

**Chapter 304: I'm married (1)**

"I just wanted to give you a surprise." Mo Zhiyun pouted and retorted.

Mo shenbai did not say anything, but his eyes shifted from her to Lu Heyun.

Lu Heyun greeted him in a manner that was neither servile nor overbearing, " President mo, oh my. &quot;

&quot; you're still calling me President mo? " Mo Zhiyun raised her head and looked at him. &quot; you should call him big brother. &quot;

Lu He Yun lowered his head and smiled at her. &quot; why are you so impatient? "

"You should share the good news with big brother and sister-in-law." Mo Zhiyun said in a spoiled manner.

Lu He Yun patted her head lovingly.

Mo shenbai's eyes darkened, as if he already knew what they were going to say.

Xu Youyou did not react in time and asked innocently, " what good news do you want to share with us? "

Mo Zhiyun's face turned red. She glanced at Lu He Yun and took out a small notebook from her pocket. &quot; I'm married. &quot;

Xu Youyou was stunned. &quot; get married? With who?"

&quot; mo Zhiyun thought that she was teasing him, so he coyly called her, " sister-in-law. &quot;

Xu Youyou finally reacted. &quot; you're married to senior? " Congratulations!"

&quot; thank you, sis-in-law. &quot;

"Thank you!"

Mo Zhiyun and Lu Heyun said at the same time.

Xu Youyou turned her head to look at the man beside her and found that his facial features were tense, his whole body exuding coldness, and his black eyes were as sharp as knives.

&quot; da Bai, " she called out softly.

Only then did mo Zhiyun realize that there was something wrong with mo shenbai's expression. He put away his sweet smile and said in a dry voice, " big brother ... &quot;

Mo shenbai did not look at her. Instead, he stared at Lu Heyun and said, " come here for a while. &quot;

With that, he got up and walked to the study.

"Oh, please help me take care of Zhizhi." Lu He Yun bent over to help her adjust the blanket on her knees.

“Oh,” Xu Youyou replied.

Lu He Yun touched Mo Zhi Yun’s face, got up and walked to the study.

Mo Zhiyun’s almond-shaped eyes were filled with worry and uneasiness. She hesitated for a moment before saying, “&quot; sister-in-law, can you push me to the study room? ”

Xu Youyou hesitated. &quot; that’s not good, is it? ”

&quot; sis-in-law! &quot; Mo Zhiyun’s heart was burning with anxiety and worry. &quot; you don’t understand big brother. The less he talks, the more serious the situation becomes. &quot;

“Is that so?” Xu Youyou bit her lip and tried to recall if she had ever seen Da Bai like this.

Mo Zhiyun nodded. &quot; I took the initiative to marry Lu Heyun. He must be very angry. He won’t do anything to me, but he won’t let Lu Heyun off. &quot;

Xu Youyou hesitated for a moment but still pushed her to the door of the study.

It was inconvenient for Mo Zhiyun to sit in a wheelchair, so he begged Xu Youyou, “ sister-in-law, please help me hear what big brother said. &quot;

Xu Youyou glanced at the sturdy and heavy door. &quot; eavesdropping is not a good behavior. &quot;

And he probably couldn’t hear it.

&quot; sister-in-law, help me hear if there’s any movement inside! &quot; Mo Zhiyun put his hands together and begged, “My big brother has received professional training. If he were to make a move against Lu Heyun, Lu Heyun would definitely not be his match.”

Xu Youyou’s heart softened, and she couldn’t stand her begging. She had to walk to the door and carefully put her ear to the door, trying hard to hear the movements inside.

However, he could not hear anything.

Mo Zhiyun’s heart was burning with anxiety. She helplessly spread out her hands and whispered, “ I really can’t hear anything.”

Suddenly, a loud noise came from the study.

Xu Youyou turned her head and said softly, “ I think something is broken. &quot;

Mo Zhiyun couldn’t hold it in any longer. He pushed the wheelchair and broke open the door of the study, almost knocking Xu Youyou to the ground.

“Big brother, if you want to blame someone, blame me. I was the one who wanted to ...”

Before he could finish his sentence, he saw blood flowing from Lu He Yun’s forehead and an ink stone on the ground.

“Big brother, how can you hit me?” She was so angry that she was shaking all over. &quot; what’s the difference between you and a hooligan! &quot;

Mo shenbai's handsome features were filled with endless coldness, and his eyes were as dark as the abyss. His thin lips opened slightly. "Get out."

"I'm not going out ..." Mo Zhiyun was also in a fit of anger, completely unafraid of his dark and frightening eyes.

Xu Youyou had never seen him so angry before. She walked in and tried to persuade him. "Zhiyun, that's enough. Go out first."

"I'm not going out! It was big brother who was unreasonable and hit people first. He should apologize!" Mo Zhiyun was so focused on protecting her husband that she didn't care about anything else.

"Get lost," he said. Mo shenbai was really angry.

Xu Youyou saw that the atmosphere was getting tenser and tenser, so she quickly turned to Lu Heyun. Only senior could persuade Zhiyun now.

Lu He Yun lowered his head and looked at Mo Zhiyun. His voice was soft and gentle as if nothing had happened. "Zhizhi, go back to your room and rest."

"I don't want to!" Mo Zhiyun's heart broke when she saw the blood on his forehead. "Let's go back to France and never come back."

Lu Heyun's lips curved up, and his voice was still gentle, with a bit of coaxing tone.

"Zhizhi, be good. Didn't you say that you would listen to me?"

"But Yingluo"

"Good girl."

Mo Zhiyun could only swallow the words that were about to come out of his mouth and slowly nod his head.

Seeing this, Xu Youyou immediately pushed Mo Zhiyun out and closed the door. She even gave Mo shenbai a look. "Let's talk things out, don't fight!"

Mo shenbai met her bright eyes, and the light in the bottom of his eyes became a little warmer.

When the door closed, he was the cold and heartless Mo shenbai again.

He sat on the chair and looked up at Lu Heyun like a king, "do you really think I can't do anything to you with a piece of paper?"

Compared to half a year ago, Lu He Yun was much calmer in front of him. "Zhizhi and I are truly in love."

A trace of disdain flashed past Mo shen Bai's eyes. "You can't give her what she wants."

Lu Heyun did not refute his words. He said gently, "I'll be good to her for the rest of my life,"

"Your so-called 'good to her' is like giving alms to a stray cat or dog that's about to starve to death on the roadside. It's not worth a penny."

There was no sincerity, no good love, nothing.

“Zhizhi needs me. It’s enough that I’m good to her.”

Lu He Yun spoke unhurriedly and looked up at him, “not everyone in this world is like President mo, who gets what he wants. &quot;

Mo shenbai’s fingertips lightly tapped the armrest, and his thin lips curled into a cold smile. &quot; it seems that you have a big appetite. What do you want this time? ”

\*\*\*

Outside the door, mo Zhiyun’s head was lowered as he uneasily clutched the blanket on his knee.

Xu Youyou knew that she liked Lu Heyun and was worried about him. She squatted down and said, “&quot; da Bai’s just worried about you. He won’t really do anything to you, senior. &quot;

Mo Zhiyun looked up at her with a complicated and worried expression. &quot; you don’t understand. I heard that big brother ... &quot;

He paused and did not continue.

“What?” Xu Youyou asked curiously.

What happened to da Bai back then?

Mo Zhiyun shook his head. &quot; it’s nothing. &quot;

Afraid that she would question him further, he changed the topic. &quot; the treatment abroad for the past six months has not been smooth, especially when I first went there. I was short-tempered and bad-tempered, throwing tantrums every day and breaking things ... &quot;

&quot; but he’s never been angry with me. There was once when my temper flared up and I knocked over a bowl of hot soup, spilling it on his hand. At that time, the soup started to bubble, but he didn’t say a word. He took care of me first before he went to deal with his own burns. &quot;

“Oh, I don’t want to lie to you. The only reason he was willing to marry me, Yingluo ”
