

Chapter 366: I don't believe in Buddha (1)

I'm fine. You can come back when you're on vacation. If there's nothing to do at the company, I'll go to Paris and stay with you for a while.

However, it was unrealistic to settle down for a long time.

Xu Youyou's mind flashed with the scene she saw in her dream. She lowered her eyes and looked hesitant. but, ran ran.

Before she could finish speaking, mo shenbai suddenly lowered his head and kissed her lips.

His voice stopped abruptly.

Mo shenbai only pressed his lips against hers and did not take another step. He was gentle and restrained.

"Go or not, the choice is in your hands. No matter what decision you make, I will respect it." He stepped back and put some distance between them. Their eyes met, and the light in his eyes was warm and gentle, like the brightest star in the sky.

I just hope that you can think about it carefully. I don't want you to have any regrets in the future. I don't want you to regret giving up your dream for me.

Xu Youyou shook her head. I won't. I won't ...

Before she finished speaking, she saw Fu jianchen standing under the street lamp not far away. His handsome features were filled with joy, but there was a flash of hurt in his gloomy eyes.

Mo shenbai followed her line of sight and saw Fu jianchen. His brows furrowed and there was a chill between them.

"Can I talk to him in private?" Xu Youyou asked mo shenbai's opinion in a soft voice.

Mo shenbai was silent for a moment. He got up and walked towards Fu jianchen. When he passed by him, he paused and said in a cold voice, " she just woke up and her body is still very weak.

The voice behind the camera said, "if you have something to say, say it quickly!"

Fu jianchen didn't even look at him as he said this. His long, slender legs slowly walked towards Xu Youyou.

Xu Youyou smiled and greeted him. Fu jianchen, long time no see.

Fu jianchen placed the flowers in her arms and sat down beside her. when did you wake up? "

"Today," what a beautiful flower. Thank you, " Xu Youyou replied. She lowered her head and smelled the fragrance of the flowers.

Fu jianchen leaned back and stretched his long legs forward. you're welcome.

Xu Youyou turned her head to look at his cold side profile. Her gaze fell on the obvious scar on his right palm.

She still remembered the situation that day. It had been extremely dangerous.

When Fu Jianchen appeared, he grabbed the knife without any hesitation. If it weren't for him, he would probably be dead by now.

Fu Jianchen, thank you. She repeated.

Fu Jianchen tilted his head and looked into her eyes. He noticed that she had been looking at his palm. Her palm was facing down. He smirked disdainfully. If you're referring to what happened that day, then don't say anything. I should be the one saying sorry.

Apologize to her on behalf of the white cherry blossom.

Xu Youyou shook her head and said in a soft voice, "She did something wrong. It has nothing to do with you. You don't have to apologize."

Fu Jianchen glared at her. The son pays for the Father's debt. My mother almost killed you, but you're still so kind to her son. Should I praise you for being virtuous or scold you for being stupid?"

"These two seem to be scolding me." Xu Youyou felt that he was insulting her intelligence.

Fu Jianchen raised his eyebrows slightly. Not bad. You can tell!

"Bai Ying wanted to kill me, but you saved me." Xu Youyou turned her head to look at him. Her bright eyes were clear and untainted. Even after experiencing so much, they were still as clear as ever.

Fu Jianchen, no matter if we are still friends in the future, I will never forget the way you held the knife for me without hesitation!

Fu Jianchen's breathing stopped. There was some kind of emotion that was slowly flowing in his eyes. His Adam's apple moved, and he squeezed out a sentence after a while. We ... Why Can't We Be Friends?"

Xu Youyou was stunned. She hesitated and said, "Bai Ying has done something like this, so da Bai probably won't let her off. And the fu family ..."

With da Bai's personality, it was impossible for him not to vent his anger.

It's her own business if she's being retaliated against for doing something wrong. I won't help her. Fu Jianchen's thin lips parted slightly. His voice was cold and disdainful as he said, as for the fu family, it doesn't matter. In their eyes, I'm just a piece of trash.

Because he didn't listen to Fu Anbang and Fu Dongsheng's arrangements to study economics and instead applied for the art school, he was chased out of the fu family. Every time Bai Ying called him back, no one gave him a good look.

He was born in an environment where interests were the most important and anything could be sacrificed. It was ridiculous to expect him to be loyal and loyal.

Xu Youyou's thick eyelashes trembled slightly. She kept looking at him without saying a word.

Fu Jianchen's eyebrows moved slightly. why are you looking at me like that? " Do you think that I'm cruel and unscrupulous, an ungrateful Wolf that can't be fed well?"

Fu Dongsheng always scolded him like this.

Xu Youyou shook her head. I just think you look a little like da Bai.

A trace of irritation flashed across Fu Jianchen's eyebrows. who looks like him? "

He was annoyed with Bai Ying and the others, and he didn't like mo shenbai either. There weren't many people in the world that he could like.

Xu Youyou didn't say anything. She lowered her head and smiled. Sometimes, she found his unruly character annoying, but sometimes she felt that he was good like this, as he would not be tired out by the people around him.

Fu Jianchen was wearing a black t-shirt with letters, revealing his beautiful arms. He was wearing a string of red sandalwood Buddha beads on his wrist. His wrist was thin, and it was wrapped three or four times ...

"When did you start believing in Buddha?" Xu Youyou asked curiously, " you don't look like a superstitious person.

Fu Jianchen lowered his head and glanced at the prayer beads on his wrist. He subconsciously covered them with his left hand and replied nonchalantly, " "Wear it and play."

He didn't say he believed her, nor did he say he didn't.

As long as she woke up, nothing else mattered. She didn't need to know.

Oh, " Xu Youyou said. it looks pretty good. Where did you buy it? " I also want to buy a string of them!"

"Someone gave it to me!" Fu Jianchen glanced at her. why did you buy Buddha beads? " Aren't you afraid of blaspheming the Buddha?"

"Why am I a coward?"

As Xu Youyou spoke, mo shenbai walked over. it's time to go back.

His words were directed at Xu Youyou and his voice was gentle.

"I'm going back to the ward. See you later." Xu Youyou said goodbye to Fu Jianchen.

Fu Jianchen nodded, his unruly expression as if he did not care about anything.

Mo shenbai bent down and picked Xu Youyou up. He carefully placed her on the wheelchair and pushed her forward, not giving Fu Jianchen a glance.

It was as if he was air, non-existent.

Xu Youyou lowered her head and looked at the flowers in her arms. these flowers smell pretty good.

Mo shenbai glanced at it indifferently. if you like it, I'll buy it for you every day.

Xu Youyou agreed with a smile.

Fu jianchen sat on the long bench and turned his head to look at their backs as they walked further and further away. The unruly look on his face gradually faded away and was replaced by endless loneliness.

His fingertips gently fiddled with the Buddha beads on his wrist, his thin lips slightly curved, and his faint tone said,

“Xu Youyou, I don't believe in Buddha. I only believe in you!”

**

The next day.

Mo Zhiyun and Lu Heyun came to the hospital to visit Xu Youyou. When they saw that Xu Youyou had woken up, mo Zhiyun was so happy that he cried tears of joy.

If it wasn't for Xu Youyou, he would have been the one dead.

Lu He Yun coaxed him for a while before mo Zhiyun's tears stopped. He stayed in the ward until noon before returning.

In the afternoon, Xie tingxi brought Xie Yumu over to visit.
