

**Chapter 313: Scheme for what?**

Xu Youyou immediately stood up, her face visibly nervous.

The doctor seemed to know what she was worried about as he smiled and said, "Mrs. Mo, don't worry, Mr. Mo's body is fine. He's just been injected with a drug and a muscle relaxant, so he's weak. He'll be fine after a few more days of rest.

If it wasn't for Mo Shenbai's distinguished status, they would have been able to leave the hospital immediately after cautiously letting him stay in the hospital for a night.

Xu Youyou heaved an obvious sigh of relief. When she turned to look at Mo Shenbai, there was a hint of a smile in her eyes.

Mo Shenbai's bloodless lips curved up slightly, and he said in a low and hoarse voice, "I told you, I'm fine."

Xu Youyou held his cold hand and said in a soft voice, "I'm worried about you."

Mo Shenbai pursed his lips and did not say anything.

"Since he's fine, you can go back." Xu Jialu, who was leaning on the sofa, said to drive him away.

There were some things that she couldn't say with her present!

Xu Youyou turned to look at him. I'm not leaving. I want to stay and take care of Great White!

Xu Jialu furrowed his brows, but he couldn't say that she was his sister, so he could only glare at Mo Shenbai.

Mo Shenbai received the message in his eyes. After a moment of silence, he said in a low voice, "Go back and help me get a change of clothes and some toiletries."

Xu Youyou nodded without any hesitation. okay.

Xu Jialu was furious. you don't listen to what I say, but you listen to what he says. Who is your real brother? "

"You!" Xu Youyou answered without thinking. Before Xu Jialu could speak again, she added, "But he's my husband!"

Xu Jialu was speechless.

This little b \* stard who valued sex over his brother!

"Let Cangming send you." Mo Shenbai was worried about her being alone.

"I know." Xu Youyou bent over and pulled the blanket over him. I'll be back soon. Have a good rest.

Mo Shenbai nodded and watched her leave. The gentleness and smile in his eyes faded away, leaving only endless coldness and darkness.

Xu Jialu lit a cigarette and said nonchalantly, "Tell me, what happened?"

Bo Qi chuckled, "what else could it be?" Old Mo's peach blossom has bloomed, but it's just a rotten peach."

Xie tingxi leaned against the window and looked at the light rain falling on the windowsill. It condensed into water droplets and fell down.

"This Fu ning is vicious. He drugged shenbai, found three women, and even wanted to record it! If we succeed today, Shen Bai will either be threatened by her in the future or his reputation will be ruined."

After Xie tingxi finished speaking, he turned to look at mo shenbai on the bed. but why would sister-in-law be there? "

Xu Jialu and Bo Qi looked at him at the same time.

When Xu Youyou called them, they did not believe her and thought that she was overthinking things. If PEI Chuan had not called Xu Jialu, they would have gone for a drink.

If Xu Youyou had not discovered it in time, the consequences would have been unimaginable.

They did not know the reason. Mo shenbai knew but could not say it. He had to keep her little secret for his Mrs. Mo.

she can't contact me. Of course she'll be worried. Mo shenbai's thin lips parted slightly as he raised his eyes to look at them. she should have looked for you guys immediately, but you ignored her. She asked Fu jianchen for help ...

ah! Xu Jialu was the first one to turn around and pretend to look outside. Xie tingxi, is it still raining outside? "

Xie tingxi touched the tip of his nose. I'm not.

Bo Qi spread out his hands honestly. we didn't know that Bai Ying was in Mo City, and we didn't expect Fu ning to be so bold as to really lay a hand on you!

Xu Jialu was afraid that he would pursue the fact that he didn't believe Xu Youyou, so he took the initiative to change the topic. "Fu Anbang doesn't know how to teach his daughter. Why don't I help him?"

Bo Qi turned to look at him. do you have any good ideas? "

Xu Jialu didn't say anything. His thin lips curved up slightly, and he raised his long and beautiful fingers.

Bo Qi understood and looked at mo shenbai ...

Mo shenbai was silent for a few seconds before he nodded. be careful. I won't go to the police station to bail you out.

Xu Jialu sneered, " who are you looking down on?!

He stood up and put his hands in his pockets. let's go. We'll watch the news tomorrow.

Mo shenbai was fine, and Bo Qi had nothing to do here. Not long after Xu Jialu left, he also found an excuse to leave.

Xie tingxi was the only one left in the ward. He turned around and leaned against the window with his hands in his pockets. Under the glasses, he stared at him in a daze with his clear eyes.

“Why?”

“What?” Mo shenbai gave him a side glance.

although you visit Uncle Mo on the fifth day of every year without your bodyguards, with your vigilance and suspicion, it’s impossible for you to not be on guard against Bai Ying.

Bai Ying wasn’t a member of the mo family for a long time. When Xie tingxi mentioned her, he only called her by her name without any respect.

“What are you planning? You can’t even tell me?” Xie tingxi knew what kind of person mo shenbai was more than Bo Qi and Xu Jialu. It wasn’t an accident that he was tricked by Fu ning and Baiying, but he was just taking advantage of the situation.

Mo shenbai lowered his eyes and his gaze fell on the bandage on his wrist. He said in a lukewarm voice, “You didn’t tell me when you faked your death.”

The two of them were about the same, so there was no need to say anything.

Xie tingxi choked. After a moment of silence, a faint smile appeared at the corner of his mouth. it’s fine if you don’t want to tell me. Anyway, I’m not the one who’s going to be unlucky.

Mo shenbai didn’t say anything. He seemed to have thought of something, and his thin lips were overflowing with a faint smile.

Xu Youyou went back to the moon House to help mo shenbai pack his things and ran into mo Zhiyun and Lu Heyun, who had come to the moon House to find them.

When she found out that mo shenbai was hospitalized, she insisted on following him to see him.

this Bai Ying has gone too far. Big brother is her son after all. How could she join forces with outsiders to harm big brother? ”

On the way, Xu Youyou had already told mo Zhiyun what had happened. As soon as he entered the ward and saw mo shenbai’s sickly appearance, mo Zhiyun was so angry that he scolded Bai Ying.

Mo shenbai didn’t speak but looked at Xu Youyou. Why did he bring her here?

Xu Youyou shrugged her shoulders innocently, ‘I can’t stop him.’

Lu He Yun patted her head and said, “ it’s okay, big brother is fine now. Don’t be angry, it’s not good for your health.

Mo Zhiyun looked up at him and said, “ he’s not your biological brother, so of course you don’t feel bad.

Lu Heyun was speechless.

He looked at Mo Shenbai helplessly.

"I'm fine," Mo Shenbai said. "You and Lu Heyun should go back to France early. Your leg needs to continue treatment."

"I'm not leaving." Mo Zhiyun's crisp voice was filled with certainty. "You're already like this, how can I go abroad without worry!"

Mo Shenbai's black eyes glanced at her indifferently and his voice was extremely cold. "What's the use of you staying?"

F\*ck! Mo Zhiyun wanted to say something but stopped. She pouted her lips unwillingly and muttered in a low voice, "I'm not leaving anyway. I'll scold Bai Ying to death when I see her."

Mo Shenbai's brows furrowed slightly, and a trace of impatience appeared on his cold face. He said word by word, "Mo Zhiyun."
