

**Chapter 318: An everlasting love (1)**

Mo shenbai pushed open the door of the private room and his eyes instinctively fell on Xu Youyou. He saw the tears on her cheeks. Her face was red from crying and she kept panting as if she was about to suffocate.

“Is this how you take care of her?” His face darkened and he quickly walked to Xu Youyou’s side. His dark eyes were full of worry and heartache.

Mo qinghuan’s expression was indifferent as she picked up her bag and said, “I’ve returned her to you. I’m tired and I’m going back to rest.”

After that, he left without even looking at mo shenbai.

Mo shenbai was not in the mood to argue with her at the moment. His warm palm gently stroked Xu Youyou’s head and coaxed her in a low voice, “What’s wrong? Did my aunt bully you? tell me, I’ll get even with her!”

Xu Youyou shook her head, tears flying out of her eyes.

She turned around and hugged him, crying even more sadly. She sobbed and was out of breath.

Mo shenbai gently stroked her back, and something flashed in his deep eyes under his thick eyelashes. His thin lips opened slightly. alright, stop crying. I’m fine now.

Even if she didn’t say anything, he knew that mo qinghuan must have told him about him and Bai Ying.

Xu Youyou’s slender hands were wrapped around his neck tightly. Her hoarse voice stuttered, “I ... I hate how she ... I hate her to death ...

It took a lot of effort to finish a sentence.

Mo shenbai turned his head, his warm skin pressed against her tear-stained cheeks. His voice was low and hoarse as he coaxed her gently, “it’s fine. It’s all in the past. Look at me. I’m fine now.

He held her hand and placed it on his cheek, letting her feel his body temperature and the outline of his face.

Xu Youyou’s eyes were red from crying and her fingertips that touched his skin were trembling.

When she thought of all the things Bai Ying had done to him, her heart felt as if it had been crushed. Her liver and intestines were broken, and not a single part of her was intact.

How could there be such a mother?

She was not worthy of being a mother!

Her tears fell like rain, and she couldn’t stop them.

Mo shenbai did not expect to make her cry even harder. He gently wiped the tears on her face with his fingers. Mrs. Mo, if you continue to cry, my heart is going to break ... Stop crying, okay? ”

The last sentence was full of love.

Xu Youyou could not control her tears and let them wet her cheeks over and over again.

Her soft and boneless hands cupped his face, and she raised her head to place her teary lips on his forehead.

Mo shenbai was stunned.

Xu Youyou's lips landed between his eyebrows again.

His eyes, nose, and finally his lips ...

Every stroke was filled with heartache and love.

This man, who had experienced countless hardships in his childhood, was the love of her life.

da Bai, I love you. With tears on her face, her voice was hoarse from crying, but it was extremely sweet when it fell on mo shenbai's ears. I will love you more than anyone else in the world. My heart will not move, and my love will never change.

Mo shenbai's stunned expression slowly recovered, and the light in his eyes gradually became hot and intense, like syrup that could not melt. His fingers gently and repeatedly stroked her cheek.

then, I'll be in your care from now on, Mrs. Mo.

Xu Youyou's eyes were filled with tears. Before she could say anything, mo shenbai lowered his head and kissed her on the lips.

He searched gently and indulged in it.

The president of the ansheng group was exposed for having a mistress. In order to fight against his competitors, he sent people to kidnap, threaten, and threaten them. He even tried to avoid taxes ...

In an instant, the stock price of the ansheng group plummeted, and Fu Anbang was also called in by the police for questioning.

Xu Jialu, who had found out so many scandals about Fu Anbang in one night, crossed his legs and drank his coffee. He had a triumphant look on his face. if I don't make the ansheng group go bankrupt, my last name is not Xu.

Mo Zhiyun sat on the sofa and looked at him gratefully. if I had known that you were doing this, I would have been able to help you.

Her dream was to become someone like Queen, the founder of the deep web.

Xu Jialu glanced at her. I can handle such a small matter by myself. You'd better Hold Your Man to warm your bed.

Mo Zhiyun's face blushed and he lowered his eyes without saying anything.

Lu He Yun, who had been teased, was not angry. He held mo Zhiyun's hand and motioned for her to not mind.

Mo shenbai entered the house with Xu Youyou and saw that they were all there. His eyebrows twitched.

When Xu Jialu saw that Xu Youyou's eyes were red, he immediately glared at mo shenbai with his sharp eyes. did you bully her? "

Xu Youyou glanced at mo shenbai, who was silent, and said hurriedly, " "Da Bai didn't bully me."

Xu Jialu saw that she didn't look like she was lying. I don't think he would dare to!

"Go back to your room and wash up." Mo shenbai let go of her hand. She had taken care of him in the hospital all night and was still wearing the clothes from yesterday.

Xu Youyou nodded, greeted them, and went upstairs.

Mo shenbai took off his coat and handed it to the Butler. He walked to the sofa and sat down without saying anything.

Bo Qi was the first to speak. what do you want to do? If you need anything, just let me know!"

Xie tingxi nodded. if it's not convenient for the mo Corporation to step in, I can help you.

Mo shenbai and Bai Ying were blood-related, after all. If he were to attack the ansheng group, he would inevitably be criticized for being heartless.

Mo shenbai lowered his eyes and was silent for a moment before he said in a cold voice, " Xu Jialu declared war last night. This is a war that belongs to the mo Corporation.

It was also a battle between him and the White Sakura!

The two of them looked at each other and understood what he meant.

"I'll say the same thing again, if you need anything, just let me know." Bo Qi said righteously.

Xie tingxi nodded. He also had the same intention.

Mo shenbai glanced at them to thank them for their good intentions. Then, his eyes fell on mo Zhiyun.

"Are you sure you're not going back to France for the time being?"

"It's the same if I recuperate in Mo City." Mo Zhiyun didn't want to leave him at this time.

Mo shenbai pondered for a moment and looked up at Lu Heyun, who was beside her. you have a doctor and servants to take care of you in Mo City. Lu Heyun doesn't have to be by your side all the time. He will go to the company to help me share the burden. He will be the mo corporation's executive CEO.

Everyone was stunned by this.

This included Lu He Yun, who was slightly startled.

Xu Jialu's Phoenix eyes flashed with disbelief, and he looked at him as if to say, " Are you crazy?"

Bo Qi frowned slightly, not knowing what was going on with him. Xie tingxi, on the other hand, only glanced at Lu Heyun indifferently, a hint of secrecy flashing across his eyes.

Mo Zhiyun's almond-shaped eyes were filled with surprise and unconcealable joy. big brother, are you really letting Lu He Yun be the executive CEO? ”

Lu Heyun came back to his senses and quickly said, ” “Big brother ...”

Before he could finish, mo shenbai raised his hand to stop him. He lowered his head and coughed a few times, then slowly opened his mouth.

I've been a little tired recently and I'd like to take a break. I'll leave the company to you for now. PEI Chuan and manager Xu will cooperate with you fully!
