

Nothing To Give But My Heart Chapter 87

Shen Qi was stupid enough to rush over here, just because she was afraid that Ye Moxuan would misunderstand her.

It never crossed her mind that Ye Moxuan would tell Ye Linhan that if he wanted to take Shen Qi away, he could just ask for the Old Master's permission and get it done.

Enraged by what she heard, Shen Qi pushed open the door and snarled, "Ye Moxuan! What do you take me as? Trash, or a toy that you can throw away as you wish?"

The sudden emergence of a female voice shocked the men, making them turn around to look at the doorway.

Shen Qi was dressed in a light blue suit when she pushed open the door. She was dressed in pajamas before she left the house, thereupon the housemaid suggested that she should change her clothes and prepared a light blue suit for her. Shen Qi felt that it was indeed inappropriate to appear at the company in pajamas, so she accepted the suggestion.

The light blue suit matched her elegant temperament, making her fair skin appear even more crystal clear. Her skin was pale, but it was not bad-looking. Instead, it looked morbidly beautiful.

Ye Moxuan was stunned, as he never expected that she would come here. However, when his gaze turned to the blue suit she was in, he became furious.

This bloody woman!

Her closet was filled with beautiful clothes he bought for her, but she had never once bothered to look at them. She even bought new clothes for herself! And now, she was dressed in a suit that he had never seen before.

Did Ye Linhan buy it for her?

"Shen Qi, why are you here? Are you alright?" Ye Linhan trotted over to her when he saw Shen Qi.

Her eyes were still red from crying earlier. Compared to Ye Moxuan's indifferent manner, Ye Linhan's caring approach toward her warmed her heart. She then flashed a smile to him and lowered her voice. "Thanks, Linhan. I'm okay."

To Ye Moxuan, the scene was like a slap on the face. As such, his lips curled coldly, and he said, "Am I dead to you? Come here!"

Shen Qi paused upon hearing that, then she turned around to look at Ye Moxuan.

However, she didn't move, and it caused Ye Linhan to frown. "Shen Qi?"

"Linhan, I'm okay. You should leave now." Shen Qi nodded to him that he should leave. But Ye Linhan was worried and said, "I can stay here if you want me to. Maybe I can help explain the situation for you."

"There's no need. It'll only complicate the matter further."

“Alright, then. I’ll leave now.”

After Ye Linhan left, Shen Qi turned around and looked at Ye Moxuan.

Xiao Su felt that the room’s temperature became frighteningly low. He then gave Shen Qi a look. She pursed her lips in anxiety but managed to take a few steps forward and explained to Ye Moxuan, “Ye Moxuan, I know it was not your intention to marry me. But, since we have a deal, you should abide by it, no?”

“Abide by it?” Ye Moxuan narrowed his eyes and gave her a dangerous stare while his thin lips parted. “As the Second Young Lady of the family, do you think it is appropriate to flirt around? Didn’t I tell you that you shouldn’t mess around with the members of the Ye Family?”

Xiao Su took a few steps back silently. When he saw that Ye Moxuan was not aware of his presence, he fled the scene at once.

It was now more comfortable for Shen Qi to open up to Ye Moxuan without Xiao Su’s presence.

“Yes, you did, and I obeyed.”

Ye Moxuan turned his wheelchair, and his muscular figure closed in on her, causing Shen Qi to feel pressured.

“You obeyed?” He suddenly reached out his big hand and snatched Shen Qi’s thin and fair wrist in a split second. Her eyes almost popped out from her head when she was pulled into his arms. Before she could even react, Ye Moxuan’s big hand lifted the edge of her shirt. “Did Ye Linhan buy this suit for you?”

Stunned, Shen Qi bit her lower lip.

“You refuse to wear the clothes I bought for you, yet you happily put on clothes some other man bought for you?”

Ye Moxuan sneered, “This is what you meant by obeying? Miss Second-marriage, you were divorced, and you were eager to find your next target. Now that you’ve got a new one, you’re still not satisfied and continue to flirt around. Is this the fastest way to make more money?”

Shen Qi’s face turned pale. “There is nothing between Linhan and I!”

“Linhan?” Ye Moxuan lifted her shirt higher and mocked sarcastically, “How intimate. Did you call him by his name too when you were in bed with him?”

Upon hearing that, Shen Qi subconsciously grabbed his collar. “Stop making things up.”

“Let me have a look at your body, and then we’ll know whether I’m making things up!”

After he finished, his big warm hands snaked under her shirt and moved up to a certain somewhere.

“Hey! Get your hands off me!” Shen Qi’s face and ears turned red. She then turned to grab his hands instead of his collar, but her strength was no match to his. The harder she tried to push his hands away, the more playful Ye Moxuan became.

He increased his force, which caused Shen Qi to moan in pain. Her fair skin turned red, making Ye Moxuan even more inclined to tease her.

Then, Ye Moxuan took one step further by sucking on her soft pinkish lips.

"Mmph!" Shen Qi was still struggling to push him away when he—to her surprise—sucked on her lips. She could only make a guttural sound due to his action, while Ye Moxuan wrapped one arm around her waist to restrain her.

The kiss was so forceful that Shen Qi's lips became numb. In a short while, she became powerless and surrendered herself to the brutal man, putting all her weight onto Ye Moxuan.

Ye Moxuan knew that he was harsh.

However, he was angry that she tried to push him away when he kissed her.

When he came around, he loosened the kiss and spoke in a low voice, "You despise me, right? Then I'll let you know what you get for despising me."

Before she could react, Ye Moxuan once again forcefully sucked on her lips. As a result, Shen Qi lost all her power to resist, and her body limped on top of his.

Suddenly, a sense of coldness swept into her legs. When Shen Qi, who was still being kissed, lowered her gaze and realized that her skirt was being lifted by Ye Moxuan, she almost screamed.

*What is this b*stard trying to do?*

Currently, all her breath was sucked away by Ye Moxuan as soon as she opened her mouth.

He didn't care what she thought, as he did whatever he wanted to Shen Qi with his hands and mouth in a brutal way.

Meanwhile, Shen Qi didn't give up on pushing him away while trying to speak.

She bit Ye Moxuan's lips, which caused him to back off a little, thereafter a strand of blood hung between their lips. Ye Moxuan's gaze turned furious, and he ripped her skirt off. "Who says you can wear clothes bought by another man?"

Rip! Her new skirt was ripped apart just like that, and Shen Qi widened her eyes in disbelief at what he did.

"Are his clothes better than mine?" Ye Moxuan was mad. After tearing her skirt apart, he turned to her shirt. He was adamant to rip this whole suit—that was bought for her by Ye Linhan—apart.

It never dawned on him that his actions right now exposed his true feelings for Shen Qi.

Shen Qi was initially angry. However, when she saw that Ye Moxuan was furious just because of a new suit, she felt that he was jealous of Ye Linhan.

At that thought, Shen Qi suddenly felt less angry.
