

Chapter 336: Let's make up (1)

when Shen Bai was young, he was abused by Bai Ying. My big brother was busy with work and had very little time to spend with him. To put it bluntly, he has flaws in his personality and mentality.

Xu Youyou's eyes were clear as she looked at her quietly without saying anything.

Mo qinghuan's Red lips parted slightly as she said in a low voice, "If he makes any mistakes and goes to a dead end, don't take it to heart. Since he has already set his eyes on you, he will be devoted to you."

If it was anyone else, she would definitely say that men should not be spoiled. The more you spoil them, the more you'll gain face.

But who asked mo shenbai to call her "aunt"? after receiving this address, the scale in his heart naturally leaned towards him uncontrollably, and he wanted to let the little girl suffer a little.

Xu Youyou finally understood. She was afraid that if she continued to quarrel with mo shenbai, it would affect their relationship.

"Auntie, don't worry. Although I'm young, I know that love and marriage need to be managed. There will definitely be conflicts and arguments between two people, but we'll definitely get over it and overcome these conflicts."

No matter how beautiful love was at the beginning, it would be crushed in life with the passage of time. Two people could not be together forever just by relying on those beautiful throbbing.

Mo qinghuan nodded, her cold eyes overflowing with a faint sense of relief. The little girl looked young, but she was very clear-headed.

"Alright, I'm leaving." She had said what she needed to say and what she shouldn't have said. She had no reason to stay here.

Xu Youyou stood up as well. little aunt, aren't you going to have lunch before you leave? "

As mo qinghuan walked out, she said, "Where can't I eat? I don't need you guys to feed me!"

Xu Youyou was a little reluctant to follow her. She still liked this independent little aunt.

"When will you be back next time?" She didn't come back for the new year, and he didn't know when they would meet again.

Mo qinghuan walked down the stairs and turned to look at her. when you and Mo shenbai have a decent wedding, I'll come back to attend the wedding.

Xu Youyou smiled and nodded. sure! Auntie will have to work hard and come back earlier to help us prepare for the wedding."

Mo qinghuan didn't reject him. sure, let me know when the time comes.

Mo shenbai walked over from the living room and walked her to the door with Xu Youyou.

you don't have to send me off. Contact me if you need anything.

"If Bai Ying's skin is itchy, remember to inform me to come back and beat her up."

Xu Youyou and Mo shenbai watched her get into the car. They only entered the house after the car slowly drove out of the moon-embracing house and disappeared from their sight.

The atmosphere was a little cold and awkward.

Because of what had happened before, the two of them had been cold to each other for several days. Neither of them lowered their heads and took the initiative to look for the other. Now that there were only the two of them left, they felt awkward and unnatural.

Mo shenbai's expression was calm, and he was more composed than Xu Youyou. He said lightly, "Let's eat."

Lunch also ended in silence. The Butler and servants sensed that the atmosphere between the two of them was not right, so they quickly packed up and retreated into the kitchen, never coming out again.

The two of them sat facing each other in the living room. Neither of them spoke, and the atmosphere was strange.

Xu Youyou held the cup in her hand. After hesitating for a while, she mustered up the courage to speak first.

Da Bai, I know you were worried about me that day, but I've made ample preparations before I did that. I'm confident in myself, and I hope you can also have confidence in me.

Her black and white eyes were looking at him sincerely and passionately, full of expectations.

She also hoped to be recognized by him, to be trusted by him, to be praised by him!

Mo shenbai's long eyelashes fluttered, and his throat tightened. His voice was low and hoarse. It's my fault. I shouldn't have said that about you.

Xu Youyou's pink lips curved up and she said generously, "I accept your apology and I'm not angry with you anymore. Let's make up, okay?"

Mo shenbai looked into her clear and bright eyes. His Adam's apple rolled, and the guilt in his heart deepened.

She had always been mild-tempered and obedient, and did not like to be calculative. However, she had shed tears that day. It was obvious that his words had hurt her self-esteem.

He patted his leg and said, "come here."

Xu Youyou got up and sat on his lap. She wrapped her slender arms around his neck and rubbed against him like a kitten. da Bai, I've missed you so much these past two days.

She was used to falling asleep in his arms every night, and she had not been able to sleep well in the hotel for the past two days, always waking up with a start.

Mo shenbai tightened his grip on her slender waist. His heart was also sticky, and he couldn't get rid of his longing and nostalgia.

"I missed you too." He lowered his head and placed his lips on her forehead. It's not that I don't want to look for you, but Hanhan.

Before he could finish, Xu Youyou took over.

"You were afraid that Bai Ying and the others would pester me, so you didn't pick me up."

Mo Shen's black and white eyes suddenly lit up and gradually became hot and scalding.

"I know everything, and I'm not as weak as you think I am." Xu Youyou raised her head. Her tender face had unconsciously lost its former naivety and was now more mature and confident.

now that Fu ning is going to jail, she can't hurt you anymore, nor can she hurt me.

Mo shenbai replied with an " mm ". my Mrs. Mo has grown up and is very capable.

Xu Youyou's face was full of pride after being praised. She said confidently, "Then you have to believe in me and support me in the future, okay?"

Mo shenbai nodded. alright.

His deep eyes were filled with passion and gentleness. He stared at her without blinking, as if he wanted to melt her whole body.

Xu Youyou's face slowly heated up. She lowered her long eyelashes and muttered softly, " why are you looking at me like that ...

Before she could finish, he suddenly lowered his head and kissed her red lips.

The moment their lips touched, Xu Youyou trembled involuntarily. Her heart trembled violently and she felt an indescribable throbbing.

A pair of wet eyes, flowing with light and full of desire, more and more attractive.

Mo shenbai's fingers pinched her chin gently, and he lowered his head to kiss her again.

The sun outside the window was blazing, the garden was filled with roses, and the air was filled with a fishy sweetness that lingered for a long time.

Fu Anbang quickly sent over Fu Dongsheng and Bai Ying's divorce certificate. He lowered his posture and asked mo shenbai to be magnanimous and leave them a way out.

Mo shenbai called Lu Heyun in front of him and told him that the mo Corporation would no longer attack the business of the ansheng group.

Fu Anbang left the canvass lunar restaurant after expressing his gratitude. He didn't mention Fu ning the entire time, nor did he provide any legal assistance to Fu ning.

Fu ning's case of kidnapping Xu Youyou went to court very soon. Because the chain of evidence was complete, and the witnesses and material evidence were all present, the trial process was very fast, and the verdict was given on the spot.

Fu ning was suspected of kidnapping and attempted murder. She did not show any signs of repentance after the incident and was sentenced to 11 years in prison, to be executed immediately.

Xu Youyou did not attend the court hearing. Instead, she went to the school and asked teacher Kang for the exchange student registration form.

Her final decision did not disappoint Kang Mingcheng. He was overjoyed. I'm happy for you that you've thought it through. You'll definitely be grateful for your decision in the future.
