

**Chapter 282: I Like You the Most**

Qin Siyu quickly moved to the side. "Bo Qi, are you crazy?"

There were so many places to sit, why did he have to squeeze in next to her?

Bo Qi looked at Qin Siyu coldly and said, "This is my seat to begin with."

Qin Siyu could not be bothered to argue with Bo Qi so she directly moved to an empty seat.

Xu Youyou drank her milk tea as she looked at the duo. Her eyes sparkled as though she was watching a movie.

Mo Shenbai lowered his head and whispered, "Is she that good-looking?"

Xu Youyou nodded without thinking. "Not only is she good-looking, but her personality is good as well."

'Personality is good?'

Mo Shenbai smiled. "If you'd seen what she was like in the past, you'd think she's another person."

"What was she like in the past?" Xu Youyou asked curiously.

Mo Shenbai did not say anything. Instead, he glanced at Qin Siyu, who was sitting across from him, silently.

Xu Youyou was very curious. She tugged the hem of his shirt and shook her hand as she asked, "Tell me, tell me, tell me..."

The couple did not deliberately lower her voice so Qin Siyu, who was sitting nearby, heard their conversation. She pursed her lips before she said indifferently, "Who hasn't loved a few scums when they were young? Isn't it just the black history of a woman pretending to be virtuous to seek love?"

Bo Qi's expression soured immediately as he said, "Who are you calling a scum? Moreover, your gentleness and demureness are all an act!"

Bo Qi found her change truly unbelievable.

Qin Siyu retorted, "If you think you're a scum, then you're a scum."

Bo Qi: "..."

Xu Youyou could not help but laugh when she saw them bickering.

"Why are you laughing?" Qin Siyu asked.

Xu Youyou explained, "When I saw both of you bickering, I was reminded of my brother and Lanlan in the past. Lanlan is my best friend."

Qin Siyu did not say anything. Instead, she looked at Xu Jialu.

Xu Jialu felt his heart tighten when he heard the word 'Lanlan'. He glanced at Xu Youyou as he asked, "Why did you mention her for?"

Xu Youyou looked resentful as she said, "It's all because of you that my best friend is no longer here with me!"

"It has nothing to do with me!" Xu Jialu said with a frown.

Qin Siyu thought about it for a moment before she said with a smile, "Young Master Lu, you've been in many relationships over the years. You still don't understand?"

"Understand what?" Xu Jialu looked at Qin Siyu from the corners of his eyes as he crossed his legs.

Qin Siyu was rendered speechless by Xu Jialu's obliviousness. She turned to look at Xu Youyou.

Xu Youyou shook her head.

'Forget it. If I continue, I'm only going to hurt Lanlan's self-esteem.'

Seeing this, Qin Siyu no longer said anything. She only smiled and said, "Young Master Lu, you should take care of yourself."

"Huh?" Xu Jialu looked puzzled.

Qin Siyu played with her hair as she said lightly, "Under these circumstances, the story will either end with a face-slapping route or a wife-chasing route."

Xu Jialu's charming eyes narrowed as he spat, "Crazy."

Qin Siyu shrugged and did not explain further.

Men would always be in turmoil when they could not get what they wanted. It was because they were loved too much that they did not understand fear or pain.

Bo Qi's anger grew when he saw Qin Siyu happily chatting with everyone but treated him like air. It was as though he did not exist.

Qin Siyu was not like that in the past. In the past, she always looked at him with admiration and affection. She had said that he was her first love and the man she loved the most in her life. In the past, she would blush with just a few casual words from him. Now, she did not even look at him. It was not like she was deliberately ignoring him, but she truly did not care about him so she could not even be bothered to look at him.

Thinking about this, Bo Qi could no longer endure it. He rose to his feet and grabbed Qin Siyu's wrist, pulling her away.

Qin Siyu looked annoyed as she said, "Bo Qi, that's enough! You've pulled me away twice in a night. What are you trying to do?!"

Bo Qi said through gritted teeth, "Follow me!"

"Get lost!"

They had already broken up so Qin Siyu did not want to follow him anywhere. It was not her style to be sloppy when dealing with relationships.

“Qin Siyu!”

There were too many people around so Bo Qi did not want to make a scene. Instead, he signaled for her to be obedient with his eyes.

Qin Siyu acted as though she did not understand. Her patience was slowly wearing away as she said, “I said, let go. Do you understand?”

Bo Qi continued to hold her wrist.

The corners of Qin Siyu’s red lips curled up slightly. Her smile was charming but cold. She said, “Very well. You asked for it.”

Bo Qi’s brows twitched slightly. Before he could react, Qin Siyu grabbed his hand swiftly and executed a beautiful shoulder throw. He was caught off guard and shocked as he was thrown to the couch. Fortunately, he was not thrown to the ground. Otherwise, his body would be bruised.

Xu Jialu and Mo Shenbai looked at Qin Siyu in surprise.

Xu Youyou looked at Qin Siyu with starry eyes as she said, “Sister, you’re so cool!”

Mo Shenbai lowered his gaze and saw the expression of worship on Xu Youyou’s face. He gently patted her head and said, “You’re not allowed to look at others like that.”

Xu Youyou pouted. “Not even women?”

Mo Shenbai nodded. “That’s right. Women are more dangerous than men now.”

It was obvious that Qin Siyu was very charming.

Xu Youyou held Mo Shenbai’s arm and whispered, “You don’t have to worry about me. I only like you! I like you the most!”

Mo Shenbai saw his reflection in her eyes and smiled in satisfaction.

Meanwhile, Bo Qi, who was thrown to the couch, was stunned, unable to react for a long time.

Qin Siyu dusted her hand and looked down at Bo Qi as though she was looking at an article of clothing that she did not want. She said clearly, “Bo Qi, it’s over between us. Please don’t bother me in the future.”

After saying that, Qin Siyu nodded at Xu Youyou and Mo Shenbai before she said, “Merry Christmas. I’m leaving first.”

Xu Youyou waved her hand. “Goodbye!”

Qin Siyu turned around and glanced at Bo Qi, thinking she had bad luck running into him tonight. She had participated in the game earlier, hoping to win the phone, but her plan was ruined.

Bo Qi sat up. He lowered his head silently. It was as though his soul had left his body.

Xu Jialu nudged Bo Qi. “Did you hit your head and become silly?”

Bo Qi raised his head. His expression was one of disbelief as he said, “She threw me over her shoulder!”

Xu Jialu said, "I saw it. You don't have to remind me."

Bo Qi said again, "She actually dared to throw me!"

'That wouldn't have happened in the past!'

Xu Jialu: "..."

Xu Jialu turned away in disgust.

Bo Qi continued to mutter to himself in shock, "Not only did she bite me, but she even threw me over her shoulder..."

Xu Youyou frowned as she asked Mo Shenbai, "Is he okay?"

Mo Shenbai glanced at Bo Qi before he said calmly, "He's fine. He's just never been beaten by a woman before."

The woman who had been gentle to Bo Qi in the past now did not want anything to do with him. It was obvious that his self-esteem could not withstand such a blow.

Xu Youyou sighed in relief.

Seeing that it was almost time, Mo Shenbai held Xu Youyou's hand and left.

Bo Qi, who was still agitated, rose to his feet and left as well.

In the end, only Xu Jialu was left.
