

Ode to the Dragon

Chapter 4

[< prev](#) [next >](#)

Chu Feng twisted Yuntao's arm directly. The latter howled like a pig again, and his voice almost pierced his eardrum.

"Yunshao, Yunshao, Yunshao, Yunshao, Yunshao" several bodyguards were shocked and looked at the injury. They were all covered in cold sweat -

good guy, lengshisheng broke all the joints and bones. This hand was completely useless, even if Hua Tuo was alive, it would not help!

How cruel!

Cloud Mu fine blinked, full of surprise, this short few seconds, what happened? Who is this strange man?

"Mom, mom," at this time, blossoming rushed in from the door, cloud MuQing see, a daughter in his arms.

"Duoduo, are you ok?"

"Mom, I'll be fine. My uncle is a friend I just met. He said to protect mom and help her fight bad guys!" Many pull Chu wind, full of happy said.

"Your friend?" Cloud Mu fine slightly surprised, embrace daughter at the same time, up and down looking at Chu wind.

Chu Feng also turned around, the beautiful woman's shadow came into his eyes, and he was crazy for a moment.

She is dressed in a tailored light blue suit, which sets off her perfect and graceful posture. Her cheeks are beautiful, her skin is snowy, her temperament is gentle and elegant, but she does not lose the sense of femininity.

At the moment, facing the danger of her hair scattered, biting red lips, beautiful face full of helplessness and confusion, pitiful.

"It's her, it's really her!" Chu Feng looked at this silly woman in front of her, and there was an impulse to shed tears in her heart.

This is the woman who has been single for five years and has children for herself. Because of herself, she has been expelled from her family, displaced and ridiculed!

For a moment, Chu Feng had an impulse to embrace the woman immediately.

"Yun MuQing, you cunt, you are so brave!"

"No wonder you don't want to marry Li Shao. You have a white face in your family!"

At this moment, Yuntao bared his teeth, stood up and roared angrily: "how dare you disobey the family, collude with this wild man and break my hand? You wait, the cloud family won't forgive you! "

"When I tell grandfather, you two dogs, men and women, and this little wild breed without father, will die!"

No father, you little bastard!

These words not only deeply hurt Chu Feng's heart, but also make Yun MuQing charming. Her body trembles and her eyes turn red. Chu Feng turned around and his eyes narrowed slightly. If people familiar with him saw this expression, they would be scared out of their wits.

This God of war, angry!

He pointed to Yuntao, "you, try again?"

"Grass, threaten me? What are you

Yuntao spat with disdain, with a face of arrogant provocation, deliberately lengthened his voice: "wild seed -"

Chu Feng rushed over immediately.

Pa -

PA!

Before his voice fell, Chu Feng was as fierce as a tiger. He slapped Yun Tao in the face with a fierce slap.

The latter instant black and blue face, teeth collapse fly three!

One after another waving small fists, excited face: "Uncle good, uncle come on!"

"Don't look at children."

Cloud Mu fine pretty face is surprised, hurriedly embrace in the bosom, cover her eyes.

A few bodyguards also suck in the cold air - that's too tough!

"You, you dare to hit me?" Yuntao's face was full of blood, and his words leaked: "I'm the eldest son of the cloud family, my father is the eldest son of the cloud family, and my grandfather is Yun Changqing, worth more than one billion!"

Pop!

"It's none of my business."

Chu Feng slapped hard again.

Beat you well, at this time, there is a bird to use.

"The cloud family won't let you go. I want you to go to jail. You can't die well."

PA!

"I'll kill you!"

Pa. Pa. PA!

In a row, he had more than 20 big mouths. His fists hit Yuntao's flesh and blood, and directly swollen into a pig's head. In the end, there were only cries and cries of mercy.

"I, I'm wrong, please, stop fighting,,,"

PA!

Chu Feng slapped again and said, "you don't want to fight? Who are you

Yuntao was about to cry,,,

several bodyguards were so scared that they shivered and hid in the corner.

Yun MuQing quickly stopped: "forget it, if you fight again, you will kill him --"

If Chu Feng really killed someone because of himself, it would be a big deal. What's more, Yuntao is her cousin after all, and she still has some family ties in her heart.

Chu Feng kicks Yuntao far away. The latter stands up with the help of several bodyguards, covers his bloody mouth, and complains:

"yunmuqing, don't think you will be safe if you have this wild man to protect you. I tell you, you can't escape!"

"The decision to let you marry Li Shao was made by my grandfather himself. If you disobey his orders, you will die." Yun MuQing's pretty face turns pale. In Yun's family, the old man is the local emperor. He is powerful and cruel.

Those who dare to oppose him will not come to a good end!

"It seems that your mouth is not clean enough."

Chu Feng just swept away coldly and rolled up his sleeve. Yuntao was so scared at that time that his mother howled miserably, and his ass was like a stray dog escaping from the scene -

"coward, bah, bah

Bad people were beaten away, blossoming also jumped up happily, dancing: "uncle is so powerful, uncle is so good!"

"MUA ~"

the little girl took Chu Feng's cheek and gave her a kiss, which made her feel refreshed.

It's my daughter.

"Don't fool around with Uncle Duoduo." Yun MuQing complains and pouts. She reluctantly comes down from Chu Feng. Then, Yun MuQing thanks again and says:

"thank you for your help today. By the way, I don't know your name?"

Yun Mu Qingmei's eyes blinked, her smile was gentle, and she was full of curiosity.

"My name is Chu Feng, I -"

I am your man, your husband who has been waiting for five years!

Chu Feng wanted to put everything out of the tray, but looking at the pretty faces of the beauties in front of him and the simple and lovely cheeks, he couldn't say anything.

Do you want to tell the truth? Will she accept herself? No matter how hard she was, she had to wait for her for five years, how much she suffered and how much she suffered.

There are many, she will accept this sudden appearance of her father? Whether she would hate herself,

her strong sense of guilt and confusion filled Chu Feng's heart.

The God of war, the Dragon Spirit who once dominated the world, was at a loss, just like a child.

"Uncle, are you sent by your father?"

Many a pair of big eyes blink, suddenly asked.

"Dad -"

"
