

**Chapter 326: There's no use being afraid (1)**

Xu Youyou's arm was pulled by him all the way into the small broken house. There were many small stones on the ground and she almost tripped.

The man pushed her back into the chair and warned, "You better behave yourself, you hear me?"

He was not worried that Xu Youyou would shout. Because of the demolition, the people around the land had moved away. No one would come here at all. It would be useless even if she shouted until her throat was sore.

Xu Youyou also knew this, so she didn't waste her breath and energy. She just sat on the dusty chair and looked at him timidly with her clear eyes.

She hoped that he would not make things too difficult for her on the account of her cooperation.

The man who was driving also came in. He sized Xu Youyou up and said, "brother Hu, this girl looks quite obedient.

The man snorted. before you get the money, be careful!

"I know, I know," He was still staring at Xu Youyou.

The man smacked him on the head. it's more important to get down to business. When we get the money, we'll have all kinds of women!

"I know!" The man finally retracted his gaze and went out.

After a while, he came back in with a few lunch boxes and two bottles of wine.

The two of them sat at the old table, drinking and eating. They would occasionally take a sip and curse at the police.

The man's face was red from drinking, but brother Tiger did not drink much. He turned to look at Xu Youyou. do you want to eat something? "

His tone was not as fierce as before, probably because he saw that she was too obedient.

Xu Youyou met his fierce eyes, shook her head, and then quickly lowered her head.

He calculated the time in his heart. He had already sent out the text message to the police, and the police should be starting to investigate. Soon, even Bai Zhiyun would know about it. Zhiyun would definitely think of the tracker, and they would find him very soon.

However, there were only two kidnappers here. What if there was no mastermind?

Xu Youyou frowned slightly. She wanted the police to catch not only the two kidnappers but also the mastermind behind the scenes.

When she turned her head to peek at them, the man, whose face was red from drinking, laughed wretchedly. brother Hu, this girl doesn't cry or throw a tantrum. She's quite interesting!

Brother Tiger glanced sideways at Xu Youyou, retracted his gaze, and snatched the glass from his hand. don't drink so much. I have business to attend to later.

"I know, I know!" Probably annoyed by brother Tiger's nagging, he got up and went out.

"Where are you going?" brother Tiger asked.

He walked out without looking back. pee.

Brother Tiger ignored him and walked towards Xu Youyou with a greasy chicken leg in his hand. young lady, we only want money. As long as you cooperate with us, we will leave after we get the money. We will never hurt you.

Xu Youyou nodded in agreement.

"Have something to eat." Brother Tiger brought the chicken leg to her mouth.

The chicken leg was greasy and obviously bought from a roadside store. It didn't taste good, so Xu Youyou turned her head away.

Brother Tiger pinched her chin and forced the chicken leg into her mouth. just eat it if I tell you to. Don't cause me trouble!

Xu Youyou's gums hurt from his jabbing. She had no choice but to open her mouth and bite the chicken leg. Her eyes were wet, and she felt wronged and confused.

Why do kidnapers nowadays still force people to eat?

When the man came back with the water and saw the big chicken leg in Xu Youyou's mouth, he couldn't help but raise his voice. "I only bought two chicken legs, why did you give them to her! It's such a waste!"

"She's our money jar!" Brother Tiger sat down, grabbed a handful of fried peanuts, and threw them into his mouth. if anything happens to us from hunger, we won't be able to get the money!

The man's lips twitched. they only asked us to kidnap her. They didn't say anything about her life or death!

"What nonsense are you spouting!" Brother Hu glared at him. hurry up and eat. After you're done, call her. The sooner she sends the money, the sooner we can leave! This place is not safe!"

The man was not convinced, but he did not dare to refute. He gobbled up the food and went out to make a call.

Brother Tiger threw the garbage into a metal can and then lit up everything that had been used.

It didn't look like he had left any fingerprints or DNA behind.

"You guys are fugitives?" Xu Youyou finally spoke her first sentence. There was no fear in her soft voice. Instead, it was like a spring breeze blowing on one's face, very comfortable to listen to.

Brother Tiger smoked a cigarette and squinted at her. you're not afraid of us!

“Afraid, it’s useless even if you’re afraid.” Xu Youyou licked her lips, feeling as if a layer of oil had been applied to them. didn’t you say that I would be fine as long as I cooperated? ”

Brother Tiger sneered. you believe the kidnappers? How old are you, you idiot!”

Xu Youyou pursed her lips and did not say anything. She looked at him innocently.

Perhaps it was because her eyes were too pure and clean that brother Tiger’s heart trembled and he felt an indescribable sense of pity.

“We won’t do anything to you, but we can’t guarantee that our employer won’t do anything to you.” He threw the cigarette butt into the metal bucket and snorted. if you want to blame someone, blame yourself for offending someone!

Xu Youyou replied with an ‘Oh’ and fell silent again.

The man who had gone out to make a call came back.

“You’re here?” brother Tiger asked.

“I’m still on the way. There’s still ten minutes left.” Thinking of getting the money, the man seemed to be a little happy and excited, ” we finally have money. We don’t have to hide here and there and can live in a hotel comfortably!

Brother Tiger didn’t say anything. He sat back in his chair and waited for his employer to come over and pay.

After about twenty minutes, there were three long and two short knocks on the door.

The man went to open the door, and Fu ning, who was wearing a red suit, walked in. He took off his sunglasses and looked at Xu Youyou, his eyes full of gloominess and hatred.

“I’ve caught the person for you. Where’s the money?” brother Tiger stood up.

“What’s the hurry!” Fu ning didn’t even look at him. She walked towards Xu Youyou, a cold smile on her red lips. you didn’t expect this day to come, did you? ”

Xu Youyou was not surprised to see her at all. There was not even a trace of fear in her eyes. She looked at her with clear eyes and a little sympathy.

Fu ning didn’t like the way she was looking at her and wanted to take a step forward.

Brother Tiger suddenly stood in front of her and said in a gloomy voice, ” “You said you’ll hand over the person and the money!”

Fu ning opened her handbag and showed it to them. I brought the money.

When brother Tiger reached out for his bag, Fu ning dodged.

“What do you mean by that?” The man asked unhappily.

Fu ning’s gloomy eyes stared at Xu Youyou, like a venomous snake flicking its tongue. I’ll give you an extra 100000 Yuan as long as you play with her!

He gave an extra 100000 Yuan for a woman!

The man's eyes lit up instantly, and he answered excitedly, " this isn't a side dish ...

Before he could finish, brother Tiger chided him coldly, " ah Bao, shut up!

Ah Bao suddenly stopped talking after being yelled at.

Brother Tiger looked at Fu ning. we're only in charge of helping you catch people, " he said coldly. we won't do things like rape!

Ah Bao was a little anxious. He hadn't tasted a woman for a long time. Why wouldn't he do it if he could get money from playing with her?
