

Nothing To Give But My Heart Chapter 90

Hearing this, Shen Qi suddenly raised her gaze and took a look at him. She bit her lower lip and explained, "I'll clean it for you."

"How?" Ye Moxuan looked at her sarcastically. "You want to hand-wash it?"

Shen Qi blinked, stunned. "Of course not. I'll send it to the dry cleaner."

Although she was not from a rich family, she still had some common knowledge; she knew that suits could not be washed, especially expensive ones such as this.

"Oh, at least you're not too foolish," Ye Moxuan sneered, "but do you think I will wear it after that?"

Shen Qi pursed her lips and did not speak.

Ye Moxuan continued in a light tone, his words piercing her heart, "I feel disgusted because you've worn the suit, so even if it's washed, I will not wear it. Just like a woman who adores vanity in her heart, she is still a b*tch no matter how innocent she appears. Understand?"

Shen Qi could ignore his words at first, but after listening to this, she couldn't stand it anymore. "Isn't it just a suit? Did I ask you to put it on me? You put your suit on me yourself. If you think it's dirty, why didn't you wash your hands after you felt me up in the meeting room the whole time?"

Ye Moxuan was at loss for words.

Damn! Too much information! Xiao Su thought.

Felt her up...the whole time? Xiao Su looked at Shen Qi quietly and couldn't help but give her a thumbs up.

Ye Moxuan did not expect her to have such a temper. She dared to say this kind of private thing even when an outsider was here. He also choked for a moment and could only reply in a vicious voice, "How do you know I didn't wash them?"

Shen Qi used Ye Moxuan's words against him and said, "So what if you've cleaned it? It's still dirty anyway, so you might as well cut them off!"

Ye Moxuan was speechless again.

Xiao Su was trying his best to suppress his laughter. *Assistant Shen...is so powerful!*

Shen Qi was absolutely furious with him. She thought she was kind enough to take the suit back for him and even promised that she would send it to the dry cleaner for him. It was his business whether he wore it or not, yet he had to say those words to satirize her. Thus, her anger boiled over and she refuted him in a rage.

The atmosphere in the elevator was tense. Shen Qi's fighting spirit was burning while Ye Moxuan kept getting angrier.

His deep and dark eyes filled with frightening anger while he stared at Shen Qi.

In the face of such threatening and oppressive eyes, Shen Qi could feel shivers travel down her spine, but she still straightened her back and stared back at Ye Moxuan, not backing down.

After a while, Ye Moxuan sneered, "What a shameless woman."

Ding!

Shen Qi glared at him with hatred and walked out of the elevator quickly.

Xiao Su thought about it for a while, and felt that Shen Qi's temper was quite fiery. Looking at Ye Moxuan, although he was in a very bad mood, he was obviously choked by Shen Qi and was left speechless.

Why am I suddenly so satisfied to see this happen? Xiao Su thought.

Everyone knew that although the Second Young Master of the Ye Family was wheelchair bound, he was very moody and had a particularly venomous mouth. He was never polite to men or women. If a woman came to chat up Ye Moxuan at a party, she would be satirized by Ye Moxuan and she would either run away in tears or rage.

Shen Qi usually looks like a soft punching bag who is easy to bully. I never thought that in a debate...she also knows which buttons to push.

The problem now is...

Xiao Su walked in front of Ye Moxuan and asked with a mischievous look, "Young Master Ye, do you need me to prepare a knife for you?"

"F*ck off!" Ye Moxuan gave him a kick.

Shen Qi left the company and prepared to go to the bus stop directly. While she was waiting for the bus, a silvery gray Bentley stopped in front of her.

The window fell, revealing Ye Linhan's gentle features.

"Shen Qi."

"Linhan?" Shen Qi was stunned. "Why are you here?"

"Are you going home? Get in the car; I'll give you a ride."

*Go home in Linhan's car? It means that I will definitely meet with Ye Moxuan, and I am sure he will say that I am a wh*re and always switching sides between men. With this in mind, Shen Qi politely refused Ye Linhan's offer. "It's ok, Linhan, I'm used to taking the bus."*

Ye Linhan didn't give up. He smiled and said, "The bus is too crowded. It will be more comfortable for you to sit in my car."

Shen Qi said, "It's ok, Linhan. You should go ahead."

"Are you afraid that people will gossip about it?" Ye Linhan asked.

Shen Qi said, "I am really sorry, Linhan. I..."

"Or...are you mad because I did not help you keep things a secret this morning?" Speaking of this, Ye Linhan's expression was a little dejected, and even the gentle smile on his face faded gradually. "If that's the case..."

As they were in front of the bus stop, the conversation between Shen Qi and Ye Linhan was seen and heard by others. All kinds of curious eyes were on Shen Qi, which made her a little embarrassed. In addition, with Ye Linhan acting like this, Shen Qi was helpless.

"Linhan."

"Just get in the car."

Shen Qi could only go around to the other side, open the door and get in it helplessly.

After getting in the car, Shen Qi began to frown. *This place is so close to the company and although there are several ways to go back home. I wonder if Ye Moxuan will pass by here and see this scene? However, instead of worrying about this now, I should worry about the things that are going to happen after I am home.*

With that in her mind, Shen Qi immediately said, "Linhan, please let me down at the intersection near our house later."

Ye Linhan's hands, which were on the steering wheel, paused when he heard that. A moment later, he smiled and looked at her. "Shen Qi, am I that shameful to be with?"

The corner of Shen Qi's mouth twitched for a moment. *You are not shameful; it's just that a particular someone is really terrible.*

Just because she put on the clothes prepared by Ye Linhan's servant, Ye Moxuan lost his temper and tore the clothes off her. Although he did prepare clothes for her to put on later, but with this kind of personality, she was really afraid.

What if he does that again tonight... Shen Qi was not sure whether Ye Moxuan would do anything to her.

"Ok, I know your concern. I'll drop you off at the intersection," Ye Mohan said kindly.

Shen Qi was slightly relieved. "Thank you, Linhan."

"By the way, has your relationship with Moxuan always been like this?" Ye Linhan asked suddenly.

Shen Qi was stunned when she heard that. She didn't know how to answer it.

Her relationship with Ye Moxuan was just a marriage of convenience, and they would be divorced after 6 months. However, this was her secret with Ye Moxuan, and there was no reason to tell Ye Linhan.

"Don't misunderstand me, Shen Qi. What I mean is...does he always treat you this badly?"

Shen Qi lowered her eyes and laughed. "It doesn't matter if it's bad or not. His temper is like this, isn't it? Didn't you ask me to understand him before this?"

"Yes I did, but I'm still a little worried about you." Ye Linhan sighed. "Maybe, the decision that grandpa made was a mistake. I haven't told you yet, right? Actually, Moxuan and I are not related by blood."

Shen Qi was dumbfounded. "N-N-Not related by blood?"

No wonder Ye Moxuan's attitude toward Ye Linhan is always so bad, and his way of getting along with the people in the Ye Family is also very strange.
