

PAMPERING 300

Chapter 300: Crazy jealous (1)

Xu Youyou was confused.

The other party laughed out loud, feeling as if he was holding lemon juice instead of wine in his hand.

Mo shenbai became the focus of the party as soon as he entered. People kept coming to greet him, and when they saw Xu Youyou, they would also praise her, saying that she was a beauty that only appeared once in a few thousand years, and that she was earth-shattering!

Xu Youyou laughed so hard that her mouth was almost stiff.

Mo shenbai could tell that she was not feeling well. He lowered his head and whispered in her ear, " go and eat something first. I'll go find you later. " "

Xu Youyou heaved a sigh of relief as if she had been pardoned. She nodded desperately and immediately ran to the dining area when the hand on her waist was released.

Delicious food, here I come ^_^

When mo shenbai saw her leave without looking back, he felt helpless and amused.

Someone joked, " President mo sure loves Mrs. Mo deeply. " "

Mo shenbai did not deny it, and there was no need to deny it.

He wanted everyone to know how much he loved Xu Youyou. He wanted the whole world to know that Xu Youyou was his Mrs. Mo.

This was something that no one could change.

" Mrs. Mo looks very young. Don't tell me you're still underage? " Someone teased, " don't tell me President mo registered his name overseas? "

In China, the age requirement for registration was 20 years old. In some places abroad, people could register their marriage at the age of 16.

"She's 20 years old, but we did register overseas." Mo shenbai said concisely.

"You're already 20 years old, why go through so much trouble to go abroad? Where is it?"

"Ireland," moshen Bai raised his glass and replied.

He drank it all in one gulp.

"....."

The way they looked at the dining area changed, and they put away their teasing thoughts.

This President mo didn't get married on a whim!

Xu Youyou was attracted by the exquisite desserts in front of her and was ready to taste them one by one. She didn't notice that someone was looking at her.

" Oh ... " a familiar voice sounded.

Xu Youyou turned her head and saw Qin Siyu, who was wearing a long silver dress and had long hair draped over her shoulders. She walked toward her slowly and could not help but let out a cry.

“Sister Siyu, you’re so pretty tonight.”

“Thank you for the compliment. You’re such a sweet talker!” Qin Siyu tapped the tip of her nose lightly. " did you come with mo shenbai? ”

Xu Youyou nodded. " yes, what about you? ”

" I ... " Qin Siyu’s eyes darted around, and she chuckled.”I’m here with a friend.”

“Oh.” Xu Youyou didn’t continue to ask, but said excitedly, ” " sister Siyu, tonight’s dessert is really not bad. You must try it. "

“It’s not as good as your cooking?” Qin Siyu teased, ” ever since I ate your cooking the last time, I’ve been eating like I’m chewing on chaff. "

“You’re exaggerating, sister Siyu.” Xu Youyou smiled in embarrassment. " I’m only good at making Chinese food. I’ll make fried chicken wings and legs. "

Qin Siyu stopped teasing her. " introduce me to one, then. I can’t eat too much, and I don’t know how many calories this one bite contains. "

However, he was afraid that she would be disappointed if he did not eat it.

“This, this is super delicious.” Xu Youyou handed her a strawberry sweetheart.

Qin Siyu elegantly took small bites to avoid damaging her newly reapplied lipstick.

“Godmother.” A loud voice resounded throughout the venue.

Everyone’s eyes were focused on the door. The little guy in a black suit and tie broke free from the man’s hand and ran to the dining area.

Xie tingxi wanted to pull it away but didn’t manage to.

Xie Yumu hugged Xu Youyou’s leg. " Godma, I missed you so much. "

Xu Youyou pinched his face. " Godma is wearing a dress today. Be careful. I’ll hug you later. "

“Oh.” Xie Yumu immediately let go.

Qin Siyu looked at Xie tingxi, and coincidentally, her eyes met with Bo Qi’s.

Enemies really meet on a narrow road.

Qin Siyu shifted her gaze away without a trace, pretending not to see him.

On the other hand, Bo Qi’s eyes seemed to be glued to her.

She was wearing a silver dress tonight, which was already eye-catching to begin with. With her snow-white back exposed and her long eyeliner, she was simply a sexy figure.

It wasn't just him. Many men at the scene were staring at her, eager to try.

In the past, she had always looked pure and innocent. In summer, she would wear a dress that would not even reveal her arms. It was only then that he could block her good figure.

Now that they had broken up, she had transmigrated less and less. Was she going to wear a bikini next time?

Bo Qi's heart was crazily moved by her sexiness and charm, but at the same time, he was crazily jealous!

What were those damn men looking at!

Qin Siyu knew that many people were looking at her with interest, but she did not mind. However, what was Bo Qi doing staring at her?

She turned her head and glared at him.

Only then did Bo Qi snap back to his senses and turn his head away, pretending that nothing had happened.

Seeing that Xie Yumu was sticking to Xu Youyou, Xie tingxi was no longer worried and walked towards mo shenbai.

Since he did not go to Xu Youyou's side, Bo Qi could not go either. He only followed him to talk to mo shenbai, but his peripheral vision was frantically peeking over there ~~(“”)~~

Xu Youyou passed some desserts to Xie Yumu.

Qin Siyu had already sent a few men over to strike up a conversation with her, but they were all tactfully rejected by her.

Until a man in a black suit came over and looked at her expressionlessly.

“Why did you come here?” There was no emotion in his cold voice.

Qin Siyu had wanted to introduce him to Xu Youyou, but she suddenly changed her mind when she saw Bo Qi peeking at her.

She immediately grabbed the man's arm and said in a coquettish voice, “Aiyo, let me introduce my ha ni. "

“H-Hello,” Xu Youyou said.

The man turned his head and furrowed his eyebrows. Are you alright?

Qin Siyu pinched his arm discreetly.

“Yes,” the man replied coldly.

" ha ni, this is Xu Youyou, President Mo's wife. " Qin Siyu pointed at where Xie tingxi and the others were standing.

The man only glanced at her indifferently and did not have much reaction.

On the other hand, Bo Qi's eyes almost popped out of their sockets when he saw them standing close to each other, with Qin Siyu even holding his arm.

Xie tingxi glanced at it indifferently and said gently, "Let's hurry over, or Bo Qi's eyeballs are going to fall to the ground."

Bo Qi retracted his gaze. He was being stubborn. "What nonsense are you talking about? I'm not looking at them."

"Did I say you were looking at them?" Xie tingxi asked.

Bo Qi was speechless.

Making friends carelessly.

Despite his stubbornness, he walked toward Xu Youyou and the others honestly.

Mo shenbai had just taken two steps when a light and dignified voice sounded not far away.

"President mo ..."

The three of them stopped in unison and looked in the direction of the voice.

The woman was wearing a Red v-neck dress. She had Phoenix eyes and was walking towards them slowly.

Mo shenbai and Xie tingxi didn't know her. They looked calm and didn't say a word.

Bo Qi raised an eyebrow and reminded mo shenbai in a low voice, "Fu ning, the only daughter of the chairman of the ansheng group."

This woman clearly knew that mo shenbai's relationship with the other side was not good, but she still came straight to mo shenbai ...

They came with ill intentions!
