

## Obsessed CEO Throws Himself at Me Chapter 1823

Chapter 1823 Give Me A Child

While Arielle had already sabotaged Vinson's condoms, which sort of ensured that she would get pregnant, she still wanted to force him to do it willingly. "Sannie..." He felt like he was about to explode. Why is she...

Holding his neck with her arms, she whispered sensually, "Give me a child, Darling. I want a child that belongs to us."

"Can we talk about this matter later, Arielle?" While Vinson really wanted to have sex with Arielle, his rationality still triumphed over his lust. He didn't dare to act rashly and agree to her request.

Hearing his words, she was pissed off. Suddenly, she turned around and pressed Vinson down on the bed. He didn't expect her to do that, though it did make him even more excited. Without warning, he did the same, too, and pressed her onto the bed.

came out, she covered herself with the blanket on the bed and went to sleep. She ignored everything he said and

next day, Vinson was already gone. There was only a note left by him on the table that read:

and threw it into a trashcan lividly. Then she washed up and turned

her she would receive the examination report on her phone. Yet, it was almost ten in the morning, and she still hadn't received it. Maybe the result hasn't come out yet. She wondered

don't you go and have fun with your friends?" she asked when she saw Susanne reading the

my “friends” are true friends? Back when Vinson was in trouble, every one of them wished they could stay as far away from me as possible. Now that he’s back, all of them want to suck up to me again. It’s too late for that now! I rather improve my relationship with my future daughter-in-law than spend time with them. We can talk about the gender of her future child, their life, and even

join them. I much prefer the comfort of my home,” she said as she looked at Arielle. “I left your breakfast in the oven to keep it warm. You
