

**Chapter 191: Woof! Woof!**

Mo Shenbai cocked an eyebrow. "If not, what else can I do?"

Xu Youyou's face was red as she whispered, "Work hard to... get rid of your innocence..."

Mo Shenbai's breathing quickened. His eyes that were looking at her surged with emotions, and his Adam's apple bobbed up and down.

After Xu Youyou finished speaking, she quickly buried her face in his arms shyly, not daring to look at him. She had said those words on impulse, driven by his love for her. She was filled with the urge to express her feelings to him.

The greatest thing that humans discovered was this intimate act to express love for each other.

Mo Shenbai took a deep breath before he patted her head and said, "Forget it. Go to sleep."

Xu Youyou raised her head to look at him curiously. Her clear eyes were filled with confusion.

Mo Shenbai could not but steal a kiss from her. Then, he said, "The little rabbit is about to turn into a panda. Go to sleep."

Xu Youyou yawned and said with teary eyes, "I can still stay awake for a little while..."

Mo Shenbai raised an eyebrow and said with a serious expression, "A little while? My little friend, are you looking down on me?"

Xu Youyou: "..."

'Forget it. I'm going to sleep now.'

Xu Youyou rolled over and made herself comfortable on the bed.

Mo Shenbai lay down as well. He reached over under her neck and pulled her into his arms. He pressed his lips against her forehead and said, "Good night, my little friend."

"Good night, Mr. Bai," Xu Youyou said. Earlier, she had said she could stay awake for a little while. However, in the end, she fell asleep less than five seconds after closing her eyes.

Mo Shenbai looked at the person who was sleeping soundly in his arms with eyes filled with love.

...

Earlier.

Pei Chuan held onto the supplements he bought and took a deep breath before he knocked on the door.

"Come in."

A gentle voice rang from the ward.

Pei Chuan opened the door and strode into the room. He placed the supplements on the table in front of the bed before he said with a polite smile on his face, "Chairman Mo has something to take care of so he left first. After that, he'll be returning to Mo City directly."

Since Xie Yumu was sleeping at the side, Pei Chuan spoke in a very low voice.

Yun Youwei seemed stunned for a few seconds. Then, she said in a very soft voice, "I understand. There's nothing much to do here anywhere. I've caused all of you a lot of trouble."

Pei Chuan maintained his professional smile as he said, "Miss Yun, you're too polite. Mr. Xie and Chairman Mo were good friends for so many years. On account of the past, Chairman Mo would of course visit you and Young Master Xie."

Yun Youwei lowered her gaze, hiding the light in her eyes. She fell silent.

They were all smart people. There were some things that did not need to be said so clearly for them to be understood.

Pei Chuan had been by Mo Shenbai's side for many years, and he understood Mo Shenbai very well. Without Mo Shenbai's permission, how could he have the courage to say such words?

After saying what he needed to say, Pei Chuan naturally would leave. He said, "Miss Yun, if there's nothing else, I'll take my leave. I won't disturb your rest."

Yun Youwei forced a smile on her face and said, "Thank you for your hard work, Assistant Pei. Goodbye."

Pei Chuan nodded slightly and turned to leave the ward.

The dim light shone on Xie Yumu's face. His fair and tender skin had a tinge of redness. His eyelashes were so long that they cast shadows under his eyes.

Yun Youwei tucked the corner of the blanket for him before she said in a voice so faint that it was almost inaudible, "Good night, Mumu."

...

It was grey outside the window, and the room was quiet.

Xu Youyou had a good night's sleep without any dreams. When she opened her eyes, she was filled with energy. She turned and saw the man lying next to her.

His eyebrows framed his eyes perfectly, and his nose was straight. His lips were slightly pursed. He was like a painting come to life.

'Oh, my boyfriend is really the most beautiful...'

Xu Youyou, who woke up early, was not satisfied with just looking at the man she loved. She leaned over and kissed his lips. However, just as she was about to pull away, he suddenly opened his eyes. Then, he reached out to hold the back of her hand before he deftly flipped her around and deepened the kiss from above her.

Their lips were pressed against each other as Xu Youyou said, "You, you were pretending to sleep again..."

Mo Shenbai continued to kiss her before he said in an extremely hoarse voice, "I wasn't pretending. You woke me up with the kiss."

It was just like in the fairy tales.

Xu Youyou's eyes were brimming with shyness. Her hands were placed on his shoulders, and she did not know what to do. He continued kissing her fiercely and urgently, and she could hardly breathe.

When Mo Shenbai pulled away from her lips, only the sound of shallow breathing could be heard in the quiet room. After a moment, he asked, "Are you still sleepy?"

Xu Youyou's eyes were dazzlingly bright at this moment, like the sun reflecting off a pool of spring water, as she looked at him tenderly.

"Can I eat the rabbit now?"

Xu Youyou blinked her eyes and replied very slowly, "I'm not a rabbit..."

Mo Shenbai could not help but laugh. "The main point of the sentence is 'eat', not 'the rabbit'."

Xu Youyou bit her lip before she closed her eyes shyly and quickly nodded. She covered her face with both hands, too shy to look at him and also too shy to let him look at her.

Mo Shenbai pulled her hands down before he lowered his head and kissed her fiercely.

When she made a muffled noise, he said gently, "Try to endure it for a moment. Don't cry."

If she cried, he really would not know what to do. After all, it was his first time, and he had no experience to speak of.

Xu Youyou felt like she had been belittled. She looked at him and said confidently, "Are you looking down on me? I won't cry. If I cry, I'm a puppy!"

Mo Shenbai lowered his head and kissed her again.

...

Half an hour later.

Xu Youyou whimpered and sobbed softly. Her eyes were a little red.

Mo Shenbai hugged her with a helpless expression on his face. He kissed her gently as he said coaxingly, "Didn't you say that you're not going to cry? Are you a puppy?"

Xu Youyou sniffled before she said, "Woof! Woof!"

Mo Shenbai: "..."

He was really powerless against her. He lowered his head and kissed the tears on her face. He said gently in a low voice, "Alright, stop crying..."

Xu Youyou pursed her lips and looked at him. Her eyes were slightly red, but they looked very charming at this moment.

Mo Shenbai felt as though he had been zapped. He really could not control himself.

...

In the restaurant.

It was brunch time, but there was almost no one in the restaurant.

Xu Youyou lowered her head and ate. She did not look at the extremely attentive man next to her throughout the entire process.

Mo Shenbai did not seem unhappy at being ignored. On the contrary, he was filled with joy. It was as though he was also radiating joy from his pores.

At this moment, Pei Chuan walked over and said directly, "Chairman Mo, the plane tickets have been booked. The flight is at 1 PM."

"Mm," Mo Shenbai replied without even looking at Pei Chuan.

Xu Youyou raised her head. "You're going back as well?"

Seeing that she was no longer ignoring him, his smile widened. "Mm, I'm done with my work here."

If he did not find out that Yun Youwei was in the hospital, he would have returned yesterday.

"I'm not talking to you," Xu Youyou said before she looked at Pei Chuan and asked, "Why is it at 1?"

There were quite a few hours left before 1 PM.

Pei Chuan did not expect to see the day when Mo Shenbai was scolded. He wondered if Mo Shenbai failed to coax his wife last night.
