleaned it and squeezed it dry before handing it to Ye Moxuan again. He then asked tentatively, "Well...Young Master Ye, has she encountered something sad?"

Mo Xuan did not answer, but the movement of his hand suddenly stopped. His slender fingers then fell on her eyes and wiped away the tears at the corner of her eye. "You may go back first."

"But Young Master Ye, you still haven't..."

"Do you not know about my situation? I can manage it myself."

Hearing this, Xiao Su's eyes widen. "Young Master Ye! You should not do it! What if you expose yourself..."

"What can I expose myself to in this room?"

"Miss Shen...What if she finds out that..."

"It doesn't matter." Ye Moxuan said. "It's ok. If she dares to talk nonsense, I'll kill her myself."

Xiao Su was suddenly speechless.

*Kill her yourself? Do you...have the heart to do so?*
