

## Ode to the Dragon

### Chapter 3

< prev next >

Chu Feng brain suddenly boom of a, appear excited of shout out, his heart beats fast, wish to immediately put in front of this lovely little guy embrace in the bosom kiss enough!

This is my own daughter!

"Hello, uncle, what can I ask you?" Little Lori curled her lips and scanned Chu Feng up and down with vigilance on her face, "are you also a bad person who comes to harass my mother? Hum, villain, kill you

"Little friend, uncle is not a bad man."

Chu Feng forced his excitement. He squatted down, rubbed his hands, and tried to say in the most gentle voice: "little friend, you are so beautiful. Uncle gives you sugar. You tell Uncle, what's your name and how old are you

"Strange uncle, you are really naive."

Little Lori's face was contemptuous. She was chubby, her hands crossed her waist, and said: "you're all playing tricks to coax two or three-year-old children. Duoduo is four years old this year, so she won't be fooled at all!"

"Ha ha ha." Chu Feng dotes on the little girl's head, "of course, the most intelligent."

Little Lori looked proud: "of course, Duoduo is the smartest in the kindergarten, eh? How do you know my name? "

Chu Feng smiles, squints and asks, "Duoduo, just said that some villains bully you and your mother. Is that true?"

There is a chill in the words.

"Well!" Duoduo hard point of a little brain, she said angrily: "uncle today to bully my mother, every time he comes, my mother will cry secretly for a long time."

"My uncle is a bad man. Many don't like him."

The little girl curled her little mouth and waved her little fist with red eyes: "blossoms should grow up quickly and protect their mother!"

Looking at people and ghosts, Chu Feng felt more sad and guilty - "pa!"

"It's a crash!"

At this time, not far away from the cloud MuQing home, suddenly came a smashing things and noise, scared many small face white, panic hiding behind Chu Feng.

"My uncle is beating my mother again, and Chu Feng's head exploded with a buzzing sound!

Uncle? People of the cloud family!

Yun MuQing has been swept out of the house by them. They won't let her go?

Why do they bully Chu Feng's woman!

"Don't be afraid, uncle is here." Chu Feng made a sound and stretched out his palm to the little girl. "Let's protect mom and beat away the bad guys, OK?"

"Well, good!" One after another hard point of a small brain.

"How brave."

Chufeng a smile, a grasp of the little girl meat almost small hand, blood connection, let him work surging.

Boom!

The next second, a domineering rage, such as mercury, burst out from the whole body!

Anyone who dares to bully Laozi's women will die!

"Pa!"

"Yuntao, you deceive too much!"

In the living room of the room, Yun MuQing angrily broke a cup. Her face was full of grievance and anger at the moment:

"do you want me to remarry? Go to sleep with me? What do you think I am? Even if I die, I will not do such a mean thing! "

Cloud Mu clear beautiful eyes with tears, angry to the young man on the sofa roar, aggrieved and helpless.

Just this morning, five years ago, she was driven out of the family.

The cloud family, who had been regardless of her own life or death, suddenly sent a letter telling herself that she could be given a chance to return to the cloud family.

Yun MuQing is very excited. She thinks that her family has changed their mind and can't give up their affection. She specially comes to pick her up.

But reality, but gave her a slap!

They just regard themselves as a cheap commodity and use their own body to win the favor of the Li family, in exchange for a contract worth several hundred million yuan!

They are their relatives. They are the flesh and blood of the cloud family!

But now, they are so indifferent that they have no respect for their dignity and their lives.

Cloud Mu fine at the moment, heart like a knife.

"Cousin, don't talk so noble about yourself. Don't forget that you were expelled from your family because you were unmarried and had children first."

"It's funny to pretend to be innocent when you can't even find your father!"

On the sofa, Yuntao is trimming his nails as he should be. He has a high voice:

"Li's group has a market value of more than one billion yuan, which is a big business. Li Shao is the first heir of the family. It's your honor that he can take a fancy to you

"Li Shao, regardless of the fact that you are carrying this oil bottle, promises to give you honor and wealth, and make you become Miss Yunda again. This is a blessing you have cultivated in your third life!" His tone was playful, and he snorted coldly: "once you take off your clothes, a pair of legs is ten thousand taels of gold. I don't know how many women are fighting for this opportunity. The family is fighting for your great kindness. Don't be shameless! ""Get out of here, get out of here!"

Cloud Mu fine pretty face a sullen, she is both aggrieved and angry, eyes with tears: "even if I die, will not marry, will not let you succeed!" "Not married? It's not up to you. The cloud family decides when it's up to you. " Yuntao completely tore his face, he waved his hand, "tied." Several bodyguards immediately stand out behind him and directly rush to cloud MuQing to catch him.

"No, don't come here!"

Yun MuQing, a female, can't stand a few big men. She is in a panic. She retreats all the way, grabs a kettle on the tea table and throws it! Bang!

"Ah -"

the hot water splashed directly on Yuntao's face, which made him lose a layer of skin and howl like a pig.

"Bitch, you dare to hurt me, I'll kill you!"

He red eyes, swung round the arm, a slap on the cheek of cloud Mu fine smoke past!

This slap, the potential to sink, even if it is not disfigured, it is also flesh and skin.

Yun MuQing was frightened and scared. She closed her eyes to despair!

Bang!

At this time, a figure directly kicked open the door and stepped in. Chu Feng took two or three steps and directly pressed the hand that Yuntao waved out.

"You, who are you?" Yuntao only felt like he was pinched by an iron tongs, grinning in pain, and several bodyguards behind him were even more surprised.

How did this guy get in?

Chu Feng didn't pay attention to him, just a face of indifference staring at his arm, light said: "you this hand, very cheap."

"I don't like it."

Yuntao roared: "what a mess, let go of Laozi, otherwise --"

CLICK!

"Ah -"

"
