

## On The Run 80

### Chapter 80

Alpha On The Hunt Chapter 5

“And why would you help, you hate me, remember, I’m a whore that ran off with your sons.”

“You’re not a whore, I say shit out of anger doesn’t mean I always mean what I say.”

“No but your actions say otherwise,” I remind him.

“You had no issues calling me a whore thinking I ran off with Jake!” I spit at him bitterly.

“Because you ran off with another man!”

“A man who was a vampire, one who used his compulsion on me and killed my best friend! Yet you act like I asked for that to happen.”

“Don’t act like you didn’t do anything wrong, you chose to leave.” Axton argues. He still doesn’t get it.

“Wait, so I am a whore when you say it but my father says it you get offended on behalf?” I scoff, shaking my head.

of our children.” I shake my head, personality number twenty something slipping out, should we call this one doubt, regret or is this one simply a facade to gain pity or to make me feel guilty for what Jake did?

“And

sons, and

to bloody sanction me and put me

are up Axton, then what?”

is on Friday, but can you bring the boys? Eli will watch them or I can organize Tieriny to watch

don’t want them for the weekend?”

don’t plan on giving them to me because

at him. Axton’s eyes flicker to Khan before he shoves him back and steps closer to me. His lips tug up into a sneer and I take a step back from him, my ass hitting

not when it comes to them. I know you’re just saying that so I’ll let you leave.” he growls and I

added stress. But not only that, I know he would demand and get fifty fifty custody. I would rather give the boys to him every weekend than go

do you have formula and diapers or

is their diaper size? I will have to grab some.” he tells me, still looking quite

way home. But you have everything else?” he nods and

see you soon,” I tell him, putting the

we would be without the boys for an entire weekend. However, as we leave the city my phone starts ringing through the bluetooth speaker. Sondra's name pops up on the screen. Moving my finger over the button on the steering wheel I hit the answer
