

Chapter 305: He agreed (1)

“Recovering is too painful. I want to give up, but he doesn’t want to see me in a wheelchair for the rest of my life, so he proposed to me!”

Xu Youyou understood that when a person was immersed in the vortex of pain and unable to extricate himself, no one could refuse when someone reached out to her.

Moreover, that person was mo Zhiyun’s favorite, Lu He Yun.

I know you like senior, but da Bai has his own concerns and concerns. " Xu Youyou reached out to comb her messy hair. " you have to be considerate of him. No matter what he does, it’s because he cares about you. "

Mo Zhiyun looked up and met her clear eyes. She pursed her lips and slowly nodded.

About half an hour later, the door of the study opened.

“Lu He Yun.” Mo Zhiyun immediately looked at Lu He Yun.

The blood from the wound on his forehead seemed to have solidified, and the bright red blood made his face look paler and paler, giving him a sense of fragility and weakness.

Lu Heyun smiled and took the initiative to say, “ I’m fine. Don’t worry. "

Mo Zhiyun’s heart ached as he looked at his wound. " does it hurt? I’ll accompany you to the hospital.”

Mo shenbai came out of the study and glanced at Lu Heyun coldly.

“Stay here tonight and let the Butler treat your wound.”

Mo Zhiyun was stunned. He looked at him in disbelief and muttered, “ “Big brother!”

Mo shenbai did not look at her. His black eyes looked at Xu Youyou softly. " come. "

Xu Youyou stood up and walked to his side, obediently accompanying him into the study.

“Big brother, he agreed?” Mo Zhiyun felt as if he was dreaming. He couldn’t believe that his big brother had actually agreed.

Lu He Yun patted her head and smiled. " big brother still loves you a lot. "

“That’s great.” Mo Zhiyun happily hugged him and placed her face on his firm stomach. " we can finally be together. "

He replied with a faint “hmm.” Because mo Zhiyun’s head was lowered, she didn’t see the profound meaning that flashed through his eyes.

Since mo Zhiyun had returned, Xu Youyou no longer stuck to mo shenbai all day long. She could keep mo Zhiyun company.

Mo Zhiyun had brought her a gift from abroad.

Xu Youyou liked it very much and asked her about some interesting things that happened abroad.

After hearing mo Zhiyun's description, Xu Youyou felt that it would be good to go outside and see more of the world.

After they finished talking about the matters abroad, mo Zhiyun changed the topic back to China. "hey, I wonder if my little Auntie will be back for the new year this year?"

"Little aunt?" This was the first time Xu Youyou had heard her mention her little aunt.

Mo Zhiyun was startled. "didn't big brother tell you? He also had an aunt, but she traveled all year round and rarely came back to Mo City! But it's good that she doesn't come back. I'm quite afraid of her."

"Are you afraid of her?" Xu Youyou felt a little nervous when she heard that. "is she very strict?" "Oh ... " mo Zhiyun thought for a moment and said with a complicated expression, "I don't know how to say it. Anyway, if you see her, you must not praise her. She hates it when people praise her and compliment her."

Xu Youyou nodded seriously and remembered it.

New Year's Eve.

Xu Youyou of the mo family didn't even remember their faces and just sat at the same table to eat.

From time to time, someone would get up to propose a toast, but mo shenbai did not allow her to drink. He picked up a cup filled with strawberry-flavored yogurt.

Lu Heyun was sitting at the mo family's New Year's Eve dinner table, attracting many people's attention.

However, seeing that mo shenbai did not say anything, they naturally would not say anything. They were also very polite to Lu Heyun.

The mo family had a tradition of staying up after the New Year's Eve dinner.

A large family was sitting in the living room. The men gathered at the table to play mahjong and cards, the women were eating melon seeds and chatting, and the children were running around. It was very lively.

Xu Youyou felt uncomfortable sitting in the chair for a long time and moved her legs a little.

Mo shenbai quietly cleaned up and whispered to the servant to bring two cushions, one for Xu Youyou's butt and one for her waist.

With the cushion, she was no longer in a hard chair and felt much more comfortable.

Lu He Yun peeled some pistachios for mo Zhiyun. "eat less, or you'll be thirsty tonight."

Mo Zhiyun was very obedient to him. After eating the small plate of pistachios that he had peeled, he did not ask for any more.

When the clock finally struck twelve, Xu Youyou could not help but stand up excitedly. "Happy New Year, da Bai."

I can finally sleep (*^^*)

Mo shenbai raised his head, his dark eyes bright. "Happy New Year, Mrs. Mo."

"Happy New Year, master. Happy New Year, Madam." The others also gave them New Year's greetings.

According to the rules, mo shenbai had to give them red packets, but he had given them to Xu Youyou in advance, so she was the one giving them red packets this year.

Mo shenbai sat on the side, happy and idle.

Lu Heyun squatted down and held mo Zhiyun's hand. He said softly, "Happy New Year, Zhizhi."

"Happy New Year, Lu Heyun." Mo Zhiyun held his hand tightly, and their eyes met. After a while, he smiled and looked away.

"big brother, sis-in-law, Happy New Year."

Xu Youyou handed her and Lu Heyun a red packet each. "Zhiyun, Happy New Year, senior."

Those who had received the red packets all went back to their rooms to rest, leaving only the two of them. They had finally finished giving out the red packets!

"I have one too?" Lu Heyun's eyes flashed with a hint of surprise.

"You're a part of this family now, so of course there are!" Xu Youyou looked at mo shenbai as she spoke. "big Bai, am I right?"

Mo shenbai slowly nodded, got up, and said, "Rest early."

After that, he held Xu Youyou's hand and went back to the room.

Lu He Yun gave the red packet to mo Zhi Yun.

Mo Zhiyun was startled. "big brother gave this to you. Why are you giving it to me?"

"Isn't what's mine also yours?" Lu He and Yunfei smiled. "it's not just red packets. My salary card will be yours from now on, Mrs. Lu."

Mo Zhiyun's face reddened at the way he had addressed her as Mrs. Lu, and she quickly covered her face with a red packet.

Lu He Yun pulled her hand down and said considerately, "You must be tired. I'll carry you back to your room to rest."

Mo Zhiyun curled her lips and nodded.

Lu He Yun bent down and picked her up, walking towards her room.

After taking a shower, Xu Youyou lay on the soft bed. Her mind was in a mess from the day's fatigue, and she fell asleep immediately.

When Mo Shenbai came out of the bathroom, he saw his Mrs. Mo hugging the blanket, revealing one of her slender white legs, sleeping sweetly.

"Mrs. Mo, Mrs. Mo ... "

He walked over and called out softly.

Xu Youyou's eyelashes fluttered, but she did not open her eyes. She muttered, "I'm so sleepy, let's sleep ..."

"You don't want your New Year's money?" Mo Shenbai took out a red packet from the drawer and handed it to her, even waving it.

Xu Youyou was so sleepy that she could not open her eyes. "Put it under the pillow and ... Count it tomorrow."

Seeing that she was really tired, Mo Shenbai's thin lips curved up slightly and he lowered his head to kiss her on the lips.

"Alright, if Mrs. Mo says we'll count tomorrow, then we'll count tomorrow. "

He stuffed the red packet under her pillow and kissed her on the forehead.

He had wanted to do this in the hall just now. He was worried that she would be shy with so many people, so he made up for it now.

"Mrs. Mo, Happy New Year. "

My little sun will continue to shine in the new year.
