

Chapter 316: Kowtow and apologize (1)

There was no major problem with Xu Youyou's arm. The doctor had prescribed some medicine for the injury on her knee to relieve pain and dispel blood stasis. She would be fine as long as she applied it on time.

Mo shenbai looked at Xu Youyou's medical record and heaved a sigh of relief.

That night, Xu Youyou stayed in the hospital to take care of him and did not return to the Moon-Canvas House.

It was a sunny day the next morning. Xu Youyou was afraid of squeezing him at night, so she refused to sleep on the bed. She curled up on the sofa and slept the whole night.

He woke up very early in the morning. He pulled open the curtains and let out a long sigh of relief when he saw the sunlight outside.

"The sky is clear."

Mo shenbai woke up at the same time as her. He turned his head to look at her slender figure, and a faint smile appeared on his handsome face. yes, the sky is clear.

Xu Youyou turned around and looked at him. what do you want to eat in the morning? I'll go buy it.

"No need, I'll let cangming send you later." Mo shenbai was still thinking about the injury on her knee and could not bear to let her run up and down.

Just as Xu Youyou was thinking that it was unnecessary, someone knocked on the door. Before they could speak, the door was pushed open.

The woman was carrying a red handbag and was wearing a white coat. She had short hair and delicate facial features, and her eyes were calm and serious.

When she saw mo shenbai lying on the bed, her red lips parted slightly, and her warm voice was full of ridicule. it's the new year, but you've grown old but have no brains. You actually fell into Bai Ying's trap. I think the mo Corporation will be defeated in your hands sooner or later.

Mo shenbai's eyelids twitched and he said in a deep voice, "Why did you come back?"

"Ha." She walked closer and sneered. I'm afraid I'll have to collect your corpse if I don't come back soon.

Mo shenbai's sword-like eyebrows furrowed. aunt ...

don't call me that. I don't have such an embarrassing nephew like you ... before he could finish his sentence, his gaze swept over to Xu Youyou who was standing by the window. His eyes froze for a moment, but he quickly recovered.

"I heard that you've married a little devil. I didn't believe it, but it's true."

Xu Youyou was stunned the moment she came in. At this moment, she looked at her with a blank and helpless face, not knowing how to react.

He didn't expect the little aunt mo Zhiyun was talking about to be so young, and even more so, he didn't expect her to be so cool.

Oh no, she doesn't seem to like me QAQ

Mo shenbai coughed lightly and reminded her softly, " Oh, this is my aunt, Madam mo qinghuan.

Xu Youyou came back to her senses and called out timidly, " Aunt ..."

Mo qinghuan's brows furrowed slightly. are you an adult? "

Then, she glared at mo shenbai. don't tell me that you've been single for so many years that you're so perverted that you've laid your hands on minors? "

Mo shenbai's mouth twitched. Before he could answer, Xu Youyou hurriedly explained, " aunt, I'm an adult ... If you don't believe me, I can show you my ID card.

"No need," Mo qinghuan was just saying it casually. Even if Xu Youyou was not an adult, that was mo shenbai's business. She could not be bothered with his trivial matters.

Xu Youyou bit her lip and turned to da Bai for help.

Mo shenbai received her cry for help and was about to speak when mo qinghuan suddenly said, " come with me for a while.

He was talking to Xu Youyou.

Xu Youyou pointed at herself, her face full of surprise. me? "

"There's a fourth person here?" Mo qinghuan retorted.

Mo shenbai's expression darkened slightly, and he said in a low voice, " Little aunt, Aiyo, she ..."

Before he could finish, mo qinghuan interrupted him, " shut up, lend your wife for two hours. If she's missing a single strand of hair, I'll kowtow to you and apologize.

Mo shenbai had nothing more to say. He gave Xu Youyou a look, indicating that she should not be afraid.

Although she didn't know where mo qinghuan was taking Youyou, she didn't ask much about Youyou, which meant she wouldn't make things difficult for Youyou.

Xu Youyou took her coat from the hanger and put it on before she went out with mo qinghuan.

Mo qinghuan took her to the elevator, went downstairs, and got into the car. He did not say a word the entire time.

Xu Youyou didn't know where she was taking her, so she secretly sized her up.

Mo qinghuan was holding her phone and chatting with someone, as if she didn't know that she was peeking at her.

Not long after, she put down her phone. When she turned her head, Xu Youyou immediately retracted her gaze and pretended to look out at the scenery.

Mo Qinghuan's red lips curled up slightly, but she did not say anything.

An hour later, the car stopped.

At the entrance of the VIP room on the top floor of the resort, Mo Qinghuan handed her handbag to Xu Youyou. help me carry this.

Xu Youyou was stunned for a moment. She had just taken her bag when she heard her say, "Stand to the side and remember to lock the door for me."

Xu Youyou didn't know what she wanted to do, so she nodded mechanically.

After Mo Qinghuan gave her instructions, she knocked on the door.

A moment later, an unfamiliar yet familiar voice came from the room. who is it? "

The door opened and Bai Ying was stunned to see Mo Qinghuan standing at the door. why is it you? "

Before she could finish her sentence, Mo Qinghuan raised her hand and gave her a tight slap.

Xu Youyou: "!!!"

Little Auntie V587!

Bai Ying didn't expect Mo Qinghuan to attack her the moment she saw her after so many years. Her face instantly turned red and green as she said in a towering rage, "Mo Qinghuan, don't you go too far!"

Mo Qinghuan didn't say anything and pushed her shoulder hard.

Bai Ying stumbled back in shock. Mo Qinghuan raised her hand and gave her another slap before walking in.

Xu Youyou did not forget what she had just said. She immediately walked in, closed the door, and locked it from the inside.

Bai Ying fell to the ground, her face burning in pain. She raised her head and glared at Mo Qinghuan fiercely, as if she wanted to eat someone.

Mo Qinghuan blew on her reddened palm and looked down at her in disdain. Bai Ying, I really envy your skin. After so many years, you can still maintain it so well.

Xu Youyou hugged her limited edition bag and stood at the side, looking at her with the eyes of a fangirl.

Bai Ying stood up and tidied her hair. She gritted her teeth and said, Mo Qinghuan, I'm warning you. If you dare to hit me again, I'll definitely call the police and sue you.

"Is that so?" Mo Qinghuan laughed coldly and raised her left hand to slap her face ruthlessly. why do I feel that your face is very suitable for my slap? "

Bai Ying's face was originally only half swollen, but now her entire face was red and swollen. Because of her anger, her entire facial features were distorted.

He raised his hand and was about to hit back.

Xu Youyou was shocked and was about to remind her little aunt to be careful, but Mo Qinghuan reacted quickly and caught her hand, shaking it away in disgust.

Bai Ying staggered and fell to the ground, groaning in pain.

Bai Ying, when you left the Mo family, I warned you not to return to Mo City, and don't even think about doing anything to Mo Shenbai. It seems like you've completely forgotten what I said after I left Mo City for a few years.

Mo Qinghuan took a step forward and stepped on Bai Ying's stomach with her high heels.

The slender heels were pressed against her belly, as if they were going to crush her stomach in the next second.

Bai Ying was so frightened by her that she didn't move at all. She looked at her with anger and fear in her eyes. "You, what do you want to do?"
