19 Chapter 19 A man covered in blood

This episode did not attract Yu Xiaoxuan's attention at all. She was holding the glass of orange fruit wine, taking advantage of Shen Qinglan's inattention, bit by bit.

After Shen Qinglan solved the oil head man, Yu Xiaoxuan had put four empty wine glasses in front of him.

Shen Qinglan, who has always shown her emotions, is helplessly supporting her forehead, and can already imagine the miserable situation of waiting for a while.

Seeing that Yu Xiaoxuan still had to reach for the fifth cup, Shen Qinglan quickly moved the glass away. There were already men around him who wanted to come up and talk. This kind of beauty is really rare.

Looking at Yu Xiaoxuan's confused eyes, Shen Qinglan knew that the girl was already drunk. Taking out a few notes and throwing them on the countertop, Shen Qinglan pulled Yu Xiaoxuan out of the bar.

There was no one stopping along the way, and he successfully came out of the bar. When Shen Qinglan was about to take a taxi, he saw Yu Xiaoxuan covering his mouth and stooped to hug a tree.

Shen Qinglan patted her back gently.

"Huh, how come there are two, wrong, three Qinglan?" Finally spit clean, Yu Xiaoxuan looked at Shen Qinglan wandering.

Seeing that she was about to fall to the side, Shen Qinglan quickly stepped forward to support her, Yu Xiaoxuan shook his head and shook his head, "Oh, Qinglan, don't you shake, you're shaking my head."

"Good, I'm not shaking, you stand firm." Shen Qinglan supported her to prevent her from falling.

"Good." Yu Xiaoxuan stood well.

Fortunately, there is a street of bars, and there are many taxis. Shen Qinglan recruited one at a time. He will help Xiao Xuan and report to Yu Xiaoxuan's address.

"Qinglan, I'm so happy today, I'll sing a song for you." Yu Xiaoxuan smiled and finished speaking, then opened his throat and grew up.

"The big river flows eastward, the stars in the sky go to the Beidou..." The incomplete voice broke the sky, and Shen Qinglan believed that if there were birds at this moment, the birds would be frightened by Yu Xiaoxuan's singing. The driver's uncle's hand holding the steering wheel slipped.

When he finally got to the place, the driver's uncle just stepped off the gas and fled away as soon as he stepped down, fearing he might be called.

The girl's singing is terrible, I don't know if I will have a nightmare when I go back at night.

It was Yu Mother who opened the door. As soon as Yu Xiaoxuan saw her mother, her eyes lit up, and she threw herself at Yu Mother, "Mom."

Yu mother catches her daughter in a hurry, "Oh, how much wine are you drinking."

"Auntie, I'm sorry, I didn't watch her." Shen Qinglan apologized.

Yu Mu waved her hand carelessly, and her daughter knew that she was a little drunkard. Her eyes brightened when she saw the wine, but she didn't have enough wine. If she didn't have enough wine, the wine was not good. Looking at the thin sweat on Shen Qinglan's forehead, I'm afraid it's not easy to be tossed.

"It's none of your business, Qinglan, thank you for sending this girl back. This girl has caused you a lot of trouble."

"How can I not be in trouble? Isn't it Qinglan?" Yu Xiaoxuan leaned on his mother's arms and protested with discontent.

"Okay, you are not in trouble, I am in trouble." Yu mother was helpless.

"Auntie, I'll take her back to your room."

Yu's home is a duplex. Yu Xiaoxuan's room is on the second floor. With Yu's body, it is estimated that it is difficult to send drunk Yu Xiaoxuan back to the room.

Of course, the mother is unsatisfactory.

"Then trouble you, Qinglan."

"You are too kind."

"Mom, I'm so happy today, I love you so much." Yu Xiaoxuan was not honest, holding her mother's neck, rubbing and acting cute.

"Mum loves you too, obedient, and stand well." The mother's voice was soft and spoiled.

Yu Xiaoxuan stood well.

Finally, Yu Xiaoxuan was sent back to the room. Shen Qinglan and Yu mother were tired of sweating, and drunk Yu Xiaoxuan was a grind.

"Qinglan, it's not too early, and it's not safe for you to go back alone. Stay at home tonight." Yu mother kept.

Shen Qinglan shook his head gently, "No, aunt, my friend is waiting for me outside, he will send me home."

When Mother Yu heard someone sent Shen Qinglan back, she was no longer forced, "Well, pay attention to your safety on the way back, come to dinner at home another day, and your aunt will make your favorite honey ribs."

"it is good."

Shen Qinglan did not let Yu Mu send her, and walked out of the district alone.

No one was waiting for Shen Qinglan outside the community. She said that just to reassure her mother.

Yu Xiaoxuan's home is located in a high-end residential area in Beijing. Many private cars are nearby and it is difficult to get a car.

The weather tonight is good, the heat of the day is gone, and the coolness of the night is saturated.

Shen Qinglan decided to go first.

She walked slowly, her eyes empty, and returned to the city for six years. The memory that this city left her was still pitiful, and the memory of the city as a child was long forgotten.

Shen Qinglan's eyes flashed a lot of people, grandpa, grandma, dad, brother, mother, Shen Xitong, Grandpa Fu, Yu Xiaoxuan, and Fu Hengyi.

Although it was hot summer, the air at night was still cool. On the cold streets, there was only Shen Qinglan's lonely back. The street lamp stretched her back, which also lengthened her coolness.

Suddenly, who heard the sound of fighting for a while, it seems that Shen Qinglan came from the alley in front.

Shen Qinglan stopped and stood in a dark corner of the alley, and then the dim light, she saw the two people fighting, to be exact, a group of people beating a man.

The man was wounded, with blood left, and even his face was full of blood, and he could not see clearly, but even so, his shot was still fierce, and every time he shot, he could put down the other person alone, although this A new injury will surely be added to his body.

Shen Qinglan stood quietly, staring at everything in front of her, neither walking away nor stepping forward to help.

"The police are coming, run quickly." Suddenly a whistle of a police car rang in the dark night. From far and near, it woke up a group of people who were fighting.

"The police are coming, go away." One of them shouted in panic and followed his companion.

Soon, the all-blooded man was left in the alley. He leaned weakly against the wall and gasped.

The group of people who escaped did not notice that they only heard the sound of the police car, but did not see the police. Even after they escaped, there was no police behind them.

It took a long time for Shen Qinglan to slowly come out of the darkness. She stood in front of the man and looked down at him predominantly.

He was badly hurt, he was out of breath, he got less air, and the wound on his body was still bleeding. When he noticed that someone was approaching, he opened his eyes and looked at Shen Qinglan, his eyes fierce.

But after seeing Shen Qinglan's figure clearly, he suddenly relaxed and reached out his hand. It seemed that he wanted to hold Shen Qinglan, but he was unable to hang down, and finally tilted his head and passed out.

Shen Qinglan saw the last two words he didn't export-save me.

20 Chapter 20 My name is Shi Feng

When Shi Feng woke up, he found himself in an unfamiliar room, a trace of confusion flashed in his eyes, and he instantly recovered.

He remembered it. Yesterday he encountered the assassination of a gang of dead enemies. He used all the means and did not solve all the people. Just when he thought he was going to die, he heard the sound of a police car. This time I planted it, either died in the hands of the enemy or in the hands of the police, but I did not expect that the person who finally appeared in front of me turned out to be a little girl.

I didn't die?Hahaha, since Lao Tzu is not dead, wait for Lao Tzu to go back, so please clean your neck.

Shi Feng's eyes were fierce, and there was a grin on the corner of his mouth. He looked at the injuries on his body and he had been dealt with. He didn't wear anything except a pair of shorts, but he was now wrapped in a mummy. It doesn't make much difference whether you wear it or not.

The person who saved him was the little girl yesterday?

Shi Feng stood up strenuously and walked out of the room. This is a three-bedroom. The house decoration is very simple, but it is cleaned very cleanly.

There is also an easel on the balcony of the living room, above which is an unfinished painting.

When Shi Feng thought that there was no one in this family, a sound of a key opening the door came, and Shi Feng's body was tight, making a defensive posture.

The door opened, looking at the people who came in, Shi Feng's body relaxed instantly.

Shen Qinglan looked at the person standing in the living room, the unexpected look on his face flashed by, "You haven't left yet?"

Shi Feng heard this, and there was an embarrassment on his face. He just woke up and she came back.

Shen Qinglan ignored him and walked straight into the kitchen. Shi Feng noticed that she was carrying several bags in her hand. When she came out, she carried several bowls on her hand. It was breakfast: porridge, buns, fried Dumplings, tofu brain, but hearty.

Shen Qinglan sat down to eat and noticed the gaze projected on her. She looked at Shi Feng, "Do you want to eat together?" She actually prepared his meal.

"So, I'm welcome." Shi Feng promised to be cheerful, Shen Qinglan did not speak, Gu Zi was eating.

Shi Feng moved to the dining table and sat down opposite Shen Qinglan. He took the porridge that Shen Qinglan had not moved and drank it. His right hand was injured and he couldn't get chopsticks at all. He simply had a spoon, lowered his head, and drank porridge.

He hadn't eaten for a day, and he had been fighting with people for so long. He had a hungry front chest against his back. Where was a bowl of porridge?

Shen Qinglan ate his tofu brain quietly.

After eating and drinking, Shi Feng finally had a touch of energy, and had the leisure to look at Shen Qinglan.

Shen Qinglan was younger than he thought, and he was about twenty years old. His appearance was amazing, but at a young age, he was aloof and aloof.

"My name is Shi Feng." Shi Feng said.

"Oh."

just this? Shi Feng believes that he still has a name in Beijing, and most people will definitely react to this name. Wherever they are like the little girl on the opposite side, it is the same as not knowing themselves.

Don't know yourself? Shi Feng suddenly, by the way, his name is on the road, not the people on the road do not know it is normal, look at this little girl's appearance, it should be a child of a rich family, otherwise where can live alone so good house.

"Thank you for helping me to save me yesterday. Daen didn't say anything. I'll say no to you if you want to find me later. I don't know what your name is?" Shi Feng solemnly.

After eating the last bite of tofu brain, Shen Qinglan slowly wiped his mouth with a tissue. "No, I won't see you again in the future."

Shi Feng's appearance last night was obviously a revenge for the Chou family, which was typically a big trouble, but Shen Qinglan didn't like trouble.

Shi Feng was really embarrassed this time. He seemed to have been rejected by someone. After living for more than thirty years, he met the person who rejected him for the first time.

However, it is true that Shen Qinglan rescued himself. Although Shi Feng was on a mixed road, he did not do a few uncommon things on weekdays, but he was a man of words, and he would definitely not take back what he said.

"Girl, thank you anyway."

"You're not hurt badly, it's better to find someone to see, I will leave later, please remember to lock the door for me when you go." Shen Qinglan stood up and packed the chopsticks, she did not like the mess at home.

Shi Feng has been following her. The little girl doesn't know who she is, even if she doesn't know her identity, but in the case of last night, the average person dare to help him. It's already bold to report 120. The result turned out to be a good one, not only helped him, but also brought him back home. He was not afraid that he would revenge. He woke to kill her.

Thinking so, Shi Feng asked in the same way.

Shen Qinglan wiped the last drop of water from her hand without looking at him, "You can't beat me at all."

Shi Feng: ...

Shen Qinglan is telling the truth. In the end, the Shen family is in the army. Apart from the fact that Shen Xitong's body is too weak and has no skill, Shen Qinglan and Shen Junyu are very good under the training of Master Shen.

It's Shi Feng's severe disability now. He wants to hurt Shen Qinglan, and Shen Qinglan can only send him two words-hehe.

Shen Qinglan went away, leaving Shi Feng alone, leaving only Shi Feng, who picked up the phone on the desk and dialed a number.

Soon, the door of the room was knocked, and Shi Feng moved to the door with great effort, seeing clearly in the cat's eyes that the talent opened the door.

Here comes a look at Shi Feng, "Boss, how did you become like this?"

"Come first." Shi Feng let the person enter the door and moved to the sofa to sit down.

The person who came here also knew the seriousness of the matter, "Boss, where did you go yesterday, to help the brothers in the news, the Black Tiger bastard wanted to send someone to intercept you, we rushed to reinforce but found no one."

Speaking of the Black Tiger, Shi Feng's face was fierce, "If it weren't for Lao Tzu's fate, it really made the Black Tiger succeed last night. Anan, a traitor emerged from the gang. Frighten the snake, and check with me who the owner of this house is."

The man called Anan nodded and agreed. Yesterday, not many people knew about Shi Feng's itinerary. It is logically impossible for the Black Tiger to get the news. Now he not only got it, but also ambushed on the road in advance. In addition to the traitor, Anan could not think of other explanations.

"Boss, after finding the owner of this house, I want to..." Anan made a gesture of wiping his neck.

Shi Feng passed with an eye knife, if it was not inconvenient for his hands and feet, he really wanted to kick it, this fool.

"She is my life-saving benefactor, you dare to move her to try." Shi Feng roared, Anan shrank his neck.
