

PAMPERING 306

Chapter 306: All of her assets _1

On the first day of the new year, many people would come to visit Mo Shenbai, so he got up early in the morning and sat in the hall, dressed neatly.

Welcoming and sending off.

However, Xu Youyou's eyes brightened when she opened them. She sat up abruptly and mumbled, "oh no, I'm done for. I overslept. "

He smacked his palm on his forehead in frustration.

Yesterday, her mother had even called to remind her not to stay in bed at the Mo family's house and to sleep in and to get up early.

She was too tired last night and forgot to set her alarm.

After sending off a group of people, Mo Shenbai went into the room to see if the sun had risen. When he pushed the door open, he saw Xu Youyou sitting on the bed dejectedly, her face full of annoyance.

On the first day of the new year, the sun did not seem to be happy.

"it's the first day of the new year. Who made Mrs. Mo unhappy?" He put his hands behind his back and walked towards her step by step.

Xu Youyou looked up at him, her face full of grievance and guilt. "da Bai, I'm sorry. "

"What?" Mo Shenbai raised his eyebrows.

"I, I overslept." She lowered her head in shame.

Overslept in the first year. It was simply a large-scale social death scene.

Mo Shenbai thought it was something big and that he had just woken up late.

"the Mo family doesn't have a rule that the matriarch has to wake up early, so you can sleep until any time you want. "

The Mo family's rule was that the master and the matriarch should accept New Year greetings from the branch families together. However, if he said that Xu Youyou did not need to wake up early, then she definitely did not need to.

Xu Youyou's eyes lit up. "really?"

Mo Shenbai nodded and rubbed her messy head with his big palm. "are you hungry? Get up and have breakfast!"

"I'm hungry." Xu Youyou pounced into his arms and locked her limbs around him. "Great White, carry me to wash my face and brush my teeth," she said sweetly.

Mo Shenbai's eyes were filled with love. "yes, Mrs. Mo. "

He got up and carried Xu Youyou into the bathroom. Since Xu Youyou could hang on to him, he could squeeze some toothpaste out of her.

However, it was inconvenient to brush her teeth while hanging on him, so Xu Youyou was placed on the gray marble table.

Xu Youyou mumbled while brushing her teeth, " " I gave out red packets the entire night. Where are my red packets? "

Her little feet playfully kicked mo shenbai's waist.

Mo shenbai held her fair ankle and looked at her with his hot eyes. " be good and brush your teeth. Don't make a fuss. "

He let go of her and went to get her a towel.

Xu Youyou was not happy. When he turned around, she raised her foot and kicked him again.

Fortunately, mo shenbai was quick to react and grabbed her little foot. He frowned and his voice was hoarse. " where are you kicking? "

Xu Youyou realized what her toes were pointing at and blushed instantly. She tried her best to pull her legs back, but mo shenbai held onto her little feet and refused to let go.

"I think you're asking for a beating."

"I'm not an old ..."

Xu Youyou wanted to explain, but mo shenbai did not give her a chance. He lowered his head and kissed her red lips.

Because he had just brushed his teeth, there was a clear breath between his lips and teeth.

The fair skin in the mirror gradually turned pink.

By the time mo shenbai held Xu Youyou's hand and went downstairs, mo Zhiyun and Lu Heyun were already sitting at the dining table.

" Good Morning, big brother. Good Morning, sister-in-law. " Mo Zhiyun was in a good mood, and the joy in his voice could not be concealed.

Mo shenbai gave a faint "hmm."

"Good Morning, Zhiyun, senior." Xu Youyou greeted him politely and sat down beside him.

Mo Zhiyun was a lively person, so it was inevitable that she would chat with Xu Youyou during dinner, asking her if her big brother had given her red packet money last night.

Xu Youyou was depressed at the thought of this. She pouted and said, " "No, I don't ..."

"Ah!" Mo Zhiyun looked at mo shenbai in surprise and tried to seek justice for his sister-in-law. " big brother, this is your fault. How can you not give her a red packet? "

Mo shenbai glanced at her and did not say anything. Instead, he turned to look at Xu Youyou. " Mrs. Mo, you have to speak with your conscience. "

Xu Youyou was dumbfounded. " how am I heartless? I clearly didn't give it to you! "

Mo shenbai reminded her kindly, " think about it yourself. Did I give it to you last night? "

Xu Youyou scratched her ears and seemed to have recalled something. " you seemed to have mentioned something about red packets last night? "

"Go and take a look under the pillow." Mo shenbai reminded her again.

Xu Youyou immediately got up and ran back to her room. She lifted the pillow and saw a red packet, but it was heavy and did not feel like cash.

Deng Deng Deng, he went downstairs.

"Da Bai, what's that you're wrapping?" Xu Youyou blinked her big eyes and looked at him. " I don't think it's cash. "

"See for yourself." Mo shenbai ate his breakfast alone, his words as precious as gold.

Xu Youyou opened the seal of the red packet and was stunned. Then, she flipped the red packet over on the table.

There was a crash, and countless cards fell on the table.

Xu Youyou was speechless.

Mo Zhiyun was speechless.

Lu He Yun's expression was calm. He glanced at the cards for a second, then turned to mo Zhi Yun and gently pinched her face with his fingertips. " envious? "

Mo Zhiyun came back to his senses. He knew that Jiang Chen's financial situation wasn't good, so he quickly shook his head. " I just feel that big brother is too ... Simple and brutal! "

It's effective!

Xu Youyou swallowed her saliva and turned to look at the man who was eating elegantly. " what do you mean by this? "

Mo shenbai put down his utensils, wiped the corners of his mouth with a tissue, and answered in a calm tone.

"These are all my savings and credit cards!" He said.

"This ... This red packet is too big!" She only wanted 520, or even 999.

Not his entire net worth!

Mo shenbai seemed to have seen through her thoughts. His thin lips parted slightly. " don't worry, this is only all my ... " It's as rare as Phoenix Feathers and Qilin horns."

Xu Youyou was speechless.

The Versailles of capitalists was too annoying.

Lu Heyun did not say anything, but his lowered eyelashes hid the fleeting darkness.

As there were people coming over to pay New Year greetings to Mo Shenbai from time to time, Xu Youyou stayed at the old mansion the entire day.

Mo Shenbai asked her if she wanted to go out and play, but she said it was too cold outside. She didn't want to let Zhi Yun feel bad.

Xu Youyou, Mo Zhiyun, and Lu He Yun were playing cards together.

Xu Youyou and Mo Zhiyun's card skills were average. Lu Heyun had both of them completely under his control, and would occasionally go easy on Mo Zhiyun.

Xu Youyou, who had lost quite a bit, lamented, "You two are bullies."

"Who would dare to bully you, Mrs. Mo?" Lu He Yun chuckled.

"That's right!" Mo Zhiyun chimed in from the side, "bullying you, isn't that the same as seeking death!"

Xu Youyou glanced at her. "You two are just bullying her."

Mo Zhiyun's face was flushed red as he turned to look at Lu He Yun with a bright smile.

Mo Shenbai finally sent away the last group of people. When he walked in, he saw his little sun with a long face. "What's the matter?"

"Da Bai, they're bullying me. Quickly come and help me get back at them." Losing money was nothing, but it was too much to eat dog food after losing money.

Mo Shenbai sat down in her seat and took over her cards. Because she was almost done, there was no way to save her, and she still lost this round!

Xu Youyou could not help pouting.

Mo Shenbai saw it from the corner of his eye. He leaned closer to her and said in a low and gentle voice, "Don't worry. They'll pay you back double what they won!"
