

Chapter 359: I want to see her (1)

At the hospital.

Xu Youyou was sent to the emergency room. Although the doctor had rescued her and her life was no longer in danger, she had not woken up.

The doctor had examined mo Zhiyun. Other than a few abrasions, there were no major injuries. Lu He Yun had someone send a set of clean clothes for her to change into.

Such a big thing was on the news, and it couldn't be hidden from Cheng Ying and Xu Jiushi. The two of them rushed to the hospital, and Xu Youyou had already been transferred to the ward.

Xu Youyou was wearing the hospital gown, which was loose on her body, making her look particularly small and thin. Her face was pale and bloodless, and her eyes were closed. If it were not for the mist on her breathing mask, it seemed that she would not have been able to sense her vital signs.

Mo shenbai was still in his wet clothes, and the water from his trousers dripped onto the ground. His pale face was almost numb, and his dark eyes stared at her, not even daring to blink.

He was afraid that she would disappear from his sight in the blink of an eye.

Xu Jialu's eyes were red as he grabbed mo shenbai's collar and lifted him up. He gritted his teeth. what did you promise me? You promised me that you wouldn't let her get involved in the mo family's mess! Look at what she's become now!"

Mo shenbai allowed him to grab his collar without any resistance. His face was ashen, and he even looked forward to a punch.

This way, he would feel better.

He did not protect Youyou well, just like how he did not protect qianyue well in the past!

"It's done," Cheng Ying stepped forward and pulled Xu Jialu away. you can't blame shenbai for this. He didn't want anything to happen to Youyou.

Xu jiushu took a deep breath and agreed with Cheng Ying.

"Your mom's right. Who could imagine that Bai guy would do such a thing!"

As parents, they could not understand Bai Ying's actions.

Cheng Ying glanced at Xu Youyou on the bed, her eyes red. nothing is more important than your sister waking up.

Xu Jiali patted Xu Jialu's shoulder, " I don't like you fighting. Don't make a scene in the ward.

Xu Jialu sat on the bed dejectedly. His Phoenix eyes looked at the unconscious Xu Youyou with heartache and his voice was slightly choked. Youyou ...

In the emergency room.

The doctor stitched the wound on Fu Jianchen's palm and made more than a dozen stitches. Although he had been given anesthetic, his pale face was still covered in fine sweat.

The doctor packed his things and left.

Fu Jianchen immediately got up and went to find Xu Youyou.

After asking the nurse at the nurse's station and finding out that Xu Youyou had been transferred to the ward, he couldn't wait to see her.

However, he was stopped by Cang Ming when he reached the door of the ward.

"You're not welcome here."

"I want to see her." Fu Jian's deep voice was tense.

you're not welcome here," Cang Yun repeated expressionlessly.

Even if he saved Madam, Cangming couldn't let him in. Otherwise, he would be betraying Sir.

Fu Jianchen wanted to force his way in, but Xu Jialu walked out of the ward with a gloomy face. He grabbed Fu Jianchen's collar and pressed him against the wall.

"Thanks to your mother! My sister is in a coma right now, and we don't know when she'll wake up. F*ck off as far as you can, or I can't guarantee when I'll lose control and kill you."

Fu Jianchen's throat was pressed tightly by his elbow and he could not move. He looked up with a gloomy gaze. Bai Ying is my mother, but she is also Mo Shenbai's mother!

In other words, even if he was to vent his anger, he couldn't just vent it on himself.

"Ha." Xu Jialu sneered, "do you think Bai Ying is worthy of being his mother just because she gave birth to old dog mo?"

"I will settle the score with old dog mo! But I'm even better at settling the fu family's accounts!"

Anyone who hurt Xu Youyou would not be able to escape. He would take care of them one by one.

Fu Jianchen's Adam's apple bobbed, but he did not refute. His thin lips parted slightly, and he said in a cold voice, "I want to see her."

"You're not worthy."

Fu Jianchen raised his hand. 16 needles. It's not up to you to decide whether you're worthy or not!

Xu Jialu turned his head and saw his bandaged hand. His eyes narrowed, and after a moment of silence, he let go of him.

If Fu Jianchen's hand wasn't injured, he might have been able to force his way in, but now ...

"I really just want to see her."

Xu Jialu was silent for a while and then said, "come in with me."

Fu Jianchen followed Xu Jialu into the ward, and Cangming didn't stop him.

Xu Jialu was the one who brought her in, so if President Mo wanted to be anxious, he should be anxious about Xu Jialu and not himself.

In fact, Cangming was thinking too much.

Mo Shenbai's attention was all on Xu Youyou now. The others had become air. He didn't care about Fu Jianchen and Li Jiancheng ...

As soon as Fu Jianchen saw Xu Youyou on the bed, his hands that were hanging by his sides clenched into fists. His heart felt as if it had been crushed by something, and he was almost out of breath.

She clearly did not do anything, so why was she the one who was injured every time?

The phone in his pocket was vibrating. Fu Jianchen was silent for a long time before he took out his phone and saw the caller ID. He hesitated for a moment before walking out with his phone.

Hello ... the voice was slightly hoarse and mixed with a trace of coldness.

She did not know what the other party said, but his expression was as cold as ice. His voice was cold as he said, "Mother has divorced you, but she is your ex-wife. It's fine if you don't care about her, but now you're not even willing to come and see her?"

If Fu Dongsheng had not chosen power and status to divorce, Bai Ying might not have ended up like this.

If Mo Shenbai was the murderer who forced her, then Fu Dongsheng was the last straw.

"Is there no one more important than money in your heart?" Fu Jianchen couldn't help but raise his voice and almost growled, "Then you can pretend you never had me!"

The next second, he threw the phone on the ground with a "bang" and it shattered into pieces.

His eagle-like eyes were scarlet red, and his chest kept moving!

Why was she born into such a family?

Xu Youyou remained unconscious and Mo Shenbai stayed in the ward for three days. Other than changing his wet clothes, he sat by the bed and did not eat, drink, or speak.

Lu He Yun would send Mo Zhi Yun to the hospital to visit them every day.

Mo Shenbai didn't eat a single bite of the food that Mo Zhiyun had asked the kitchen to prepare. Because he hadn't slept for three days, he had obvious dark circles under his eyes, and his face was obviously tired.

"Big brother, you should at least eat something. Otherwise, how can your body take it?" Who's going to take care of you if you collapse?" Mo Zhiyun tried to persuade him.

Mo Shenbai's face was expressionless, and his eyelashes didn't even move, as if he didn't hear anything.

Xu Youyou was unconscious, and his soul seemed to have fallen into a deep sleep with her, leaving only a walking corpse.

“Aiyou definitely wouldn’t want to see you like this. She’ll be very sad.” Mo Zhiyun stepped forward and tugged at his sleeve. big brother, don’t be like this! Can you eat something? Or go rest for a while.”
